

**Subcommittee on  
Ozone Layer Protection (Products Containing Scheduled Substances)  
(Import Banning) (Amendment) Regulation 2009**

**List of follow-up actions arising from the discussion  
at the meeting on 5 October 2009**

- (1) To advise the plan and actions being contemplated by the Administration to recycle chlorodifluoromethane upon disposal of air-conditioners containing such chemical.
  
- (2) To explain the rationale for not extending the banning control to include products in the course of transshipment or are imported solely for export. To also advise the major destinations of transshipment/re-export over the past few years.
