Dear Ms SIT,

**Panel on Development**  
**Follow-up actions for Panel Meeting on 20 January 2009**  
**Agenda item V –**  
**“Delivery of minor works projects in the Capital Works programme”**  
(LC Paper No. CB(1)570/08-09(05))

I refer to the discussion of the above paper in the Development Panel Meeting on 20 January 2009. The Administration was requested to provide the estimated proportion of minor works projects which could be implemented in 2009-2010 using the fast-track approach in Annex B of the Administration's paper.

I would like to report that, in terms of expenditure, about 50% of minor works projects would be implemented in 2009-10 using the fast-track approach.

Yours faithfully,

(W H LUK)

for Secretary for Development
