May 2009

Part upgrade of the sewerage item to Category A.

10. 4353DS - Outlying Islands sewerage, stage 2 - upgrading of Mui Wo Village sewerage phase 2 and Mui Wo sewage treatment works

October 2009
(The item was originally scheduled for discussion in June 2009)

Part upgrade of the sewerage item to Category A.

11. Reusing surplus public fill in reclamation projects in the Mainland

The Administration to provide a paper on the latest progress within the first quarter of 2009

Following the signing of the cooperation agreement between the Administration and the State Oceanic Administration in March 2004, which has provided a foundation for the accommodation of public fill in Mainland waters, the Administration has been requested to report to the Panel on the progress of the scheme, particularly on the cost incurred from the delivery of the surplus public fill to the Mainland.
