		<p>commercial flights in the future.</p> <p>(b) Under the shared-use proposal at the proposed helipad at HKCEC, arrangements would be worked out to co-ordinate the uses by GFS and commercial helicopter service providers. The Administration is requested to take the following actions:</p> <p>(i) To provide the justifications for reprovisioning the permanent government helipad within the Central Business District;</p> <p>(ii) To provide details of the shared-use arrangement and how it would be worked out; and</p> <p>(iii) While members agreed that priority should be given to GFS in using the helipad for "emergency flying services", there is no justification for giving priority to GFS in using the helipad for carrying out "essential flying services". In this connection, the Administration is requested to define the two types of services to facilitate the working out of a satisfactory and transparent shared-use arrangement.</p> <p>(c) Noting that the Administration has engaged</p>	

<b>Subject</b>	<b>Date of meeting</b>	<b>Follow-up action required</b>	<b>Administration's response</b>
		<p>the relevant stakeholders in developing the proposed helipad at HKCEC and other helipad facilities in Hong Kong, and stressing the need for the Administration to maintain on-going communication with the helicopter service industry to work out the shared-use arrangement at HKCEC in future, members have requested the Administration to take the following actions:</p> <ul style="list-style-type: none"><li data-bbox="949 692 1561 1050">(i) To provide details of the consultation with the relevant parties and the helicopter service industry on the proposed helipad at HKCEC, including the means through which the consultation has been conducted, the parties which have been consulted, their major views and concerns and the Administration's responses; and</li><li data-bbox="949 1098 1561 1538">(ii) In this connection, the Administration is requested to consider conducting more extensive consultation among the stakeholders including the transport and tourism sectors, relevant trade associations, as well as Government departments and other public bodies, e.g. the Hospital Authority, in developing the proposed helipad at HKCEC and other heliport facilities in Hong Kong.</li></ul>
