Dear Ms Shum,

**Panel on Home Affairs
Conversion of Yau Ma Tei Theatre and Red Brick Building
into a Xiqu Activity Centre**

Further to our progress report of relocating the public toilet (PT), refuse collection point (RCP) and street sleepers' shelter (SSS) adjacent to Yau Ma Tei Theatre to the Panel on Home Affairs dated 6 August 2009, I append below the latest development of the relocation.

The Administration has identified potential sites for relocating the RCP and SSS. The Architectural Services Department is conducting a technical feasibility study. Pending the completion of the study and the design plan, the Administration will consult the Yau Tsim Mong District Council on the project. Separately, as the Administration is unable to identify suitable site for relocating the PT in the district, the Administration will explore the possibility of reprovisioning the PT in-situ in consultation with various stakeholders.

Yours sincerely,
