Item proposed by the Administration.

- 7. Redeployment of Directorate Posts in the Department of Health** To be confirmed

Item proposed by the Administration.

- 8. Study on non-tobacco products that share the same trade mark as tobacco products** To be confirmed

Item proposed by the Administration.

At the request of the Bills Committee on Smoking (Public Health) (Amendment) Bill 2005, the Administration undertook to examine the viability of prohibiting the use of tobacco brand name and logo on non-tobacco products.

- 9. Mode of supply of self-financed item (SFI) drugs to patients of public hospitals** To be confirmed

At the meeting on 12 February 2007, the Administration was requested to report to the Panel when the HA Board had come to a view on the mode of supply of SFI drugs before implementation. The Administration was also requested to review the assessment criteria for introducing new drugs into the HA Drug Formulary and for assistance under the Samaritan Fund.

When the grant for the Samaritan Fund was discussed at the Panel meeting on 10 November 2008, members raised concern about the assessment criteria and the operation of the Drug Formulary and the Samaritan Fund. Members considered it necessary to advance the discussion on the matter at a forthcoming Panel meeting.
