

Panel on Transport

List of follow-up actions
(position as at 24 June 2009)

Subject	Date of meeting	Follow-up action required	Latest position / Administration's response
1. Safety of reversing goods vehicles	25 May 2007	<p>The Administration was requested to provide the following information to the Panel –</p> <p>(a) A monthly update on the progress of the improvement works on the 132 priority road sections identified in consultation with District Councils for detailed investigations on measures that could be implemented to enhance the safety of reversing vehicles; and</p> <p>(b) The number of goods vehicles which had technical difficulties in installing reversing video devices and those which did not have such difficulties.</p>	<p>The requested monthly updates were issued vide LC Papers Nos. CB(1)1970/06-07, CB(1)2177/06-07, CB(1)2294/06-07, CB(1)2386/06-07, CB(1)99/07-08, CB(1)298/07-08 and CB(1)491/07-08 on 22 June, 23 July, 22 August, 24 September, 22 October, 21 November and 21 December 2007 respectively.</p> <p>Information from the Administration is awaited</p>

Subject	Date of meeting	Follow-up action required	Latest position / Administration's response
2. Central Kowloon Route (CKR) - Progress update	27 February 2009	<p>The Administration was requested to provide the following information to the Panel –</p> <p>(a) A paper detailing the measures to be taken to mitigate the air and noise impacts that might be caused by the Western Tunnel Portal of CKR to local residents including Prosperous Garden residents; and</p> <p>(b) A paper on the estimated noise impacts in terms of decibels as a result of construction of the CKR project, the noise pollution level at the Ferry Street Flyover (FSF) sections fronting Prosperous Garden, explanation of the technical difficulties in retrofitting these sections with noise barriers and why those difficulties could not be overcome, as well as details of the alternative mitigation measures under contemplation and the estimated mitigation effect expected to be achieved in terms of reduced decibels. The paper should also address the point that CKR might increase traffic flow on these sections of FSF and aggravate the noise problem, so that mitigation measures such as the installation of double-glazed windows and air-conditioning for the affected residents should be considered.</p>	Information from the Administration is awaited

Subject	Date of meeting	Follow-up action required	Latest position / Administration's response
<p>3. Proposed Speed Map Panels (SMPs) in the New Territories and progress update on the Intelligent Transport Systems</p>	<p>20 March 2009</p>	<p>The Administration was requested to provide before the relevant meeting of the Public Works Subcommittee (PWSC) the following information to the Panel –</p> <p>(a) Details of Yuen Long District Council (YLDC)'s views, including whether they supported the proposed locations of SMP numbered “S4” and “S5” set out in enclosure 1 to the Administration’s paper and what other locations at which additional SMPs were proposed by YLDC for construction, and how YLDC’s proposal would be addressed; and</p> <p>(b) An information paper on the effectiveness of the Intelligent Road Network and the Driving Route Search Service.</p>	<p>Information from the Administration is awaited</p>
<p>4. Establishment of an assessment system for provision of hillside escalator links and elevator systems</p>	<p>22 May 2009</p>	<p>The Administration was requested to take the following actions –</p> <p>(a) To update the Panel on the list of requests for provision of hillside escalator links and elevator systems which had been short-listed for assessment under the relevant assessment system to be finalized in the second half of 2009, as well as</p>	<p>Information from the Administration is awaited</p>

Subject	Date of meeting	Follow-up action required	Latest position / Administration's response
		the assessment outcomes when they were available; and (b) To provide details on how the Administration intended to prioritize the provision of resources and implementation of works to systematically improve the accessibility of various facilities and premises, in particular railway stations and housing estates.	

Note: The Administration was reminded on 2 April 2009 to provide the information requested by members.
