1. Provision of infirmary care for elders in a non-hospital setting	13 December 2004	The Administration undertook to provide more details of the tender exercise before the next meeting, including the criteria used in selecting operators to run the trial scheme, justification(s) for inviting private home operators to participate in the exercise, and the reason(s) for setting the unit subsidy for each subsidized infirmary bed in a non-hospital setting at around \$11,000.	The latest plan of the Administration is to upgrade some of the places in subvented residential care homes for the elderly to provide infirmary care. The Administration is in discussion with the sector on various requirements in relation to the upgrading exercise (e.g. staffing requirements) and aims to report progress in 2 <sup>nd</sup> quarter of 2009.

<p>2. Conversion of self-care (S/C) hostel and home for the aged (H/A) places into care and attention places providing continuum of care</p>	<p>14 March 2005</p>	<p>The Administration was requested –</p> <ul style="list-style-type: none"> <li>(a) to provide further information on how the conversion exercise would impact on the existing staff of the 75 homes operating S/C and H/A places;</li> <li>(b) to provide its plan on providing long term care for the elderly in the medium and long terms, including financing for residential care services for the elderly; and</li> <li>(c) to re-consider including the staff unions concerned in its Task Group set up last year to work out the conversion arrangements.</li> </ul>	<p>The Social Welfare Department (SWD) has launched the conversion programme since June 2005. By now, 59 homes have commenced conversion. Upon completion of the vetting of conversion proposals in respect of the remaining homes, SWD will be in a better position to assess the implications of the conversion on the staff in the homes concerned.</p> <p>The Administration has submitted two papers (LC Paper Nos. CB(2)835/07-08(01) and CB(2)1038/07-08(01)) to the Subcommittee on Elderly Services (the Subcommittee) on "Residential Care Services for the Elderly" which were discussed on 22 January 2008 and 19 February 2008. Another meeting was held on 11 April 2008 to follow up the views expressed by the Subcommittee on, among other things, the financing for residential care services for the elderly.</p>

7. Impact of inflation on the provision of meal service	8 May 2008	The Administration was requested to review the current adjustment mechanism for contract meal service fees in the light of rising food prices and take immediate measures to ease the financial difficulties encountered by the operators, as well as keep the Panel informed of the progress.	The Administration advised that the annual adjustment of the service fees for contract services with meal provision would take into account the effect of the rise in food cost. SWD would maintain close dialogue with service operators to uphold the quality of meal service.
8. Review of rent allowance under the CSSA Scheme	8 May 2008	The Administration was requested to provide a written response to the suggestion of granting a rent allowance higher than the maximum levels of rent allowance to those CSSA households with genuine and pressing housing needs to cover the actual rent paid.	The Administration is studying the matter and will provide a response when ready.
9. Support measures for low-income group in face of rising food prices	12 June 2008	The Administration was requested to see if the preparatory work for the next round of the Household Expenditure Survey (HES) on CSSA households to be conducted in 2009-2010 could be further advanced and provide the work plan for the survey.	The Administration is considering the matter and will provide a response when ready.
