 - (b) the number and details of cases over the last five years where Buildings Department (BD) staff has entered and broke into premises to ascertain building safety;
 - (c) an assessment on the estimated number of cases that BA would need to apply to the Court for a warrant to enter private premises under the new clause 16A (that amends section 22 of BO); and
 - (d) a paper to explain how the Bill should be revised to make it clear that the proposal to require BD to apply for a warrant to enter any private premises for enforcement action would in effect narrow, rather than expand, BD's power under BO. The paper should also set out the emergency circumstances under which officers authorized by BA would enter a private premises without a warrant.

003807 – 004348	Mr WONG Kwok-hing Administatration Chairman	<p><u>Surcharge for defaulted works</u></p> <p>(a) Mr WONG's suggestion that an owner should not be required to pay the 20% surcharge if he had a reasonable excuse for failing to comply with BA's order.</p> <p>(b) The Administration's response that BA had discretion under the Bill whether or not to levy the surcharge. A surcharge would normally be imposed if the owners wilfully refused to comply with BA's order despite repeated reminders.</p>	
004349 – 004557	Mr Abraham SHEK Administration	<p>(a) Mr SHEK's suggestion that the Bill should specify the circumstances for imposing the surcharge.</p> <p>(b) The Administration's response that BA's discretion would be subject to appeal, and BA must be reasonable when exercising discretionary power</p>

		under different circumstances.

The level of supervision charge depended on the actual cost payable by BD to the consultant engaged for the default works.</p> <p>(c) Mr KAM's query about how the discretionary power would be exercised.</p> <p>(d) The Administration's response that BA could waive the surcharge if owners could demonstrate due diligence to comply with BA's order even though the efforts eventually fell through.</p>	
005659 – 005915	Mr Abraham SHEK Administration Chairman	<p>(a) Mr SHEK's suggestion of capping the surcharge at 20%.</p> <p>(b) The Chairman asked the Administration to provide a response to members' suggestion of capping the surcharge at 20%, and for BA to impose a lower surcharge or waive the surcharge if the owner had a reasonable excuse for failing to comply with BA's notice.</p>	Administration to take action as required in paragraph 3 of the minutes

005949 – 011739	Mr Abraham SHEK Chairman Deputy Chairman Administration	<p><u>Warrants for entry into interiors of individual premises</u></p> <p>(a) Mr SHEK's comments that BD's power under the proposed amendment to enter or break into any premises was too wide, and might infringe on private property rights.</p> <p>(b) The Administration's explanation that :-</p> <p>(i) the proposed amendment to section 22(1) of BO and the proposed new section 22(1B), which included conditions to be satisfied before entering into a private premises, would impose further checks and balances on BA's existing power.</p> <p>(ii) BA would only apply to the Court for a warrant to enter into a private premises after it had made several unsuccessful attempts to gain access to the private premises.</p> <p>(c) The Deputy Chairman's view that the proposed power was unjustified and would infringe upon private property rights, and that further public consultation should be conducted.</p> <p>(d) The Administration's response that section 22 of BO currently empowered officers of BD to enter into any individual premises and, in the presence of a public officer, break</p>

The Administration considered it appropriate to impose checks and balances so that the power to break into a private premises could only be exercised in emergency situations, and in other circumstances, with a Court warrant.</p> <p>(e) The Chairman's view that the Administration's proposal would help solve the difficulties in gaining access for inspection encountered by BD's staff in dealing with the problem of unauthorized building works relating to sub-divided units.</p>	
011740 – 012302	Mr KAM Nai-wai Administration	<p>(a) Mr KAM's enquiry about the number of cases where BD staff entered into a private premises for inspection in the past, and whether the number of cases would increase if the proposed amendments were enacted.</p> <p>(b) Mr KAM observed that the proposed new section 22(1B)(a) allowed BA to apply for a Court warrant when refusal of admission to a private premises was apprehended. He considered the power too wide.</p> <p>(c) The Administration's explanation that the power would be exercised carefully in practice, taking into account established modus operandi of other departments in exercising similar power and subject to gate-keeping by the Magistrates' Courts in considering applications for warrants.</p> <p>(d) The Chairman requested the</p>	Administration

		<p>Administration to provide:</p> <ul style="list-style-type: none"> (i) information on the number and details of cases over the last five years where BD staff had entered or broken into premises to ascertain building safety; and (ii) an assessment on the estimated number of cases that BA would need to apply to the Court for a warrant to enter private premises under the new clause 16A (that amends section 22 of BO). 	<p>to take action as required in paragraph 3 of the minutes</p>

She suggested that the Administration should remove the provision that allowed BA to apply for a warrant on ground that refusal to admission to a private premises was apprehended. (b) The Administration's explanation that the objective of the proposed amendment was to impose further checks and balances on BD's power of entry into private premises. The Administration would reconsider the wordings to better reflect the legislative intent in the current proposed amendments. (c) Ms CHAN's query about BA or an authorized officer's power to take samples under section 22(2)(b). (d) The Administration's response that it would be necessary to give BD staff the power to obtain samples during an in-depth inspection for subsequent

013341 – 014242	Prof Patrick LAU Administration Chairman	<p>(a) Prof LAU's comments that the Subcommittee on Building Safety and Related Issues supported the Administration's proposal to take the opportunity of the Buildings (Amendment) Bill 2010 to introduce additional provisions that could enhance building safety.</p> <p>(b) Prof LAU's query about whether the proposed amendment empowering BA to enter into a private premises to deal with UBWs or sub-division of flats was related to building safety and within the scope of the Bill. He suggested that the provision should be introduced in a separate Bill, following a proper public consultation.</p> <p>(c) The Administration's explanation that the proposed amendment was to provide for BA or an authorized officer to apply for a Court warrant to enter into a private premises to</p>

		<p>ascertain whether any building works had affected building safety.</p> <p>(d) The Chairman supplemented that the Bills Committee had, on a number of occasions, discussed the impact of UBWs and sub-division of flats on building safety, and agreed that a mechanism should be set up for RIs to report such works to BA for follow-up.</p>	
014243 – 014610	Mr Abraham SHEK Administration Chairman	<p>(a) Mr SHEK's view that the proposed amendments would expand, rather than restrict, the Administration's power to enter into a private premises and was unacceptable.</p> <p>(b) The Administration's response that the intention of the proposed amendment was primarily to safeguard building safety. The Administration would review the wordings of the provisions to make the intention clear.</p>	
014611 – 015130	Ms Cyd HO Administration Mr Abraham SHEK Chairman	<p>(a) Ms HO's suggestion that tighter grounds should be required for application for a Court warrant.</p> <p>(b) Mr SHEK's concern about possible abuse of power that might infringe upon private property rights.</p> <p>(c) Ms HO's query about whether the inspections or repair works under MWIS or MBIS were also considered as "any work" in section 22(1)(d) that BA could break into any premises to carry out.</p>	
015131 – 015634	Deputy Chairman Administration	The Deputy Chairman's comments that the wordings used in the proposed draft amendments were loose and rather

015635 – 015855	Miss Tanya CHAN Administration	<p>(a) Miss CHAN's request that the Administration should consider further tightening the grounds for applying for Court warrants to enter into a private premises in non-emergency situations.</p> <p>(b) The Chairman asked the Administration to provide a paper to explain how the Bill should be revised to make it clear that the proposal to require BD to apply for a warrant to enter into any private premises for enforcement action would in effect narrow, rather than expand, BA's power under BO.
