Dear Ms Yue,

Bills Committee on Road Traffic (Amendment) Bill 2010

At the meeting of the Bills Committee held on 21 June 2010, the Committee requested the Administration to consider proposing Committee Stage Amendments ('CSA') to the Bill to combat drug driving (to include a number of illicit drugs under the "zero tolerance" control, which would constitute a circumstance of aggravation in all dangerous driving offences if the driver concerned was found to have taken such drugs).

We are examining the proposal, and will inform the Bills Committee of our views as soon as possible.

Yours sincerely,
