

**Bills Committee on
Adaptation of Laws (Military References) Bill 2010**

Follow-up to the third meeting on 18 January 2011

Members requested the Administration to -

- (a) provide a written response to the Hong Kong Bar Association's comments in paragraph 17 of its submission;
- (b) enquire with the Hong Kong Garrison on its size and relay the request to the Hong Kong Garrison for publishing the figure periodically;
- (c) clarify whether the military hospitals before the Reunification were open to and had admitted members of the public; and
- (d) confirm whether the notification mechanism and measures for control and prevention of infectious diseases applicable to local hospitals apply to military hospitals as well. The relevant ordinances and regulations, if applicable, should be quoted.
