RESOLVED that in relation to the Designation of Libraries Order 2010, published in the Gazette as Legal Notice No. 22 of 2010 and laid on the table of the Legislative Council on 3 March 2010, the period for amending subsidiary legislation referred to in section 34(2) of the Interpretation and General Clauses Ordinance (Cap. 1) be extended under section 34(4) of that Ordinance to the meeting of 21 April 2010.

Question on the motion proposed, put and agreed to.

#### Proposed resolutions under the Interpretation and General Clauses Ordinance

The President stated that six Members proposed to move a total of 14 motions under the Interpretation and General Clauses Ordinance to amend the Land (Compulsory Sale for Redevelopment) (Specification of Lower Percentage) Notice. Hon Cyd HO, Hon Mrs Regina IP and Hon Audrey EU each proposed to move a motion to amend the Notice; Hon Albert HO proposed to move three separate motions to amend the Notice; while Hon James TO and Hon LEE Wing-tat each proposed to move four separate motions to amend the Notice.

The President pointed out that both Hon Cyd HO's motion and Hon Albert HO's first motion proposed to repeal the Notice. As the two motions were substantially the same, he would only invite Hon Cyd HO to move her motion. Irrespective of whether Hon Cyd HO's motion was passed or not, Hon Albert HO might not move his respective motion. Moreover, if Hon Cyd HO's motion was passed, other Members might not move their motions.

The President further stated that Hon Mrs Regina IP's motion and Hon James TO's second motion were also substantially the same. If Hon Cyd HO's motion was negatived, he would only invite Hon Mrs Regina IP to move her motion. Irrespective of whether Hon Mrs Regina IP's motion was passed or not, Hon James TO might not move his respective motion. Furthermore, as the proposals in Hon Mrs Regina IP's motion included repealing section 4(1)(a) and (b), and other motions proposed to be moved after her motion also sought to repeal section 4(1)(a) and/or (b) and substitute it with new proposals, hence if Hon Mrs Regina IP's motion was passed, the relevant Members might not move their motions. Similarly, if any one of the motions moved after Hon Mrs Regina IP's motion was passed, the relevant Members thereafter might not move their motions.

The President then ordered a joint debate on the 14 motions.

Hon Cyd HO moved the motion in **Appendix 1** and spoke on the motion.

Supporting the market for traders running small businesses

Hon Tommy CHEUNG moved the following motion and spoke on the motion:

That, as the Hong Kong economy has yet to see a strong recovery, and the rents and operating costs in the private sector have remained high in recent years, together with ever increasing prices, the market for small businesses has suffered a severe blow, and this has not only increased the life stress of the grassroots, but has also reduced their chances of achieving self-reliance, making it difficult to improve the unemployment situation; as such, this Council urges the Government to support the market for traders running small businesses, so as to preserve their characteristic of providing quality goods at low prices and serve the grassroots, thereby increasing job opportunities; the relevant measures should include:

- (a) to revitalize hawker stalls by expeditiously allocating no less than 70% of the vacant on-street fixed hawker pitches to the existing registered assistants at fixed hawker pitches for running businesses through priority balloting, so as to enable the registered assistants who are familiar with the hawking trade and the stall environment to start businesses on the same streets or in the same districts, so as to bring vitality to the hawker market;
- (b) to increase the room for survival for licensed itinerant hawkers, reasonably reduce the number of illegal hawking blackspots, and study the designation of proposed hawking locations with time limits or conditions, and publish the list of locations concerned through various means, including facsimiles or telephone-recorded messages, for access by itinerant hawkers;
- (c) to strive to preserve the culture of 'dai pai dong' open-air bazaars, to tie in with the promotion focus of the tourism industry and, apart from improving the sanitary facilities of the existing 'dai pai dongs' and planning and developing them afresh, to expeditiously study subsidizing the development of 'dai pai dongs' or open-air markets in remote areas, so as to stimulate the economic activities of the neighbouring communities and create job opportunities for residents in remote areas;
- (d) to affirm the position and function of public markets as facilities serving the grassroots and determine future rent adjustments by using the affordability of the grassroots as one of the principles, so as to ensure that small traders can continue to capitalize on their selling point of providing quality goods at low prices to counter rent increase by The Link and monopolization by supermarkets; and
- (e) to immediately implement a public market enhancement policy and proactively allocate resources to improve the design and business environment of the public markets, including bearing the installation and maintenance costs for air-conditioning facilities in public markets, so as to enhance the competitiveness of small traders.

Question on Hon Frederick FUNG's amendment to Hon Mrs Sophie LEUNG's motion proposed and put.

Hon Miriam LAU claimed a division. The President then ordered the Council to proceed to a division under Rule 47(1) of the Rules of Procedure.

The President announced that among the Members returned by functional constituencies, 17 were present, 14 were in favour of the amendment, one against it and two abstained; while among the Members returned by geographical constituencies through direct elections, 21 were present, 19 were in favour of the amendment and one abstained (voting record in **Appendix 26**). Since the question was agreed by a majority of each of the two groups of Members present, he declared that the amendment was passed.

The President stated that Hon LEE Wing-tat and Hon Miriam LAU had indicated that they would withdraw their amendments to Hon Mrs Sophie LEUNG's motion, if Hon Frederick FUNG's amendment was passed. Hon LEE Wing-tat and Hon Miriam LAU had therefore withdrawn their amendments.

As Hon Frederick FUNG's amendment had been passed, the President granted leave for Hon CHEUNG Kwok-che to revise the terms of his amendment.

Hon CHEUNG Kwok-che moved the following further amendment to Hon Mrs Sophie LEUNG's motion as amended by Hon Frederick FUNG:

To add “; (j) to respect the right of young people to achieve self-development; and (k) to re-establish the Commission on Poverty to actively study and formulate long-term policies to solve the problem of inter-generational poverty” immediately before the full stop.

Question on Hon CHEUNG Kwok-che's amendment to Hon Mrs Sophie LEUNG's motion as amended by Hon Frederick FUNG proposed and put.

Since the question was agreed by a majority of each of the two groups of Members present, he declared that the amendment was passed.

Hon Miriam LAU rose to move the following motion without notice:

That in the event of further divisions in relation to the motion on “Adding impetus for promoting upward social mobility” or amendments thereto, the Council do proceed to each of such divisions after the division bell has been rung for one minute.

Question on the motion proposed, put and agreed to.

As Hon Frederick FUNG's and Hon CHEUNG Kwok-che's amendments had been passed, the President granted leave for Hon WONG Sing-che to revise the terms of his amendment.

To add “; (l) to develop critical thinking personality among students to distinguish between right and wrong; (m) to consolidate Hong Kong’s core values of ‘caring about the underprivileged, striving for justice, equality, democracy and rule of law’; (n) to help small and medium enterprises through developing the economy and new industries, so as to prevent large consortiums and real estate developers from monopolizing opportunities for development; (o) to reduce housing expenses through increasing the supply of land; (p) when appointing advisory committee members, the Government should consider the person’s ability and not adopt family status and wealth as factors of consideration so that the youth and the grassroots will have equal opportunities to participate; to implement general and fair elections, abolish functional constituencies, so that young people will have more opportunities to participate in political affairs, and the underprivileged will have more edge and opportunities for upward mobility; (q) to transfer the income of a Comprehensive Social Security Assistance (‘CSSA’) recipient that exceeds the limit of disregarded earning to a savings accounts, and return the total sum to the recipient when the cumulative sum exceeds twice the ceiling of household income, so that such recipients can leave the CSSA net and have more opportunities for upward mobility; (r) to formulate single-parent family policies and through catering for the needs of single-parent families in different policy areas such as housing and taxation, etc. to increase their opportunities for upward social mobility; and (s) to continuously and vigorously deploy resources for education and various training and re-training programmes, and ensure that people in need are given the opportunities to receive education and training” immediately before the full stop.

Question on Hon WONG Sing-che’s amendment to Hon Mrs Sophie LEUNG’s motion as amended by Hon Frederick FUNG and Hon CHEUNG Kwok-che proposed and put.

Hon IP Kwok-him claimed a division. The President then ordered the Council to proceed to a division under Rule 49(5) of the Rules of Procedure.

The President announced that among the Members returned by functional constituencies, 17 were present, two were in favour of the amendment, 13 against it and two abstained; while among the Members returned by geographical constituencies through direct elections, 20 were present, 13 were in favour of the amendment and six against it (voting record in **Appendix 28**). Since the question was not agreed by a majority of each of the two groups of Members present, he declared that the amendment was negatived.

As Hon Frederick FUNG’s and Hon CHEUNG Kwok-che’s amendments had been passed, the President granted leave for Hon Ronny TONG to revise the terms of his amendment.

Hon Ronny TONG moved the following further amendment to Hon Mrs Sophie LEUNG’s motion as amended by Hon Frederick FUNG and Hon CHEUNG Kwok-che:

To add “; and (l) to increase the number of subsidized university places to train local talents” immediately before the full stop.

Question on Hon Ronny TONG’s amendment to Hon Mrs Sophie LEUNG’s motion as amended by Hon Frederick FUNG and Hon CHEUNG Kwok-che proposed, put and agreed to.

As the amendments of Hon Frederick FUNG, Hon CHEUNG Kwok-che and Hon Ronny TONG had been passed, the President granted leave for Hon CHAN Kin-por to revise the terms of his amendment.

Hon CHAN Kin-por moved the following further amendment to Hon Mrs Sophie LEUNG’s motion as amended by Hon Frederick FUNG, Hon CHEUNG Kwok-che and Hon Ronny TONG:

To add “; and (m) to introduce tax concessions and other appealing measures for running businesses, so as to strive for business organizations around the world to establish their regional business headquarters in Hong Kong, thereby creating more employment opportunities, providing diversified posts, developing room for upward mobility for young people and their international outlook” immediately before the full stop.

Question on Hon CHAN Kin-por’s amendment to Hon Mrs Sophie LEUNG’s motion as amended by Hon Frederick FUNG, Hon CHEUNG Kwok-che and Hon Ronny TONG proposed and put.

Hon WONG Sing-che claimed a division. The President then ordered the Council to proceed to a division under Rule 49(5) of the Rules of Procedure.

The President announced that among the Members returned by functional constituencies, 17 were present, 15 in favour of the amendment and two abstained; while among the Members returned by geographical constituencies through direct elections, 20 were present, six were in favour of the amendment and 13 abstained (voting record in **Appendix 29**). Since the question was not agreed by a majority of each of the two groups of Members present, he declared that the amendment was negated.

The President stated that Hon Starry LEE had withdrawn her amendment.

Hon Mrs Sophie LEUNG replied.

Question on Hon Mrs Sophie LEUNG’s motion as amended by Hon Frederick FUNG, Hon CHEUNG Kwok-che and Hon Ronny TONG put and agreed to.
