**Motion debate on  
“Constitutional reform”  
to be held at the Legislative Council meeting  
of Wednesday, 9 June 2010**

**1. Hon Ronny TONG Ka-wah’s original motion**

That, as the SAR Government and the Chief Secretary for Administration have repeatedly stated in public that the existing functional constituency elections do not comply with the principle of ‘universality’ and ‘equality’, and as universal suffrage models should comply with this fundamental principle and Hong Kong people also hope that discussions on universal suffrage models can commence as soon as possible, this Council urges the Government to proactively motivate various sectors to engage in extensive and in-depth discussions and studies on the selection of the Chief Executive by universal suffrage upon nomination in accordance with ‘democratic procedures’ as provided under Article 45 of the Basic Law and on the way to deal with the issue of functional constituencies, so as to forge consensus on universal suffrage models and implement dual universal suffrage as early as possible.

**2. Motion as amended by Hon Jeffrey LAM Kin-fung**

That, ~~as the SAR~~ *the HKSAR* Government and the Chief Secretary for Administration have repeatedly stated in public that the existing functional constituency elections do not comply with the principle of ‘universality’ and ‘equality’, and as universal suffrage models should comply with this fundamental principle and Hong Kong people also hope that discussions on universal suffrage models can commence as soon as possible; this Council urges *the various political parties and Members of the Legislative Council to support the passage of the 2012 constitutional reform proposals, so as to pave the way for implementing universal suffrage for the Chief Executive in 2017 and subsequently for the Legislative Council; on this basis, this Council proposes that* the Government ~~to~~ proactively motivate various sectors to engage in extensive and in-depth discussions and studies on the selection of the Chief Executive by universal suffrage upon nomination in accordance with ‘democratic procedures’ as provided under Article 45 of the Basic Law and on the way to deal with the issue of functional constituencies, so as to forge consensus on universal suffrage models and implement dual universal suffrage as early as possible.

### 3. Motion as amended by Hon LEUNG Kwok-hung

That, as the SAR Government and the Chief Secretary for Administration have repeatedly stated in public that the existing functional constituency elections do not comply with the principle of ‘universality’ and ‘equality’, and as universal suffrage models should comply with this fundamental principle and Hong Kong people also hope that discussions on universal suffrage models can commence as soon as possible, this Council urges *that* the Government ~~to proactively motivate various sectors to engage in extensive and in depth discussions and studies on the selection of the Chief Executive by universal suffrage upon nomination in accordance with ‘democratic procedures’ as provided under Article 45 of the Basic Law and on the way to deal with the issue of functional constituencies, so as to forge consensus on universal suffrage models and implement dual universal suffrage as early as possible~~ *must, in respect of the electoral system for the Chief Executive, abolish the existing Election Committee system, so that any eligible person who is nominated (with signatures) by a certain number of registered electors (e.g. 50 000) can stand for the election of the Chief Executive on a one-person-one-vote basis, so as to comply with the principle of all persons having the right to elect and to be elected by universal and equal suffrage; in respect of the electoral system for the Legislative Council, ensure that seats must be returned by universal suffrage while the existing functional constituencies must be abolished and dual universal suffrage be implemented in 2012.*

Note: Hon LEUNG Kwok-hung’s amendment is marked in *bold and italic type* or with deletion line.
