Proposed Amendments

At the meeting of the Subcommittee on Port Control (Public Cargo Working Area) Order 2010 (“the Order”) held on 19 October 2010, Members requested the Administration to stipulate the expiry date of the Order to ensure that the site that has been temporarily excised for use as a barging point will be reverted as part of the Western District Public Cargo Working Area (“WD PCWA”) upon completion of the relevant excavation works by 1 January 2015.

2. In light of Members’ request, we have proposed amendments to the Order (at **Annex**) to stipulate that the revised boundary of the WD PCWA excluding a site of 7 500 square meters for temporary use as a barging point would only be effective between 13 November 2010 and 31 December 2014. The original boundary of the PCWA would be restored on 1 January 2015 after a period of temporary suspension between 13 November 2010 and 31 December 2014.

3. The Secretary for Transport and Housing plans to move a motion to amend the Order as set out at **Annex** at the LegCo meeting on 10 November 2010.
