**Motion on
“Legislating for ‘standard working hours’ ”
moved by Dr Hon LEUNG Ka-lau
at the Legislative Council meeting commencing on
Wednesday, 23 June 2010**

Motion as amended by Hon LI Fung-ying

That, as Hong Kong is an economically developed city, yet most employees still need to work long hours, adversely affecting their personal health and family life and giving rise to many social problems, this Council urges the Government to legislate for ‘standard working hours’ according to the people-oriented principle to ensure a work-rest balance for employees.
