Dear Mr Fang,

**Refined Proposals to Strengthen  
Copyright Protection in the Digital Environment**

Thank for your inviting the Federation of Hong Kong Industries to give views on the refined proposals by the Government to strengthen copyright protection in the digital environment.

The Copyright Committee of the Hong Kong Information Technology Industry Council, which is a scheduled group of ours, has reviewed the subject. They are of the view that the refined proposals have addressed the issues they raised earlier in the public consultation, and consider them to be agreeable.

Yours sincerely,

Alexandra Poon  
Director  
Policy, Research & Communications
