Fee proposal under the Town Planning (Amendment) Ordinance 2004 (Development Bureau)	24.1.2006	<p>The Administration was requested to --</p> <ul style="list-style-type: none"> <li>(a) provide the details of the basis for determining the various fee items under the fee proposal;</li> <li>(b) reconsider extension of fee waiver to all applications relating to "public causes", "public proposes" or "public interest" as a matter of policy;</li> <li>(c) investigate whether there was any definition for "public interest" in law;</li> <li>(d) provide the estimated costs incurred by the Government in processing various types of planning applications each year; and</li> <li>(e) consult Heung Yee Kuk on the fee proposal with particular regard to fee items applicable to small house applications.</li> </ul>	Administration's response awaited.

<b>Subject (Responsible Bureau/Office)</b>	<b>Date of meeting</b>	<b>Follow-up actions required</b>	<b>Administration's response</b>
2. Public open space in private developments (Development Bureau)	26.1.2010	The Administration was requested to provide information on past cases where requirements for the provision of public open space/public access in private developments had not yet been complied with and how those cases would be handled.	Administration's response awaited.
3. Building safety (Development Bureau)	23.2.2010	The Administration was requested to provide information on the number of buildings, among the 2 463 buildings inspected after the collapse incident, where staff of the Buildings Department had entered individual premises of those buildings to carry out inspection.	Administration's response awaited.
4. Progress of implementation of Total Water Management initiatives (Development Bureau)	25.5.2010	The Administration was requested to provide the amount of fresh water lost in each of the past five years as a result of leakage from, or burst of, water mains.	Administration's response awaited.
5. Progress report on Kai Tak Development (Development Bureau)	25.5.2010	The Administration was requested to provide previous documents and records which would illustrate whether the Administration had intended to use part of the Kai Tak Development as a buffer to facilitate redevelopment projects in adjacent old districts, and, if so, how that objective had changed over time.	Administration's response awaited.
