Dear Mr. Kwong

**Panel on Environmental Affairs  
Subcommittee on Combating Fly-tipping**

We thank you for your email of 11 March inviting our Association to exchange views with the Subcommittee on combating fly-tipping activities.

We are pleased to note the progress made by the Administration in combating illegal land filling and fly-tipping activities as reported in the EPD's paper CB(1) 1026/09-10(01). We have also requested our members to make it clear to their contractors that they must follow the legislation for depositing construction and demolition materials.

Please note that we shall not be coming to the meeting on 13 April.

Yours sincerely

Louis Loong  
Secretary General
