

Panel on Environmental Affairs

Subcommittee on Combating Fly-tipping

**List of follow-up actions arising from the discussion
at the meeting on 13 April 2010**

- (a) To provide written response (in tabular form) to views pertaining to the submissions from deputations.

- (b) To re-consider the feasibility of mandatory application of the trip-ticket system and global positioning system to private construction projects to monitor the flow of construction and demolition materials, as well as increasing the penalty for fly-tipping and illegal land filling activities.
