Dear *Debbie*,

**Public Consultation on
Legislation to Enhance Protection for Consumers
Against Unfair Trade Practices**

The Government publishes a consultation document today recommending a package of legislative proposals to combat commonly seen unfair trade practices, so as to better protect consumers. Our policy objective is to deliver social justice and economic progress which is fair to both consumers as well as businesses.

The consultation document can be viewed and downloaded at www.cedb.gov.hk/citb. A dedicated facebook webpage has been established for the public to express their views on the subject during the consultation period (www.facebook.com/ConsumerProtectionReview). The consultation period will end on 31 October 2010.

I should be grateful if you could help inform all Members of the Legislative Council of the above.

Yours sincerely,

(K.C. Yau)

for Secretary for Commerce and Economic Development
