16. Regulation of "Health Maintenance Organisations"

2nd quarter, 2010

The issue was last discussed by the Panel at the meeting on 11 June 2007. The Administration was requested to revert to the Panel on the time frame for establishing a statutory licensing regime to regulate health maintenance organisations, in view of the lack of adequacy of the Medical Director concept to safeguard patients' welfare.

17. Drug Formulary of the Hospital Authority

2nd quarter, 2010

At the meeting on 12 February 2007, the Administration was requested to report to the Panel when the Hospital Authority Board had come to a view on the mode of supply of self-financed item drugs before implementation. The Administration was also requested to review the assessment criteria for introducing new drugs into HA Drug Formulary and for assistance under the Samaritan Fund.

When the grant for the Samaritan Fund was discussed at the Panel meeting on 10 November 2008, members raised concern about the assessment criteria and the operation of the Drug Formulary and the Samaritan Fund. Members considered it necessary to advance the discussion on the matter at a forthcoming Panel meeting.
