for discussion**

**1. Progress report on the work of Hong Kong Design Centre**

On 17 April 2007, the Commerce and Industry (CI) Panel supported the Government's proposal to provide \$100 million to support the operation of Hong Kong Design Centre (HKDC) over a period of five years and requested that the Government should, upon approval by the Finance Committee (FC) of the funding proposal, report to the CI Panel on a regular basis the progress of the work of the HKDC and the relevant initiatives taken to promote design and innovation. The funding proposal was approved by FC in May 2007. On 15 April 2008, HKDC made its first report to the CI Panel covering the period from July 2007 to March 2008. On 19 May 2009, HKDC made its second report to the CI Panel covering the period from April 2008 to March 2009. HKDC will need to make its third report in 2010. Together with other matters of Create Hong Kong which are reported and considered at the Panel on Information Technology and Broadcasting (ITB Panel), the progress report of HKDC will be submitted to the ITB Panel instead of the CI Panel.

**5. Review of Local Access Charge**

Local Access Charge (LAC) is an interconnection charge paid by the external telecommunications service (ETS) operators to compensate local fixed or mobile network operators for the delivery of ETS traffic. Under the existing regulatory regime, which was introduced in 1999, the LAC for fixed network operators is regulated while that for mobile network operators is set by market force. In view of the ripple effect of the de-regulation of the fixed-mobile interconnection charge<sup>1</sup> starting 27 April 2009 on the LAC market, the Administration has confirmed the need to review the existing LAC regime. The Administration will consult the public and the industry on the way forward and report to the Panel.

television programme service licences of Asia Television Limited (ATV) and Television Broadcasts Limited (TVB). The Broadcasting Authority (BA) would review the performance of the licensees, including assessing their compliance with various regulatory requirements, their financial commitments for 2010 to 2015 and public views on their performance. BA will make recommendations to the Chief Executive in Council (CE in Council) after completion of the review. The Administration will report the latest development of the matter to the Panel in due course.

At the Panel meetings on 9 November and 14 December 2009, members urged that the Administration should update the Panel as soon as possible on the progress of the matter, including public views collected during the review before finalizing its recommendations to the CE in Council.

At the Panel meeting on 11 January 2010, the Administration was requested to provide an update on the progress of BA's investigation into the complaint of unfair competition lodged by ATV against TVB in due course.

At the Panel meeting on 8 March 2010, the Secretary for Commerce and Economic Development assured members that all efforts would be made to expedite the review. The Administration would update the Panel on developments as soon as the BA had made its recommendations to the CE in Council.

**10. Spectrum trading**

OFTA has appointed a consultant to study the feasibility of introducing radio spectrum trading in Hong Kong for facilitating economic and technically efficient use of this scarce public resource. The Administration targets to consult the industry on the way forward in July 2010. The Administration will brief the Panel on the subject.

**15. Review on regulation of person-to-person telemarketing calls**

At the Panel meeting on 9 November 2009, the Administration briefed members on the findings of the two opinion surveys commissioned by the Office of the TA in respect of person-to-person (P2P) telemarketing calls and the actions to be taken in the light of the information collected from the surveys. Some members doubted whether voluntary self-regulation by the industry by way of the Code of Practice (CoP) would be effective in tackling the problems caused by P2P telemarketing calls and considered it necessary to introduce legislation to regulate such calls. The Administration was requested to take note of members' suggestions and to update members on the progress of the implementation of the voluntary CoP in six months' time.
