Dear Sir,

**Panel on Information Technology and Broadcasting**  
**Special meeting on Monday, 31 May 2010**  
**Invitation for submissions**

Thank you for your invitation letter of 26 April 2010 inviting Hong Kong Commercial Broadcasting Company Limited to attend the special meeting to be held by the Panel on Information Technology and Broadcasting on 31 May regarding the future operation of RTHK and the new RTHK Charter. We regret to inform you that we will not be able to attend the meeting as scheduled.

Hong Kong Commercial Broadcasting Company Limited believes that the public broadcaster should always put the public's interests as its top priority. For example, it should persist in producing programmes that serve the ethnic minority.

From an industry point of view, in order to maintain healthy competition within the market, the public broadcaster should not compete directly with the private sectors.

We welcome further discussions with the Panel regarding the development of the issue. In the mean time, should you require any further information, please feel free to contact the undersigned at 2339 4898.

Yours faithfully,

For and on behalf of  
Hong Kong Commercial Broadcasting Co., Ltd.

Amy Wong  
Director of External Affairs
