Panel on Security

**Motion under the agenda item
"Security arrangements and handling of public meetings and public processions at the Central Government Complex and during visits of political dignitaries to Hong Kong"
at the special meeting on 29 August 2011**

"This Panel expresses deep regret and strongly condemns the Government that the Police abused power and used force to obstruct public activities such as expression of views and demonstrations, and even hindered media coverage in violation of freedom of expression and freedom of the press during the visit of the Vice Premier of the State Council, Mr LI Keqiang, to Hong Kong in August this year, and urges the Chief Secretary for Administration Henry TANG to withdraw his notion of 'rubbish' and ensure that the Police will not abuse power and hinder media coverage again."
