Time Marker	Speaker(s)	Subject(s)	Action required
015828 - 020225	Chairman Ms Emily LAU Mr Charles CHONG Yau Tong Home Land Choi Hung Friends' Association	Discussion on enlarging the eligibility for candidature for the new DC FC seats and the definition of "substantial connection" in the provisions governing the eligibility for candidature for traditional FC seats.	
020226 - 020345	Chairman Administration	The Administration responded that –  (a) the election for the five new DC FC seats would be FC election, as opposed to GC direct election. If the "substantial connection" provision was applied to the new DC FC election, each of the 3.2 million registered electors could be nominated as a candidate and could be a subscriber to a nomination for a candidate of DC FC, which would depart from the characteristics of the FC system; and  (b) the "one-person-two-votes" proposal for returning the new DC FC seats in 2012 would enhance the democratic elements of the FC system as only elected DC members would be eligible to nominate and be nominated as a candidate and candidates would be elected by a large electorate base of over 3.2 million registered electors.	
020346 - 020442	Chairman Mr WONG Kwok-kin	Mr WONG Kwok-kin sought clarification on why sex discrimination existed in the FC system and why the candidature for the new DC FC seats could not be enlarged to cover persons who had served as elected DC members in the past.

020837 - 020904	Chairman Mr WONG Kwok-kin	Mr WONG Kwok-kin's view that it would be unfair to the community of the DC constituency areas concerned if the primary purpose of the elected DC members concerned was to stand for the new DC FC election rather than to serve the community of the relevant districts.

025552 - 025850	Chairman Mr Jacky LEE	Summary of views presented by Mr Jacky LEE –  (a) a slightly higher nomination threshold for the new DC FC would enhance cooperation among different political parties; and  (b) the proposal for returning the new DC FC seats from the whole territory through a single constituency was appropriate.
