Dr the Hon. Raymond Ho
Chairman of Bills Committee on
The Hong Kong Polytechnic University
(Amendment) Bill 2011
Legislative Council, HKSAR

Dear Dr Ho, *Dear Raymond*

**Bills Committee on
The Hong Kong Polytechnic University (Amendment) Bill 2011**

On behalf of the Federation of the PolyU Alumni Associations, I write to express our support to the 'The Hong Kong Polytechnic University (Amendment) Bill 2011' submitted by LegCo member Dr the Hon. Lam Tai-fai.

As alumni, we are delighted to see that the University is committed to a positive governance structure that creates added value for students and staff. We therefore wholeheartedly support the amendments proposed to the PolyU Ordinance which aim to bring about a more effective framework of governance.

The changes proposed to the existing PolyU Ordinance will enable all full-time staff members irrespective of rank to have the opportunity to be represented in the Council. The number of student members on the University Council will be increased from 1 to 2. Council members who are employees and students will have the right to vote with regard to the appointment and removal of the President and the Deputy President. All these will add up to improve the governance of the University.

We are indeed pleased with the University's strive for continuous improvement and we look forward to the passing of the (Amendment) Bill.

Yours sincerely,

Ir Prof. Johnny Fan
President of Federation of PolyU Alumni Associations
