Further to LC Papers Nos. The President has determined under Rule 16(6) and (7) of the Rules of Procedure that, if at the expiration of 75 minutes from the moving of this motion, there are still Members who wish to speak, he will extend the period of the debate until all Members who wish to speak have spoken, and the designated public officers have given their replies. As regards the speaking time, the President has directed that each Member may only speak once in each of the two sessions, subject to a speaking time limit of five minutes in each session. Designated public officers making replies may speak for up to a total of 15 minutes in each session.
