**Motion debate on
“Implementing the Twelfth Five-Year Plan”
to be held at the Legislative Council meeting
of Wednesday, 30 March 2011**

1. Motion as amended by Hon LEE Wing-tat and Hon Mrs Sophie LEUNG LAU Yau-fun

That, *given that* the Twelfth Five-Year Plan endorsed by the National People’s Congress at its meeting devotes, for the first time, a separate chapter to Hong Kong in that it proposes to consolidate and enhance Hong Kong’s status as an international financial, trade and shipping centre, increase its global influence as a financial centre; support Hong Kong in nurturing emerging industries and new growth areas for its economy; and further intensify the co-operation between the Mainland and Hong Kong; ~~in this connection~~, this Council urges the SAR Government to give active response, seize the golden opportunity presented by the Twelfth Five-Year Plan and intensify the co-operation between Hong Kong and the Mainland, so as to promote Hong Kong’s economic development and improve people’s livelihood; the relevant measures should include:

- (a) to expeditiously formulate long-term development planning for Hong Kong, so as to dovetail with the implementation of the National Twelfth Five-Year Plan;
- (b) to optimize the use of abundant financial revenue and huge foreign exchange reserve to further enhance the building of the social security system, ~~including providing subsidized sale flats by for example resuming the Home Ownership Scheme and the Tenants Purchase Scheme building an appropriate number of Home Ownership Scheme flats and more public rental housing flats~~, and take good care of the underprivileged, with a view to improving people’s livelihood;
- (c) to develop the financial industries, promote Renminbi business, enhance market stability, and turn Hong Kong into an offshore Renminbi clearing centre and an international asset management centre, so as to enhance the global influence of Hong Kong’s financial industries;
- (d) to expeditiously study and implement the construction of a third runway to consolidate and enhance Hong Kong’s status as an aviation centre;

- (e) to establish a ‘brand development council’ and specialized funds to open up the Mainland market, and develop a ‘bridgehead economy’ around the Hong Kong-Zhuhai-Macao Bridge, so as to consolidate and enhance Hong Kong’s status as a trade centre;
- (f) to establish a standard patent examination system in Hong Kong to encourage innovation and enhance the sustainability of economic development;
- (g) to establish industrial investment funds for investment immigrants, strengthen training of talents, and amend the Quality Migrant Admission Scheme to attract talents, with a view to promoting and enhancing the development of emerging industries, including environmental industries, medical services, education services, testing and certification services, innovation and technology as well as cultural and creative industries, etc., fostering diversified economic development, supporting small and medium enterprises and promoting employment; and
- (h) to further intensify the co-operation between Hong Kong and the Mainland, implement the Framework Agreement on Hong Kong/Guangdong Co-operation, and foster the co-operation between Hong Kong and the Economic Zone on the West Coast of the Taiwan Strait, with a view to promoting joint development.

Hon Mrs Sophie LEUNG LAU Yau-fun’s amendment is marked in *bold and italic type with dotted line*.
