to be moved by Hon Frederick FUNG Kin-kee  
under Rule 16(2) of the Rules of Procedure  
at the Legislative Council meeting  
of Wednesday, 17 November 2010**

That this Council do now adjourn for the purpose of debating the following issue: ZHAO Lianhai, who founded ‘Kidney Stone Babies’ to help those Mainland children who are victims of tainted formula milk and their parents to defend their rights, was sentenced to two-and-a-half-years’ imprisonment by a Beijing court earlier, causing people both inside and outside the country to express serious concern and question whether the sentence is a contravention of the people’s rights enshrined in the Constitution.
