

**Submission by the Professional Green Building Council
to the Subcommittee on
Buildings Energy Efficiency (Fees) Regulation and
Buildings Energy Efficiency (Registered Energy Assessors) Regulation**

1. We are of the opinion that the fees for the application for registration as a registered energy assessor and for the renewal of the registration of a registered energy assessor at HK\$2,100 and HK\$1,100 respectively are on the high side.
2. We have no adverse comment on the Buildings Energy Efficiency (Registered Energy Assessor) Regulation.
