**Subcommittee on Buildings Energy Efficiency (Fees) Regulation and  
 Buildings Energy Efficiency (Registered Energy Assessors) Regulation**

**Written Submission**

We found the proposed regulations generally acceptable and presumably, when the said regulations were drafted, it has taken the following into consideration :

1. Commencement (Section 1 of both Regulations)

We note that the Regulations will come into operation on 21 March 2011. Presumably, this date is chosen after having considered the effective date of the Ordinance.

2. Whenever the term 'specified form' is used (such as in S.4(2) and S.6(2) of the BEE (Registered Energy Assessors) Reg), it does not preclude the use of e-forms.
