

**The Administration's response to the follow-up action
arising from the meeting of
the Legislative Council Panel on Development
on 21 October 2010**

Purpose

The Administration was requested to provide the reasons for not deploying the land at the site of the Police Married Quarters at Ka Wai Man Road for public housing, which had been considered by the Director of Housing in 2006.

The Administration's response

2. The site of the former Police Married Quarters at Ka Wai Man Road falls within the Kennedy Town and Mount Davis Area. Planning Department is conducting a Land Use Review of this area including the use of the site for public rental housing development. Meanwhile, the site is let to MTR Corporation Limited by a short term tenancy for use as a works area for the West Island Line project.
