- 7. Consultation report on Hong Kong's Climate Change Strategy and Action Agenda** Q2 2011

- 8. Control on the emissions of non-road mobile sources** Q2 2011 (tentative)

To report on the outcome of the trade consultation and explain the way forward.

Proposed timing for discussion

9. Trial on retrofitting of selective catalytic reduction device for franchised bus fleet

July 2011

To report on the progress of the trial.

10. Trial of local ferries using ultra low sulphur diesel

To be confirmed

To report on the findings of the trial.

11. 353DS - Outlying Islands sewerage, stage 2 - upgrading of Mui Wo Village sewerage phase 2 and Mui Wo sewage treatment works

To be confirmed

12. Promoting green economy

To be confirmed

To follow up the motions on “Developing environmental industries to create job opportunities”, “Proactively promoting waste recovery and recycling” and “Promoting green economy”, which were carried at the Council meetings on 4 July 2007, 2 July 2008 and 6 May 2009.

13. Measures to strengthen the control of emissions from petrol and Liquefied Petroleum Gas vehicles

To be confirmed

(Suggest inviting the Transport Panel members to join the meeting since the proposal would affect the transport sector.)

14. Review of the Environmental Impact Assessment system

To be confirmed
(Pending the result of a Judicial Review case)

Letter from The Civic Party regarding the Environmental Impact Assessment system (LC Paper No. CB(1) 26/09-10(01)).

15. Banning of fishing in Geopark

To be confirmed

Referral on banning of fishing in Geopark arising from the meeting between Legislative Council Members and Tai Po

District Council members on 3 June 2010 (LC Paper No. CB(1) 2817/09-10).

16. Progressively restricting the sale of incandescent light bulbs To be confirmed

To brief the Panel of the proposal in taking forward the plan to progressively restrict the sale of incandescent light bulbs.

17. Development of country park enclaves To be confirmed

Members wish to be briefed on how to strike a balance between the protection and development of country park enclaves, and the role of the Country and Marine Parks Board in this respect.

A joint meeting with the Panel on Development to be held to discuss the item.

18. Protection of marine ecology To be confirmed

Members wish to be briefed on the measures taken to protect the marine environment of seabed which has been affected by pollution as a result of illegal dumping, trawling etc. Consideration should be given to conducting a study to ascertain the situation.
