Dear Ms Yu,

Panel on Education
Follow-up to meeting on 14 February 2011

I refer to your letter dated 16 February 2011 to the Secretary for Education and am authorized to reply on his behalf.

For matters concerning the proposed relocation of the drug treatment and rehabilitation centres (“DTRCs”) of the Christian Zheng Sheng Association (“CZSA”), you may wish to note that the Narcotics Division of the Security Bureau is taking the lead in the Administration in coordinating the matters. We have passed your letter to the Commissioner for Narcotics for their consideration and follow up.

As to the request for re-opening the former New Territories Heung Yee Kuk Southern District Secondary School for the purpose of providing a secondary school to students in the vicinity, the Education Bureau has been maintaining communication with the local residents and the concerned groups and exchanged views with them concerning the educational needs of the students in South Lantau. We will maintain dialogue with the local residents through different channels and keep an open mind towards the views expressed. We will also continue to monitor the demand and supply of school places in the Islands District to ensure that there is an adequate provision of public sector school places.

Separately, regarding Christian Zheng Sheng College's ("CZSC") application for operating New Senior Secondary ("NSS") courses at its existing school premises in Ha Keng, CZSC has yet to provide relevant audited account and its budget for a three-year NSS cohort which we have requested for vetting its application. We will continue to follow up with CZSC in this regard.

Yours sincerely,
