### List of outstanding items for discussion (position as at 11 October 2010)

Proposed timing  
for discussion

1. **Grant to support the Hong Kong Examinations and Assessment Authority ("HKEAA") for continual rental of onscreen marking centre on Hong Kong Island, and for running the Hong Kong Certificate of Education Examination ("HKCEE") and the Hong Kong Advanced Level Examination ("HKALE") for private candidates in 2011 and 2013 respectively**

Item proposed by the Administration. A commitment was created in June 2006 for HKEAA to establish an onscreen marking centre on HK Island for four years taking into account a reasonable time required to realize a long-term accommodation plan for HKEAA which includes the establishment of a permanent HK Island onscreen marking centre. The grant was fully spent in June 2010. As the long term accommodation plan is not yet realized, an increase in the commitment is required for continual rental of the onscreen marking centre on Hong Kong Island.

November  
2010

With the implementation of the new academic structure and the launch of the Hong Kong Diploma of Secondary Education Examination in 2012, the last cohort of students had sat/will sit for the HKCEE and HKALE in 2010 and 2012 respectively. A tailor made HKCEE will be run for private candidates in 2011 and likewise for HKALE in 2013. As the candidatures for these examinations will be small, the income from the examination fees cannot cover the cost which will not decrease proportionately. Funding support from the Government is required.

The Administration intends to submit the above proposal to the Finance Committee for consideration on 17 December 2010.
