

Panel on Health Services**List of follow-up actions**

(Position as at 5 November 2010)

Subject	Date of meeting	Follow-up action required	Administration's response
1. Regulation and control of pharmaceutical products in Hong Kong	31 March 2009	The Administration was requested to provide the revised checklist used by the inspectors of the Department of Health ("DH") when conducting inspections on pharmaceutical manufacturers once they were finalised.	The Review Committee on Regulation of Pharmaceutical Products in Hong Kong recommended DH to upgrade Hong Kong's current Good Manufacturing Practices licensing standards by a phased approach to the international standards promulgated by the World Health Organization and Pharmaceutical Inspection Co-operation Scheme (PIC/S). DH is in the process of procuring a consultancy service for advice and the inspection checklist would be revised in accordance with the advice of the consultant and submit to the Panel once available.
2. Mechanism for handling medical incidents in public and private hospitals	14 June 2010	The Administration was requested to provide the number of cases of non-compliance with the requirements set out in the Code of Practice for Private Hospitals, Nursing Homes and Maternity Homes with a breakdown by category in the past five years.	The Administration's responses were issued to members vide LC Paper No. CB(2)198/10-11(01) on 3 November 2010.
3. Cataract Surgeries Programme	14 June 2010	The Administration was requested to provide - (a) a breakdown of the notional waiting time for cataract surgeries in the Hospital Authority ("HA") by cluster; and	The Administration will provide a written response in due course.

Subject	Date of meeting	Follow-up action required	Administration's response
		(b) information on the Public-Private-Partnership programmes rolled out by HA in the past two years.	
4. Healthcare Service Reform - Primary Care Development Strategy	12 July 2010	The Administration was requested to provide - (a) a breakdown of the funding of some \$2.9 billion earmarked for the period 2009-2010 to 2012-2013 for the various initiatives to enhance primary care; and (c) information on how the pilot projects to enhance primary care in Hong Kong would be evaluated.	The Administration will provide a written response in due course.
5. Redevelopment of Yan Chai Hospital	15 October 2010	The Administration was requested to provide a written response on whether HA would resume the provision of urology service at the Yan Chai Hospital ("YCH") and continue to provide the service after the redevelopment of YCH.	The Administration will provide a written response in due course.
