

Panel on Information Technology and Broadcasting**List of follow-up actions**

(position as at 6 May 2011)

Subject	Date of meeting	Follow-up action required	Administration's response
1. Domestic/private pirated viewing of subscription television programmes	11.7.2005	The Administration was requested to monitor the global trend of regulatory practices against pirated viewing of pay TV programmes and update the Panel where necessary.	The Administration will update the Panel on developments where necessary.
2. Implementation on Digital 21 Strategy and the e-procurement programme	11.12.2006	The Administration agreed to : (a) consider members' suggestions that e-invoice be considered for the pilot programme to drive supplier adoption, and assess and apprise the Panel of the increase in percentage, if any, of Small and Medium Enterprises (SMEs) suppliers having Internet connection as a result of the implementation of e-procurement, and SMEs' response to and their degree of participation in the e-procurement programme; and	(a) The Administration considers that the proposed scope for the pilot programme encompassing four e-procurement initiatives with an estimated non-recurrent expenditure of \$49.2 million is a prudent and pragmatic way to proceed. However, the Administration will keep in view opportunities for trying out the e-invoice function when circumstances are conducive.

Subject	Date of meeting	Follow-up action required	Administration's response
		<p>(b) assess the actual benefits of the e-procurement pilot programme against the benefits listed in paragraph 12 of the Administration's paper (LC Paper No. CB(1)435/06-07(03)) and the extent to which green procurement is adopted.</p>	<p>(b) The Administration will assess the actual benefits of the e-procurement pilot programme at the review stage.</p> <p>With the progressive rollout of the pilot e-procurement system, the Administration has recently started a post pilot review of the programme and will update the Panel in due course on the outcome of the review, including (a), (b) and the way forward.</p>
<p>3. Issues relating to the editorial independence of Radio Television Hong Kong and the yardsticks of the Broadcasting Authority (BA) in imposing sanctions</p>	<p>12.3.2007</p>	<p>The Administration was requested to review:</p> <p>(a) the mechanism for appointing members to BA (or the new unified regulator, i.e. the Communications Authority), including the criteria for appointment and composition of membership, with a view to bringing in more talents with different backgrounds to enhance representativeness; and</p> <p>(b) the yardsticks of BA in imposing sanctions.</p>	<p>The Administration to take note and follow up.</p>

Subject	Date of meeting	Follow-up action required	Administration's response
4. Progress in the implementation of digital terrestrial television broadcasting in Hong Kong	11.6.2007	The Administration was requested to provide an estimate on the economic benefits arising from the analogue switch-off in due course.
