I SUPPORT this bill.

As someone who has suffered from traffic accident, I can testify that chiropractor often is the normal doctor to see for longer term correction of the problem. It is unfair both to the patient and to the practice that the "Medical Excuse" is not accepted by the government nor by commercial practice when the patient is seeing a Chiropractor, a Chinese Herb Practitioner, an Acupuncturist or a Spine Specialist. It is but part of the patient recovery process.
