Attn: Miss Josephine So

Dear Miss So,

Panel on Security

Our response to the follow-up actions mentioned in paragraphs 33 and 41 of the minutes of meeting on 2 November 2010 is as follows.

The Annex to the Paper submitted for the Panel meeting held on 26 August 2010 (LC Paper No. CB(2)2205/09-10(01)) sets out the detailed follow-up actions taken by the HKSAR Government in respect of the Manila incident. We have nothing to add.

Upon the request of the HKSAR Government, the Police was provided with verbatim record of all witnesses testified at the Incident Investigation and Review Committee hearing on the Manila incident. Such record was submitted by the Police to the Coroner on 5 November 2010. The Panel may wish to approach the Clerk to Coroner on its request for access to such information.

Yours sincerely,

(Ms Maggie Wong)
for Secretary for Security
