LegCo Members visit the site of new LegCo Complex

Members of The Legislative Council (LegCo) Commission, together with other LegCo Members and senior Secretariat staff conducted a visit to the site of the new LegCo Complex at Tamar this morning (Jan 11) to observe the progress of the construction work of the Complex. They take a group photo at the site entrance after the visit.

Members are very much interested in seeing the construction work of the Chamber of the new LegCo Complex.

Members are impressed by the Roof Garden of the new LegCo Complex.
