LegCo Members observe the traffic and transport arrangements of the new LegCo Complex (with photos)

Members of The Legislative Council (LegCo) Commission together with other LegCo Members, totally 16 Members, conduct a site visit this morning (July 19) to observe the pedestrian access routes to the new LegCo Complex at Tamar.

Members visit the site of the new LegCo Complex to gain a better understanding of the traffic and transport arrangements for access to the Complex.

Some Members observe the environment of the public access outside the new LegCo Complex.
