Subject: Comments on Cross-boundary Private Cars Trial Scheme 自駕遊計劃意見書

Dear Sir/Madam,

I oppose to the the Ad Hoc Quota Trial Scheme for Cross-boundary Private Cars because the scheme is lacking of public consensus. Without proper consultation, views of the public cannot be represented in the policymaking process. 本人反對政府於未有公眾共識下，便執行粵港自駕遊計劃。政府於制訂計劃時，沒有為此進行公眾諮詢，令公眾意見不能充分反映及獲得當局考慮。

I object to the scheme because the administration is intended to implment the policy without revealing the agreement signed with Guangdong government. All details and agenda regarding to the scheme should be transparent in order to be assessed by the public.

本人反對政府於未有公開與廣東省政府簽署的協議下，便貿然推行自駕遊計劃。有關自駕遊的內容及綱領應該透明公開，讓公眾可以對計劃作出全面考慮。

I am discontented with the scheme as the government has been implementing transport policies in an inconsistent manner. While attempting to reduce road traffic by increasing tariffs on vehicle registration, the government has reserved the notion by letting extra vehicles corssing the border. It is unfair for all Hong Kong citizens. 本人不滿意政府於推行交通政策時朝令夕改。當政府以加稅意圖減少汽車流量時，卻容許境外車輛使用香港路面。如此倒行逆施，實在對香港市民不公。

Subject: Comments on Cross-boundary Private Cars Trial Scheme 自駕遊計劃意見書

Dear Sir/Madam,

I oppose to the the Ad Hoc Quota Trial Scheme for Cross-boundary Private Cars because the scheme is lacking of public consensus. Without proper consultation, views of the public cannot be represented in the policymaking process. 本人反對政府於未有公眾共識下，便執行粵港自駕遊計劃。政府於制訂計劃時，沒有為此進行公眾諮詢，令公眾意見不能充分反映及獲得當局考慮。

I object to the scheme because the administration is intended to implment the policy without revealing the agreement signed with Guangdong government. All details and agenda regarding to the scheme should be transparent in order to be assessed by the public.

本人反對政府於未有公開與廣東省政府簽署的協議下，便貿然推行自駕遊計劃。有關自駕遊的內容及綱領應該透明公開，讓公眾可以對計劃作出全面考慮。

I am discontented with the scheme as the government has been implementing transport policies in an inconsistent manner. While attempting to reduce road traffic by increasing tariffs on vehicle registration, the government has reserved the notion by letting extra vehicles corssing the border. It is unfair for all Hong Kong citizens. 本人不滿意政府於推行交通政策時朝令夕改。當政府以加稅意圖減少汽車流量時，卻容許境外車輛使用香港路面。如此倒行逆施，實在對香港市民不公。

We have the best public transport system in the world, there's really no necessity for visitors from across the border to drive in hk. We even have buses and trains connecting from hk to China. Why increase the inconvenience to hk drivers and higher risk of causing accidents.

I am discontented with the scheme as the government has been implementing transport policies in an inconsistent manner. While attempting to reduce road traffic by increasing tariffs on vehicle registration, the government has reserved the notion by letting extra vehicles corssing the border. It is unfair for all Hong Kong citizens. 本人不滿意政府於推行交通政策時朝令夕改。當政府以加稅意圖減少汽車流量時，卻容許境外車輛使用香港路面。如此倒行逆施，實在對香港市民不公。本港交通問題經已嚴重，政府沒有政策舒緩之餘，竟推出自駕遊政策，實在過份。自駕遊令香港市民惶恐不安，安全受到威脅。反對政府作出危害市民的決定! 促請收回自駕遊之政策。

Dear Sir/Madam,

I oppose to the the Ad Hoc Quota Trial Scheme for Cross-boundary Private Cars because the scheme is lacking of public consensus. Without proper consultation, views of the public cannot be represented in the policymaking process. 本人反對政府於未有公眾共識下，便執行粵港自駕遊計劃。政府於制訂計劃時，沒有為此進行公眾諮詢，令公眾意見不能充分反映及獲得當局考慮。

I object to the scheme because the administration is intended to implment the policy without revealing the agreement signed with Guangdong government. All details and agenda regarding to the scheme should be transparent in order to be assessed by the public.

本人反對政府於未有公開與廣東省政府簽署的協議下，便貿然推行自駕遊計劃。有關自駕遊的內容及綱領應該透明公開，讓公眾可以對計劃作出全面考慮。

I am discontented with the scheme as the government has been implementing transport policies in an inconsistent manner. I strongly oppose the scheme allowing mainland drivers driving th eir vehicles into the territories of Hong Kong. The government should handle this matter with great care as it is not just about fairness now, though it's clear such scheme isn't a fair one, most importantly, implementing such scheme will definitely ignite a political bomb, leading to more anti-mainland sentiment among the general public.

Subject: Comments on Cross-boundary Private Cars Trial Scheme 自駕遊計劃意見書

Dear Sir/Madam,

I oppose to the the Ad Hoc Quota Trial Scheme for Cross-boundary Private Cars because the scheme is lacking of public consensus. Without proper consultation, views of the public cannot be represented in the policymaking process. 本人反對政府於未有公眾共識下，便執行粵港自駕遊計劃。政府於制訂計劃時，沒有為此進行公眾諮詢，令公眾意見不能充分反映及獲得當局考慮。

I object to the scheme because the administration is intended to implment the policy without revealing the agreement signed with Guangdong government. All details and agenda regarding to the scheme should be transparent in order to be assessed by the public.

本人反對政府於未有公開與廣東省政府簽署的協議下，便貿然推行自駕遊計劃。有關自駕遊的內容及綱領應該透明公開，讓公眾可以對計劃作出全面考慮。

I am discontented with the scheme as the government has been implementing transport policies in an inconsistent manner. While attempting to reduce road traffic by increasing tariffs on vehicle registration, the government has reserved the notion by letting extra vehicles corssing the border. It is unfair for all Hong Kong citizens. 本人不滿意政府於推行交通政策時朝令夕改。當政府以加稅意圖減少汽車流量時，卻容許境外車輛使用香港路面。如此倒行逆施，實在對香港市民不公。

Dear Sir/Madam,

I oppose to the the Ad Hoc Quota Trial Scheme for Cross-boundary Private Cars because the scheme is lacking of public consensus. Without proper consultation, views of the public cannot be represented in the policymaking process. 本人反對政府於未有公眾共識下，便執行粵港自駕遊計劃。政府於制訂計劃時，沒有為此進行公眾諮詢，令公眾意見不能充分反映及獲得當局考慮。

I object to the scheme because the administration is intended to implment the policy without revealing the agreement signed with Guangdong government. All details and agenda regarding to the scheme should be transparent in order to be assessed by the public.

Dear Sir/Madam,

I oppose to the the Ad Hoc Quota Trial Scheme for Cross-boundary Private Cars because the scheme is lacking of public consensus. Without proper consultation, views of the public cannot be represented in the policymaking process. 本人反對政府於未有公眾共識下，便執行粵港自駕遊計劃。政府於制訂計劃時，沒有為此進行公眾諮詢，令公眾意見不能充分反映及獲得當局考慮。

I object to the scheme because the administration is intended to implment the policy without revealing the agreement signed with Guangdong government. All details and agenda regarding to the scheme should be transparent in order to be assessed by the public.

本人反對政府於未有公開與廣東省政府簽署的協議下，便貿然推行自駕遊計劃。有關自駕遊的內容及綱領應該透明公開，讓公眾可以對計劃作出全面考慮。

I am discontented with the scheme as the government has been implementing transport policies in an inconsistent manner. While attempting to reduce road traffic by increasing tariffs on vehicle registration, the government has reserved the notion by letting extra vehicles corssing the border. It is unfair for all Hong Kong citizens. 本人不滿意政府於推行交通政策時朝令夕改。當政府以加稅意圖減少汽車流量時，卻容許境外車輛使用香港路面。如此倒行逆施，實在對香港市民不公。

Dear Sir/Madam,

I oppose to the the Ad Hoc Quota Trial Scheme for Cross-boundary Private Cars because the scheme is lacking of public consensus. Without proper consultation, views of the public cannot be represented in the policymaking process. 本人反對政府於未有公眾共識下，便執行粵港自駕遊計劃。政府於制訂計劃時，沒有為此進行公眾諮詢，令公眾意見不能充分反映及獲得當局考慮。

I object to the scheme because the administration is intended to implment the policy without revealing the agreement signed with Guangdong government. All details and agenda regarding to the scheme should be transparent in order to be assessed by the public.

本人反對政府於未有公開與廣東省政府簽署的協議下，便貿然推行自駕遊計劃。有關自駕遊的內容及綱領應該透明公開，讓公眾可以對計劃作出全面考慮。

I am discontented with the scheme as the government has been implementing transport policies in an inconsistent manner. While attempting to reduce road traffic by increasing tariffs on vehicle registration, the government has reserved the notion by letting extra vehicles corssing the border. It is unfair for all Hong Kong citizens. 本人不滿意政府於推行交通政策時朝令夕改。當政府以加稅意圖減少汽車流量時，卻容許境外車輛使用香港路面。如此倒行逆施，實在對香港市民不公。

Dear Sir/Madam,

I oppose to the the Ad Hoc Quota Trial Scheme for Cross-boundary Private Cars because the scheme is lacking of public consensus. Without proper consultation, views of the public cannot be represented in the policymaking process. 本人反對政府於未有公眾共識下，便執行粵港自駕遊計劃。政府於制訂計劃時，沒有為此進行公眾諮詢，令公眾意見不能充分反映及獲得當局考慮。

I object to the scheme because the administration is intended to implment the policy without revealing the agreement signed with Guangdong government. All details and agenda regarding to the scheme should be transparent in order to be assessed by the public.

本人反對政府於未有公開與廣東省政府簽署的協議下，便貿然推行自駕遊計劃。有關自駕遊的內容及綱領應該透明公開，讓公眾可以對計劃作出全面考慮。

I am discontented with the scheme as the government has been implementing transport policies in an inconsistent manner. While attempting to reduce road traffic by increasing tariffs on vehicle registration, the government has reserved the notion by letting extra vehicles corssing the border. It is unfair for all Hong Kong citizens. 本人不滿意政府於推行交通政策時朝令夕改。當政府以加稅意圖減少汽車流量時，卻容許境外車輛使用香港路面。如此倒行逆施，實在對香港市民不公。

I am discontented with the scheme as the government has been implementing transport policies in an inconsistent manner. While attempting to reduce road traffic by increasing tariffs on vehicle registration, the government has reserved the notion by letting extra vehicles corssing the border. It is unfair for all Hong Kong citizens. 本人不滿意政府於推行交通政策時朝令夕改。當政府以加稅意圖減少汽車流量時，卻容許境外車輛使用香港路面。如此倒行逆施，實在對香港市民不公。政府講一套做一套，簡直不知所謂。一時又話空污染要減碳排放，年頭又加首次登記稅要減少行車量，而家走去開放自駕遊增加行車量???無野呀!!!!!! 政府做野有無腦架??? 香港 d 道路已經成日塞，特別係旺區旅遊區，泊車位更加買少見少，好多都周街泊 double park, 唔通真係嫌香港街道未夠塞未夠迫???? 仲有如果有意外傷亡，法律問題點解決??? 撞死人撞毀汽車即刻返上大陸咁點?? 違例泊車又點??? 俾告票??? 唔該政府用下腦諗下野做 d 有建設性既野 ...

Dear Sir/Madam,

I oppose to the the Ad Hoc Quota Trial Scheme for Cross-boundary Private Cars because the scheme is lacking of public consensus. Without proper consultation, views of the public cannot be represented in the policymaking process. 本人反對政府於未有公眾共識下，便執行粵港自駕遊計劃。政府於制訂計劃時，沒有為此進行公眾諮詢，令公眾意見不能充分反映及獲得當局考慮。

I object to the scheme because the administration is intended to implment the policy without revealing the agreement signed with Guangdong government. All details and agenda regarding to the scheme should be transparent in order to be assesed by the public.

本人反對政府於未有公開與廣東省政府簽署的協議下，便貿然推行自駕遊計劃。有關自駕遊的內容及綱領應該透明公開，讓公眾可以對計劃作出全面考慮。

I am discontented with the scheme as the government has been implementing transport policies in an inconsistent manner. While attempting to reduce road traffic by increasing tariffs on vehicle registration, the government has reserved the notion by letting extra vehicles corssing the border. It is unfair for all Hong Kong citizens. 本人不滿意政府於推行交通政策時朝令夕改。當政府以加稅意圖減少汽車流量時，卻容許境外車輛使用香港路面。如此倒行逆施，實在對香港市民不公。

The public transportation in Hong Kong is much more than enough for a convenient and comfort trip even for the first time visitor. Besides, the Hong Kong government is now striving for less private cars and promoting the public transportation. It will be a great contradiction to push visitors to drive in Hong Kong.

Dear Sir/Madam,

I oppose to the the Ad Hoc Quota Trial Scheme for Cross-boundary Private Cars because the scheme is lacking of public consensus. Without proper consultation, views of the public cannot be represented in the policymaking process. 本人反對政府於未有公眾共識下，便執行粵港自駕遊計劃。政府於制訂計劃時，沒有為此進行公眾諮詢，令公眾意見不能充分反映及獲得當局考慮。

I object to the scheme because the administration is intended to implment the policy without revealing the agreement signed with Guangdong government. All details and agenda regarding to the scheme should be transparent in order to be assessed by the public.

本人反對政府於未有公開與廣東省政府簽署的協議下，便貿然推行自駕遊計劃。有關自駕遊的內容及綱領應該透明公開，讓公眾可以對計劃作出全面考慮。

I am discontented with the scheme as the government has been implementing transport policies in an inconsistent manner. While attempting to reduce road traffic by increasing tariffs on vehicle registration, the government has reserved the notion by letting extra vehicles corssing the border. It is unfair for all Hong Kong citizens. 本人不滿意政府於推行交通政策時朝令夕改。當政府以加稅意圖減少汽車流量時，卻容許境外車輛使用香港路面。如此倒行逆施，實在對香港市民不公。

Even if the scheme has to be in place for numerous political and economic reasons, government has to ensure there is proper law enforcement in the two areas for cross-boundary drivers and raise drivers' awareness on the difference of driving rules and the consequence of rule breaking. Only this can ensure public safety and comfort the public while the scheme carries on.

Subject: Comments on Cross-boundary Private Cars Trial Scheme 自駕遊計劃意見書

Dear Sir/Madam,

I oppose to the the Ad Hoc Quota Trial Scheme for Cross-boundary Private Cars because the scheme is lacking of public consensus. Without proper consultation, views of the public cannot be represented in the policymaking process. 本人反對政府於未有公眾共識下，便執行粵港自駕遊計劃。政府於制訂計劃時，沒有為此進行公眾諮詢，令公眾意見不能充分反映及獲得當局考慮。

I object to the scheme because the administration is intended to implment the policy without revealing the agreement signed with Guangdong government. All details and agenda regarding to the scheme should be transparent in order to be assessed by the public.

本人反對政府於未有公開與廣東省政府簽署的協議下，便貿然推行自駕遊計劃。有關自駕遊的內容及綱領應該透明公開，讓公眾可以對計劃作出全面考慮。

I am discontented with the scheme as the government has been implementing transport policies in an inconsistent manner. While attempting to reduce road traffic by increasing tariffs on vehicle registration, the government has reserved the notion by letting extra vehicles corssing the border. It is unfair for all Hong Kong citizens. 本人不滿意政府於推行交通政策時朝令夕改。當政府以加稅意圖減少汽車流量時，卻容許境外車輛使用香港路面。如此倒行逆施，實在對香港市民不公。

Subject: Comments on Cross-boundary Private Cars Trial Scheme 自駕遊計劃意見書

Dear Sir/Madam,

I oppose to the the Ad Hoc Quota Trial Scheme for Cross-boundary Private Cars because the scheme is lacking of public consensus. Without proper consultation, views of the public cannot be represented in the policymaking process. 本人反對政府於未有公眾共識下，便執行粵港自駕遊計劃。政府於制訂計劃時，沒有為此進行公眾諮詢，令公眾意見不能充分反映及獲得當局考慮。

I object to the scheme because the administration is intended to implment the policy without revealing the agreement signed with Guangdong government. All details and agenda regarding to the scheme should be transparent in order to be assessed by the public.

本人反對政府於未有公開與廣東省政府簽署的協議下，便貿然推行自駕遊計劃。有關自駕遊的內容及綱領應該透明公開，讓公眾可以對計劃作出全面考慮。

I am discontented with the scheme as the government has been implementing transport policies in an inconsistent manner. While attempting to reduce road traffic by increasing tariffs on vehicle registration, the government has reserved the notion by letting extra vehicles corssing the border. It is unfair for all Hong Kong citizens. 本人不滿意政府於推行交通政策時朝令夕改。當政府以加稅意圖減少汽車流量時，卻容許境外車輛使用香港路面。如此倒行逆施，實在對香港市民不公。

Subject: Comments on Cross-boundary Private Cars Trial Scheme 自駕遊計劃意見書

Dear Sir/Madam,

I oppose to the the Ad Hoc Quota Trial Scheme for Cross-boundary Private Cars because the scheme is lacking of public consensus. Without proper consultation, views of the public cannot be represented in the policymaking process. 本人反對政府於未有公眾共識下，便執行粵港自駕遊計劃。政府於制訂計劃時，沒有為此進行公眾諮詢，令公眾意見不能充分反映及獲得當局考慮。

I object to the scheme because the administration is intended to implment the policy without revealing the agreement signed with Guangdong government. All details and agenda regarding to the scheme should be transparent in order to be assessed by the public.

本人反對政府於未有公開與廣東省政府簽署的協議下，便貿然推行自駕遊計劃。有關自駕遊的內容及綱領應該透明公開，讓公眾可以對計劃作出全面考慮。

I am discontented with the scheme as the government has been implementing transport policies in an inconsistent manner. While attempting to reduce road traffic by increasing tariffs on vehicle registration, the government has reserved the notion by letting extra vehicles corssing the border. It is unfair for all Hong Kong citizens. 本人不滿意政府於推行交通政策時朝令夕改。當政府以加稅意圖減少汽車流量時，卻容許境外車輛使用香港路面。如此倒行逆施，實在對香港市民不公。

Subject: Comments on Cross-boundary Private Cars Trial Scheme 自駕遊計劃意見書

Dear Sir/Madam,

I oppose to the the Ad Hoc Quota Trial Scheme for Cross-boundary Private Cars because the scheme is lacking of public consensus. Without proper consultation, views of the public cannot be represented in the policymaking process. 本人反對政府於未有公眾共識下，便執行粵港自駕遊計劃。政府於制訂計劃時，沒有為此進行公眾諮詢，令公眾意見不能充分反映及獲得當局考慮。

I object to the scheme because the administration is intended to implment the policy without revealing the agreement signed with Guangdong government. All details and agenda regarding to the scheme should be transparent in order to be assessed by the public.

本人反對政府於未有公開與廣東省政府簽署的協議下，便貿然推行自駕遊計劃。有關自駕遊的內容及綱領應該透明公開，讓公眾可以對計劃作出全面考慮。

I am discontented with the scheme as the government has been implementing transport policies in an inconsistent manner. While attempting to reduce road traffic by increasing tariffs on vehicle registration, the government has reserved the notion by letting extra vehicles corssing the border. It is unfair for all Hong Kong citizens. 本人不滿意政府於推行交通政策時朝令夕改。當政府以加稅意圖減少汽車流量時，卻容許境外車輛使用香港路面。如此倒行逆施，實在對香港市民不公。
