**Motion on
“Reiterating Hong Kong’s core values”
to be moved by Hon Ronny TONG
at the Council meeting of 22 February 2012**

Wording of the Motion

That Hong Kong has always taken pride in its core values such as diversity, harmony, love for peace and kind-heartedness, etc., but a series of recent incidents involving ‘doubly non-permanent resident pregnant women’, self-drive tour, D&G and talks about ‘locusts’ and ‘dogs’, etc. have progressively intensified conflicts between mainlanders and Hong Kong people, and there are signs of gradual growth of China-Hong Kong confrontation and mutual animosity; in this connection, this Council urges the Government to expeditiously adopt the following contingency measures, so as to eliminate the confrontational sentiments between the masses on the Mainland and in Hong Kong, and address the problems arising from the cultural differences between the two places:

- (a) to allocate additional resources for improving obstetric services, suspend the quota for ‘doubly non-permanent resident pregnant women’, and accord priority to addressing the needs of local pregnant women;
- (b) to step up law enforcement and enhance entry restrictions to comprehensively block the entry of ‘doubly non-permanent resident pregnant women’; and
- (c) to shelve the self-drive tour plan for mainlanders’ vehicles.
