Clerk to Public Works Subcommittee  
Legislative Council Complex  
1 Legislative Council Road  
Central, Hong Kong  
(Attn: Mr. Derek Lo)

Dear Mr. Lo,

**Supplementary Information for  
Improvement to Pok Oi Interchange**

In response to the request of the Public Works Subcommittee made at the meeting on 8 February 2012, supplementary information prepared by the Administration on Improvement to Pok Oi Interchange is provided as follows for Members' reference.

According to the information provided by Education Bureau, the provision of primary school places is planned on a district basis. Taking account of the residential development and the expected population projection in the area, the two sites near Pok Oi Roundabout have been reserved to meet the long term need for primary school places in Yuen Long and could each accommodate a standard-size school building with 24 classrooms. The Administration would monitor the projections of supply and demand of school places in the district and decide on the programme of the school building projects in due course.

Yours sincerely,

( Kilian TUNG )  
for Secretary for Transport and Housing
