**Legislative Council Sitting on 20 June 2012:  
Proposed Resolution under the  
Interpretation and General Clauses Ordinance**

**Draft Speech of the Secretary for Constitutional and Mainland Affairs**

President,

I move that the resolution proposed under section 54A of the Interpretation and General Clauses Ordinance (Cap. 1), as set out on the Agenda, be passed. The objective of the resolution is to effect transfer of statutory functions from 1 July 2012 pursuant to the proposals to re-organise the Government Secretariat as announced by the Chief Executive-elect (CE-elect) on 4 May 2012.

2. To facilitate the CE-elect to re-organise the Government Secretariat, the Chief Executive (CE) has agreed to provide full support to the exercise in the interest of ensuring a smooth transition to the fourth-term Government.

3. The re-organisation proposals include the creation of two Deputy Secretary of Department (DSoD) posts; the setting-up of a new Culture Bureau; the re-structuring of the existing Commerce and Economic Development Bureau into two bureaux, namely, the Commerce and Industries Bureau, and the Technology and Communications Bureau; as well as the re-structuring of the existing Development Bureau, and the Transport and Housing Bureau into a Housing, Planning and Lands Bureau, and a Transport and Works Bureau. Details of the re-organisation proposals are set out in the paper for the Legislative Council (LegCo) Panel on Constitutional Affairs on “Re-organisation of the Government Secretariat” issued on 4 May.

4. To implement the new organisation structure with effect from 1 July 2012, the current term Government needs to move a resolution to effect the transfer of statutory functions. Pursuant to section 54A of Cap. 1, the LegCo may by resolution provide for the transfer of statutory functions vested in one public officer to another public officer. The proposed resolution provides that, with effect from 1 July 2012, the functions currently exercisable by a certain public officer by virtue of the ordinances

set out in the resolution will be transferred to another public officer who will take charge of the relevant policy responsibilities following the re-organisation of the Government Secretariat.

5. The resolution will not involve substantive amendments to the statutory functions (including powers and duties) provided for in the relevant ordinances. Instead, it will provide for the simple substitution of the current title of the public officer by the new title of the public officer in whom policy responsibility for the provision in question will be vested with effect from 1 July 2012.

6. After the resolution has been passed, the CE-in-Council will make an order to include the post titles of the two DSoDs and reflect the changes to the post titles of the various public officers. The order will also come into force on 1 July 2012.

7. The CE-elect consulted the public and different sectors of the community on the re-organisation proposals during his election campaign. The Office of the CE-elect sought views and advice from the current term Government through the CE's Office, and has met with the bureaux concerned to hear their views. The present proposals have taken into account the views expressed. I would like to appeal to Members to vote in favour of the Government's resolution, so that the re-organisation of the Government Secretariat can take effect from 1 July 2012 in conjunction with the commencement of the fourth-term HKSAR Government.

8. Thank you, President.
