Dear Miss WONG,

### **Chief Executive's Question and Answer Session**

At the House Committee meeting on 29 June 2012, Members discussed how the Legislative Council ("LegCo") could follow up on the wide public concern about issues relating to the unauthorized building works at the Chief Executive ("CE")'s residence. Members considered that arrangements should be made to facilitate CE to explain his governance philosophy to LegCo and to answer questions from Members on issues of public concern including those relating to the unauthorized building works at his residence. For these purposes, Members agreed to invite CE to attend a Question and Answer Session ("Q&A Session") at his earliest convenience before LegCo is to stand prorogued on 18 July 2012. Members hope that the Q&A Session would last one and a half hours to allow sufficient time for Members to raise questions.

On behalf of the House Committee, I write to convey to you Members' invitation to CE.

I look forward to your early reply.

( Miss Odelia LEUNG )  
Clerk to the House Committee

cc President of Legislative Council
