Message from the Chairman

Public Consultation on the Proposed Guidelines on Election-related Activities in respect of the Legislative Council Election

The 2012 Legislative Council (“LegCo”) Election will be held in late 2012. The Electoral Affairs Commission (“EAC”) is empowered under section 6(1)(a) of the Electoral Affairs Commission Ordinance (Cap 541 of the Laws of Hong Kong) (“EACO”) to issue guidelines to facilitate the conduct or supervision of an election. These guidelines aim to provide a code of conduct based on the principle of fairness and equality for conducting election-related activities. They also give guidance in layman’s language on compliance with the relevant electoral legislation.

The EAC has at all times made its best endeavours in refining and improving the electoral arrangements for public elections. A new set of proposed guidelines has now been drawn up by the EAC for the coming LegCo Election and all LegCo By-elections to be held afterwards. The proposed guidelines are prepared basically on the basis of the existing guidelines for the LegCo Election (January 2010 edition) with suitable alterations to mainly:

- (a) reflect the amendments made to the Legislative Council Ordinance (Cap 542) (“LCO”) on, inter alia, the number of LegCo Members to be returned by the Geographical Constituencies and Functional Constituencies, the establishment of the District Council (Second) Functional Constituency (“DC(second)FC”), the increased rate of financial assistance to eligible candidates of the LegCo Election and

the maximum amount of election expenses that can be incurred for the new DC(second)FC by all the candidates on a list;

- (b) incorporate the consequential amendments made to the relevant subsidiary legislation under the EACO to cater for the establishment of the DC(second)FC;
- (c) reflect the proposed amendments to the Elections (Corrupt and Illegal Conduct) Ordinance (Cap. 554) and the relevant subsidiary legislation under the EACO on the relaxed requirements for the publication of election advertisements in response to the increasing use of the Internet in electioneering activities;
- (d) incorporate the amendments proposed to be made in light of the suggestions and complaints received from the public and other parties concerned; and
- (e) align, where appropriate, with the guidelines for the District Council Election, the Election Committee Subsector Elections and the Chief Executive Election published in 2011.

Subject to the enactment of the proposed legislative amendments mentioned above, they will be incorporated in the finalised guidelines. The major changes proposed as compared with the existing guidelines for the LegCo Election are set out in the **Appendix**.

Before finalising the guidelines for issue to the public, we shall, in accordance with section 6(2) of the EACO, consult the public on the proposed guidelines during the period from **28 March to 26 April 2012**, both dates inclusive. At this stage the EAC has taken no decision with respect to the issues addressed in the proposed guidelines. The final decision will be taken in the light of the responses received in this consultation exercise.

Please send your written representations on the proposed guidelines to the EAC Secretariat at 10/F, Harbour Centre, 25 Harbour Road, Wan Chai, Hong Kong, or by fax (fax no.: 2511 1682) or e-mail (eacenq@reo.gov.hk) the latest by **26 April 2012**. **Late representations will not be considered**. Please indicate clearly in your response if you wish your response or your name to remain confidential. You may also make representations to us orally at a public forum to

be held on **20 April 2012** from **7:00 pm to 8:30 pm** at the **Leighton Hill Community Hall, 133 Wong Nai Chung Road, Happy Valley, Hong Kong**. For enquiries, please call 2827 1269. The EAC will consider the representations received during the public consultation period and revise the guidelines as appropriate.

The EAC is committed to making every endeavour to ensure that all public elections are held in an open, fair and honest manner. No doubt those who have opposing views and suggestions will make representations to us. **However, it is important that supporting views should also be made known to us, otherwise it may be said that no one supports or agrees with our proposed guidelines.**

Yours faithfully,

CHAPTER 1

INTRODUCTION

PART I : THE LEGISLATIVE COUNCIL

1.1 The Legislative Council (“LegCo”) of the Hong Kong Special Administrative Region (“HKSAR”) is constituted under the Legislative Council Ordinance (Cap 542) (“LCO”) for the purpose of enacting laws, examining and approving budgets, taxation and public expenditure, receiving and debating the policy addresses of the Chief Executive (“CE”), raising questions on the work of the Government, debating issues concerning public interests and handling complaints from Hong Kong residents, etc.

1.2 In accordance with the Basic Law and the LCO, the term of office of the LegCo is 4 years except the first term which was 2 years. Each term of its office is to begin on a date to be specified by the CE in Council. The first term LegCo was between 24 May 1998 and 30 June 2000. The second, third and fourth term LegCo began on 1 October 2000, 1 October 2004 and 1 October 2008 respectively and each is for 4 years. The CE must specify a date for holding a general election to elect the members for each term of office of the LegCo. A person returned as a member at a general election holds office from the beginning of the term of office of the LegCo next following the election and vacates office at the end of the term. A by-election will be held to fill a vacancy in membership of LegCo. However, no by-election is to be held within the 4 months preceding the end of the LegCo’s current term of office or if the CE has published in the Gazette an order dissolving that LegCo in accordance with the Basic Law.

1.3 At its Sixteenth Session on 28 August 2010, the Standing Committee of the Eleventh National People's Congress recorded the amendment to Annex II to the Basic Law concerning the formation of the LegCo. As set out in the aforesaid Annex II, the fifth term of the LegCo shall be composed of 70 members and the composition shall be as follows:

- | | |
|--|----|
| (a) Members returned by geographical constituencies ("GCs") through direct elections | 35 |
| (b) Members returned by functional constituencies ("FCs") | 35 |

Geographical Constituency

1.4 The HKSAR is divided into 5 GCs, each having 5 to 9 seats. The GCs are geographically based and a total of 35 LegCo members will be returned through the following 5 GCs: Hong Kong Island to return 7 members; Kowloon East to return 5 members; Kowloon West to return 5 members; New Territories East to return 9 members; and New Territories West to return 9 members. The list system of proportional representation for voting is adopted. Details of the features of GC elections are set out in Chapter 2.

Functional Constituency

1.5 For the fifth term of the LegCo, there is a total of 29 FCs. While each of the existing 28 FCs represents a different economic, social, or professional sector of the community, the new District Council (second) FC ("DC (second) FC") is composed of persons who are registered as electors for GCs but are not registered as electors for any of the existing 28 FCs. 35 LegCo members will be returned through the following 29 FCs: (1) Heung Yee Kuk; (2) Agriculture and Fisheries; (3) Insurance; (4) Transport; (5) Education; (6) Legal; (7) Accountancy; (8) Medical; (9) Health Services; (10) Engineering;

(11) Architectural, Surveying and Planning; (12) Labour; (13) Social Welfare; (14) Real Estate and Construction; (15) Tourism; (16) Commercial (first); (17) Commercial (second); (18) Industrial (first); (19) Industrial (second); (20) Finance; (21) Financial Services; (22) Sports, Performing Arts, Culture and Publication; (23) Import and Export; (24) Textiles and Garment; (25) Wholesale and Retail; (26) Information Technology; (27) Catering; (28) District Council (“DC”) (first); and (29) DC (second). Of these 29 FCs, the Labour FC is to return 3 members, the DC (second) FC is to return 5 members and the remaining 27 FCs is each to return 1 member. [Ss 20 and 21 of the LCO.]

1.6 Different voting systems apply to elections of different FCs. They are:

- (a) the preferential elimination system of voting for the election for the 4 special FCs, ie Heung Yee Kuk FC, Agriculture and Fisheries FC, Insurance FC and Transport FC;
- (b) the list system of proportional representation for the election of DC (second) FC; and
- (c) the first past the post voting system for the election of the other 24 ordinary FCs.

[Ss 49, 50 and 51 of the LCO.]

Details of the features of FC elections are set out in Chapter 3.

Governing Legislation

1.7 The LegCo elections are governed by the statutory requirements provided in 3 different ordinances, namely the LCO, the Electoral Affairs Commission Ordinance (Cap 541) (“EACO”) and the Elections (Corrupt and Illegal Conduct) Ordinance (Cap 554) (“ECICO”).

1.8 The LCO provides for the constitution and membership of LegCo, establishment of constituencies, registration of electors, conduct of elections, financial assistance for candidates, election petitions and other related matters.

1.9 The EACO tasks the Electoral Affairs Commission (“EAC”) with making recommendations regarding the delineation of GCs for the LegCo election and demarcation of their boundaries and regulating the printing of particulars relating to candidates on ballot papers and financial assistance for candidates. The EAC is also responsible for the conduct and supervision of elections and matters incidental thereto.

1.10 The ECICO prohibits election-related corrupt and illegal conduct and is administered by the Independent Commission Against Corruption (“ICAC”).

1.11 These ordinances are complemented by a number of pieces of subsidiary legislation, including those set out in paras. 1.12 to 1.19 below, which provide the detailed procedures for the conduct of the LegCo elections.

1.12 The electoral procedures for conducting the LegCo elections are provided in the Electoral Affairs Commission (Electoral Procedure) (Legislative Council) Regulation (Cap 541D) (“EAC (EP) (LC) Reg”).

1.13 The Electoral Affairs Commission (Registration of Electors) (Legislative Council Geographical Constituencies) (District Council Constituencies) Regulation (Cap 541A) (“EAC (ROE) (GC) Reg”) and the Electoral Affairs Commission (Registration) (Electors for Legislative Council Functional Constituencies) (Voters for Election Committee Subsectors) (Members of Election Committee) Regulation (Cap 541B) (“EAC (ROE) (FCSEC) Reg”) set out the procedures for registration of electors for the LegCo elections.

1.14 The Particulars Relating to Candidates on Ballot Papers (Legislative Council and District Councils) Regulation (Cap 541M) (“PCBP (LC & DC) Reg”) sets out the procedures for printing specified particulars relating to candidates on ballot papers for use in the LegCo elections.

1.15 The Electoral Affairs Commission (Financial Assistance for Legislative Council Elections and District Council Elections) (Application and Payment Procedure) Regulation (Cap 541N) (“EAC (FA) (APP) Reg”) stipulates the detailed implementation procedures for the Financial Assistance Scheme for candidates standing in LegCo elections.

1.16 The Legislative Council (Subscribers and Election Deposit for Nomination) Regulation (Cap 542C) (“LC Subscribers & Deposit Reg”) sets out the requirements for subscription and payment and return of election deposit for the LegCo elections.

1.17 The Electoral Affairs Commission (Nominations Advisory Committees (Legislative Council)) Regulation (Cap 541C) (“EAC (NAC) (LC) Reg”) stipulates the appointment and functions of the Nominations Advisory Committees (“NACs”) and the procedures for seeking the NAC’s advice on the candidates’ eligibility for nomination for the LegCo elections.

1.18 The Maximum Amount of Election Expenses (Legislative Council Election) Regulation (Cap 554D) sets out the maximum amount of election expenses that may be incurred by or on behalf of a candidate, or all the candidates on a list, for election to the LegCo.

1.19 The Legislative Council (Election Petition) Rules (Cap 542F) set out the procedures for the lodgement of an election petition against the result of the LegCo elections.

PART II : THE GUIDELINES

1.20 According to s 6 of the EACO, the EAC may, in connection with an election, issue guidelines relating to:

- (a) the conduct or supervision of or procedure at an election;
- (b) election-related activities of a candidate, an agent of a candidate or any other person assisting a candidate, or any other person;
- (c) election expenses;
- (d) the display or use of election advertisements (“EAs”) or other publicity material; and
- (e) the procedure for making a complaint.

1.21 The aim of such guidelines is to provide a code of conduct based on the principle of fairness and equality for conducting election-related activities. They also give guidance in layman’s language on compliance with the relevant electoral legislation. Guidelines are issued for reference by the public to ensure that all public elections are conducted in an open, honest and fair manner.

1.22 This set of Guidelines applies to both the LegCo general election and by-election. It explains the various electoral arrangements made for LegCo elections, the legislative provisions and regulations as well as guidelines that should be observed by all parties concerned before, during and after an election and the procedure for lodging an election-related complaint. An action checklist for candidates can be found in **Appendix A**.

1.23 In the context of this set of Guidelines, the term “election” means general election and by-election, as appropriate.

PART III : SANCTION

1.24 Members of the public, in particular, electors, candidates and their agents as well as government officials engaged in election-related duties should read, familiarise themselves with, and strictly observe, the Guidelines.

1.25 The EAC is committed to ensuring that all elections are conducted openly, honestly and fairly. If it comes to know that any candidate or person is in breach of the Guidelines, apart from notifying the relevant authorities for actions to be taken, it may make a reprimand or censure in a public statement which will include the name of the candidate or person concerned and, where appropriate, other relevant parties (if any). The reprimand or censure is separate from and additional to the criminal liability for any offences committed.

2.7 The registration of GC electors is undertaken in accordance with the provisions of the EAC (ROE) (GC) Reg.

2.8 A person may send in his application for voter registration on the specified form to the ERO any time in the year. However, for inclusion of his name in the final register of GCs to be published not later than 25 July in a non DC election year (or 25 September in a DC election year), his application form must have been received by the ERO **not later than 16 May** in that year (or 16 July in a DC election year). [S 4 of the EAC (ROE) (GC) Reg.]

2.9 The ERO will process the application forms after they have been received. The ERO will send written enquiries to applicants to seek information or proof if the information on their applications is incomplete or incorrect. An applicant who qualifies for registration will be allocated to the relevant GC on the basis of his residential address. Applicants who are not qualified for registration will also be informed of the result, by registered mail.

2.10 The name and residential address of all eligible applicants will be entered in the registers of electors.

Change of Residential Address and other Personal Particulars

2.11 It will not be necessary for a registered elector to re-apply for registration every year. However, if a registered elector has changed his residential address, he **should notify** the ERO **of his new address** in Hong Kong to ensure that he will continue to be registered in the next register of electors.

2.12 Apart from residential address, any registered elector who has changed his other particulars (eg name, telephone numbers and email address)

should also notify the ERO of such change.

2.13 An elector should notify the ERO of any change of his registration particulars in writing or by sending in a new registration form with the altered particulars. In order to allow the alteration of his particulars to be effected in the next final register of electors, he **should notify** the ERO as soon as possible and **latest by 29 June in a non DC election year** (or 29 August in a DC election year). An elector who has reported change of particulars will be sent a notice by the ERO showing his updated electoral record [s 11(4) and (5) of the EAC (ROE) (GC) Reg].

2.14 If the elector has **failed to update the ERO of his new address in Hong Kong**, or if he has emigrated overseas or ceased to be ordinarily resided in Hong Kong, **his name and particulars may be removed from the register of electors**.

The Provisional Register

2.15 The provisional register for GCs will be published **not later than 15 June in a non DC election year** (or 15 August in a DC election year). It includes:

- (a) the names and addresses of those electors whose names appear in the existing final register for GC currently in force, updated and corrected by the ERO based on reported or available information; and
- (b) the names and addresses of the eligible new applicants who have applied for registration in the constituency concerned on or before 16 May of that year (or 16 July in a DC election year).

The provisional register will be **available for public inspection** at the

Registration and Electoral Office (“REO”) and District Offices as specified in the Gazette notice of publication for a period after its publication and before the appeal deadline referred to in para. 2.18 below. Upon request by a person imprisoned or held in custody by a law enforcement agency, the ERO may make available, at a penal institution or the premises of a law enforcement agency as the case may be, a copy of the provisional register for his inspection if the ERO considers it appropriate to do so. The ERO may require persons who want to inspect the provisional register to produce an identity document and complete a form furnished by him. [Ss 12 and 13 of the EAC (ROE) (GC) Reg.]

The Omissions List

2.16 At the same time when the provisional register for GCs is published, the ERO will also publish an omissions list, containing the names and residential addresses of persons formerly registered as GC electors. These particulars are struck out from the provisional register and proposed to be omitted from the next final register, based on the information received by the ERO who is satisfied on reasonable grounds that these persons are no longer eligible to be registered or have been disqualified [s 32(4)(a) and (b) of the LCO and ss 9 and 10 of the EAC (ROE) (GC) Reg]. For an imprisoned person who used his last dwelling-place in Hong Kong at which he resided or the address last recorded under the Registration of Persons Regulations (Cap 177A) as the address for registration as an elector, if the ERO is satisfied on reasonable grounds that he has served his sentence of imprisonment and left the prison without reporting his new residential address to the ERO, the ERO must enter his name and address on the omissions list according to the procedures prescribed in the relevant legislation [s 9(2A) of the EAC (ROE) (GC) Reg].

2.17 The names and addresses of the persons included in the omissions list will not appear on the provisional register [s 32(4)(a) and (b) of the LCO and ss 9 and 10 of the EAC (ROE) (GC) Reg].

Appeals – Objections and Claims

2.18 Members of the public may lodge in person with the ERO objections as regards entries in the relevant provisional register **not later than 29 June in a non DC election year** (or 29 August in a DC election year). On or before that date, a dissatisfied applicant or a person whose name has been included in the omissions list may lodge a claim in person with the ERO in respect of the entry or any omission concerning himself. To facilitate a person imprisoned or held in custody by a law enforcement agency to make such an objection or claim, he is allowed to deliver a notice of objection or claim to the ERO by post. Cases of objections and claims will be referred to the Revising Officer for consideration. The Revising Officer, who is a member of the Judiciary, will rule on each objection or claim and decide on the inclusion, exclusion or correction of the entry concerned in the relevant final register [s 34 of the LCO and Part III of the EAC (ROE) (GC) Reg].

The Final Register

2.19 The final register for GCs will be published **not later than 25 July in a non DC election year** (or 25 September in a DC election year). It includes the entries in the relevant provisional register, the updated names and residential addresses of electors who have applied to alter their particulars not later than 29 June of that year (or 29 August in a DC election year), and the names and residential addresses of those who were subject to a notice of objection or claim, updated and corrected to reflect the decisions of the Revising Officer as appropriate. The ERO will also take the opportunity to delete those entries of electors who are known to be dead and to correct any mistakes in the provisional register. This final register remains valid until the publication of the final register in the following year. The final register in force will be available for public inspection at the REO and District Offices. Upon request by a person imprisoned or held in custody by a law enforcement agency, the ERO may make available at a penal institution or the premises of a

law enforcement agency as the case may be a copy of the final register for his inspection if the ERO considers it appropriate to do so. The ERO may require persons who want to inspect the final register to produce an identity document and complete a form furnished by him. [S 20 of the EAC (ROE) (GC) Reg.]

IMPORTANT :

Information relating to a person contained in any register of electors or in any extract of any register of electors **can only be used for election-related purposes** under the electoral legislation. Any **abuse** or **misuse** of such information is an **offence** punishable with a fine at level 2 (up to \$5,000) and imprisonment for 6 months [s 22(3) of the EAC (ROE) (GC) Reg].

PART III : THE VOTING SYSTEM

2.20 Different voting systems apply to elections of GCs and different FCs. For GCs, the list system of proportional representation applies [s 49 of the LCO].

2.21 A poll will be taken in respect of a GC to return members for that constituency if the number of validly nominated candidates contesting the election is more than the number of members to be returned for the constituency. Where no more candidates have been validly nominated than the number of members to be returned for the constituency, the validly nominated candidates will be declared elected by the Returning Officer (“RO”). In such a case, polling in respect of the constituency will not be necessary and electors of the constituency concerned should not attend the relevant polling stations since they no longer need to vote. If no candidates were validly nominated or the number validly nominated was less than the number of

members to be returned for the constituency, the RO must declare the election to have failed or, as the case may be, to have failed to the extent that the number of candidates validly nominated was less than the number of members to be returned [s 46(1) and (2) of the LCO]. A by-election will then be necessary.

2.22 In the list system of proportional representation, the nomination of candidates is to be by way of a list in a nomination form specified by the EAC to contain the names of one or more candidates for a GC as a group, and if more than one name, the names have to be ranked in the order of priority of the group. After the RO of the relevant GC has determined the eligibility of the candidates on a nomination list, only the eligible candidates whose priority on the list is below or equals the number of vacancies in the GC will be allowed to remain as candidates, and other candidates on the same list who rank after those prior candidates will have their names excluded from the nomination list. If, after the close of nominations but before the date of the election, proof is given to the satisfaction of the RO that a candidate whose name appears on a list of candidates has died or is disqualified from being nominated as a candidate, the RO must strike out the name of that candidate from the list. After striking out a name from a list of candidates, the RO must not add the name of any other person to the list. If no name remains on the list of candidates, the RO must reject the list [s 38 of the LCO].

2.23 At a GC election, an elector is entitled to cast a **single vote for a list** (as shown on the ballot paper) and not for an individual candidate. The number of valid votes cast for the election of the GC will be divided by the number of vacancies to be elected for that GC to arrive at the quota of votes. Each list that gets the quota will have one candidate on the list elected. When not all the vacancies are filled by applying the quota, then the filling of the remaining seat or seats will be decided by the largest remainder of valid votes cast for each list after the deduction of the quota or a number of quotas of votes cast for that list. If there are votes cast for a list that exceed the quota or

quotas necessary to return all the candidates in the list, the list will be treated as having no further votes remaining [s 49 of the LCO]. For example, in a GC to elect 5 LegCo members, ie with 5 vacancies, where the number of valid votes cast is 1 million and there are 6 lists with varying number of candidates, the voting system operates in the following manner:

The quota of votes required to elect 1 candidate = $1,000,000 \div 5 = 200,000$

The valid votes cast for the 6 lists, eg:

<u>List 1</u>	<u>List 2</u>	<u>List 3</u>	<u>List 4</u>	<u>List 5</u>	<u>List 6</u>
Candidate A	Candidate F	Candidate J	Candidate M	Candidate O	Candidate Q
Candidate B	Candidate G	Candidate K	Candidate N	Candidate P	
Candidate C	Candidate H	Candidate L			
Candidate D	Candidate I				
Candidate E					
290,000	270,000	80,000	120,000	30,000	210,000
votes	votes	votes	votes	votes	votes

(votes cast for each of the Lists)

Step 1

No. of candidates in each list returned for satisfying the quota with the remainder votes:

<u>List 1</u>	<u>List 2</u>	<u>List 3</u>	<u>List 4</u>	<u>List 5</u>	<u>List 6</u>
Candidate A	Candidate F	None	None	None	Candidate Q
90,000	70,000	80,000	120,000	30,000	10,000
votes	votes	votes	votes	votes	votes

(treated as no votes remaining)

(On applying the quota, 200,000 votes for List 1 enables Candidate A, being the first candidate in the priority ranking of List 1, to be elected. On the same basis, Candidate F on List 2 and Candidate Q on List 6 are elected. The

remainder votes for List 1 and List 2 are then used to compare with the votes not meeting the quota cast for the other lists.)

Step 2

No. of candidates in each list returned by applying the remainder votes:

<u>List 1</u>	<u>List 2</u>	<u>List 3</u>	<u>List 4</u>	<u>List 5</u>	<u>List 6</u>
Candidate B	None	None	Candidate M	None	None

(Candidate M has the highest remainder of 120,000 votes, and candidate B has the next highest remainder of 90,000 votes. There are only 2 available vacancies after applying the quota in step 1, and they are filled by these 2 candidates whose lists have the highest 2 remainder votes in step 2. The rest of the candidates are not elected.)

2.24 If it is found that 2 or more lists have the equal largest number of remaining votes and the number of those lists exceeds the number of members remaining to be returned at that stage, the RO must determine the result by drawing lots. The member/members will be returned from the list/lists on which the lot falls [s 49(11) of the LCO].

2.25 When the drawing of lots has to be used to determine the result, 10 table-tennis balls each marked with a number from 1 to 10 will be put into an empty opaque bag, to be provided by the RO. The candidate or the representative of a candidate list is to draw 1 ball from the bag. The number marked on the ball should be noted by the RO and the ball should be put back into the bag. The other candidate(s) or representative(s) of candidate list(s) will draw in the same way. The candidate on whom the lot falls is to be returned at the election. The RO would draw the lot on behalf of the candidate or the representative of a candidate list if such candidate or representative is absent at the time of drawing lots.

- (a) Where there is only 1 vacancy to be filled and there are 2 candidates, the candidate who obtains the larger number from 1 to 10 will be the winner. 1 is the smallest number and 10 is the largest number.
- (b) Where there is only 1 vacancy to be filled and there are more than 2 candidates, if in the first draw, the numbers drawn are different, then the candidate who obtains the largest number will win. If, on the other hand, 2 or more of the candidates have obtained the same larger number and the remaining candidate(s) has/have obtained a smaller number, there must be a second draw. Only those candidates who have obtained the same larger number in the first draw will participate in the second draw.
- (c) Where there are 3 candidates having an equal number of votes and there are only 2 vacancies to be filled, if the 3 candidates have obtained respectively the largest, the larger and the smallest numbers, the 2 candidates who have obtained the largest and the larger numbers should be successful in getting the 2 vacancies, and the remaining candidate will fail. If the 3 candidates have obtained respectively 2 larger equal and 1 smaller numbers, then again the 2 candidates who have obtained the larger equal numbers will be the winners to fill the 2 vacancies. If the 3 candidates have obtained respectively a larger and 2 equal smaller numbers, the candidate who has obtained the larger number will be successful and the remaining 2 candidates will participate in a second draw. The same principle will apply where there are N candidates having an equal number of votes and there are less than N vacancies to be filled.

2.26 As soon as practicable after the result of the elections has been determined, the RO should publicly declare the successful candidates as elected.

2.27 If, after the counting of votes is finished but before the result of an election for a GC is declared, proof is given to the satisfaction of the RO that a candidate on a list who was successful at the election has died or is disqualified from being elected, the RO must not declare that candidate as elected. If there is another candidate or there are other candidates on the same list who has not or have not been returned for the constituency, the candidate is to be returned or a candidate is to be returned according to the order of priority on the list in place of the deceased or disqualified candidate. If there is no other candidate on the same list who can be returned, the RO must publicly declare that the election has failed or has failed to the extent that the number of candidates returned at the election for the constituency was less than the number of members to be returned for the constituency [ss 46A(4), 49(14), (15) and (16) of the LCO and s 83(2)(a) and (b)(i) of the EAC (EP) (LC) Reg].

CHAPTER 3

FUNCTIONAL CONSTITUENCIES

PART I : COMPOSITION

3.1 This chapter describes the FCs¹ and the features relating to electoral procedure that electors of FCs may need to know. Electors of the GCs may refer to Chapter 2 : Geographical Constituencies.

3.2 In the general election for the fifth term of the LegCo, the 29 FCs are to return 35 of the 70 members of the LegCo.

3.3 The electorates of the existing 28 FCs are from particular professional, industrial or trade groups, etc. The new DC (second) FC is composed of persons who are registered as electors for GCs but are not registered as electors for any of the existing 28 FCs. Except the Labour FC that is to return 3 members to the LegCo and the DC (second) FC that is to return 5 members to the LegCo, each of the other 27 FCs will return 1 member [s 21 of the LCO]. The FCs and their electors are provided for in ss 20A to 20ZC of and Schedules 1 to 1E to the LCO, and are set out in **Appendix B**.

¹ The term “FCs” and “ordinary FCs” in the Guidelines include “DC (second) FC” unless otherwise stated.

PART II : REGISTRATION OF ELECTORS

Eligibility to Vote

3.4 Only a registered elector, ie a person whose name appears on the final register of FC which is in force at the time of the election is eligible to vote. An elector may vote at an election in respect of a FC if he is registered as an elector in that constituency [s 48 of the LCO].

Qualification for Registration as an Elector

The 29 FCs [s 25 of the LCO]

3.5 Two kinds of persons (ie a natural person (individual) and a body) are eligible to be registered as FC electors. A person who is one specified in column 2 of Appendix B opposite a FC is eligible to be registered as an elector for that FC but if the person is an individual, he must **also** be either registered for a GC or eligible to be registered for a GC and has made an application to be so registered. (For registration as an elector for a GC, please refer to para. 2.4 of Chapter 2.)

3.6 If a person is **already registered** in the existing final register for a FC (other than the DC (second) FC) and is eligible to be, and not disqualified from, being registered as an elector for the FC, then his/its name and address will be repeated in the next provisional register for FCs, and he/it **needs not apply** to be registered. For the details on the compilation of first register of electors for the new DC (second) FC, please refer to paras. 3.25 to 3.27 below.

3.7 A body specified in item 3, 12, 20, 21(1), 22(2), (4), (5), (10) or (11), 23(1) to (4), 24(4) or (5), 26(14) or 27(1) of Appendix B is eligible to be registered as a corporate elector for the relevant FC only if it has been

operating for the 12 months immediately before making its application for registration as an elector.

3.8 A body that is a corporate member of a representative organisation specified in item 2(1), 14 to 19, 21(2), 22(1) or (7) to (9), 23(5), 24(1) or (2), 25 or 26(10), 12(a) or (13) of Appendix B is eligible to be registered as a corporate elector for the relevant FC if it has been a corporate member of the representative organisation and has been operating for the 12 months immediately before making its application for registration as an elector.

3.9 An individual who is a member of a representative organisation specified in item 14, 17, 18, 22(7) or (9), 23(5), 24(3) or 25 of Appendix B is eligible to be registered as an elector for the relevant FC only if the person has been a member of the body for the 12 months immediately before making an application for registration as an elector.

3.10 No person may be registered in 2 or more FCs. If he/it is eligible to be registered in 2 or more FCs, except the DC (first) FC and any one of the 4 FCs shown in para. 3.11, he/it may choose to be registered in any one of the FCs.

3.11 If a person is eligible to be registered in the DC (first) FC and any other FC at the same time, he may only be registered in the DC (first) FC and not in any other FC. A person who is eligible to be registered in one of the following 4 FCs, and if he wants to be registered as an FC elector, has **no choice** but to be registered in that FC although he may be eligible for any other FC [s 25(3) of the LCO]. The voting system for these 4 FCs is different from that for the other 24 FCs and the DC (second) FC [see paras. 3.33 to 3.39 below]:

- (a) Heung Yee Kuk FC;

- (b) Agriculture and Fisheries FC;
- (c) Insurance FC; and
- (d) Transport FC.

These 4 special FCs (FCs specified in s 20(1)(a) to (d) of the LCO) (items 1 - 4 of Appendix B) are referred to as “SFCs” below.

Authorised Representative [s 26 of the LCO]

3.12 A corporate elector is required to select an eligible individual to be its authorised representative (“AR”) for the purpose of casting its vote at any election, otherwise it cannot vote [see also s 48(8) of the LCO]. An individual is eligible to be appointed as an AR of a corporate elector only if he:

- (a) is registered, or eligible to be and has applied to be registered, as an elector of a GC;
- (b) is a member, partner, officer or employee of the corporate elector or has a substantial connection with it;
- (c) is not registered, and has not applied to be registered, as an elector for the FC of the corporate elector; and
- (d) is not disqualified from being registered or voting under s 31 or 53 of the LCO [see para. 3.15 below].

3.13 An AR of a corporate elector is not eligible to be selected as the AR of another corporate elector.

3.14 An AR must be registered with the ERO. **A corporate elector**

is required to give notice of appointment of its AR to the ERO in its application form for registration as a corporate elector. It may thereafter from time to time appoint a replacement AR by sending a specified form to reach the ERO not later than 14 days before the polling day of its FC. If the ERO is satisfied that the AR is dead or seriously ill or physically or mentally incapacitated, the deadline of 14 days for replacement is extended to 3 working days before the relevant polling day [s 20 of the EAC (ROE) (FCSEC) Reg].

Disqualifications

3.15 A natural person is disqualified from being registered as an elector and voting at an election for a FC or as an AR if he:

- (a) has ceased to be eligible to be registered as an elector for the GC;
- (b) has ceased to remain qualified for the FC (this does not apply to an AR or an elector for a GC);
- (c) is found for the time being to be incapable, by reason of mental incapacity, of managing and administering his property and affairs under the Mental Health Ordinance (Cap 136); or
- (d) is a member of any armed forces.

[Ss 31 and 53 of the LCO.]

3.16 A consular post to which any privilege or immunity is accorded under the Consular Relations Ordinance (Cap 557) and an organisation to which s 2 of the International Organizations and Diplomatic Privileges Ordinance (Cap 190) applies or an international organisation defined in s 2 of the International Organizations (Privileges and Immunities) Ordinance (Cap 558) are also disqualified from being registered as a corporate elector [s 31 of the LCO].

Application for Registration

3.17 The registration of electors is undertaken in accordance with the provisions of the EAC (ROE) (FCSEC) Reg.

3.18 A person (either an individual or a body) may send in his/ its application for voter registration on the specified form to the ERO any time in the year. However, for inclusion of his/ its name in the final register to be published on or before 25 July in a non DC election year (or 25 September in a DC election year), his/ its application form must be received by the ERO **on or before 16 May of that year** (or 16 July in a DC election year). [S 19 of the EAC (ROE) (FCSEC) Reg.]

3.19 The ERO will process the application forms after they have been received. The ERO will send written enquiries to applicants to seek information or proof if the information on their applications is incomplete or incorrect. An applicant who qualifies for registration will be allocated to the relevant FC, as appropriate, in accordance with his qualification and choice (if so entitled). Applicants who are not qualified for registration will also be informed by registered mail.

3.20 The names and residential addresses (business addresses for corporate electors) of all eligible applicants will be entered in the registers of electors. The ARs (if appointed) of the corporate electors will also be included in the registers of electors.

Change of Residential Address and other Personal Particulars

3.21 It will not be necessary for a registered elector (either individual or body) to re-apply for registration every year.

3.22 However, in the case of a registered individual elector, please note the following:

- (a) If he has changed his residential address, he **should notify** the ERO **of his new address** in Hong Kong to ensure that he will continue to be registered in the next register of electors.
- (b) He should notify the ERO of any change of circumstances that may affect his eligibility (eg his connection with a particular FC). Based on such information from the elector, the ERO will decide whether he remains eligible to be registered, and if so, in which constituency.
- (c) Apart from his residential address, any registered elector who has changed his other personal particulars (eg name, telephone numbers and email address), should also notify the ERO of such change.
- (d) He should notify the ERO of any change of his registration particulars in writing or by sending in a new registration form with the altered particulars. In order to allow the alteration of his particulars to be effected in the next final register of electors, the elector **should notify** the ERO as soon as possible and the **latest by 29 June in a non DC election year** (or 29 August in a DC election year). An elector who has reported change of particulars will be sent a notice by the ERO showing his updated electoral record [s 26 of the EAC (ROE) (FCSEC) Reg].
- (e) If the elector has **failed to update the ERO of his new address in Hong Kong**, or if he has emigrated overseas or ceased to be ordinarily resided in Hong Kong, **his name and particular may be removed from the register of electors.**

3.23 In the case of a registered corporate elector, if it has changed its particulars (eg name, address, telephone number), it should also notify the ERO. In this regard, para. 3.22 (b) and (d) apply to a corporate elector in the same way as they apply to an individual elector. For the AR of a corporate elector, para. 3.22 (a), (b), (c) and (e) above apply to change in his particulars.

The Provisional Registers

3.24 The provisional register for FCs will be published **not later than 15 June in a non DC election year** (or 15 August in a DC election year). It includes:

- (a) the names and addresses of those electors whose names appear in the relevant register currently in force, updated and corrected by the ERO based on reported or available information;
- (b) the names and addresses of the eligible new applicants who have applied for registration in the constituency concerned on or before 16 May of that year (or 16 July in a DC election year); and
- (c) the names of the ARs of the corporate electors.

The provisional registers will be **available for public inspection** at the REO and certain District Offices, as specified in the Gazette notice of publication for a period after its publication and on or before the appeal deadline referred to in para. 3.31 below. Upon request by a person imprisoned or held in custody by a law enforcement agency, the ERO may make available, at a penal institution or the premises of a law enforcement agency as the case may be, a copy of the provisional register for his inspection if the ERO considers it appropriate to do so. The ERO may require persons who want to inspect the provisional register to produce an identity document and complete a form furnished by him. [Ss 27 and 29 of the EAC (ROE) (FCSEC) Reg.]

3.25 The ERO may compile the first provisional register of electors for the DC (second) FC by using the current GC register as the basis and:

- (a) deleting from it the names of all persons whose names are in the current FC register;
- (b) deleting from it the name of any person who elects not to be registered as an elector for the DC (second) FC; and
- (c) adding to it the name of any person who elects to be registered as an elector for the DC (second) FC.

The register for the DC (second) FC is to be compiled in a GC register by means of notes or indications against the names and personal particulars of the concerned electors. The register compiled is to be regarded for all purposes as a register compiled under the EAC (ROE) (FCSEC) Reg.

[Schedule 3 to the LCO and s 3 of the EAC (ROE) (FCSEC) Reg.]

3.26 The ERO informed the registered electors of the registration arrangements for the DC (second) FC in February 2012 as follows:

- (a) as a one-off transitional arrangement for 2012, any GC elector who was not registered in a FC then would be registered as an elector for the DC (second) FC unless he elected not to be so registered; and
- (b) any FC elector might choose to be registered as an elector for the DC (second) FC and not to be registered for the FC in which he was currently registered. However, this arrangement does not apply to the electors of the 4 SFCs and

the DC (first) FC whose registration is restrained as mentioned in paras. 3.10 and 3.11 above..

[S 35A of the EAC (ROE) (FCSEC) Reg.]

3.27 A person applying for the registration in a 2012 GC provisional register was also regarded as having applied for registration as an elector for the DC (second) FC unless he specified otherwise [s 19(1A) of the EAC (ROE) (FCSEC) Reg].

The Omissions List

3.28 By the time when the provisional registers are published, the ERO will also publish an omissions list each in respect of FCs containing the names and addresses of persons who were formerly registered as FC electors, but are struck out from the provisional register and proposed to be omitted from the next final register, based on the information received by the ERO who is satisfied on reasonable grounds that the concerned persons are no longer eligible to be registered or are disqualified. For an imprisoned person who has used his last dwelling-place in Hong Kong at which he resided or the address last recorded under the Registration of Persons Regulations (Cap 177A) as the address for registration as an elector, if the ERO is satisfied on reasonable grounds that he has served his sentence of imprisonment and left the prison without reporting his new residential address to the ERO, the ERO must enter his name and address on the omissions list according to the procedures prescribed in the relevant legislation [s 9(2A) of the EAC (ROE) (GC) Reg].

3.29 The ERO may make inquiries under the electoral law to the registered FC electors to verify their eligibility for registration. If an FC elector does not respond to the inquiry or the ERO is satisfied on reasonable grounds that the elector is no longer eligible to be registered or is disqualified from being registered in the relevant FC, his name and personal particulars will

be included in the omissions list of the relevant FC and at the same time be included in the provisional register for the DC (second) FC. [Ss 22 and 24 of the EAC (ROE) (GC) Reg.]

3.30 The names and addresses of the persons included in the omissions list of a FC will not appear on the provisional register of the same FC [s 32(4)(a) and (b) of the LCO and ss 24 and 25 of the EAC (ROE) (FCSEC) Reg].

Appeals – Objections and Claims

3.31 Members of the public may lodge in person with the ERO objections as regards entries in the relevant provisional register **not later than 29 June in a non DC election year** (or 29 August in a DC election year). On or before that date, a dissatisfied applicant or a person whose name has been included in the omissions list may lodge a claim in person with the ERO in respect of the entry or any omission concerning himself/itself. To facilitate a person imprisoned or held in custody by a law enforcement agency to make such an objection or claim, he is allowed to deliver a notice of objection or claim to the ERO by post. Cases of objections and claims will be referred to the Revising Officer for consideration. The Revising Officer, who is a member of the Judiciary, will rule on each objection or claim and decide on the inclusion, exclusion or correction of the entry concerned in the relevant final register [s 34 of the LCO and Part VI of the EAC (ROE) (FCSEC) Reg].

The Final Registers

3.32 The final register for FCs will be published **on or before 25 July in a non DC election year** (or 25 September in a DC election year). It includes the entries in the relevant provisional register, the updated names and addresses of electors who have applied to alter their particulars on or before 29 June of that year (or 29 August in a DC election year), and the names and

addresses of those who were subject to a notice of objection or claim, updated and corrected to reflect the decisions of the Revising Officer as appropriate. The ERO will also take the opportunity to delete those entries of electors who are known to be dead and to correct any mistakes in the relevant provisional register. The final registers may also contain notations to show if a person registered for a GC is also registered in a FC. The final registers for FCs remain valid until the publication of the relevant final register in the following year. The final registers in force will be available for public inspection at the REO and District Offices. Upon request by a person imprisoned or held in custody by a law enforcement agency, the ERO may make available at a penal institution or the premises of a law enforcement agency as the case may be a copy of the final register for his inspection if the ERO considers it appropriate to do so. The ERO may require persons who want to inspect the final register to produce an identity document and complete a form furnished by him. [S 38 of the EAC (ROE) (FCSEC) Reg.]

IMPORTANT :

Information relating to a person contained in any register of electors or in any extract of any register of electors **can only be used for election-related purposes** under the electoral legislation. Any **abuse** or **misuse** of such information is an **offence** punishable with a fine at level 2 (up to \$5,000) and imprisonment for 6 months [s 42(3) of the EAC (ROE) (FCSEC) Reg].

PART III : THE VOTING SYSTEMS

3.33 Different voting systems apply to elections of different constituencies, namely,

- (a) for the 4 SFCs referred to in para. 3.11 above (items 1 to 4 of Appendix B), the preferential elimination system of voting;
- (b) for the DC (second) FC (item 29 of Appendix B), the list system of proportional representation; and
- (c) for the 24 ordinary FCs (items 5 to 28 of Appendix B), the first past the post voting system.

The Preferential Elimination System for the 4 SFCs

3.34 For each of the 4 SFCs, an elector is entitled to cast a single vote. The vote is transferable amongst the candidates nominated for the election, with the elector marking his preference or preferences for those candidates on the ballot paper against one or more of those candidates in descending order. In order to be elected, a candidate must obtain an absolute majority of the valid votes. If no candidate obtains an absolute majority of the votes at a particular stage of the counting of votes, the candidate with the least number of votes is to be eliminated at that stage, and that candidate's votes are to be transferred to the candidates then remaining in accordance with the next available preferences marked on the ballot papers. This process is to continue until one candidate obtains an absolute majority over the other candidate or candidates then remaining [s 50 of the LCO]. If, after the counting of votes is finished but before the result of an election of a FC is declared, proof is given to the satisfaction of the RO that the candidate who was successful at the election has died or is disqualified from being elected, that RO must not declare that candidate as elected and must publicly declare that the election has failed [ss 46A(3) and 50(8) of the LCO]. Details of how the votes are to be counted are set out in **Appendix C**.

The First Past the Post Voting System for the 24 Ordinary FCs

3.35 An elector of each of the 24 ordinary FCs is entitled to vote for as many candidates as there are vacancies and no more. The candidate who obtains the greatest number of votes will be elected, followed by the next candidate who has the next greatest number of votes, and so on, until all the vacancies are filled [s 51 of the LCO]. Out of the 24 ordinary FCs, only the Labour FC has 3 seats to be filled and electors of that ordinary FC can therefore vote for up to 3 candidates. In each of the remaining 23 ordinary FCs, only 1 seat is to be filled and the elector can only vote for 1 candidate. In the event that more than 1 candidate has the equal highest number of votes, the RO will have to draw lots to determine which one of these candidates should be elected to fill the vacancy.

3.36 When the successful candidate has to be determined by the drawing of lots, 10 table-tennis balls each marked with a number from 1 to 10 will be put into an empty opaque bag, to be provided by the REO. Each candidate is to draw 1 ball from the bag. The number marked on the ball should be noted by the RO and the ball should be put back into the bag. The other candidate(s) will draw in the same way. The candidate on whom the lot falls is to be returned at the election. The RO would draw the lot on behalf of the candidate if the latter is absent at the time of drawing lots.

- (a) Where there is only 1 vacancy to be filled and there are 2 candidates, the candidate who draws the larger number from 1 to 10 will be the winner. 1 is the smallest number and 10 is the largest number.
- (b) Where there is only 1 vacancy to be filled and there are more than 2 candidates, if in the first draw, the numbers drawn by the candidates are different, then the candidate who draws the largest number will win. If, on the other hand, 2 or more of the

candidates have drawn the same larger number and the remaining candidate(s) has/have drawn a smaller number, there must be a second draw. As the system of voting for the election is “first past the post”, only those candidates who have drawn the same larger number in the first draw will participate in the second draw.

- (c) Where there are 3 candidates having an equal number of votes and there are only 2 vacancies to be filled, if the 3 candidates have obtained respectively the largest, the larger and the smallest numbers, the 2 candidates who have obtained the largest and the larger numbers should be successful in getting the 2 vacancies, and the remaining candidate will fail. If the 3 candidates have obtained respectively 2 larger equal and 1 smaller numbers, then again the 2 candidates who have obtained the larger equal numbers will be the winners to fill the 2 vacancies. If the 3 candidates have obtained respectively a larger and 2 equal smaller numbers, the candidate who has obtained the larger number will be successful and the remaining 2 candidates will participate in a second draw. The same principle will apply where there are more than 3 candidates having an equal number of votes and there are 3 vacancies to be filled as in the case of the Labour FC.

3.37 As soon as practicable after the result of the elections has been determined, the RO should publicly declare the successful candidate as elected.

3.38 In the event that before the declaration of the result of the elections, proof is given to the RO's satisfaction that the successful candidate for a constituency has passed away or has been disqualified from being elected, the RO should not declare that candidate as elected and should declare that the election has failed or has failed to the extent that the number of candidates

returned at the election was less than the number of members to be returned [ss 46A and 51(8) of the LCO].

The List System of Proportional Representation for the DC (second) FC

3.39 The electors of the DC (second) FC must only vote for 1 list of candidates (as shown on the ballot paper) and not for an individual candidate [s 55 of the EAC (EP) (LC) Reg]. The 5 members of the DC (second) FC will be returned by the list system of proportional representation. For details on the voting system of the list system of proportional representation, please refer to the Part III of Chapter 2.

CHAPTER 4

NOMINATION OF CANDIDATES

PART I : QUALIFICATION AND DISQUALIFICATION FOR NOMINATION

4.1 The law governing the qualification and disqualification for the nomination of candidates for the LegCo election is contained in the LCO. The procedure for nomination of candidates for the LegCo election is provided in the EAC (EP) (LC) Reg and EAC (NAC) (LC) Reg made by the EAC.

Qualifications

4.2 To qualify for nomination as a candidate at an election for a GC, a person must:

4.3 To qualify to be nominated as a candidate at an election for a FC, a person must:

[S 37 of the LCO.]

4.4 A person is considered to have **ordinarily resided in Hong Kong** when he has habitually and normally lived there lawfully for a settled purpose, apart from temporary and occasional absences such as holidays and absence abroad for studying purposes. Each case has to be examined upon its own facts. Matters like the length of the person’s absence, the reason for his absence, the location of the home of him, his spouse, children and parents and his maintenance of connections with Hong Kong are all relevant factors. In case of doubt, a prospective candidate should consult his own legal adviser or seek advice from the NAC [see paras. 4.7 to 4.13 below].

Disqualifications

4.5 A person will be disqualified from being nominated, if he:

- (a) is a judicial officer, or a prescribed public officer²;
- (b) is an officer of the LegCo or a member of staff of The LegCo Commission;

² A prescribed public officer means any of the following:

- (a) the Chairman of the Public Service Commission;
- (b) the Commissioner and Deputy Commissioner of the ICAC and the holder of any other office under the ICAC Ordinance (Cap 204);
- (c) the Ombudsman and the holder of any appointment under s 6 of The Ombudsman Ordinance (Cap 397);

- (g) the Chairperson of the Equal Opportunities Commission and any person employed or whose services are engaged by the Commission under the Sex Discrimination Ordinance (Cap 480); or
- (h) any person holding an office, whether permanent or temporary, in a government department or bureau and employed in the department or bureau.

- (c) has, in Hong Kong, or any other place, been sentenced to death or imprisonment (by whatever name called), and has not either served the sentence or any substitute sentence or received a free pardon;
- (d) has been convicted of treason;
- (e) on the date of nomination, or of the election, is serving a sentence of imprisonment;
- (f) is or has been convicted, within 5 years before the polling day, of any offence in Hong Kong or in any other place, the sentence for which is imprisonment (suspended or not) for not less than 3 months, or convicted of having engaged in corrupt or illegal conduct in contravention of the ECICO, or convicted of any offence against Part II of the POBO or any offence prescribed by the regulations made by the EAC;
- (g) is ineligible because of operation of the LCO or any other law;
- (h) is a representative or a salaried functionary of the government of a place outside Hong Kong;
- (i) is a member of any national, regional or municipal legislature, assembly or council of any place outside Hong Kong, other than a people's congress or people's consultative body of the People's Republic of China, whether established at the national level or local level;
- (j) is an undischarged bankrupt or, within the previous 5 years, has either obtained a discharge in bankruptcy or has entered into a voluntary arrangement within the meaning of the Bankruptcy

Ordinance (Cap 6) with the person's creditors, in either case without paying the creditors in full; or

- (k) is found for the time being to be incapable, by reason of mental incapacity, of managing and administering his property and affairs under the Mental Health Ordinance (Cap 136).

[S 39(1) and (2) of the LCO.]

4.6 A person is also disqualified from being treated as a member for a FC (other than the DC (first) FC and the DC (second) FC) if, since the close of nominations, the person has ceased to have a substantial connection with the constituency [s 39(4) of the LCO].

PART II : NOMINATIONS ADVISORY COMMITTEES

4.7 The EAC has the power to appoint NACs to provide advice, on request, to prospective candidates and ROs on the candidates' eligibility for nomination [s 3 of the EAC (NAC) (LC) Reg]. Each of these NACs is in the charge of either a Senior Counsel or a legal practitioner of not less than 10 years standing in accordance with established practice who, in the opinion of the EAC, is unconnected to any candidate or political organisation in Hong Kong, independent and impartial.

NAC's Service to Candidates [s 5 of the EAC (NAC) (LC) Reg]

4.8 NAC's service will be provided to candidates **only at a LegCo general election**. During a period to be announced by the REO – which normally ends 1 day before the commencement of the nomination – a prospective candidate may apply, by completing a specified application form

obtainable from the REO or from any District Office, for the advice of the NAC as to whether he is qualified to be, or is disqualified from being, nominated as a candidate at the LegCo general election. He may make only 1 application in respect of the GC election and 1 application in respect of a particular FC election. While a prospective candidate may apply for advice only once in respect of a particular FC, he may apply for advice in respect of more than 1 FC.

4.9 The application must be:

- (a) sent to the Chief Electoral Officer (“CEO”) by post or facsimile transmission so as to be received by him; or
- (b) served on the CEO personally,

on or before the deadline for application to be specified by the EAC.

4.10 An NAC may, before giving its advice, request the applicant to make available to it within a specified period any information, particulars and evidence relating to his intended candidature. The NAC may also request the applicant to present himself before it at a specified time and place to assist it in the consideration of the application. The applicant may, at the specified time and place, make representations to the NAC personally or through any person authorised by him in writing for the purpose.

4.11 Where an applicant does not make available any information, particulars or evidence as requested by the NAC, or fails to present himself before the NAC in response to a request, the NAC may:

- (a) refuse to consider the application or to give any advice on it; or

- (b) give qualified advice on the application having regard to either or both of the following:
 - (i) the fact that any information, particulars or evidence, or where appropriate, all of them, were not available to it;
 - (ii) the failure of the applicant to present himself before the NAC.

4.12 The NAC's advice to an applicant, including a decision to refuse to consider an application or to give advice, will be in writing and will be sent to the applicant not later than a date to be specified by the EAC.

4.13 Any advice given by an NAC or a refusal to give any such advice does not preclude a person from seeking nomination as a candidate in an election or proceeding with a nomination, if he so wishes [s 9 of the EAC (NAC) (LC) Reg].

NAC's Service to ROs

4.14 NAC's service will be provided to ROs at both LegCo general elections and by-elections. During the period from the commencement, up to 1 day after the close of the nomination period, ROs may seek the advice of an NAC, where they consider necessary, on the eligibility for nomination of the candidates who have submitted their nominations. Such application must be in writing and made to the NAC through the CEO. The NAC will, not later than a date specified by the EAC, advise the RO concerned as to whether the candidate concerned is eligible to be nominated.

4.15 The RO is required, in making a decision as to whether a particular candidate is validly nominated in respect of the constituency for which he seeks nomination, to have regard to any advice given by an NAC on that candidate

[s 17 of the EAC (EP) (LC) Reg]. The decision on the validity of nomination, however, remains with the RO alone [s 6 of the EAC (NAC) (LC) Reg].

PART III : WHEN AND HOW TO NOMINATE

When to Nominate

4.16 Nominations may be made during the **nomination period** specified in the Notice of Election published in the Gazette [ss 4, 5 and 7 of the EAC (EP) (LC) Reg]. An election timetable will be provided to each candidate by the RO for the relevant constituency. The ordinary business hours on each working day (ie any day other than a general holiday or Saturday) in the nomination period for the ROs to receive nominations are from 9 am to 5 pm, and on a Saturday, from 9 am to 12 noon. **Candidates are encouraged to submit their nominations well before the expiration of the nomination period to allow time for any errors in their nomination forms to be corrected.**

How to Nominate

4.17 Nomination forms specified by the EAC are available from any District Office or from the REO, or can be downloaded from the website of the REO (<http://www.reo.gov.hk>).

4.18 The nomination form comprises:

(a) The Nomination

- (i) In respect of a **GC** election, the nomination is a list containing either the names of 2 or more proposed candidates contesting the election of the particular GC as a

group with their names ranked in the order of priority of the group, or the name of a single proposed candidate. The nomination must be subscribed by **100 registered electors** (other than the candidates) of that particular GC assenting to the nomination and the number of persons that may subscribe a nomination shall not be more than 200 [s 7(1)(a) and (aa) of the LC Subscribers & Deposit Reg]. An elector may subscribe only 1 nomination as regards a particular GC election. Under s 38 of the LCO, after a nomination has been submitted to an RO, the order in which the names of proposed candidates appear in the list cannot be altered, no other name of any proposed candidate can be added to the list, and names already on the list cannot be deleted. [See, however, para. 4.36 below in the case of withdrawal.]

- (ii) In respect of a candidate of a **FC (other than the DC (second) FC)**, it must be subscribed by **10 registered electors** (other than the candidate himself) and the number of persons that may subscribe a nomination shall not be more than 20 [s 7(2)(a) and (aa) of the LC Subscribers & Deposit Reg]. An elector may subscribe any number of nomination forms up to the number of seats in any FC [s 7(2)(b) of the LC Subscribers & Deposit Reg]. Thus, an elector of the Labour FC may subscribe up to 3 nominations as there are 3 vacancies to fill in that FC. For other FCs, with 1 seat each, an elector may only subscribe 1 nomination.

In any of the above cases (**other than the DC (second) FC**), the **subscribing elector must be registered for the GC or the FC concerned**, as the case may be. In other words, **an elector** in respect

of a GC and a FC (other than the DC (second) FC) is entitled to **subscribe only 1 nomination regarding his own GC, and any number of nominations up to the number of vacancies regarding his FC (other than the DC (second) FC)**. Where the number of persons subscribing a nomination has exceeded the required number (ie 100 for a GC election and 10 for a FC election), any surplus over the required number of qualified subscribers will be regarded as not having subscribed the nomination concerned [s 7(2C) of the LC Subscribers & Deposit Reg]. In this case, the elector may subscribe another nomination instead. If the nomination subscribed by an elector has been held to be invalid, or the candidate or all the nominees on a nomination list has withdrawn his/their nomination, the elector may subscribe another one instead before the end of the relevant nomination period, and his signature shall not be inoperative on that other nomination form. Under this scenario, if he subscribes more than 1 nomination form in contravention of the regulations, his signature shall be operative only on the first one delivered [s 7(3)(ii) of the LC Subscribers & Deposit Reg].

In respect of an election for **the DC (second) FC**, the nomination is a list containing either the names of 2 or more proposed candidates contesting the election of the same FC as a group with their names ranked in the order of priority of the group, or the name of a single proposed candidate. The nomination must be subscribed by **15 registered electors** (other than the candidate(s)) **of the DC (first) FC** [s 7(1A) of the LC Subscribers & Deposit Reg]. In accordance with s 7(3A) and (3B) of the LC Subscribers & Deposit Reg, if an elector of the DC (first) FC subscribes the nomination paper of any persons seeking nomination in respect of the DC (first) FC and the DC (second) FC and both the nomination papers of the DC (first) FC and the DC (second) FC have been delivered, his signature shall be operative only on the first nomination paper delivered. In other words, an elector of

the DC (first) FC shall **subscribe 1 nomination only for either** a candidate of the DC (first) FC election **or** a candidate list of the DC (second) FC election.

IMPORTANT :

A candidate who submits a nomination form on the last few days of the nomination period is advised to include more than the required number of subscribers for his nomination, to avoid the risk of invalidation of the nomination should one or more of the subscribers be subsequently found not to be qualified as subscribers. A candidate should use his best endeavour to ensure that the electors subscribing his nomination form are eligible. Electors subscribing a nomination should sign the nomination form **personally**.

No illegal act shall be used to cause an elector to subscribe or not to subscribe a nomination. Intimidation is an offence under s 24 of the Crimes Ordinance (Cap 200), punishable by a fine and imprisonment for 2 years on summary conviction or by imprisonment for 5 years on conviction upon indictment. Bribery is also an offence punishable by fine or imprisonment.

Candidates are also required to observe Principle 4 of Schedule 1 of the Personal Data (Privacy) Ordinance (Cap 486) in collecting the personal data of subscribers for completing the nomination form. They should take all practicable steps to ensure that the aforesaid personal data are protected against unauthorised or accidental access, erasure or other use.

(b) **The Candidate's Consent to Nomination and Declarations**

This must be completed and signed by the candidate and

endorsed by a witness. There are the following **declarations** and promissory oath that a candidate must make and sign:

- (i) a declaration to the effect that the candidate will uphold the Basic Law and pledge allegiance to the Hong Kong Special Administrative Region;
- (ii) a declaration as to the candidate's nationality and as to whether or not he has a right of abode in a country other than the People's Republic of China;
- (iii) a promissory oath given by the candidate to the effect that, if elected, he will not do anything during his term of office that results in his disqualification, including mainly those set out in para. 4.5 above, plus becoming a member of any armed forces;
- (iv) a declaration to the effect that the candidate, or each candidate in the case of a list for the GC/DC (second) FC, is eligible to be nominated as a candidate for the constituency concerned; is not disqualified from being so nominated; and consents to being so nominated. In the case of a list for the GC/DC (second) FC, each candidate must also declare his consent to the order of priority in which the names of candidates appear on the nomination list; and
- (v) a declaration to the effect that the candidate, or each candidate in the case of a list for the GC/DC (second) FC has ordinarily resided in Hong Kong for the 3 years immediately preceding the date of his nomination.

IMPORTANT :

No person shall be nominated in an election as a candidate for more than 1 constituency [s 41 of the LCO]. When a person submits his nomination form, he must have withdrawn all his prior nominations, if any, and make a declaration (contained in the specified form) that either he has not been nominated before for any other constituency in the election, or if he has been so, he has withdrawn all those prior nominations. Where a candidate stands nominated [see para. 4.25 below], any subsequent nominations of his will be rejected as invalid.

In the nomination form, a candidate is required to state his occupation, and he is free to state his political affiliation for publication if he so prefers. Candidates should make sure that their nomination forms are properly completed before submission.

4.19 Each nomination form must be submitted to the RO for the constituency concerned together with the payment of an appropriate election deposit [see Part IV of this chapter for details]. The RO may refuse to accept any nomination form where there is a material alteration of its content.

4.20 The completed nomination form must be lodged with the RO for the constituency concerned by the candidate, and in case of a list of candidates by one of the candidates, **in person** during ordinary business hours, ie the hours between 9 am and 12 noon on a Saturday and the hours between 9 am and 5 pm on any day other than a general holiday, within the nomination period. In the case of nominations for FC elections (other than the DC (second) FC election), the CEO may, in exceptional circumstances, eg the nominee's temporary absence from Hong Kong or incapacity due to illness, authorise other form of

delivery of the nomination form to the RO [s 11(14) of the EAC (EP) (LC) Reg].

False Declarations

4.21 A candidate who knowingly and wilfully makes a statement which is false in a material particular in the declaration in the nomination form shall be guilty of an offence under the Crimes Ordinance (Cap 200) punishable by a fine and imprisonment for 2 years. Under EAC (EP) (LC) Reg, a person who knowingly or recklessly makes a false or incorrect statement in a material particular or knowingly omits a material particular from an election-related document commits an offence and he shall be punishable by a fine and imprisonment for 6 months with the disqualifying effect as described in paras. 16.63 and 17.32 of these Guidelines [s 103 of the EAC (EP) (LC) Reg].

PART IV : ELECTION DEPOSIT

Payment of Election Deposit

4.22 Each nomination form must be presented with the payment of an election deposit, in cash, cashier order or by cheque, in such amount as prescribed by regulation made by the CE in Council [ss 40(3) and 82(2)(b) of the LCO]. The following election deposits are prescribed by s 2 of the LC Subscribers & Deposit Reg:

- | | |
|---|----------|
| (a) for all the candidates on a GC list | \$50,000 |
| (b) for a candidate of a FC (other than the DC (second) FC) | \$25,000 |
| (c) for all the candidates on a list for the DC (second) FC | \$25,000 |

4.23 A nomination form will not be received by the RO unless it is accompanied by the required sum of election deposit.

IMPORTANT :

Candidates are encouraged to pay their election deposit by cash or cashier order although they may pay by crossed cheque. In the event that a cheque is dishonoured, the nomination will be ruled invalid unless the sum of deposit is made good before the expiration of the nomination period. Candidates must note that, in the case of dishonoured cheque, the RO may not be able to advise the candidate(s) concerned in good time to rectify the situation before the close of nomination. Therefore, in order to avoid the risk of invalidation of the nomination due to dishonoured cheque, candidates are strongly advised to submit the election deposit in cash or cashier order.

Return of Election Deposit

4.24 The deposit will be returned to the candidate (or in the case of a list of candidates, the person who has lodged the deposit on behalf of the list) if:

- (a) he is not validly nominated (and in the case of a list of candidates, if all the candidates on the list are not validly nominated);
- (b) his nomination is withdrawn (and in the case of a list of candidates, if all the candidates on the list have withdrawn their nomination);

- (c) he has died or is disqualified from being nominated (and in the case of a list of candidates, if all the candidates on the list have died or are disqualified from being nominated);
- (d) in the case of a list of candidates, the list is rejected by the RO after he has struck out from the list all the names of candidates for any one, or any combination, of the reasons stated in items (a), (b) or (c) above;
- (e) the election is terminated;
- (f) he is elected (and in the case of a list of candidates, if the first ranked candidate on the list is elected);
- (g) in the case of a GC or one of the ordinary FCs, other than the 4 SFCs, he or the list of candidates secures in his or its favour not less than 3% of the total number of ballot papers containing valid votes received in that constituency; or
- (h) in the case of one of the 4 SFCs, he secures in his favour not less than 3% of the total number of ballot papers containing valid first preference votes received in that constituency.

The deposit will be forfeited if none of the above conditions is satisfied. [For details, see ss 3 and 4 of the LC Subscribers & Deposit Reg.]

PART V : VALIDITY OF NOMINATIONS

[Ss 16, 17 and 18 of the EAC (EP) (LC) Reg]

4.25 Where the RO has received a nomination form within the nomination period, the candidate will be deemed to stand nominated unless the RO decides that the nomination is invalid.

4.26 The RO will make a decision as to the validity of a nomination as soon as practicable after receipt of the nomination form and will publish a notice stating which persons are validly nominated as candidates [s 42A of the LCO and s 21 of the EAC (EP) (LC) Reg].

4.27 Where an RO has doubts as to whether or not a particular candidate is qualified to be nominated, he may apply to an NAC for advice [see para. 4.14 above].

4.28 Where a nomination appears to the RO to be invalid because of some errors which can be corrected within the nomination period, the RO will, if practicable, give the candidate a reasonable opportunity of correcting the errors before making a decision that the nomination is invalid. For example, if the entitlement of any subscriber is in doubt, a prospective candidate may be allowed to make a substitution as soon after the submission of his nomination form as practicable. However, no substitution for any subscriber or re-submission of a nomination form will be accepted after the close of the nomination period.

4.29 A nomination may be ruled invalid if any errors on the nomination form are not corrected by the close of the nomination period.

4.30 The RO may require such additional information from a candidate as he considers necessary to satisfy himself as to the validity of the nomination.

4.31 A nomination will not be valid unless it contains all the information and signatures required to be shown on the nomination form or other information required by the RO and the candidate has made the declarations and oath referred to in para. 4.18(b) above.

4.32 The RO can decide that a nomination is invalid only where:

- (a) the number or qualifications of the subscribers are not as required by LC Subscribers & Deposit Reg;
- (b) the nomination form, including the nomination and declarations and oath, has not been completed or signed as required by s 40 of the LCO and ss 10 and 11 of the EAC (EP) (LC) Reg;
- (c) he is satisfied that the candidate or all the candidates on a list of candidates is/are not qualified to be, or is disqualified from being, nominated as a candidate, having regard to any advice given by the NAC to an application made by him or by that candidate [see paras. 4.15 and 4.27 above];
- (d) the candidate or all the candidates on a list of candidates has/have been nominated for another constituency in the same election and the RO is not satisfied that he/they has/have withdrawn that candidature;
- (e) the cheque for the payment of the election deposit of the candidate is dishonoured and has not been made good before the expiration of the nomination period;

- (f) he is satisfied that the candidate has passed away; or
- (g) the nomination form is not duly lodged within the nomination period [see paras. 4.16 and 4.20 above].

4.33 If, having decided that a candidate is validly nominated for election for a GC or the DC (second) FC but before the polling day, proof is given to the satisfaction of the RO that the candidate has died, he must publicly declare that the candidate has died and further declare which candidate is or candidates are validly nominated for that constituency. The RO does not have to make any such declaration if the candidate who has died is uncontested in the election in his constituency and the RO has publicly declared that the candidate was duly elected [s 42B(1), (2) and (3) of the LCO].

4.34 If, having decided that a candidate is validly nominated for election for a GC or the DC (second) FC but before the polling day, proof is given to the satisfaction of the RO that the candidate is disqualified from being nominated as a candidate, the RO must vary the decision to the effect that the candidate is not validly nominated. He must then publicly declare his varied decision and which candidate is or candidates are validly nominated for that constituency. The RO may not vary his decision if the candidate who has been disqualified is uncontested in his constituency and the RO has publicly declared that the candidate was duly elected [s 42B(4), (5) and (6) of the LCO].

4.35 If, after the close of nominations for an election for a FC (other than the DC (second) FC) but before the polling day, proof is given to the satisfaction of the RO that the candidate who is validly nominated has died or is disqualified from being nominated as a candidate for the constituency, he must publicly declare that the proceedings for the election for that FC are terminated [s 42C of the LCO].

PART VI : WITHDRAWAL FROM CANDIDATURE

4.36 A candidate may withdraw his nomination by completing and signing a specified “Withdrawal of Candidature” form and lodging it with the RO concerned by not later than the last day of the nomination period [s 42 of the LCO and s 20 of the EAC (EP) (LC) Reg]. Where a candidate in a nomination list for a GC election or the DC (second) FC election has effectively withdrawn his candidature, the RO must strike out his name from the list and adjust the order of priority in which the names of other candidates appear on the list accordingly [s 38(6) of the LCO]. If, after the RO has determined that a nominee is validly nominated, but before the close of nominations, the RO becomes aware that the nominee has died or is disqualified from being nominated, the RO must strike out his name from the list and adjust the order of priority in which the names of other candidates appear on the list accordingly [s 38(6A) of the LCO]. After striking out a name from a list of candidates, the RO must not add the name of any other person to the list. If no name remains on the list of candidates, the RO must reject the list [s 38(11), (12) and (13) of the LCO].

IMPORTANT :

It is an offence under ss 7 and 8 of the ECICO for a person to bribe, or use or threaten to use force or duress, against a candidate to withdraw his candidature; and for a candidate to solicit or accept a bribe to withdraw his candidature.

PART VII : NOTICE OF NOMINATION

4.37 The RO for the constituency concerned will publish a notice in the Gazette within 14 days after the close of the nomination period stating the name and the principal residential address of each of all the validly nominated candidates for the constituency, together with the alphabet or number (which will be shown on the ballot paper) allocated by the drawing of lots to each candidate or list of candidates [s 21 of the EAC (EP) (LC) Reg]. Each validly nominated candidate will be separately informed of the validity of all nominations of the same constituency.

PART VIII : PARTICULARS RELATING TO CANDIDATES ON BALLOT PAPERS

4.38 Under the PCBP (LC & DC) Reg, candidates may, **during the nomination period**, request the EAC to print specified particulars relating to candidates on ballot papers for use in LegCo elections. These particulars include registered names and emblems of prescribed bodies³, registered emblems of prescribed persons⁴, words indicating that a candidate is an independent candidate or a non-affiliated candidate, and personal photographs of candidates.

³ A prescribed body means a prescribed political body or a prescribed non-political body.

⁴ A prescribed person means a person that is registered in a final register of electors for GCs as compiled and published in accordance with the LCO and that is not disqualified from being so registered or from voting at an election.

Request to Print Particulars Relating to Candidates on Ballot Papers

Request by candidate for FC (other than the DC (second) FC) or a sole candidate on nomination list

4.39 A candidate for a FC (other than the DC (second) FC) or a sole candidate on a nomination list may request the EAC to print on ballot papers a personal photograph of the candidate and a choice of combinations of specified particulars - including the registered names relating to not more than 3 prescribed bodies, the registered emblems relating to not more than 3 prescribed bodies and the candidate concerned, and with or without the words “Independent Candidate” or “Non-affiliated Candidate”.

4.40 A request must be made in the specified form and signed by the requestor. Where the subject of the request relates to 1 or more prescribed bodies, it must be accompanied by a consent given, during the nomination period, by the body or each of the bodies in relation to the request. Where the subject of the request includes a photograph, it must be accompanied by the photograph with the name of the candidate shown on the back of the photograph [s 3 of the PCBP (LC & DC) Reg].

Request by candidate on nomination list with more than 1 candidate

4.41 A candidate on a nomination list with more than 1 candidate may request the EAC to print on ballot papers a personal photograph of any 1 or more of the candidates on the list, and a choice of combinations of specified particulars - including the registered names relating to not more than 3 prescribed bodies, the registered emblems relating to not more than 3 prescribed bodies and the candidates concerned, and with or without the words “Independent Candidate” or “Non-affiliated Candidate” against the names of the corresponding candidates.

4.42 A request must be made in the specified form and signed by the requestor and all other candidates on the nomination list concerned. Where the subject of the request relates to 1 or more prescribed bodies, it must be accompanied by a consent given, during the nomination period, by the body or each of the bodies in relation to the request. Where the subject of the request includes one or more photographs, it must be accompanied by the photograph or photographs with the name of the candidate concerned shown on the back of each photograph [s 4 of the PCBP (LC & DC) Reg].

Application for Registration of Name and Emblem

4.43 The particulars already registered with the EAC under the former Particulars Relating to Candidates on Ballot Paper (Legislative Council) Regulation are deemed to have been registered with the EAC in relation to both LegCo and DC elections. All subsequent registrations will be applicable to both LegCo and DC elections.

Application by prescribed body for the registration of its name and emblem

4.44 A prescribed body intending to support a candidate in a LegCo election may at any time apply to the EAC for the registration of all or any of the following particulars:

- (a) the Chinese name of the body;
- (b) an abbreviation of the Chinese name of the body;
- (c) the English name of the body;
- (d) an abbreviation of the English name of the body;
- (e) an emblem of the body.

4.45 An application must be made in the specified form and signed by the applicant. It should indicate that the applicant is a prescribed political body or a prescribed non-political body and that the applicant intends to consent to the subject of application being printed on a ballot paper as particulars relating to 1 or more persons as candidates. The application must also be accompanied by a copy of the certificate or document issued to the body by an authority or regulatory organisation that regulates the body under the laws of Hong Kong and showing the name of the body [s 8 of the PCBP (LC & DC) Reg].

Application by prescribed person for the registration of his emblem

4.46 A prescribed person intending to run in a LegCo election may at any time apply to the EAC for the registration of an emblem of the person.

4.47 An application must be made in the specified form and signed by the applicant [s 9 of the PCBP (LC & DC) Reg].

Timing of Application

4.48 Applications for registration may be submitted at any time of an annual cycle ending 31 December. However, applicants should note that the relevant cut-off date of:

- (a) an annual registration cycle within which an ordinary DC election is to be held is 15 June in that annual registration cycle; and
- (b) any other annual registration cycle is 15 April in that annual registration cycle.

Processing of Application

4.49 The EAC will process any application made by a prescribed body or a prescribed person:

- (a) if the application is made on or before the relevant cut-off date in a year, as soon as practicable after that date, and in any event within that annual registration cycle; or
- (b) if the application is made after the relevant cut-off date in a year, as soon as practicable after the relevant cut-off date of the next following annual registration cycle, and in any event within the next following annual registration cycle.

[S 11 of the PCBP (LC & DC) Reg.]

4.50 If the EAC is of the opinion that it may refuse to grant an application made by a prescribed body or a prescribed person, it must give the applicant a notice in writing. The applicant may, within 14 days after the notice is given, vary the application or make representations to the EAC on why it should not refuse to grant the application [ss 12 and 13 of the PCBP (LC & DC) Reg].

4.51 If the EAC, having considered an application made by a prescribed body or a prescribed person, is of the opinion that it may grant the application, it will publish a notice in respect of the application in the Gazette:

- (a) specifying the name of the applicant and the subject of the application;
- (b) stating that the EAC may grant the application; and

- (c) inviting any person who objects to the granting of the application to make objection to the EAC in accordance with s 15 of the PCBP (LC & DC) Reg.

[S 14 of the PCBP (LC & DC) Reg.]

4.52 Under s 15 of the PCBP (LC & DC) Reg, any person may, within 14 days after the publication of a notice in respect of an application in the Gazette, by notice in writing given to the EAC, object to the granting of the application.

4.53 In the event of an objection, the EAC will conduct a hearing. Under normal circumstances, a hearing will be held in public. However, a hearing may be held in private if it is in the interest of justice to do so. The EAC will make a decision on whether the application should be granted after hearing the representations and examining the relevant materials.

4.54 The EAC will, as soon as practicable after a decision is made to grant an application made by a prescribed body or a prescribed person, publish a notice in respect of the application in the Gazette specifying the name of the applicant and the subject of the application. If a decision is made to refuse an application, the EAC will notify the applicant in writing of the EAC's decision with reasons for its refusal [s 19 of the PCBP (LC & DC) Reg].

Registration and De-registration of Name, Emblem, etc.

4.55 A register of the relevant particulars in respect of the registered names and emblems of prescribed bodies and the registered emblems of prescribed persons is established and maintained by the CEO who makes the register available for inspection, free of charge, by members of the public during ordinary business hours at the REO [s 20 of the PCBP (LC & DC) Reg].

4.56 The EAC may de-register the name, the abbreviation of the name and the emblem that is registered in relation to a prescribed body on the grounds that:

- (a) no request is made to print the subject of registration on ballot papers:
 - (i) in 2 consecutive LegCo general elections;
 - (ii) in 2 consecutive DC ordinary elections, one of which is held between such LegCo general elections; and
 - (iii) in any LegCo or DC by-election held between such LegCo general elections or DC ordinary elections; or
- (b) the body ceases to exist.

4.57 The EAC may also de-register the emblem that is registered in relation to a prescribed person on the grounds that:

- (a) no request is made to print the subject of registration on ballot papers:
 - (i) in 2 consecutive LegCo general elections;
 - (ii) in 2 consecutive DC ordinary elections, one of which is held between such LegCo general elections; and
 - (iii) in any LegCo or DC by-election held between such LegCo general elections or DC ordinary elections; or
- (b) the person has died.

PART IX : PUBLICITY

4.58 After the close of nominations, the RO will inform each validly nominated candidate/list of candidate(s) the time and date on which he will draw lots to allocate the alphabet or number to each candidate/list of candidate(s) to be shown on the ballot paper and they may attend if they so wish. Thereafter, the REO will publish a booklet entitled **Introduction to Candidates**. The alphabet or number of each candidate or list of candidate(s) on the ballot paper allocated to him or the list by the drawing of lots will also be shown on this booklet, which will be mailed to the electors close to the time of the polling day. Copies of the Introduction to Candidates will be made available in the Correctional Services Department (“CSD”) and other law enforcement agencies for persons imprisoned or held in custody.

4.59 Candidates are free to make use of the booklet⁵ to promote themselves. Any candidate who so wishes should submit the following to the relevant RO **before the close of the nominations**:

- (a) a duly completed grid paper affixing a colour photograph of the candidate which must be in a specified size and taken within the last 6 months; and
- (b) 2 additional copies of his photograph identical to the one affixed to the grid paper with his name label affixed on the back.

4.60 The contents, nature and presentation of the candidates’ messages in the booklet are exclusively the idea and work of the candidate himself. They will not be subject to alteration or edition by the REO unless they are considered to be indecent, defamatory, unlawful or contain information not relating to the direct promotion of the candidature of the candidate(s) concerned.

⁵ If a candidate does not submit the grid paper, the booklet will only show the name of the candidate and the number of the candidate/list of the candidates. The statement, “Relevant information has not been provided by the candidate”, will also be printed in the area provided for the election platform.

CHAPTER 5

POLLING AND COUNTING ARRANGEMENTS

PART I : BEFORE THE POLL

5.1 For each of the 5 GCs, a number of polling stations situated within the GC will be designated. Dedicated polling stations will also be set up inside penal institutions or other suitable places. Registered electors and ARs of corporate electors who are imprisoned or held in custody by the law enforcement agencies on polling day will be allocated to vote at dedicated polling stations. The polling stations (including dedicated polling stations) will be used for polling for the GCs and the FCs (a combined polling arrangement). The polling stations (other than small polling stations (see para. 5.2 below) and dedicated polling stations) will be converted to counting stations for counting the GC ballot papers. A central counting station will be set up for counting the FC ballot papers and any misplaced GC ballot papers found in FC ballot boxes at the central counting station.

5.2 The CEO may designate a place as a polling station, a dedicated polling station, a ballot paper sorting station⁶ or a counting station. The CEO may also designate the same place as a polling station and a counting station. He will designate a polling station at which less than 500 electors are assigned to vote as a **small polling station**. He will designate 1 polling station (other than a small polling station or a dedicated polling station) as a **main counting station** for the purpose of counting the GC ballot papers cast at the polling station, the small polling station(s) and/or the dedicated polling station(s)

⁶ A ballot paper sorting station may be set up to sort GC ballot papers received from the dedicated polling stations according to each GC before they are delivered to the respective main counting stations for counting of votes.

[s 2(6), 28(1), (1A), (1B), (1BA) and (1C) and 30 of the EAC (EP) (LC) Reg]. The RO will, at least 1 working day before the polling day, give notice in writing to each candidate of the place or places at which vote counting and where applicable, at which sorting of ballot papers received from the dedicated polling stations is to take place for the constituency contested by the candidates [ss 2(6), 65(2A), (3) and (5) of the EAC (EP) (LC) Reg].

5.3 An area outside the polling station will be designated as the No Canvassing Zone (“NCZ”) and No Staying Zone (“NSZ”), the boundaries of which will be determined by the RO. All candidates will be notified of these zones before the polling day [s 40 of the EAC (EP) (LC) Reg]. The RO may also authorise the PRO to vary the NCZ or NSZ on the polling day [s 40(11A) of the EAC (EP) (LC) Reg]. [See Chapter 14 : Prohibition Against Canvassing Activities Outside Polling Stations.]

5.4 A polling station for a GC is normally situated within the boundaries of the constituency, but where there are no suitable premises for use within the GC, polling stations will have to be designated in nearby areas outside the constituency. Where circumstances require, non-permanent structures may be designated as polling stations. The polling stations designated for the 5 GCs are localised in the sense that an elector of a particular GC will be assigned to a polling station close to his principal residence as shown on the final register of electors, save for registered electors imprisoned or held in custody by the law enforcement agencies who will be assigned to vote at the appropriate dedicated polling stations. [S 30(4) and (4A) of the EAC (EP) (LC) Reg.]

The Combined Polling Arrangements

5.5 Combined polling arrangements will be made for the convenience of all electors. Whether an elector is entitled to vote in a GC, a

FC, or two or more of them, he needs only to attend **1** polling station to cast all his votes. There are the following scenarios:

- (a) an elector who is only entitled to cast a GC vote: he will be allocated to a polling station designated for that GC or a dedicated polling station as appropriate for casting his GC vote;
- (b) a FC elector or AR of a corporate elector of one of the FCs: he will be allocated to the polling station designated for his GC or a dedicated polling station as appropriate, in which he can at the same time cast his GC vote and his FC elector vote or his FC AR vote; and
- (c) an elector of a FC who may be at the same time an AR of another FC: he will be allocated to the polling station designated for his GC or a dedicated polling station as appropriate, in which he can at the same time cast his GC vote, his FC vote as elector and his FC vote as AR.

[S 30 of the EAC (EP) (LC) Reg.]

5.6 Owing to the fact that combined polling arrangements are used, special arrangements regarding poll cards, ballot papers, cardboards and ballot boxes may be required, so as to help prevent confusion and mistake at polling, avoid breaking the secrecy of the vote, and facilitate sorting of ballot papers at the count.

5.7 The **ballot papers** for each of the 5 GCs and each of the 29 FCs will be made easily distinguishable by way of one or more of the following ways, namely, size, colour, colour pattern and code. This will help prevent confusion and mistake at polling, and will facilitate sorting of ballot papers at the count. The **poll card** (notifying the elector/AR of the polling station he

must attend to cast his vote or votes) sent to the elector/AR shortly before the polling day will bear the same colour as that used for the cardboard referred to in para. 5.9 below, depending on the number and combination of ballot papers he is entitled to be issued to him in the polling station.

5.8 Three **types of ballot boxes** are provided in a polling station for receiving the GC ballot papers, the DC (second) FC ballot papers and the other FCs/SFCs ballot papers (mixed).

5.9 In order to ensure that no elector or AR will leave the polling station with any ballot paper, a **colour cardboard** will be given to him at the same time when ballot paper(s) are issued to him. The colour of the cardboard depends on the number and combination of ballot papers that are issued to the elector according to his entitlement: **green** for an elector issued with 1 GC ballot paper only, **white** for one issued with 1 GC ballot paper and 1 DC (second) FC ballot paper, **red** for one issued with 1 GC ballot paper and 1 FC (other than DC (second) FC) ballot papers and **blue** for one issued with 1 GC ballot paper and 2 FC (including DC (second) FC) ballot papers.

[Please see **Appendix D** for details of the combined polling arrangements mentioned in the preceding 5 paragraphs.]

5.10 About 10 days before the polling day, poll cards notifying electors of contested constituencies of the date, time and place of the poll will be sent to their registered address or correspondence address (if any). To allow electors and ARs of corporate electors who will be serving a sentence of imprisonment on the polling day to receive the poll cards as early as possible, the REO will send the poll cards to their prison address as far as practicable. [S 31 of the EAC (EP) (LC) Reg.]

5.11 In the case where the number of validly nominated candidates for a constituency does not exceed the number of vacancies, the candidate(s) will

be declared elected [s 46 of the LCO]. Electors in respect of such a constituency do not need to vote, and a notice to that effect will be sent to them. The polling stations designated for the constituency will not be used for polling in respect of that constituency.

5.12 An elector (and an AR of a corporate elector) **may vote only at the polling station allocated to him** by the CEO. Many of the polling stations are accessible to persons with a disability including those who have difficulty in walking. An elector with a disability finding it difficult for him to access the polling station allocated to him may **at least 5 days** before the polling day apply to the CEO for re-allocation of a polling station specifically designated for such electors (“special polling station”) [s 33 of the EAC (EP) (LC) Reg]. Whether the polling station allocated to an elector is accessible to persons with mobility difficulty will be specified clearly in the location map attached to the poll card sent to each elector, together with a note indicating that if any elector allocated to this polling station has any difficulty in mobility and wishes to vote at a special polling station, he may apply to the CEO for re-allocation. If a special polling station is re-allocated to him, then he can vote only at that polling station. If circumstances permit, free Rehabus service will also be arranged to take those electors to the special polling station. In case circumstances require, the CEO may allocate to an elector an alternative polling station, in addition to or in substitution of the one originally allocated to him [s 30(4A) of the EAC (EP) (LC) Reg]. Electors concerned can make enquiries with the REO on this subject by telephone or facsimile.

5.13 Due to security reasons, there is a need to separate some persons imprisoned or held in custody from others inside the penal institutions. The Commissioner of Correctional Services (“CCS”) will assign a time slot during the polling hours of a dedicated polling station situated in a penal institution to an elector allocated to that polling station to vote, and inform the elector of the time slot assigned. The CCS must assign time slots so as to give the electors a reasonable opportunity to vote. An elector to whom a time slot is assigned

may only cast his vote during that time slot (see para. 5.28 below). [S 27(2A), (2B), (3A) and (4A) of the EAC (EP) (LC) Reg.]

PART II : INSIDE THE POLLING STATION

5.14 The poll normally starts at 7:30 am and ends at 10:30 pm. For security reasons, dedicated polling stations situated in prisons normally open from 9:00 am to 4:00 pm. About 15 minutes before the commencement of polling, the PRO at a polling station will show the candidates, their election agents or polling agents, if they are present, the empty ballot boxes before proceeding to lock and seal them. Candidates concerned or their agents may observe the locking and the sealing of the ballot boxes. For each candidate, only 1 such person may be present to observe the locking and the sealing of the ballot boxes: a candidate, his election agent or his polling agent. For security reasons,

- (a) only a maximum of 2 candidates may be present to observe the locking and the sealing of the ballot boxes at a dedicated polling station situated inside a maximum security prison; and
- (b) a maximum of 2 candidates, election agents or polling agents may be present to observe the locking and the sealing of the ballot boxes at a dedicated polling station situated in a prison other than a maximum security prison.

Admission of candidates, election agents or polling agents to the aforesaid dedicated polling stations to observe the locking and sealing of ballot boxes will be on a **first-come-first-served basis**. [See also Chapter 7 on the procedures for applying the presence of election agents or polling agents in dedicated polling stations situated in prisons.]

5.15 For a small polling station where the votes cast will not be counted therein, a notice about the venue for the counting of votes will be displayed by the PRO outside the station [s 39(1A) of the EAC (EP) (LC) Reg]. For a dedicated polling station, a notice providing information on the ballot paper sorting station (if any) and the main counting station will be displayed inside the station [s 39(1B) of the EAC (EP) (LC) Reg]. The PRO will also inform and show to the candidates, their election agents or polling agents, if they are present, the number of unissued ballot papers relating to the constituency, which are in his possession.

5.16 In the polling stations, there will be different sets of ballot papers and ballot boxes to prevent confusion and mistake. For ballot papers, there will be 30 different sets, 1 for the particular GC for which the polling station is designated and 1 for each of the 29 FCs in an ordinary polling station, whereas there will be 34 different sets, 1 for each of the 5 GCs and the 29 FCs, in a dedicated polling station. For ballot boxes, there will be 3 different sets, 1 to hold the ballot papers cast for the GCs, 1 to hold the ballot papers cast for the DC (second) FC and 1 to hold the ballot papers cast for the other FCs/SFCs (mixed).

5.17 The GC and FC ballot papers are easily distinguishable by different colour patterns, sizes or code numbers, at the back and/or in the front, to facilitate easy identification in the polling and counting process.

PART III : OUTSIDE THE POLLING STATION

5.18 Where circumstances permit, the PRO will arrange a copy of the relevant Introduction to Candidates published by the REO to be displayed

outside the polling station, or if it is a dedicated polling station inside the polling station to facilitate easy reference by electors.

5.19 The CEO will display a map or plan showing the delineation of the polling station outside the polling station, or if it is a dedicated polling station inside the polling station [s 43(1A) of the EAC (EP) (LC) Reg]. A NCZ will be designated outside each polling station to ensure the free and safe passage of electors into the polling station. Door-to-door canvassing and, for the purpose of such canvassing, the display of any propaganda material, eg any badge, emblem, clothing or head-dress, which may promote or prejudice the election of a candidate or candidates at the election, or makes direct reference to a body any member of which is standing as a candidate in the election or a prescribed body the registered name or registered emblem of which has been printed on any ballot paper for the election [see paras. 4.38 to 4.42 above], will be allowed on the storeys above or below street level in a building within a NCZ other than a building in which there is a polling station, provided that permission has been obtained for entry to the building for canvassing votes, and that obstruction is not posed to electors and no sound amplifying device is used (except for the performance of duties by officers of the CSD on the polling day at the dedicated polling stations situated in prisons). Apart from this, the RO or the PRO of the relevant polling station will allow no other canvassing activities within a NCZ except for static display of EAs that are authorised. A notice of the declaration of a NCZ and a map or plan showing the boundary of the area will be put up at or near the polling station. A NSZ in which no one is allowed to stay or loiter will also be designated immediately outside the entrance/exit of a polling station to avoid any obstruction of entry/exit. [See Chapter 14 : Prohibition Against Canvassing Activities outside Polling Stations.]

5.20 On the polling day, a person must not:

- (a) other than the door-to-door canvassing activities stated in para. 5.19 above, engage in canvassing votes (including suggesting not to vote for any candidate) within the NCZ;
- (b) use a sound amplifying system or device for any purpose within the NCZ, except for the performance of duties by officers of the CSD on the polling day at the dedicated polling stations situated in prisons;
- (c) use a sound amplifying system or device, or conduct any activity (eg lion dance) for canvassing votes, so that the sound emitted by it can be heard in the NCZ;
- (d) without reasonable excuse, display in the NCZ any propaganda material, eg any badge, emblem, clothing or head-dress which:
 - (i) may promote or prejudice the election of a candidate or candidates at the election; or
 - (ii) makes direct reference to a body any member of which is standing as a candidate in the election or to a prescribed body the registered name or registered emblem of which has been printed on any ballot paper for the election; or
- (e) stay or loiter in the NSZ without the express permission of the PRO;

otherwise he commits an offence with a maximum penalty of a fine at level 2 (up to \$5,000) and imprisonment for 3 months [ss 40, 41 and 45 of the EAC (EP) (LC) Reg].

PART IV : ADMISSION TO THE POLLING STATION

5.21 Other than electors, the following persons may also be admitted to a polling station:

- (a) the PRO and other polling staff;
- (b) the Chief Returning Officer (“CRO”);
- (c) ROs and Assistant Returning Officers (“AROs”) for the relevant constituency;
- (d) members of the EAC;
- (e) the CEO;
- (f) public officers on duty at the polling station, including police officers and members of the Civil Aid Service;
- (g) officers of CSD and other law enforcement agencies on duty at dedicated polling stations;
- (h) candidates and election agents of the relevant constituency^{Note};
- (i) polling agent(s) appointed for the polling station (this does not apply to dedicated polling stations situated in maximum security prisons)^{Note};
- (j) public officers authorised in writing by the CEO;

- (k) any person authorised in writing by a member of the EAC;
- (l) a person authorised in writing by the RO for liaison purposes;
and
- (m) a child who accompanies an elector to the polling station for the purpose of voting (if the PRO considers that the child should not be left unattended while that elector is in the polling station and the child will not disturb or cause inconvenience to any person in the polling station).

[S 44 of the EAC (EP) (LC) Reg.]

A notice will be displayed at the entrance to polling stations other than dedicated polling stations to show that only the above persons and electors may be allowed to enter.

NOTE (para. 5.21 (h) and (i)):

- (a) For the purpose of maintaining order in the polling station, the PRO may regulate the number of electors, candidates, election agents and polling agents to be admitted to the polling station at any one time.
- (b) For each candidate, only 1 such person may be present in the polling station to observe the poll at any one time: a candidate, his election agent or his polling agent. A notice will be displayed outside each polling station showing the capacity of the designated area inside the polling station for candidates, their election agent or polling agents to observe the poll.

- (c) Admission of candidates, election agents and polling agents will be on a **first-come-first-served basis**. In order that as many candidates, election agents and polling agents as possible will have the chance to observe the poll at the polling station, any candidate, election agent or polling agent who has been admitted to the polling station can only stay for 1 hour. He must then leave the polling station unless there is no other candidate, election agent or polling agent waiting for admission. He can apply for re-admission into the polling station again on a first-come-first served basis.

- (d) Anyone on admission into a polling station has to sign and enter his time of entry on a log sheet. A candidate, election agent or polling agent who has to queue outside the polling station for his turn to observe the poll at the designated area will be given a number chit that indicates the order of admission. The polling staff will call out the number to admit the holder of the number chit concerned. If the holder concerned is not present at the time, his place will be taken over by the person next in line. He who has lost his place due to his absence will have to obtain a new number chit when he returns.

- (e) For security reasons, only a maximum of 2 candidates may be present at any one time to observe the poll at a dedicated polling station situated inside a maximum security prison, and a maximum of 2 candidates, election agents or polling agents may be admitted to a dedicated polling station situated in a prison other than a maximum security prison at any one time. Observers will have to take turn in case more than two candidates/ agents intend

to observe the poll at the same time. The PRO may regulate the number of people entering the dedicated polling stations. [See also Chapter 7 : Appointment and Roles of Election Agent, Election Expense Agents, Polling Agents and Counting Agents.]

5.22 Except for an elector, a police officer, an officer of the CSD, an officer of any law enforcement agency or a member of the Civil Aid Service on duty, all other persons permitted to enter a polling station are required to sign a **Declaration of Secrecy** on a specified form and observe the provisions governing the secrecy of voting [s 95 of the EAC (EP) (LC) Reg].

PART V : CONDUCT INSIDE THE POLLING STATION

5.23 The polling stations designated for the 5 GCs which will also serve the FCs will have polling arrangements designed for the convenience of electors. Inside each of such polling stations, a notice will be displayed to inform electors that polling for the relevant GC and all the FCs is being held concurrently, and that an elector will be issued with 1, 2 or 3 **different ballot papers**, depending on his entitlement. **The ballot papers** issued to the elector so entitled **will be issued at the same time**. Therefore, such an elector who wishes to exercise the right to cast any of his votes will have to do so at the **same visit** to the polling station.

5.24 On arrival at the polling station, an elector or AR should show to the polling staff at the ballot paper issuing desk his identity card or such other identity document or documents, which show the identity card/document number, name and photograph of the elector, to the satisfaction of the PRO [s 50 of the EAC (EP) (LC) Reg]. The polling staff will check the elector/AR's identity document against the entries on the copy of register of electors to

ascertain if the elector/AR is registered in respect of both the GC, and one or two of the 29FCs. If so, the polling staff will inform him accordingly. The polling staff will call out the name of the elector/AR as stated in the entry in the copy of the composite or annotated register of electors and cross out the name and the identity document number of that entry, before giving him either 1 or 2 or 3 different ballot papers, as appropriate. An elector/AR may be asked to check his own entry on the register to ensure that he has been given the correct ballot paper(s). No record will be made as to which particular ballot paper is given to an elector/AR. [S 53 of the EAC (EP) (LC) Reg.]

5.25 For control purpose regarding the total number of ballot papers issued, the counterfoil of each ballot paper bears a serial number on its front. The serial number on the counterfoil will not, however, be recorded or related to the particular elector to whom the ballot paper is issued.

5.26 If there is reasonable ground for questioning the bona fides of an elector, the PRO shall ask him the following questions at the time of his application for a ballot paper (but not afterwards):

- (a) Are you the person registered in the final register of electors now in effect for this GC and/or FC/SFC (as appropriate), as follows (reads the whole of the relevant entry in the register)?
- (b) Have you already voted for this or any other GC and/or FC/SFC (as appropriate) in this election?

The person will not be issued with any ballot paper unless he has answered the questions to the satisfaction of the PRO [s 51(3) and (4) of the EAC (EP) (LC) Reg].

5.27 Where there is reasonable cause to believe that a person has committed an offence of impersonation of an elector, the PRO may request the

police officer on duty at the polling station to arrest that person. If the polling station is a dedicated polling station, the PRO may request the officer of the CSD or the law enforcement agency to remove the person concerned from the polling station and report the case to the police [s 52 of the EAC (EP) (LC) Reg].

5.28 If an elector has been issued with a ballot paper but chooses not to take it, he cannot return to the polling station later and claim for that or another one. If for a reason considered justified by the PRO, an elector who has not marked the ballot paper issued to him may, with the permission of the PRO, hand back the ballot paper to the PRO and return later to cast his vote. For a dedicated polling station situated in a prison, the elector has to return to cast his vote within the existing or newly assigned time slot. If, after having been issued with a ballot paper, an elector has become incapacitated by physical illness and has left the polling station without marking his ballot paper, he may return to the polling station to cast his vote before the close of poll, provided that before he leaves the polling station, his ballot paper has been retrieved by the PRO. For a dedicated polling station situated in a prison, the elector has to return to cast his vote within the existing or newly assigned time slot. Under either of the above circumstances, the following actions must be taken by the PRO and/or the CCS:

- (a) the PRO must keep that ballot paper in his custody and re-issue it, in the presence of a police officer for polling stations other than a dedicated polling station or an officer of the CSD or of the concerned law enforcement agency for a dedicated polling station, to the elector in question when the latter returns before the close of poll to cast his vote. But if at the close of poll, the elector has not returned, the PRO shall endorse the ballot paper with the word **“UNUSED”**; such ballot paper should not be counted [ss 53A, 61 and 80 of the EAC (EP) (LC) Reg]; and/ or

- (b) the CCS must, as far as practicable, assign to an elector of a dedicated polling station situated in a prison a new time slot during the polling hours appointed for the polling station and notify the elector of the time slot.

5.29 The PRO would need to keep a ballot paper left in the polling station in his custody in the circumstances described in para. 5.28 above only when he knows which elector had left the ballot paper behind. Otherwise, a ballot paper found to be left in the polling station should be regarded as “unused” and would not be counted.

5.30 When issued with ballot paper(s), an elector/AR will also be provided with a cardboard to which a chop with a tick “✓” is attached and a pen for marking the SFC ballot papers as applicable. Persons who are supplied with 1 GC ballot paper only will be required to carry **green** cardboard to show that they have only 1 ballot paper. Persons who are supplied with 1 GC ballot paper and 1 DC (second) FC ballot paper will be required to carry a **white** cardboard, whereas those who are supplied with 1 GC ballot paper and 1 FC (other than DC (second) FC) ballot paper will be required to carry a **red** cardboard. Persons who are issued with 1 GC ballot paper and 2 FC (including DC (second) FC) ballot papers will be required to carry a **blue** cardboard. This arrangement is to prevent confusion and mistake at polling and facilitate control and monitoring so that no person can take away any ballot paper from the polling station. The cardboard will be collected by the polling staff after the elector/AR has inserted his ballot paper(s) into the ballot box(es) before leaving the polling station.

5.31 After being issued with the ballot paper(s) and the cardboard to which a chop with a tick “✓” is attached and a pen for marking the SFC ballot papers as applicable, the elector/AR should immediately proceed to one of the voting compartments where he should mark his ballot paper(s) to indicate his choice of candidate(s). The manner in which a ballot paper should be marked

for the GC, the DC (second) FC, the other 24 ordinary FCs and the 4 SFCs will be different, depending on the applicable voting system. An elector/AR should read carefully the instructions given on the ballot paper and follow the instructions in marking his choice of candidate(s).

5.32 Briefly, in respect of a ballot paper for the GC and the DC (second) FC election to which the list system of proportional representation is applicable, the elector has only one vote and he must affix the chop supplied to give only 1 “✓” against the list containing one or more candidates’ names (as opposed to an individual candidate’s name) of his choice in the circle provided. In respect of a ballot paper regarding the other 24 ordinary FCs to which the first past the post voting system applies, the elector/AR is entitled to cast 1 vote and must indicate his choice of candidate of the relevant FC by giving 1 “✓” against the candidate of his choice in the circle provided, save in the Labour FC which has 3 vacancies to fill, then the elector may give a “✓” against the names of up to 3 candidates. The ballot paper regarding the 4 SFCs to which the preferential elimination voting system applies will have all the candidates’ names printed on it together with circles against each name for the elector or the AR of the corporate elector to mark his choices of preference. He must mark the ballot paper with the pen provided to indicate his preference, by writing **Arabic numerals** in the circle opposite the names of the candidates, in descending order of preference, ie:

- (a) writing “1” in the circle opposite the name of the candidate of his first preference (“first preference vote”);
- (b) writing “2” in the circle opposite the name of the candidate of his second preference;

and so on. **An elector/AR must mark a first preference vote.** He may, if he wishes, mark second, third and subsequent preferences for as many candidates as are indicated on his ballot paper.

[Ss 55, 56 and 57 of the EAC (EP) (LC) Reg.]

5.33 For an elector of the GC or the DC (second) FC, after he has marked the ballot paper(s) to indicate his choice of the list of candidates, he should **keep the ballot paper(s) as folded to conceal the marking(s) thereon**. For an elector/AR of the other FCs/SFCs, he must **not fold his ballot paper** before inserting it face down into the ballot box. [S 54 of the EAC (EP) (LC) Reg.]

5.34 Immediately after an elector/AR has come out of the voting compartment, he should insert the ballot paper(s) as directed by the polling staff. An elector should insert the GC ballot paper into the ballot box designated for the GC ballot papers. If he is an elector of the DC (second) FC, he should insert the ballot paper into the ballot box designated for the DC (second) FC. For an elector/AR of the other 24 ordinary FCs and/or 4 SFCs, he should insert the FC/SFC ballot paper(s) facing down into the ballot boxes designated for holding the ballot papers for these 24 ordinary FCs and 4 SFCs. The elector/AR should then return the cardboard with the chop and the pen for marking the SFC ballot papers as applicable to the polling staff and leave the polling station immediately.

NOTE :

An elector/AR must not remove a ballot paper from a polling station. It is an offence under s 54(6) of the EAC (EP) (LC) Reg for a person to bring out a ballot paper from a polling station. Any person who removes a ballot paper from a polling station with an intent to deceive may commit an offence under s 17(1)(c) of the ECICO and may be prosecuted. It will also be a corrupt conduct under s 17(1)(d) of the ECICO if any person, without lawful authority, destroys, defaces, takes or otherwise interferes with a ballot paper at the election.

5.35 A visually impaired elector who so requests will be provided with a **template** to facilitate his marking of the ballot paper without any assistance from anyone. The template should be returned to the polling staff after use. [S 59(3) of the EAC (EP) (LC) Reg.] [For details about the template, see para. 7.41 of Chapter 7.]

5.36 An elector/AR who is unable to mark a ballot paper to indicate the choice of candidate (eg being unable to read or write or incapacitated by visual deficiency or other physical cause) may ask the PRO, Deputy PRO or Assistant PRO to mark the ballot paper on his behalf. The marking of the ballot paper will be made to show the elector's choice in the presence of one of the polling officers as a witness [s 59 of the EAC (EP) (LC) Reg].

5.37 **The ballot is secret. No one can force a person to vote or not to vote for any particular candidate** [s 13 of the ECICO]. **Also no one is required to tell which candidate he has voted for or is going to vote for.** A person who, without lawful authority, requires or purports to require an elector to disclose the name of, or any particular relating to, the candidate for whom the elector has voted commits an offence [s 60 of the LCO]. S 96 of the EAC (EP) (LC) Reg prohibits a number of acts which may infringe the secrecy of the vote during the polling and counting process. If a person contravenes any of the acts prohibited under this section, he commits an offence and will be liable to a fine at level 2 (up to \$5,000) and imprisonment for 6 months.

5.38 No one shall, at any time, disclose the identity of an elector at a dedicated polling station to protect the elector's privacy and safety. Anyone who makes such disclosure commits an offence punishable by a fine at level 2 (up to \$5,000) and imprisonment up to 6 months [s 96(1A) of the EAC (EP) (LC) Reg].

5.39 Any elector/AR who has inadvertently torn or damaged any ballot paper or has made an error in marking any ballot paper issued to him

may ask the PRO to exchange it for another unmarked ballot paper. Such spoilt ballot papers will be endorsed on the front with the word **“SPOILT”** and will be kept by the PRO. The spoilt ballot papers will not be counted at the counting of the votes [ss 62 and 80 of the EAC (EP) (LC) Reg].

5.40 Where a person, representing himself to be a particular elector or AR of a corporate elector entered on the register, applies for any ballot paper after a person has been issued with any ballot paper as such an elector or AR, he may be issued with a ballot paper with the word **“TENDERED”** endorsed on the front. Such a ballot paper shall not be counted at the counting of the votes [ss 60 and 80 of the EAC (EP) (LC) Reg]. However, if an elector or AR who has been issued with a ballot paper chooses not to cast his vote and leaves the polling station and a person returns later to claim for that or another ballot paper, the PRO may issue a tendered ballot paper to the elector **ONLY IF** he is not certain that the person is the elector who had been issued with a ballot paper earlier, and he answers the appropriate questions set out in para. 5.26 to the satisfaction of the PRO.

5.41 Ballot papers which have been issued (whether marked or unmarked) are sometimes abandoned or found left behind by electors/ARs in the voting compartments or lying on the floor of the polling station, or otherwise not used. The intention of the electors/ARs is not clear in such cases. Any person who discovers such a ballot paper is required to hand it to the PRO. Such a ballot paper will be endorsed on the front with the word **“UNUSED”** (unless it is not reasonably practicable to do so) and will be kept by the PRO. In no circumstances will the ballot paper be put into a ballot box. Such a ballot paper will not be counted at the counting of the votes [ss 61 and 80 of the EAC (EP) (LC) Reg].

5.42 Inside a polling station, an elector/AR must not:

- (a) interfere with or attempt to influence any other elector/AR;

- (b) speak to or communicate with any other elector/AR contrary to a direction of the RO, ARO, PRO or any polling officer not to do so;
- (c) attempt to obtain information, or disclose any knowledge acquired, concerning the vote of another elector/AR;
- (d) exhibit or distribute any campaign material;
- (e) without any reasonable excuse, display any propaganda material, eg any badge, emblem, clothing or head-dress, which:
 - (i) may promote or prejudice the election of a candidate or candidates at the election; or
 - (ii) makes direct reference to a body any member of which is standing as a candidate in the election or to a prescribed body the registered name or registered emblem of which has been printed on any ballot paper for the election; or
- (f) use a mobile telephone or any telephone or paging machine or any other form of electronic communication device contrary to a direction of the RO, ARO, PRO or any polling officer not to do so.

If a person contravenes any of the above prohibitions, he commits an offence and will be liable to a fine at level 2 (up to \$5,000) and imprisonment for 3 or 6 months, as the case may be [ss 45(7) and 96 of the EAC (EP) (LC) Reg].

5.43 A person must not misconduct himself at a polling station or its vicinity or fail to obey any lawful order of the RO or the PRO; otherwise he

commits an offence punishable with a fine and imprisonment and may be ordered by such officer to leave the polling station or the vicinity of the polling station. A person misconducts himself if he disrupts the poll or disturbs or causes inconvenience to any person in the polling station. An elector/AR must cast his vote without undue delay. If an elector/AR who is allocated to vote at a dedicated polling station fails to cast his vote without undue delay, the RO or the PRO may order him to leave the polling station immediately. If a person fails to leave immediately as ordered by the RO or the PRO, he may be removed by:

- (a) a police officer if the polling station is not a dedicated polling station; or
- (b) an officer of the CSD or other law enforcement agency if the polling station is a dedicated polling station; or
- (c) any other person authorised in writing by the RO or the PRO to remove him.

The person so removed may not re-enter the polling station on that day except with the permission of the RO or the PRO. [S 46(2A) and (3) of the EAC (EP) (LC) Reg.]

5.44 Only the following persons may speak to or communicate with electors/ARs within a polling station:

- (a) the PRO and other polling staff;
- (b) the ROs and AROs for the relevant constituency;
- (c) members of the EAC;

- (d) the CEO;
- (e) police officers and members of the Civil Aid Service on duty at the polling station;
- (f) an officer of the CSD or other law enforcement agency on duty at a dedicated polling station;
- (g) a person authorised in writing by the ROs for liaison purposes; and
- (h) any person authorised in writing by a member of the EAC.

[S 45(1) and (6) of the EAC (EP) (LC) Reg.]

5.45 No person may canvass or display any EA within a polling station. Any person who undertakes photographing, filming and video or audio recording within a polling station without the express permission of a member of the EAC or the PRO, or the express permission in writing of the RO for the constituency or constituencies for which the polling station is used, commits an offence and will be liable to a fine at level 2 (up to \$5,000) and imprisonment for 6 months [s 45(2) and (7)(a) of the EAC (EP) (LC) Reg]. Normally such permission is only granted to members of the media or government photographers for publicity purposes.

[Subject to the enactment of the relevant amendments to the EAC (EP) (LC) Reg., para. 5.33 above will be incorporated in the finalised guidelines.]

PART VI : CLOSE OF POLL

5.46 Electors who intend to vote but are not at the door of their designated polling station by the close of poll will not be allowed in afterwards. At the close of poll, the ballot boxes will be locked and sealed by the PRO in the presence of the relevant candidates and their agents, if they are present. The PRO will also inform them the numbers of unissued ballot papers, spoilt ballot papers and unused ballot papers in his possession. All ballot papers which are unissued, spoilt or unused and the marked copies of the registers will then be made up into sealed packets in respect of each constituency.

5.47 Polling stations (except the small polling stations and dedicated polling stations) will be converted to counting stations for the purpose of conducting the count for GC votes. A central counting station will be set up to conduct the count for the FC votes and for any misplaced GC ballot papers found in FC ballot boxes at the central counting station.

A Polling Station which is also a Counting Station

5.48 At the close of poll, a notice will be displayed by the PRO outside the polling station (which is also designated as a counting station) to inform the public that the poll has been closed and that the station is being arranged for the counting of GC votes and will be open to them when such arrangements are completed. A candidate, an election agent, a polling agent and a counting agent of the candidate may stay in the polling station while it is closed for the preparation for the counting of GC votes. [S 63(1) and (1A) of the EAC (EP) (LC) Reg.]

5.49 The sealed ballot boxes and sealed packets of unissued ballot papers etc will be kept by the PRO until the counting of the GC votes begins, when all GC ballot boxes will be opened and all ballot papers inside will be put

on the counting table. For the counting of FC votes, the sealed ballot boxes and the sealed packets of unissued ballot papers etc, together with any FC ballot papers found to have been misplaced in GC ballot boxes [see para. 5.67 below], will be delivered to the central counting station. Up to 2 persons being candidates competing in the FCs (or their respective agents), if they so wish, will be allowed to accompany the Deputy PRO/Assistant PRO in the delivery of the ballot boxes from the polling station to the central counting station. Where there are more than 2 such persons wishing to participate in the delivery, the PRO will draw lots to determine which 2 persons will participate. FC candidates and their agents are allowed to remain in the polling station only until they see that the police escort for the delivery is available. Thereafter, all of them may either leave the polling station or stay to observe the count in the public area.

A Polling Station which is not a Counting Station

5.50 At the close of poll, a notice will be displayed by the PRO outside the polling station other than a dedicated polling station to inform the public that the poll has been closed. A candidate, his election agent and a polling agent may stay in the polling station while it is closed. The following persons may stay in a dedicated polling station while they are closed:

- (a) a candidate, his election agent and a polling agent may stay in a dedicated polling station not situated in a prison;
- (b) a maximum of 2 candidates, election agents or polling agents may stay in a dedicated polling station situated in a prison other than a maximum security prison; and
- (c) a maximum of 2 candidates may stay in a dedicated polling station situated in a maximum security prison.

5.51 For the small polling stations which have not been designated as counting stations for GC votes, the sealed ballot boxes, the sealed packets of unissued ballot papers and ballot paper accounts, etc for the GCs and FCs will be first delivered to the main counting station by the PRO/Deputy PRO under police escort. The PRO of a dedicated polling station will deliver the sealed GCs and FCs ballot boxes, the sealed packets of unissued ballot papers and the ballot paper accounts etc under police escort to:

- (a) the PRO of the ballot paper sorting station concerned in the case of a LC general election or by-election in which such a ballot paper sorting station has been set up;
- (b) the PRO of the main counting station concerned in the case of a LC by-election in respect of a GC in which no ballot paper sorting station has been set up; or
- (c) the RO of the counting station concerned in the case of a LC by-election in respect of a FC.

[S 63A(4) of the EAC (EP) (LC) Reg.]

The FC ballot boxes at the main counting stations and the ballot paper sorting stations, together with any misplaced FC ballot papers found inside the GC ballot boxes, will then be delivered to the central counting station for counting [see paras. 5.67 and 5.76 below for details].

5.52 Not more than 2 candidates or their agents, if they so wish, will be allowed to participate in the delivery. Where there are more than 2 of them wishing to participate in the delivery, the PRO will draw lots to determine which 2 persons will participate. Candidates and their agents are allowed to remain in the polling station until they see that the police escort for the delivery is available.

PART VII : SORTING OF BALLOT PAPERS

Conduct at the Ballot Paper Sorting Station

5.53 In a LC general election or, where the CEO considers it appropriate in a LC by-election, ballot paper sorting station(s) will be set up for sorting GC ballot papers received from dedicated polling stations according to each GC before the GC ballot papers are delivered to the respective main counting stations for the counting of votes. The PRO of a ballot paper sorting station may determine the time at which the sorting of ballot papers is to begin, which must be a time after the poll has closed at all the dedicated polling stations situated in prisons and may be a time before the poll has closed at all the other polling station(s). Before the polling day, candidates will be informed of the expected time of the commencement of the sorting of ballot papers at the ballot paper sorting station(s). [Ss 2(6), 28(1)(c), 63A(4) and 65(2A) of the EAC (EP) (LC) Reg.]

5.54 Only the following persons may be present at the sorting of ballot papers:

- (a) the ROs, AROs, PROs, Deputy PROs, Assistant PROs and counting staff for the relevant constituencies;
- (b) the CRO;
- (c) members of the EAC;
- (d) the CEO;
- (e) candidates and their election agents and counting agents of the relevant constituencies;

- (f) police officers and members of the Civil Aid Service on duty at the ballot paper sorting station;
- (g) public officers authorised in writing by the CEO;
- (h) any person authorised by the CRO, the RO or the PRO; and
- (i) any person authorised in writing by a member of the EAC.

The PRO will designate a restricted area where the counting staff will sort the ballot papers. Candidates and their agents must not go into the restricted area. Any member of the public may observe the sorting of ballot papers from the public area designated by the PRO unless the PRO considers that his presence may:

- (a) cause disorder or disturbance in the ballot paper sorting station;
or
- (b) prejudice the secrecy of individual votes.

[Ss 2(6) and 68 of the EAC (EP) (LC) Reg.]

5.55 Before entry, every person authorised to be present at a ballot paper sorting station, other than the police officers and members of the Civil Aid Service on duty, must make a **Declaration of Secrecy** on a specified form and observe the provisions governing the secrecy of voting [ss 2(6) and 95 of the EAC (EP) (LC) Reg]. Members of the public present within the public area will not be required to make a Declaration of Secrecy.

5.56 Except with the express permission of the relevant PRO, the CRO, or the RO for the constituency or constituencies for which the ballot paper

sorting station is used or a member of the EAC as the case may be, any person who undertakes photographing, filming and video or audio recording within the restricted area of a ballot paper sorting station during the period commencing from the time at which the sorting of GC ballot papers is to begin and ending upon the completion of the sorting commits an offence [ss 2(6), 68A(1) and (2) of the EAC (EP) (LC) Reg].

5.57 A person must not misconduct himself in or in the vicinity of a ballot paper sorting station or fail to obey any lawful order of the PRO; otherwise he commits an offence punishable with a fine and imprisonment and may be ordered by the PRO to leave the area. A person misconducts himself if he disrupts the sorting of GC ballot paper or disturbs or causes inconvenience to any person in the sorting station. The PRO may also order a person to leave the ballot paper sorting station if the person behaves himself in such way that the purpose of his presence is not that for which he was authorised or permitted to enter or remain in the ballot paper sorting station. If he fails to leave immediately, he may be removed by a police officer or by any other person authorised in writing by the PRO to remove him. The person so removed may not re-enter the ballot paper sorting station on that day except with the permission of the PRO [ss 2(6), 68A and 69 of the EAC (EP) (LC) Reg].

Sorting of Ballot Papers

5.58 The PRO of a ballot paper sorting station will sort the GC ballot papers in the presence of the candidates, their election or counting agents, if they are present. The PRO will check whether GC ballot boxes and sealed packets are properly sealed. The seal on the ballot box will be broken by the PRO in the presence of the candidates, their election or counting agents, if they are present at the time. The ballot box will then be opened and the contents emptied onto a sorting table. After the PRO has opened the ballot box, the candidates, their election or counting agents may request to inspect any papers,

other than the marked ballot papers, taken out from the ballot boxes before they are disposed of. **At no time should a candidate, his election agent or counting agent touch any ballot papers.**

5.59 The PRO of a ballot paper sorting station will:

- (a) open the GC ballot boxes received from dedicated polling stations;
 - (b) sort the GC ballot papers in each ballot box according to each GC;
 - (c) count and record the number of GC ballot papers for each GC in each GC ballot box;
 - (d) verify the ballot paper account by comparing it with the number of GC ballot papers recorded under para. 5.59(c) above;
 - (e) prepare a statement in writing as to the result of the verification;
 - (f) prepare a statement in writing as to the number of GC ballot papers recorded under para. 5.59(c) above;
 - (g) make into separate bundles the sorted GC ballot papers together with the relevant statement prepared under para. 5.59(f) above;
 - (h) place each bundle in a separate receptacle and seal it in the presence of those present at the counting zone;
 - (i) arrange the receptacles to be delivered to the PROs of the respective main counting stations of the relevant GCs and send to the CEO the ballot paper accounts, verification of the ballot paper accounts and the sealed packets made up under para. 5.46 above;
- and

- (j) deliver, or arrange to deliver, to the central counting station the FC ballot box(es), the sealed packets of unissued FC ballot papers etc and the relevant ballot paper accounts received from the dedicated polling stations.

[Ss 70 and 74AA of the EAC (EP) (LC) Reg.]

5.60 If the PRO of a ballot paper sorting station finds any FC ballot paper in a GC ballot box, he must:

- (a) sort the FC ballot paper(s) according to each FC;
- (b) count and record the number of FC ballot paper(s) for each FC in the GC ballot box concerned;
- (c) prepare a statement in writing as to the number of ballot paper(s) recorded for each FC under para. 5.60(b) above;
- (d) make into separate bundles the sorted FC ballot paper(s) together with the relevant statement prepared under para. 5.60(c) above ;
- (e) place each bundle in a separate receptacle and seal it in the presence of those present at the counting zone of the ballot paper sorting station; and
- (f) give the receptacles into the charge of an Assistant PRO in attendance at the counting zone of the ballot paper sorting station.

[S 74AB(2) of the EAC (EP) (LC) Reg.]

5.61 The Assistant PRO must deliver the receptacles referred to para. 5.60(f) above to the central counting station and hand over the receptacles containing the bundle of FC ballot papers to the RO concerned [s 74AB(3) of the EAC (EP) (LC) Reg].

[Subject to the enactment of the relevant amendments to the EAC (EP) (LC) Reg., paras. 5.60 and 5.61 above will be incorporated in the finalised guidelines.]

PART VIII : THE COUNT

Conversion of Polling Station into Counting Station

5.62 A polling station, other than a small polling station or a dedicated polling station which has not been designated as a counting station for GC votes, will be converted to a counting station for the purpose of conducting the count for GC votes and making known the counting results to the candidates and their agents present. Where the same place is designated as both a polling station and a counting station, the PRO of the polling station is to be regarded as the PRO of the counting station [s 34 of the EAC (EP) (LC) Reg]. The PRO, assisted by his Deputy PROs, Assistant PROs and counting staff, will be responsible for the conversion and the conduct of the count. Before the counting of votes begins, a notice will be displayed outside the counting station to inform the public the time that the station is expected to be open to them to observe the counting of votes [s 65(5A) of the EAC (EP) (LC) Reg]. The telephone number of a polling officer who may be contacted by agents should also be shown on such a notice to facilitate communication between agents and the station staff. For FC/SFC votes, a central counting station will be set up to conduct the count and announce the election results. The RO for each FC, assisted by his AROs and counting staff will be responsible for the conduct of

the count. An RO will be designated for each of the 5 GCs. The 5 ROs will be stationed at the central counting station. Each RO will be assisted by a number of AROs to compile the final election results of the respective GC by adding up counting results from polling stations under his charge.

Conduct at the Counting Station

5.63 Only the following persons may be present at the counting of votes at the counting zone of a counting station or the central counting station:

- (a) the ROs, AROs, PROs, Deputy PROs, Assistant PROs and counting staff for the relevant constituencies;
- (b) the CRO;
- (c) members of the EAC;
- (d) the CEO;
- (e) police officers and members of the Civil Aid Service on duty at the counting station;
- (f) candidates and their election agents and counting agents of the relevant constituencies;
- (g) public officers authorised in writing by the CEO;
- (h) any person authorised by the CRO, the RO or the PRO; and
- (i) any person authorised in writing by a member of the EAC.

The PRO or the CRO or the RO, as the case may be, will designate a restricted zone inside the counting zone where the counting staff will count the votes. Candidates and their agents must not go into the restricted zone. Any member of the public may observe the counting of the votes from an area (“the public area”) at the counting station set apart for that purpose by the PRO or the CRO or the RO, unless the PRO or the CRO or the RO considers that his presence may:

- (a) cause disorder or disturbance in the counting station; or
- (b) prejudice the secrecy of the individual votes.

[S 68 of the EAC (EP) (LC) Reg.]

5.64 Before entry, every person authorised to be present at a counting station, other than the police officers and members of the Civil Aid Service on duty, must make a **Declaration of Secrecy** on a specified form and observe the provisions governing the secrecy of voting [s 95 of the EAC (EP) (LC) Reg]. Members of the public present within the public area will not be required to make a Declaration of Secrecy.

5.65 Except with the express permission of the relevant PRO or CRO or RO or a member of the EAC, as the case may be, any person who undertakes photographing, filming and video or audio recording within a counting zone of a counting station during the period commencing from the time at which the counting of the votes is to begin at the zone and ending upon the completion of the counting and re-count, if any, at the zone commits an offence [s 68A(1) and (2) of the EAC (EP) (LC) Reg].

5.66 A person must not misconduct himself in or in the vicinity of a counting station or fail to obey any lawful order of the PRO or the CRO or the RO; otherwise he commits an offence punishable with a fine and imprisonment

and may be ordered by the PRO or the CRO or the RO to leave the area. A person misconducts himself if he disrupts the counting of votes or disturbs or causes inconvenience to any person in the counting station. The PRO or the CRO or the RO may also order a person to leave the counting station if the person conducts himself in such a way that the purpose of his presence is not that for which he was authorised or permitted to enter or remain in the counting station. If he fails to leave immediately, he may be removed by a police officer or by any other person authorised in writing by the PRO or the CRO or the RO to remove him. The person so removed may not re-enter the counting station on that day except with the permission of the PRO or the CRO or the RO [ss 68A and 69 of the EAC (EP) (LC) Reg].

(a) **Counting of GC votes**

5.67 The PRO will check whether all the ballot boxes are properly sealed. The seal on each GC ballot box will then be broken by the PRO in the presence of the candidates or their election agents or counting agents, if they are present at the time. All GC ballot boxes will then be opened and the contents emptied onto a counting table. The candidates and their election agents or counting agents may request to inspect any papers other than ballot papers taken out from the ballot boxes before they are disposed of. If the PRO identifies any misplaced FC/SFC ballot papers, the PRO will seal the misplaced FC/SFC ballot papers and then arrange to deliver them, together with the sealed FC/SFC ballot boxes, to the relevant RO of the central counting station for counting. The PRO will then conduct the count of the GC ballot papers in the presence of the candidates, their election agents or counting agents, if they are present. **At no time should a candidate, his election agent or counting agent touch any ballot papers.**

5.68 The PRO other than the PRO of a main counting station, a dedicated polling station or a ballot paper sorting station will:

- (a) sort the ballot papers according to the choices marked by the electors on the ballot papers and place them in separate plastic and transparent boxes on the table;
- (b) separate and put aside the invalid and questionable ballot papers, if any;
- (c) determine the validity of questionable ballot papers;
- (d) count the valid votes obtained by each candidate;
- (e) verify the ballot paper account; and
- (f) compile the final counting results.

[Ss 74A and 75 of the EAC (EP) (LC) Reg.]

5.69 The PRO of a main counting station will:

- (a) count and record the number of ballot papers in each ballot box of the polling station designated as the main counting station and of such ballot box that has been delivered from the small polling stations and dedicated polling stations (in the case of a LC by-election in which no ballot paper sorting station has been set up) and verify the ballot paper account;
- (b) count and record the number of ballot papers in each receptacle received from a ballot paper sorting station (which will be set up in a LC general election or, where the CEO considers it appropriate in a LC by-election) and verify the ballot paper account;

- (c) mix the ballot papers of the polling station designated as the main counting station together with the ballot papers that have been delivered from the small polling stations and ballot paper sorting stations or dedicated polling stations as the case may be;
- (d) sort the ballot papers according to the choices marked by the electors on the ballot papers and place them in separate plastic and transparent boxes on the table;
- (e) separate and put aside the invalid and questionable ballot papers, if any;
- (f) determine the validity of questionable ballot papers;
- (g) count the valid votes obtained by each candidate; and
- (h) compile the final counting results.

[Ss 74A and 75 of the EAC (EP) (LC) Reg.]

Invalid Ballot Papers

5.70 A ballot paper is invalid if:

- (a) no vote has been marked on it;
- (b) it is not marked with the chop provided;
- (c) it is endorsed on the front with the word “SPOILT”;
- (d) it is endorsed on the front with the word “TENDERED”;

- (e) it is endorsed on the front with the word “UNUSED”; or
- (f) votes are given for more than 1 list of candidates for a GC (eg by marking a “✓” each against 2 lists of candidates).

These ballot papers will be set aside as invalid on the spot. They will not be counted and will not be treated as questionable ballot papers. A candidate, an election agent or a counting agent may inspect but is not entitled to make representations to the PRO concerning these ballot papers [s 80 of the EAC (EP) (LC) Reg].

Questionable Ballot Papers

5.71 Ballot papers with doubtful validity in the following areas are set aside as questionable ballot papers. A questionable ballot paper will be decided as invalid if in the opinion of the PRO:

- (a) it has any writing or mark by which the elector can possibly be identified;
- (b) it is not marked by affixing the chop to give a single “✓” in the circle opposite the list of candidates of the elector’s choice on the ballot paper, and the elector’s intention is unclear. (However, the PRO may count that ballot paper if he is satisfied that the elector’s intention is clear);
- (c) it is substantially mutilated; or
- (d) it is void for uncertainty.

When deciding on the validity of the ballot papers in (a) above, the PRO will make reference to the judgment made by the Court on an election petition case

(HCAL 127/2003). In that case, the Court ruled that the handwritten tick found on the ballot paper in question in the said election petition was considered a mark by which the elector could possibly be identified. The validity of ballot papers with any other writing or mark will remain to be determined by the PRO on a case-by-case basis [s 81(2) and (3) of the EAC (EP) (LC) Reg].

5.72 The validity of all questionable ballot papers shall be decided by the PRO after considering the representations, if any, concerning the ballot papers by the candidate or his election agent or counting agent. Before the PRO makes his decision, a candidate or his election agent or counting agent, if present at the counting zone, may inspect the questionable ballot papers as set aside, in the presence of the PRO and other candidates or their election or counting agents who are present. A candidate or his election agent or counting agent may object to the acceptance or rejection of a questionable ballot paper by making his objection known to the PRO who has decided whether the ballot paper (or the vote recorded thereon) is valid or to be rejected and, in the latter event, endorse on the ballot paper the word “rejected” [s 81 of the EAC (EP) (LC) Reg].

5.73 A candidate or his election agent or counting agent may object to the rejection of a ballot paper by the PRO, in which case the PRO shall add to the endorsement the words “rejection objected to”. Questionable ballot papers which are accepted by the PRO but objected to by a candidate or his election agent or counting agent will be marked “acceptance objected to” [s 81 of the EAC (EP) (LC) Reg].

5.74 The decision of the PRO in regard to any question arising in respect of any ballot paper shall be **final** [s 82 of the EAC (EP) (LC) Reg], and may only be questioned by an election petition [s 61 of the LCO] [see Part II of Chapter 6].

Counting Arrangements

5.75 The counting of the votes will proceed continuously, as far as possible, until the counting is completed.

5.76 When vote counting is completed at any one of the counting stations for the constituency, the relevant PRO will inform the candidates or their election or counting agents present of the counting results. Any such candidate or his election agent or his counting agent may request the PRO to re-count the votes and the PRO shall comply with the request unless in his opinion it is unreasonably made. Where there is no request for a re-count or where the request for a re-count is rejected or the re-count is completed and there is no request for a further re-count or the request for a further re-count has been rejected by the PRO, the PRO shall report to an ARO for the constituency at the central counting station of the counting results. Any misplaced GC ballot papers found in FC ballot boxes at the central counting station and delivered to the relevant RO will be counted by the RO. The validity of any questionable ballot papers will be determined by the RO. Candidates, their election agents or counting agents present may raise objection to the acceptance or rejection of a questionable ballot paper. The RO's decision on the validity of the ballot paper is final. The counting arrangement as set out in paras. 5.70 to 5.74 above will be followed by the RO [s 79A of the EAC (EP) (LC) Reg].

5.77 After the ARO has been notified of the results of the counting of votes of all the counting stations in the constituency in his charge, he shall inform the RO for the constituency of the results who shall then inform the candidates or their election agents or counting agents at the central counting station of the results. If a candidate or his election agent at the central counting station requests the RO to re-count all the votes of all the counting stations for the constituency, the RO will decide whether the request should be acceded to. If he decides that such a re-count is reasonable in the

circumstances, he will inform the PROs of all the counting stations for the constituency to conduct a re-count at their respective counting stations [s 79A of the EAC (EP) (LC) Reg].

5.78 When the RO makes known to the candidates or their election agents or counting agents the counting results of all the counting stations for the GC, he must also make known to them the estimated number of GC ballot papers estimated to be misplaced in FC ballot boxes (the estimated number will be based on the information in the ballot paper account). Candidates and their election agents may at that point request a re-count of the votes of all counting stations for a GC without having to wait for the counting results of any misplaced GC ballot papers [see para. 5.77 above]. Alternatively, they may at that point request a re-count of the votes of all the counting stations together with the votes of the misplaced GC ballot papers after the latter votes are counted. The RO will not entertain the alternative request if the estimated number of misplaced GC ballot papers is **less** than the difference between the remaining numbers of votes cast for any two lists of candidates (in which case the counting results of the misplaced GC ballot papers will not affect the overall election results of the GC in question) [s 79A of the EAC (EP) (LC) Reg].

5.79 The PRO of each of the counting stations will make known the result of the re-count at his counting station to the candidates or their election agents or counting agents present at that counting station and shall report the same to the ARO for the constituency at the central counting station who shall inform the RO for the constituency of the results of the re-count of all the counting stations in his charge. The RO shall add such results and the result of the counting of the votes recorded on the misplaced GC ballot papers found in FC ballot boxes, and shall inform the aggregate result to the candidates or their election agent or counting agents. If a candidate or his election agent requests the RO for a re-count of the votes of the misplaced GC ballot papers,

the RO shall comply with the request unless in his opinion, it is unreasonably made [s 79A of the EAC (EP) (LC) Reg].

5.80 If at any time, it appears to the Commission that a counting station (“first counting station”) assigned for the counting of votes cast at a polling station (“polling station concerned”) in respect of a GC is no longer available or suitable for the counting to take place or continue to take place for reasons other than those referred to in s 2(3) of Schedule 2 to the EAC (EP) (LC) Reg, (*ie the occurrences of a typhoon or other climatic condition of a serious nature; riot, open violence or other occurrences of public danger; or an occurrence which appears to the Commission to be a material irregularity relating to the election, the poll or count*), the Commission may direct that the counting is to take place or continue to take place at another counting station (“new counting station”) specified by the CEO. The RO must give notice to the candidate ranking first in priority on each list of candidates for the constituency of the time and place at which the counting is to take place or continue to take place. Where such direction is given by the Commission, the PRO of that station must arrange the ballot boxes (whether opened or un-opened) and receptacles, if any, together with the ballot papers (whether counted or not), any un-issued ballot papers, tendered ballot papers, ballot paper account, verification of a ballot paper account or re-verification of a ballot paper account, and any other relevant election materials to be transferred to the new counting station. Any person who may be present at the first counting station or polling station concerned may also be present with the PRO when the PRO makes any of the aforesaid arrangement. [Ss 65(7A) and 75A of the EAC (EP) (LC) Reg.]

(b) Counting of FC/SFC votes

5.81 The DC (second) FC ballot boxes and the FC/SFC ballot boxes will first be delivered to the central counting station, together with any FC/SFC ballot papers found to have been misplaced in GC ballot boxes, and will be

given into the charge of the relevant RO. Each ballot box will then be checked to see if it is properly sealed. The seal on the ballot box will be broken by the relevant RO in the presence of the relevant candidates or their election agents or counting agents, if they are present at the time. The ballot box will then be opened and the contents emptied onto a counting table. Any misplaced FC and GC ballot papers found will be sealed and then delivered to the RO of the relevant FC and GC for counting. **At no time should a candidate, his election agent or counting agent touch any ballot papers.**

5.82 There will be a large number of sorting/counting zones for the FCs. Other than a ballot paper for the DC (second) FC (the counting procedure of which is described in paras. 5.85 and 5.86 below), the ballot papers (but not the votes marked on them) for the ordinary FCs/SFCs from each of the polling stations will first be sorted and counted for verification of the ballot paper accounts by the counting staff. Such ballot papers will then be separately bundled with the respective verified ballot paper account.

5.83 As described above, the ordinary FC/SFC (other than DC (second) FC) ballot papers in each of the sorting/counting zones will be sorted to make up separate bundles for each constituency. Each bundle of ballot papers which is required to be delivered to another sorting/counting zone will be placed in a separate receptacle and sealed under observation by persons present at the counting station. Bundles belonging to the same constituency will be allocated to the AROs and their staff for transferring them to the counting zones in respect of the relevant constituency for the counting of votes marked on them under the supervision of the RO of the ordinary FC/SFC. The ballot papers for the same ordinary FC/SFC (other than DC (second) FC) from not less than 2 of the polling stations will first be mixed before counting.

5.84 The RO of a FC/SFC other than DC (second) FC, with assistance of the counting staff, at the counting zone will:

- (a) (i) For SFC
sort the first preference votes marked by the electors on the ballot papers and place them in separate plastic and transparent boxes on the table; or
- (ii) For ordinary FC returning 1 member
sort the votes according to the choices marked by the electors on the ballot papers and place them in separate plastic and transparent boxes on the table; or
- (iii) For ordinary FC returning more than 1 member
record the votes as given to the choices marked by the electors on the ballot papers;
- (b) separate and put aside the invalid and questionable ballot papers, if any;
- (c) determine the validity of questionable ballot papers (by RO);
- (d) (i) For SFC
count the valid votes on the ballot papers in accordance with the preferential elimination system of voting described in s 50 of the LCO; or
- (ii) For ordinary FC
count the valid votes obtained by each candidate; and
- (e) compile the final counting results.

[Please see **Appendix C** for details of the preferential elimination system of voting mentioned in the preceding para. 5.84(d).]

[Ss 76 and 77 of the EAC (EP) (LC) Reg.]

5.85 For DC (second) FC, the votes marked on ballot papers will be counted at the counting zones under the supervision of the RO or AROs of the DC (second) FC.

5.86 The AROs of the DC (second) FC, with assistance of the counting staff, at counting zones will:

- (a) sort the ballot papers according to the choices marked by the electors on the ballot papers and place them in separate plastic and transparent boxes on the counting tables;
- (b) separate and put aside the invalid and questionable ballot papers, if any;
- (c) determine the validity of questionable ballot papers (by ARO);
- (d) count the valid votes obtained by each candidate list;
- (e) verify the ballot paper account; and
- (f) compile the final counting results.

[S 77A of the EAC (EP) (LC) Reg.]

[Subject to the enactment of the relevant amendments to the EAC (EP) (LC) Reg., para. 5.86 above will be incorporated in the finalised guidelines.]

Invalid Ballot Papers

5.87 A ballot paper is invalid if:

- (a) no vote has been marked on it;
- (b) it is endorsed on the front with the word “TENDERED”;
- (c) it is endorsed on the front with the word “SPOILT”;
- (d) it is endorsed on the front with the word “UNUSED”;
- (e) in respect of an ordinary FC (including the DC (second) FC) ballot paper, it is not marked with the chop provided;
- (f) for an ordinary FC (other than the DC (second) FC), votes are marked for more than the number of vacancies to be filled (in respect of the Labour FC, a ballot paper is invalid if more than 3 votes are marked on it; in respect of the other 23 FCs, a ballot paper is invalid if more than 1 vote is marked on it);
- (g) for the DC (second) FC, votes are given for more than 1 list of candidates (eg by marking a “✓” each against 2 lists of candidates);
- (h) in respect of a SFC ballot paper, it is not marked by Arabic numerals;
- (i) for a SFC, votes are marked with a first preference for 2 or more candidates (whether or not the elector marks second, third or subsequent preferences); or

- (j) for a SFC, votes are not marked with a first preference (whether or not the elector marks second, third or subsequent preferences).

[S 80 of the EAC (EP) (LC) Reg.]

Ballot papers from (a) to (j) will be set aside as invalid on the spot. They will not be counted and will not be treated as questionable ballot papers. A candidate, an election agent or a counting agent may inspect but not entitled to make representations to the RO concerning these ballot papers [s 80 of the EAC (EP) (LC) Reg].

Questionable Ballot Papers

5.88 Other ballot papers with doubtful validity in the following areas are set aside as questionable ballot papers. A questionable ballot paper will be decided as invalid if in the opinion of the RO:

- (a) it has any writing or mark by which the elector or AR can possibly be identified;
- (b) for a FC, the vote is not marked by affixing the chop to give a single “✓” in the circle opposite the name of the candidate or the list of candidates in respect of the DC (second) FC of the elector’s or AR’s choice on the ballot paper, and the elector’s or AR’s intention is unclear. For a SFC, the Arabic numeral is not entered in the circle opposite the name of the candidate of the elector’s or AR’s choice on the ballot papers and the elector’s or AR’s intention is unclear. However, the RO may count that ballot paper if he is satisfied that the elector’s or AR’s intention is clear;
- (c) it is substantially mutilated; or

- (d) it is void for uncertainty.

Regarding the validity of the ballot papers in (a) above, please also refer to the court judgment on an elector petition case detailed in para. 5.71 above [s 81(2) and (3) of the EAC (EP) (LC) Reg].

5.89 For a SFC, where an elector marks on his ballot paper the same preference other than the first preference for two or more candidates, only the preference vote or votes prior in sequence to that preference shall be valid. Where an elector marks on his ballot paper preferences which are not in a consecutive sequence, only the preference vote or votes which appear before the break in sequence shall be valid.

5.90 The validity of all questionable ballot papers shall be decided by the RO of the relevant constituency. Before the RO makes his decision, a candidate or his election agent or counting agent, if present at the counting zone, may inspect and make representations to the RO on the questionable ballot papers, in the presence of other candidates or their election or counting agents who are present. After considering the representation, if any, the RO should decide on the validity of the questionable paper. If he rejects the ballot paper, he must endorse the word “rejected” on the front of the ballot paper. A candidate or his election agent or counting agent may object to the acceptance or rejection of a questionable ballot paper by making his objection known to the RO [s 81 of the EAC (EP) (LC) Reg].

5.91 If a candidate or his election agent or counting agent objects to the rejection of a ballot paper by the RO, the RO shall add to the endorsement the words “rejection objected to”. Questionable ballot papers which are accepted by the RO but objected to by a candidate or his election agent or counting agent will be marked “acceptance objected to” [s 81 of the EAC (EP) (LC) Reg]. The decision of the RO in regard to any question arising in

respect of any ballot paper shall be **final** [s 82 of the EAC (EP) (LC) Reg], and may only be questioned by an election petition [s 61 of the LCO] [see Part II of Chapter 6].

5.92 The counting of the votes will proceed continuously, as far as possible, until the counting is completed.

5.93 When vote counting is completed for the relevant constituency of the FC/SFC, the relevant RO will inform the candidates and their election or counting agents present of the counting result. Any such candidate or his election agent may request the RO to re-count the votes and the RO shall comply with the request unless in his opinion it is unreasonably made. Where there is no request for a re-count or where the request for a re-count is rejected or the re-count is completed and there is no request for a further re-count or the request for a further re-count has been rejected by the RO, the RO will inform the candidates and their agents of the counting results [s 79 of the EAC (EP) (LC) Reg].

Counting arrangements for the by-election in respect of the DC (second) FC

5.94 If the polling day of a by-election held for DC (second) FC does not fall on the polling day of a by-election held for any GC, the same arrangement for counting the GC ballot papers for a LegCo by-election in which no ballot paper sorting station has been set up as set out in paras. 5.46 to 5.52 and paras. 5.62 to 5.80 above will be adopted to count the ballot papers of the aforesaid DC (second) FC. Under such circumstances, the polling stations (except small polling stations and dedicated polling stations) will be converted into counting stations for counting of votes. The relevant PROs will supervise the count and determine the validity of the ballot papers. If a by-election for the DC (second) FC and that for any GC are to be held on the same day, the ballot papers of the DC (second) FC would be delivered to the central counting

station for counting as in the LegCo general election. [Ss 77B and 92 of the EAC (EP) (LC) Reg.]

[Subject to the enactment of the relevant amendments to the EAC (EP) (LC) Reg., para. 5.94 above will be incorporated in the finalised guidelines.]

PART IX : DECLARATION OF RESULT

(a) For GCs and the DC (second) FC

5.95 In respect of a GC election and a by-election for the DC (second) FC which is not held on the same day of another by-election of any GC, the PRO of each of the counting stations shall report to an ARO for the constituency the final counting or re-count result of his counting station; in respect of a DC (second) FC election other than the aforesaid by-election, the Counting Supervisor of each of the counting zone in the central counting station shall report to the ARO of the constituency. After tallying the total of the final counting or re-count results with all the final counting or re-count results reported from individual counting stations/counting zones for the constituency, the RO shall apply the list system of proportional representation and accordingly declare the successful candidates as elected [s 83 of the EAC (EP) (LC) Reg].

5.96 In the event that 2 or more lists have the equal largest number of remaining votes and the number of those lists exceeds the number of vacancies to be filled, the RO shall determine the result of the election by drawing lots at the central counting station. He shall use the means of contact of such candidates provided in their nomination forms to request them to be present at the central counting station for conducting the drawing of lots and such list of candidates shall comply as soon as possible. If the RO fails to contact such a

list of candidates, the RO may draw lots on behalf of the list of candidates [see para. 2.25 for detailed procedures for drawing of lots]. He shall declare the candidate on whose list the lot falls as elected. He shall display a notice of the result of the election at a prominent place outside the central counting station and shall also publish the notice in the Gazette within 10 days of the declaration of the result [ss 83 and 84 of the EAC (EP) (LC) Reg].

(b) For FCs/SFCs (other than the DC (second) FC)

5.97 When the counting of votes and re-counts, if any, are completed and a result obtained, the RO for the relevant constituency shall declare the successful candidate(s) elected for the constituency concerned. In respect of the ordinary FCs (other than the DC (second) FC), in the event that a vacancy is still to be filled for a constituency and the most successful candidates have an equal number of votes, the RO will determine the result of the election by drawing lots at the central counting station. For the SFC, if the remaining candidates after the final stage of counting have an equal number of votes, the RO will determine the result of the election by drawing lots at the central counting station [see para. 2.25 for detailed procedures for drawing of lots]. He shall declare the candidate on which the lot falls as elected. The RO for the relevant constituency shall display a notice of result of the election of the constituency in a prominent place outside the central counting station. The result of the election will also be published in the Gazette within 10 days of the declaration of the result [ss 83 and 84 of the EAC (EP) (LC) Reg].

PART X : DISPOSAL OF DOCUMENTS

5.98 As soon as practicable after the PRO/RO has ascertained the result of the poll in an election, he will seal all the relevant documents and

ballot papers into packets. Candidates and their agents may observe the packaging, if they wish [s 85 of the EAC (EP) (LC) Reg].

5.99 These sealed packets of documents including the nomination forms, notices of appointment of agents, etc will be sent to the CEO for safe custody for 6 months before they are destroyed [ss 86 and 88 of the EAC (EP) (LC) Reg].

5.100 **Except pursuant to a court order** in relation to an election petition or a criminal proceeding, **no person may inspect any ballot paper in the custody of the CEO** [s 87 of the EAC (EP) (LC) Reg].

CHAPTER 6

ELECTION PETITIONS

PART I : GROUNDS FOR LODGING AN ELECTION PETITION

6.1 The result of the LegCo election may be questioned only by an election petition made on the following grounds:

- (a) the ground that the person declared as elected by the RO in accordance with regulations in force under the EACO was not duly elected because:
 - (i) he was not eligible to be, or was disqualified from being, a candidate at the election; or
 - (ii) he engaged in corrupt or illegal conduct at the election; or
 - (iii) corrupt or illegal conduct was generally prevalent at the election; or
 - (iv) material irregularity occurred in relation to the election, the poll or the count; or
- (b) a ground specified in any other enactment that enables an election to be questioned.

[S 61 of the LCO.]

PART II : WHO COULD, AND WHEN TO, LODGE ELECTION PETITIONS

6.2 An election petition may be lodged:

- (a) by 10 or more electors entitled to vote in the relevant constituency; or
- (b) by a person claiming to have been a candidate in the relevant constituency.

[S 62 of the LCO.]

6.3 An election petition questioning an election may be lodged with the Court of First Instance (“CFI”) only during the period of 2 months following the date on which the RO has published the result of the election in the Gazette [s 65 of the LCO].

6.4 An election petition is triable in open court and before 1 judge. At the end of the trial of an election petition, the CFI must determine questions of the validity of a nomination or whether the person was or was not duly elected, as appropriate. The CFI must announce the determination in writing by means of a written judgment [ss 64 and 67 of the LCO].

6.5 An appeal against the decision of the CFI may be lodged to the Court of Final Appeal (“CFA”) direct, subject to leave being granted by the Appeal Committee of the CFA. Notice of a motion for applying for leave to the CFA to appeal must be filed within 14 working days after the date on which the written judgment of the CFI to be appealed against is handed down, and the applicant must give the opposite party 3 days’ notice of his or her intended application at any time during the period of 14 working days. At the end of

the hearing of an appeal against the determination of the CFI, the CFA must determine questions of the validity of a nomination or whether the person was or was not duly elected, as appropriate. The CFA must announce its determination by means of a written judgment. [Ss 65, 70A and 70B of the LCO.]

CHAPTER 7

APPOINTMENT AND ROLES OF ELECTION AGENT, ELECTION EXPENSE AGENTS, POLLING AGENTS AND COUNTING AGENTS

PART I : GENERAL

7.1 This chapter deals with the appointment of agents at an election and their roles.

7.2 The law and guidelines referred to in this chapter apply to candidates or a list of candidates in a GC/DC (second) FC election as they apply to a candidate of any other kind of constituency. Wherever there are special features applicable to a **list of candidates**, they will be expressed in the relevant context.

7.3 A candidate should think carefully before selecting any of his agents. He should choose persons suitable for the task. They will be viewed as his representatives and their conduct may affect the public's perception of him and his election.

PART II : TYPES AND NUMBERS OF AGENTS

7.4 If he so wishes, a candidate or a list of candidates may appoint the following agents to assist him/it in an election:

- (a) **1** election agent [s 23(1), (2) and (3) of the EAC (EP) (LC) Reg];
- (b) **any number** of election expense agents;
- (c) not more than **2** polling agents for **each polling station** other than a dedicated polling station situated in a prison in respect of the GC, the ordinary FC (including the DC (second) FC) [FCs specified in s 20(1)(e) to (zc) of the LCO] or SFC [FCs specified in s 20(1)(a) to (d) of the LCO] for which he is nominated [s 42(3), (4), (5) and (8A) of the EAC (EP) (LC) Reg];
- (d) 1 polling agent for **each dedicated polling station** situated in a prison other than a maximum security prison [s 42(8A) of the EAC (EP) (LC) Reg]; and

(For arrangements regarding admission of election agents or polling agents to dedicated polling stations situated in prisons, please refer to paras. 7.13 to 7.16 and paras. 7.25 to 7.28 below.)

- (e) not more than such number of counting agents as will be specified by the EAC [s 66(2) of the EAC (EP) (LC) Reg].

PART III : QUALIFICATIONS OF AGENTS

7.5 The election, polling and counting agents should be holders of Hong Kong identity card and have attained the age of 18 years [ss 23(5), 42(7) and 66(4) of the EAC (EP) (LC) Reg] while an election expense agent needs to be a person who has attained the age of 18 years [s 25(5) of the EAC (EP) (LC) Reg].

PART IV : CIVIL SERVANTS ACTING AS AGENTS

7.6 Civil servants, other than directorate officers, Administrative Officers, Police Officers and Information Officers and those officers acting in the above grades and ranks with a view to substantive appointment thereto, ie other than for temporary relief purpose, may act as agents or assist in electioneering activities provided that they are not already appointed as the CRO, ROs, AROs, PROs, polling or counting staff, and that there is no conflict of interest with their official duties, that no use of public resources is involved, and that no government uniform is worn. To avoid any unfairness or semblance of unfairness or conflict of interest, civil servants who work in a constituency or have extensive contacts with the public in a constituency are strongly advised not to accept appointment by a candidate in the constituency to be his agent and/or participate in electioneering activities in the constituency concerned. Civil servants who participate in electioneering activities, including the seeking of election donations, for any candidates should not use or be seen to use any public resources in such activities.

PART V : ELECTION AGENT

Appointment

7.7 A candidate (or a list of candidates) may appoint **1** election agent to assist him and to act on his behalf in an election [s 23(1), (2) and (3) of the EAC (EP) (LC) Reg]. The appointment may be made at any time after a candidate hands in his own nomination form.

7.8 The candidate must give notice of such appointment to the RO

for the relevant FC/SFC or GC for which the candidate is nominated [s 23(6) of the EAC (EP) (LC) Reg]. The notice must be in the specified form and signed by both the candidate and the agent (in the case of a list of candidates, the notice must be signed by all the candidates on the list and be given to the RO by any one of the candidates on the list) [s 23(9) of the EAC (EP) (LC) Reg]. The appointment will not be effective until the notice of appointment is received by the RO [s 23(7) of the EAC (EP) (LC) Reg].

7.9 However, before the notice of appointment is received, the acts of the election agent purported to be appointed by the candidate and the expenses incurred by any purported agent for promoting the election of the candidate or for prejudicing the election of another candidate or other candidates may be treated as the candidate's own acts and election expenses. It is **important** to note that it is an **illegal conduct** for any person other than a candidate or a candidate's election expense agent to **incur such expenditure** [s 23 of the ECICO].

Revocation

7.10 The appointment of an election agent may be revoked by the candidate at any time. The candidate must also give notice of the revocation in writing and in the specified form to the RO. In the case of a list of candidates, a notice of revocation must be signed by all the candidates on the list and be given to the RO by any one of the candidates on the list. A revocation of an appointment of an election agent will not be effective until such notice is received by the RO. [S 23(11), (12), (13) and (16) of the EAC (EP) (LC) Reg.]

7.11 If an election agent passes away or has his appointment revoked, the candidate may appoint another election agent. In such a case, the candidate must give notice of the replacement appointment in the specified form to the RO in accordance with para. 7.8 above. In the case of a list of

candidates, all the candidates on the list may jointly appoint a replacement [s 23(14), (15) and (16) of the EAC (EP) (LC) Reg]. If the new election agent wishes to observe the poll at a dedicated polling station situated in a prison (other than a maximum security prison), he is required to follow the arrangements set out in paras. 7.13 to 7.16 below.

Notification

7.12 Not later than 10 days after the expiration of the nomination period, and thereafter as required, each validly nominated candidate/list of candidates or his/its election agent will receive from the RO a notice containing the particulars of all the election agents (such as names and addresses) appointed by all candidates for the constituency concerned. In the case of a list of candidates, the RO must send the notice to the candidate ranking first in priority on the list or the election agent of the list [s 24(1), (2), (4), (5) and (6) of the EAC (EP) (LC) Reg]. The RO must also display outside his office a notice of the particulars of the election agents [s 24(7) of the EAC (EP) (LC) Reg].

Role of an Election Agent

7.13 A duly appointed election agent ranks in a **most important position** amongst all kinds of agents of a candidate. He has the **authority to do everything a candidate is authorised to do** for the purposes of the election except:

- (a) anything a candidate is required to do in relation to his nomination;
- (b) to withdraw the candidate's candidature;
- (c) to incur election expenses save where he has been appointed as

an election expense agent by the candidate;

- (d) to authorise an election expense agent to incur election expenses;
and
- (e) to be present in a dedicated polling station situated in a maximum security prison.

[S 23(17) and (18) of the EAC (EP) (LC) Reg.]

IMPORTANT :

An election agent is, along with the candidate, responsible for the management of the election campaign. A candidate is responsible for all the acts of his or his list's election agent. If the election agent fails in his duties, he may contravene the law, in particular, the ECICO, and may commit criminal offences for which the candidate may also be liable, with serious consequences. An election agent will need to be authorised as an election expense agent by a candidate to incur election expenses. If so authorised, the election agent becomes also an election expense agent. [See Part VI of this chapter.]

7.14 Candidates and their election agents are entitled to be present at the counting of the votes and are normally allowed admission to all polling stations in respect of the constituency concerned. Due to security reasons, only candidates may enter dedicated polling stations situated in maximum security prisons to observe the poll. An election agent, who wishes to observe the poll at a dedicated polling station situated in a prison other than a maximum security prison, must lodge an application in the specified form with the CEO at least 1 week before the polling day. The election agent may not be present at that dedicated polling station unless the CCS has given consent to his

presence. If the CCS refuses to give consent to the application lodged, he will notify the candidate, any candidate on the list of candidates or the election agent as soon as practicable. [S 23(18) and (21) of the EAC (EP) (LC) Reg.]

7.15 The CCS may, on an application lodged during the week before the polling day, give consent if he is satisfied that a person imprisoned or held in custody by the CSD, who is entitled to vote for the relevant constituency at the dedicated polling station concerned, is admitted or transferred to the prison concerned during that week and the application is lodged without undue delay after the admission or transfer. The REO will post and update on its website the number of registered electors who are imprisoned or held in custody in individual prisons every working day starting from three weeks before the polling day and on the Saturday immediately before the polling day for candidates' reference. [S 23(20) of the EAC (EP) (LC) Reg.]

7.16 No election agent may be present at a dedicated polling station situated in a prison if a polling agent has already been appointed by the same candidate or the same list of candidates for that polling station [s 23(19) of the EAC (EP) (LC) Reg].

7.17 The PRO of a polling station may regulate the number of candidates and their agents to be admitted to the polling station at any one time, for the purpose of maintaining order in the polling station and ensuring that polling is conducted smoothly. **Whilst inside a polling station, a counting station or a ballot paper sorting station, the provisions to be observed by polling agents and counting agents are also applicable to candidates and their election agents.** They are therefore advised to familiarise themselves also with the guidelines set out in Parts VII and VIII of this chapter.

PART VI : ELECTION EXPENSE AGENTS

Authorisation

7.18 A candidate may authorise **any number** of election expense agents to incur election expenses on his behalf in an election. The authorisation will remain in force until the end of the election period, ie the end of the polling day or the last polling day if there is more than 1 polling day [ss 2 and 23 of the ECICO]. All the candidates on a GC/DC (second) FC list must jointly authorise the election expense agent to incur election expenses on behalf of the list, for any expenditure incurred for promoting the election of any candidate on the GC/DC (second) FC list or for prejudicing the election of another candidate or list of candidates must necessarily be incurred for the promotion or benefit of all candidates on the whole list. Each candidate on the GC/DC (second) FC list must authorise the other fellow candidate(s) on the same GC/DC (second) FC list as his election expense agent(s), or otherwise none of the other fellow candidates can lawfully incur election expenses for him, or for the whole list which includes him [s 23 of the ECICO]. For details of the special features applicable to a list of candidates, see Part VII of Chapter 16.

7.19 The authorisation shall be in writing on a specified form and state the name, identity document number and residential address of the election expense agent, and must specify the maximum amount of election expenses the agent may incur [s 25(6) and (7) of the EAC (EP) (LC) Reg]. It should be signed by both the candidate and the agent (in the case of a list of candidates, the authorisation must be signed by all the candidates on the list) [s 25(8) of the EAC (EP) (LC) Reg]. A copy of any authorisation must be lodged with the RO for the constituency, or the CEO if the RO has not been appointed, by the candidate [s 25(9) of the EAC (EP) (LC) Reg].

7.20 The authorisation is not effective until it has been received by the RO or the CEO as the case may be [s 25(11) of the EAC (EP) (LC) Reg]. Before the authorisation is received, no election expense should be incurred by a person purported to be authorised in the authorisation as an election expense agent. It is also important to note that it is an illegal conduct for any person other than a candidate or a candidate's election expense agent to incur such expenses [s 23 of the ECICO]. The expenses so incurred may also be counted as the candidate's election expenses.

Revocation

7.21 The authorisation of an election expense agent may be revoked by a candidate at any time. The candidate must give notice of the revocation as soon as possible in writing and in the specified form to the RO, or the CEO if the RO has not been appointed. In the case of a list of candidates, the notice must be signed by all the candidates on the list and be given by any one of the candidates on the list [s 25(14) and (15) of the EAC (EP) (LC) Reg]. The RO or the CEO, as the case may be, will only regard a revocation as effective when he receives the notice [s 25(16) of the EAC (EP) (LC) Reg]. The election expenses already incurred will still be counted as election expenses of the candidate/the list of candidates.

Role of Election Expense Agents

7.22 An election expense agent is authorised **to incur election expenses on behalf of a candidate**. He must not incur election expenses in excess of the amount specified in the form of authorisation; otherwise he commits a criminal offence [s 23(4) of the ECICO].

Candidate's Duty to know the Details of Election Expenses incurred by his Election Expense Agents

7.23 Every candidate is under a **duty**, subject to criminal penalty for breach, to submit to the CEO a return and declaration of his election expenses and donations with supporting invoices and receipts issued by recipients of the payments not later than 60 days after the publication in the Gazette of the result of an election, or not later than 60 days after the declaration of the termination of the election proceedings under the relevant electoral law, or not later than 60 days after the declaration of the failure of the election under the relevant electoral law [s 37 of the ECICO and Part IV of Chapter 16]. For the efficient and effective discharge of his duty, the candidate should **make sure** that his election expense agents will keep account of all election expenses incurred on his behalf and will provide to him, as soon as practicable but not later than the same 60-day period, a detailed statement of expenditure in which each item of expenditure of \$100 or above has to be supported by an invoice and a receipt. If any item of expenditure incurred by the election expense agents is paid or defrayed or contributed to by a donation, the candidate should **make sure** that they will provide him with a statement stating the expenses. If an item is not explicit in monetary terms, it should be assessed at a reasonable value; and if any item is more than \$1,000, it should be supported by a copy of the receipt issued to a donor (in a specified form signed by the donor). Without such statements, invoices and receipts issued by recipients of the payments provided by the election expense agents, the candidate will no doubt have difficulty in discharging his duty to file the return and declaration of election expenses and donations, which **may render him liable for a criminal offence** under s 38 of the ECICO.

Public Inspection of Authorisation of Election Expense Agents

7.24 The RO or the CEO, as the case may be, will make available for public inspection all copies of authorisations of election expense agents submitted by candidates until the expiration of the period for which copies of

the election return lodged by the candidates are available for inspection, ie up to the first anniversary of the date on which the result of the election is published [s 41 of the ECICO]. This offers the public and other candidates an opportunity to scrutinise the maximum amount of election expenses that could be incurred by the election expense agents on behalf of the candidates [s 26 of the EAC (EP) (LC) Reg].

PART VII : POLLING AGENTS

Appointment

7.25 A candidate (or a list of candidates) may appoint **not more than 2 polling agents** for each polling station (other than a dedicated polling station situated in a prison) in respect of the constituency for which he is nominated. A candidate (or a list of candidates) may appoint only 1 polling agent for a dedicated polling station situated in a prison subject to the consent of the CCS. No polling agent may be appointed if the CCS has given consent to the presence of the election agent of that candidate (or that list of candidates) in that polling station. No polling agent may be appointed for a dedicated polling station situated at a maximum security prison [s 42(3), (4), (5) and (8A) of the EAC (EP) (LC) Reg].

7.26 The appointment of a polling agent for a polling station not situated in a prison should be made on a specified form. The candidate must give notice of such appointment in writing signed by him to the CEO at least **1 week** before the date of election [s 42(8) and (11) of the EAC (EP) (LC) Reg]. In the case of a list of candidates, the notice must be signed by all the candidates on the list and be given to the CEO by any one of the candidates on the list [s 42(11) of the EAC (EP) (LC) Reg]. Where a candidate appoints a polling agent after the above deadline, he is required to give notice of the

appointment to the PRO of the polling station for which that agent has been appointed. Such notice must be given by the candidate (or in the case of a list of candidates, any one of the candidates on the list) or the election agent **personally** by delivering the notice of appointment to the PRO at the relevant polling station on polling day and before the agent concerned enters the polling station [s 42(9) of the EAC (EP) (LC) Reg]. The appointment will not be effective until the notice of appointment is received by the CEO or the PRO, as the case may be [s 42(10) of the EAC (EP) (LC) Reg].

7.27 For the appointment of a polling agent for a dedicated polling station situated in a prison other than a maximum security prison, the candidate must lodge an application in a specified form with the CEO at least 1 week before the polling day. The appointment will not be effective unless the CCS consents to the appointment. If the CCS refuses to give consent to the application lodged, he will notify the candidate, any candidate on the list of candidates or the election agent as soon as practicable. [S 42(8A) and (8C) of the EAC (EP) (LC) Reg.]

7.28 The CCS may, on an application lodged during the week before the polling day, give consent if he is satisfied that a person imprisoned or held in custody by the CSD, who is entitled to vote for the relevant constituency at the polling station concerned, is admitted or transferred to the prison concerned during that week and that the application is lodged without undue delay after the admission or transfer. The REO will post and update on its website the number of registered electors who are imprisoned or held in custody in individual prisons on every working day starting from 3 weeks before the polling day and on the Saturday immediately before the polling day for candidates' reference. [S 42(8B) of the EAC (EP) (LC) Reg.]

Revocation

7.29 The appointment of a polling agent may be revoked by the

candidate at any time. The candidate (or in the case of a list of candidates, any one of the candidates on the list) must also give notice of revocation in writing and in the specified form, to the CEO before polling day or to the PRO (other than a PRO of a dedicated polling station situated in a prison) on polling day in the same manner as specified in para. 7.26 [s 42(13), (14) and 14(A) of the EAC (EP) (LC) Reg]. In the case of a list of candidates, a notice of revocation must be signed by all the candidates on the list [s 42(13) of the EAC (EP) (LC) Reg]. For the revocation of a polling agent appointed for a dedicated polling station in a prison, the candidate or the list of candidates must give a notice in the specified form to the CEO. A revocation of an appointment of a polling agent will not be effective until notice thereof is received by the CEO or the PRO, as the case may be [s 42(15) of the EAC (EP) (LC) Reg]. If a replacement polling agent is appointed and he wishes to observe the poll at a dedicated polling station in a prison (other than a maximum security prison), he is required to follow the arrangements set out in paras. 7.25 to 7.28 above.

Role of Polling Agents

7.30 Polling agents are appointed **to assist a candidate in observing the conduct of the poll** to detect impersonation or irregularity at polling stations.

Provisions which the Polling Agents should be aware of

7.31 On behalf of each candidate/list of candidates, only 1 polling agent may be admitted at any one time to the polling station for which he has been appointed [s 44(6) of the EAC (EP) (LC) Reg]. He is required to stay and keep his movements within the area designated for observation of the poll and not outside. Where a candidate or his election agent is present within a polling station, a polling agent of that candidate/list of candidates will not be allowed to be present at the same time within the polling station [s 44(7) of the EAC (EP) (LC) Reg]. [See also Part IV of Chapter 5 regarding the admission of

candidates, election agents and polling agents to the polling station.]

7.32 Before entering a polling station, every person, other than an elector/AR, a police officer, an officer of the CSD, an officer of any law enforcement agency or a member of the Civil Aid Service on duty, must make a Declaration of Secrecy on a specified form and observe the provisions governing the secrecy of voting [s 95 of the EAC (EP) (LC) Reg]. This is to make sure that, subject to penalty of making a false declaration, all persons inside a polling station will observe the secrecy of the vote of the elector and, in particular, not to divulge which elector/AR has voted for which candidate and/or list of candidates.

7.33 On attending the polling station for which he has been appointed, a polling agent shall report to the PRO and produce his identity card and the Declaration of Secrecy completed by him for inspection [s 44(10) of the EAC (EP) (LC) Reg].

7.34 The following will occur before, during and after the poll on the polling day:

(a) Before

- (i) About 15 minutes before the commencement of the polling, the PRO will inform the candidates or their agents (either election agent or polling agent) if they are present, the number of ballot papers in his (the PRO's) possession, showing them the books of ballot papers not yet issued to any elector (“**UNISSUED** ballot papers”).
- (ii) The PRO will show the empty ballot boxes to such persons before proceeding to lock and seal them.

(b) During

- (i) In the course of polling, the PRO will show to each candidate or his election or polling agent, who is present at the relevant time, any abandoned ballot papers that have been issued or any torn pieces of such ballot papers found lying anywhere in the polling station (“**UNUSED** ballot papers”). Such ballot papers will not be put into a ballot box and will not be counted at the counting of votes [s 61 of the EAC (EP) (LC) Reg].
- (ii) Where a person, representing himself to be a particular elector/AR entered on the register, applies for any ballot paper after a person has been issued with any ballot paper as such an elector/AR, he may be issued with a ballot paper with the word “**TENDERED**” endorsed on the front. Such ballot paper will not be counted at the counting of votes [ss 60 and 80 of the EAC (EP) (LC) Reg].
- (iii) Any elector/AR who has inadvertently torn or damaged any ballot paper or has made an error in marking any ballot paper issued to him may ask the PRO to exchange it for another ballot paper. Such spoilt ballot paper will be endorsed on the front with the word “**SPOILT**” and will be kept by the PRO. The spoilt ballot papers will not be counted at the counting of votes [ss 62 and 80 of the EAC (EP) (LC) Reg].

(c) After

- (i) The PRO will, in the presence of persons present, lock the flap on the lid of the ballot boxes and seal it. He will also inform each candidate or his agent who is present of the

number of the following types of ballot papers in his possession: unissued ballot papers, unused ballot papers, and spoilt ballot papers.

- (ii) For GCs, candidates, their election agents, polling and counting agents, if present, may stay inside the polling station to observe the conversion of the venue into a counting station. The count will commence upon the completion of the conversion.
- (iii) For FCs/SFCs, up to 2 persons being candidates competing in the FCs/SFCs (or their respective agents), if they so wish, will be allowed to accompany the PRO in the delivery of the ballot boxes from the polling station to the central counting station under police escort. Where there are more than 2 persons with such intention remaining at the polling station, the PRO will draw lots to determine which 2 candidates or their respective agents will participate in the delivery. Other FC/SFC candidates and their agents are allowed to remain in the polling station only until they see that the police escort for the delivery is available. Thereafter, all of them may either leave the polling station or stay to observe the count in the public area.

7.35 Generally speaking, a polling agent may observe all proceedings in the polling station for which he has been appointed and record his observations but shall not do anything that may interfere with the conduct of the poll. A polling agent **MAY**:

- (a) leave the polling station at any time during the poll in which case his place may be taken by a candidate, an election agent or

another polling agent appointed to attend at the polling station [see para. 7.31 above];

- (b) observe the locking and sealing of empty ballot boxes before the poll commences and the locking and sealing of the ballot boxes during or at the close of the poll;

NOTE :

A polling agent who signs the sealing certificate of a ballot box as witness is required to write his name in block letters beneath his signature for easy identification. Candidates are advised to keep a list of their own polling agents to facilitate checking when the sealing certificate is broken at the counting station.

- (c) observe the issue of ballot papers to electors and ARs and the crossing out of the relevant entries from the copy of the register of electors, subject to the condition that they cannot interfere with the work of the polling staff;
- (d) where there is reasonable ground for questioning the bona fides of an elector/AR, ask the PRO to put the following prescribed questions (subject to necessary modifications) to that person at the time of his application for a ballot paper (but not afterwards):
 - (i) Are you the person registered in the final register of electors now in effect for this GC and/or FC/SFC (as appropriate), as follows (reads the whole of the relevant entry in the register)?
 - (ii) Have you already voted for this or any other GC and/or FC/SFC (as appropriate) in this election?

NOTE :

The person will not be issued with any ballot paper unless he has answered the questions to the satisfaction of the PRO [s 51(3) and (4) of the EAC (EP) (LC) Reg].

- (e) where there is reasonable cause to believe that a person who has applied for a ballot paper has engaged in corrupt conduct by impersonation, declare it to the PRO for appropriate action before that person leaves the polling station. This may possibly lead to the arrest of the person. The polling agent must however undertake in writing to substantiate the charge in a court of law [s 52 of the EAC (EP) (LC) Reg].

7.36 Inside a polling station, a polling agent **MUST NOT:**

- (a) interfere with or attempt to influence any elector/AR;
- (b) speak to or communicate with any elector/AR if the RO, the ARO, the PRO or any polling officer has given direction to him not to do so, or interfere with or attempt to interfere with any ballot boxes, ballot papers, the marked copy of the register of electors or other relevant election materials. In this regard, a polling agent should station within the designated area demarcated by red adhesive tape, and must not enter, or move close to, the restricted zone delineated with yellow tapes about 1 metre, or 2 metres if the configuration allows, around the voting compartments. Moreover, it is most improper for a polling agent to ask an elector/AR about his identity card number, let alone check an elector/AR's identity card;

- (c) attempt to obtain information, or disclose any knowledge acquired, concerning the vote of any elector/AR. A polling agent should read and observe carefully the provisions governing the secrecy of voting issued with the form of Declaration of Secrecy;
- (d) exhibit or leave or distribute any campaign material;
- (e) without reasonable excuse, display any propaganda material, eg any badge, emblem, clothing or head-dress which:
 - (i) may promote or prejudice the election of a candidate or candidates at the election; or
 - (ii) makes direct reference to a body any member of which is standing as a candidate in the election or to a prescribed body the registered name or registered emblem of which has been printed on any ballot paper for the election; or
- (f) use a mobile telephone or any telephone or paging machine or any other form of electronic communication device if the RO, the ARO, the PRO or any polling officer has given direction to him not to do so.

[S 45 of the EAC (EP) (LC) Reg.]

7.37 A polling agent must not misconduct himself in or in the vicinity of a polling station or fail to obey any lawful order of the RO or the PRO; otherwise he commits an offence punishable with a fine and imprisonment and may be ordered by such officer to leave the area. If he fails to leave immediately, he may be removed by:

- (a) a police officer if the polling station is not a dedicated polling station; or
- (b) an officer of the CSD or other law enforcement agency if the polling station is a dedicated polling station; or
- (c) any other person authorised in writing by the RO or the PRO to remove him.

The person so removed may not re-enter the polling station on that day except with the permission of the RO or the PRO [s 46 of the EAC (EP) (LC) Reg].

Other Useful Information for Polling Agents

7.38 Most of the persons admitted to a polling station will be wearing identifications (eg badges). Candidates, their election agents and polling agents will be required to wear an identification device issued by the RO or PRO for identification. If in doubt, a polling agent may enquire with the PRO as to the identities of the persons inside the polling station. No attempt, however, should be made to obtain information as to the identity of any elector/AR who is about to vote or has voted [s 96(8) of the EAC (EP) (LC) Reg].

7.39 There may be electors with a disability who have been permitted to vote in the polling station specifically designated for the constituency for the purpose. Candidates or their agents can make inquiries with the RO for information.

7.40 Only the PRO, the Deputy PRO or an Assistant PRO may, in the presence of one of the polling officers as a witness, help an elector to mark a ballot paper if he claims that he is unable to read or write or incapacitated from casting his vote due to impaired eyesight or other physical cause [s 59 of the

EAC (EP) (LC) Reg]. The responsible officer should inform the candidates or their agents who are present when such a request for assistance is received. A candidate or his polling agent in the polling station may request the PRO, the Deputy PRO or an Assistant PRO to choose a particular Polling Officer who is not working at the issuing counter as the witness, but the final decision as to which Polling Officer should be the witness remains with the PRO, Deputy PRO or Assistant PRO. An incapacitated elector's relative, friend and any other person is in no circumstances allowed to accompany the elector in the course of voting.

7.41 In each polling station designated for an election in respect of a GC or a FC, a number of **templates** are made available for the use of the visually impaired elector, if he chooses, to facilitate him to mark his vote on the ballot paper [s 59(3) of the EAC (EP) (LC) Reg]. The template contains the following features:

- (a) the template for each constituency is of the same width and length as the ballot paper;
- (b) the template contains embossed numbers or numbers in braille starting with the first numeral (or code + numeral) in a sequence assigned to the candidates or list of candidates of the constituency on the top followed downwards by other numerals in that sequence, and on the right hand side against each of the number is a round hole;
- (c) the **left hand top corner** of the ballot paper and the template is cut so as to enable the elector to place the template on top of the face of the ballot paper in the proper direction; and
- (d) when the template is placed properly over the ballot paper, each embossed or brailled number corresponds with the candidate

number or the number of a list of candidates; and each of the holes on the template corresponds with the circle on the ballot paper against the candidate/the list number. The number of candidates/lists in the constituency equals the number of holes under which there is ballot paper.

In the case of an election in respect of a GC/DC (second) FC or an ordinary FC which adopts the “list system of proportional representation” or “first past the post voting system”, the visually impaired elector should apply the chop (with a “✓” sign) provided on the circle through the hole on the template against the candidate/the list number(s). In the case of an election for one of the 4 SFCs which adopts the “preferential elimination system”, the visually impaired elector should mark numbers starting from 1 on the ballot paper through the hole against the candidate numbers of his choice, in descending order of preference. Whenever it is necessary, the polling staff will help the visually impaired elector to identify the different ballot papers before the elector proceeds to mark his vote.

7.42 No person may canvass or display any election propaganda material relating to any candidate/list of candidates or the election within a polling station. Candidates and their agents should not bring electioneering literature into the polling station or leave them there and should remove any promotional badges, emblems, clothing and head-dress before entering. A person must not use a sound amplifying system or device for any purpose within the NCZ; nor should he use such system or device or conduct any activities (eg lion dance), for canvassing, so that the sound emitted by it can be heard in the NCZ. However, an officer of the CSD may on the polling day use a sound amplifying system or device in the NCZ of a dedicated polling station situated in a prison for the performance of his/her duties [ss 40(19) and 41(1A) of the EAC (EP) (LC) Reg]. Also, a person must not stay or loiter in the NSZ without the express permission of the PRO [s 41 of the EAC (EP) (LC) Reg]. Any person who undertakes photographing, filming and video or audio

recording within a polling station without the express permission of the PRO, the RO for the constituency, or a member of the EAC, commits an offence and will be liable to a fine at level 2 (up to \$5,000) and imprisonment for 6 months [s 45(2) and (7) of the EAC (EP) (LC) Reg]. Normally such permission is only granted to members of the media or government photographers for publicity purposes. Polling agents should also read Parts I to VI of Chapter 5 on all matters relating to polling and in particular, paras. 5.42 to 5.45 for activities that are prohibited, and the consequences of conducting such activities, in a polling station.

7.43 If a candidate or his election or polling agent has any complaint about whatever happens inside a polling station, he should follow the procedures laid down in Chapter 20 on Complaints Procedure of these Guidelines.

PART VIII : COUNTING AGENTS

Appointment

7.44 A candidate (or a list of candidates) may appoint not more than such number of counting agents as will be specified by the EAC to attend at the count at a counting station and to observe the sorting of ballot papers at a ballot paper sorting station [ss 2(6) and 66(1) and (2) of the EAC (EP) (LC) Reg]. The same persons may, but need not, be appointed also as polling agents.

7.45 The appointment should be made on a specified form. In the case of a list of candidates, the appointment must be made jointly by all the candidates on the list [ss 2(6) and 66(7) of the EAC (EP) (LC) Reg]. The candidate (or in the case of a list of candidates, any one of the candidates on the list) must give notice of such appointment in writing to the RO at least 1

week before the date of election [ss 2(6) and 66(5) of the EAC (EP) (LC) Reg]. Where a candidate appoints a counting agent after the above deadline, the notice of the appointment must be given by the candidate (or in the case of a candidate list, any one of the candidates on the list) or the election agent **personally** by delivering the notice of appointment to the PRO (or the RO in the central counting station) during the period from the commencement of the poll to the conclusion of the count or the completion of the sorting of ballot paper as the case may be, but before the agent concerned enters the counting station or the ballot paper sorting station [ss 2(6) and 66(6) of the EAC (EP) (LC) Reg]. The appointment will not be effective until the notice of appointment is received by the RO or the PRO, as the case may be [ss 2(6) and 66(8) of the EAC (EP) (LC) Reg].

Revocation

7.46 The appointment of a counting agent may be revoked by the candidate (or in the case of a list of candidates, all the candidates on the list) at any time. The candidate (or in the case of a list of candidates, any one of the candidates on the list) must also give notice of revocation in writing and in the specified form to the RO [ss 2(6) and 66(9) and (10) of the EAC (EP) (LC) Reg]. Any such notice given on the polling day shall be given by the candidate (or in the case of a list of candidates, any one of the candidates on the list) or his election agent **personally** by delivering the notice to the PRO (or the RO in the central counting station) [ss 2(6) and 66(11) of the EAC (EP) (LC) Reg]. A revocation of an appointment of a counting agent will not be effective until notice thereof is received by the RO or the PRO, as the case may be [ss 2(6) and 66(12) of the EAC (EP) (LC) Reg].

Role of Counting Agents

7.47 Counting agents are appointed to attend at:

- (a) the counting stations to observe the breaking of the seals on the ballot boxes, the sorting, separation and counting of ballot papers and the counting of votes recorded on the valid ballot papers; or
- (b) the ballot paper sorting stations to observe the breaking of the seals on the ballot boxes received from dedicated polling stations and the sorting of the GC ballot papers cast at the dedicated polling station.

This arrangement ensures the transparency of the counting and sorting process and is conducive to openness and fairness. [See Part VII and VIII of Chapter 5: Polling and Counting Arrangements.]

Provisions which the Counting Agents should be aware of

7.48 Before the counting of votes or sorting of ballot papers commences, every person authorised to be present at a counting station or a ballot paper sorting station, other than the police officers and members of the Civil Aid Service on duty, must make a Declaration of Secrecy on a specified form and observe the provisions governing the secrecy of voting [s 95 of the EAC (EP) (LC) Reg]. This is to make sure that, subject to penalty of making a false declaration, all persons inside a counting station or a ballot paper sorting station will observe the secrecy of the vote of the elector and, in particular, not to divulge which elector has voted for which candidate and/or list of candidates. Members of the public present within the area designated by the PRO or the CRO or the RO will not be required to make a Declaration of Secrecy.

7.49 On attending the counting station, a counting agent shall report to the relevant PRO or RO, as appropriate and produce his identity card and the Declaration of Secrecy completed by him for inspection [s 68(4) of the EAC (EP) (LC) Reg].

7.50 On attending the ballot paper sorting station, a counting agent shall report to the PRO of the ballot paper sorting station and produce his identity card and the Declaration of Secrecy completed by him for inspection. [ss 2(6) and 68(4) of the EAC (EP) (LC) Reg].

7.51 Generally speaking, counting agents are entitled to be present throughout the count to observe the relevant counting proceedings. They will be allowed by the PRO or the RO to stay close to, and round the counting tables to monitor the count. Nonetheless, they must not handle any ballot papers. A counting agent **may**:

- (a) observe the breaking of the seals on the ballot boxes and the opening of the ballot boxes for the relevant constituency by the PRO, RO or AROs;
- (b) inspect any papers other than ballot papers taken from the ballot boxes before they are disposed of;
- (c) observe the conduct of the count by counting officers including how ballot papers relating to a constituency are separated from those relating to other constituencies and how individual votes are counted; and
- (d) observe, where he wishes, the packing of ballot papers by the counting officers and PRO or the RO, as the case may be, at the conclusion of the count.

7.52 A counting agent in a ballot paper sorting station may:

- (a) observe the opening of the GC ballot boxes received from dedicated polling stations;

- (b) inspect any papers other than cast GC ballot papers taken from the ballot boxes before they are disposed of;
- (c) observe the counting of the GC ballot papers in each ballot box;
- (d) observe the sorting of the aforesaid GC ballot papers according to each GC; and
- (e) observe the sealing of the receptacles containing the sorted GC ballot papers before they are delivered to the PRO of the respective main counting stations of the relevant GCs.

7.53 A counting agent **MUST NOT**:

- (a) handle, separate or arrange ballot papers; and
- (b) misconduct himself in or in the vicinity of a counting station or a ballot paper sorting station, or fail to obey any lawful order of the PRO or the CRO or the RO, as the case may be, otherwise he commits an offence punishable with a fine and imprisonment and may be ordered by the PRO or the CRO or the RO to leave the area. If he fails to leave immediately, he may be removed by a police officer or by any other person authorised in writing by the PRO or the CRO or the RO to remove him. The person so removed may not re-enter the counting station or the ballot paper sorting station during that day except with the permission of the PRO or the CRO or the RO, as the case may be [ss 2(6) and 69 of the EAC (EP) (LC) Reg].

7.54 Counting agents should read Part VII and Part VIII of Chapter 5 on all matters relating to sorting of ballot papers and counting of votes and in particular, paras. 5.53 to 5.57 and paras. 5.62 to 5.66 for activities that are prohibited and the consequences of conducting such activities, within the ballot paper sorting station and counting station.

CHAPTER 8

ELECTION ADVERTISEMENTS

PART I : WHAT CONSTITUTES AN ELECTION ADVERTISEMENT

8.1 EA means:

- (a) a publicly exhibited notice, leaflet, circular, bill, booklet, placard or poster; or
- (b) a notice, leaflet, circular, bill, booklet, placard or poster delivered by hand or electronic transmission; or
- (c) a public announcement made by radio or television or by video or cinematographic film; or
- (d) any other form of publication,

published for the purpose of promoting or prejudicing the election of a candidate or candidates at the election [s 2 of the ECICO and s 2 of the EAC (EP) (LC) Reg].

IMPORTANT :

“Candidate” includes a person who has publicly declared an intention to stand for an election at any time before the close of nominations for the election, whether or not he has submitted a

nomination form [s 2 of the ECICO]. The reference of “candidate” in this chapter includes a list of candidates in a GC/DC (second) FC to which the list system of proportional representation applies.

“Publish” means print, display, exhibit, distribute, post up, publicly announce or make publicly known by any other means, and include continue to publish [s 104 of the EAC (EP) (LC) Reg].

Any person who authorises the publication of an EA is taken to have published the EA [s 104 of the EAC (EP) (LC) Reg].

8.2 **EA** includes the following if it is published for the purpose of promoting or prejudicing the election of any candidate or candidates in an election:

- (a) any address, notice, bill, placard, poster, board, banner, roll-up banner, flag, standard, colour, sign, message, sound, image or picture and any article, thing or material;
- (b) audio/video cassette tapes, discs, diskettes, electronic messages, websites, facsimile transmissions, balloons, badges, emblems, carrier bags, head-dress and clothing; or
- (c) any thing or material published by any person or any organisation, including political organisation, professional or trade organisation, owners’ corporation, mutual aid committee, tenants’ association, owners’ committee, etc (irrespective of whether or not the

candidate concerned is its office-bearer or a member) showing his or its support for any candidate or list of candidates or advertising the platform or services of such an organisation with reference to a candidate or list of candidates by name or photograph or in any other form or manner.

8.3 EA also includes:

- (a) publicity materials containing the name or photograph of a candidate or list of candidates issued or displayed during the election period (ie the period beginning on the first day of the nomination period for the election and ending on the day on which the polling for the election ends, or on the day on which a declaration is made in accordance with ss 42C or 46 of the LCO or s 22C of the EAC (EP) (LC) Reg) even though the content of the publicity material is not, on the face of it, election-related. Examples include surveys, questionnaires, posters publicising functions like vegetarian meals, tours, courses, offer of free legal or medical or other professional service, etc; and
- (b) in accordance with s 104(4) of the EAC (EP) (LC) Reg, a document published by a candidate **during** an election period that gives details of the work done by the candidate in the capacity of:
 - (i) the Chief Executive; or
 - (ii) a member of the LegCo; or
 - (iii) a member of a DC; or
 - (iv) a member of the Heung Yee Kuk; or

- (v) the Chairman or Vice-Chairman or a member of the Executive Committee of a Rural Committee within the meaning of s 3(3)(a) of the Heung Yee Kuk Ordinance (Cap 1097); or
- (vi) a Village Representative (“VR”).

8.4 A candidate in an election may put up and display EAs in accordance with these guidelines which summarise the relevant law and regulations.

[Subject to the enactment of the relevant amendments to the EAC (EP) (LC) Reg. and the ECICO, paras. 8.1 and 8.3 above will be incorporated in the finalised guidelines.]

Election Advertisements Prejudicing the Election of a Candidate

8.5 There are occasions that candidates or a third party may publish EAs for the purpose of prejudicing the election of a candidate at the election. The concept of “promoting” and “prejudicing” the election of someone can be relative. To publish a document which is designed to persuade electors not to vote for one candidate would have the effect of improving the chances of success of other candidate(s) and could therefore be said to promote the latter’s election.

- (a) If candidate A criticises candidate B in his own EAs with a view to prejudicing B’s candidature at the election, candidate A has to include the expenditure incurred in his election expenses.
- (b) If a third party criticises candidate B in an EA and that the EA has the effect of indicating support for candidate A, that person must

obtain candidate A's prior consent for incurring the production expenses before he produces that EA. The expenditure incurred will have to be included in candidate A's election expenses.

- (c) If the third party publishes an EA as described in (b) above without the prior consent of candidate A, he will be breaching s 23 of the ECICO as only a candidate or a person who has been duly authorised by a candidate as his election expense agent may incur election expenses. The EA should be regarded as the EA for candidate A. It would only be fair to candidate A that the third party needs to obtain candidate A's consent before publishing such EA since candidate A is ultimately responsible for his own election expenses. It would also prevent candidate A from circumventing the law by asking the third party to publish materials prejudicing candidate B without having to account for the expenses of those materials.

8.6 Materials published by any person, including a candidate, for the purpose of prejudicing a candidate or candidates are treated as EAs, if reference could be made from the materials to identify the candidate(s) being prejudiced.

8.7 The **election expenses** allowed by law to be incurred by a candidate include the expenses he incurs for the preparation and publication of EAs, and he should therefore be careful in planning how much he should spend on this score. [For the definition of election expenses, see s 2 of the ECICO.]

8.8 Subject to the maximum amount that can be incurred by a candidate for election expenses [s 24 of the ECICO], there is no restriction as to the quantity of EAs employed by him. The maximum amounts allowed for the elections of GCs and FCs are specified in the Maximum Amount of Election Expenses (Legislative Council Election) Regulation. [See para. 16.8 of Chapter 16.]

8.9 A candidate must ensure the correctness and accuracy of all factual statements in his EAs. [For criminal sanctions, see ss 25, 26 and 27 of the ECICO.]

PART II : PERIOD AND AREA OF DISPLAY

8.10 With the necessary **written permission or authorisation**, a candidate may display EAs on government or private land and property [s 104A of the Public Health and Municipal Services Ordinance (Cap 132) and s 4 of the Land (Miscellaneous Provisions) Ordinance (Cap 28)].

8.11 Display spots are classified into two types:

- (a) **designated spots** which are spots on government land/property and sometimes even at the premises owned or occupied privately that have been made available to the Government for allocation to candidates of the 5 GCs and the 29 FCs; and
- (b) **private spots** which are spots on private land/property in respect of which written permission or authorisation for display has been obtained from the owner or occupier concerned by the candidate himself.

Government or Private Land/Property - Designated Spots

8.12 Designation of designated spots for the use of **contested** candidates to display their EAs will be made by the RO for the GC in which the spots are situated. Some of the government land and property have been allocated to some public authorities, such as the Housing Authority, and are

under their respective control. The RO for the GC (who in most cases will be one of the District Officers of the Districts encompassed by the GC) may designate spots on such allocated land in coordination with the said authorities and the ROs for the other constituencies. In the case of GC/DC (second) FC, the designated spots will be allocated to candidates by reference to and on the basis of lists. **Each list of candidates competing in the same constituency will be allocated the same number of designated spots.**

8.13 In addition to the designated spots for FC, there may be certain places on government or private land/property where candidates of the FCs (other than the DC (second) FC) may wish to display their EAs, because those places are frequented by members of their electorate. Where considered appropriate, the respective ROs will identify and designate suitable display spots in these places for allocation to candidates.

8.14 Prospective candidates as well as political organisations are welcome to suggest locations of display in which they are interested. The ROs concerned will take into consideration such suggestions in drawing up the list of “**designated spots**”, with absolute discretion to decide whether to adopt the suggestions.

NOTE :

Suggestions should reach the CEO not later than **8 weeks before the polling day.**

Other Land/Property - Private Spots

8.15 Candidates who wish to display their EAs on land/property other than government land/property and other than the designated spots must obtain the **prior written permission or authorisation** of the owner or occupier [s 104A of the Public Health and Municipal Services Ordinance (Cap 132)]. The obtaining of written permission or authorisation from the private owner or

occupier is a matter for private arrangement between the candidate and the owner or occupier, and they are therefore called “**private spots**”. A copy of the written permission or authorisation must be deposited with the RO for the relevant GC or FC before display. [Please also see para. 8.20 below.] Any consideration, fee or money incurred or agreed to be paid by or on behalf of the candidate to the owner or occupier for display of his EAs forms part of his election expenses. If a commercial advertising space for rent is allowed by the private owner or occupier to be used free of charge by a candidate for display of his EAs, a reasonable market value for the use of that space will have to be accounted for by the candidate as an election donation and counted as election expenses. Such a provision is to ensure that the candidate concerned will not have unfair advantage over the others who do not have access to such facilities. If the private spot for displaying the EA is normally used for commercial purpose, the actual rent charged or the usual rent or market rent that would normally be charged should be counted as the election expenses of the candidate concerned, irrespective of whether it is owned by the candidate or whether the owner of it allows the candidate to use it free of charge (in which case it would be a donation of the rent). Where a space provided by a particular private owner or occupier for a candidate to display EAs is not used for commercial advertising, but similar space belonging to other owners or occupiers is available for commercial advertising, the market value of the space should also be accounted for. The provision of this kind of rent-free space should be regarded as donation. For details on how the estimated value should be assessed, please refer to para. 16.21 of Chapter 16. If a space is not normally used by any private owners or occupiers for commercial advertising, there is no need for the candidate to account for its value.

8.16 The EAC appeals to owners and occupiers of private premises to give all candidates/lists of candidates competing in the same constituency **fair and equal treatment** in the display of EAs. [For details, please see Chapter 9 : Electioneering at the Living or Working Places of Electors, Premises of

Organisations to which Electors belong and Buildings which Electors Frequent.]

8.17 Candidates should note that public corporations may have their own rules for display of EAs, eg the Mass Transit Railway Corporation Limited has its own set of rules for such display in residential estates under its management.

Allocation of Designated Spots

8.18 Tentatively, designated spots will be allocated among the different constituencies in the following manner:

<u>Constituency</u>	<u>Percentage of total</u>
GCs	50
DC (second) FC	30-40
other FCs	10-20

No designated spot will be provided to a candidate who is returned uncontested.

8.19 The RO for each constituency will allocate the designated spots, as the case may be, to candidates of the constituency either in accordance with the mutual consent of the candidates or by the drawing of lots after the close of nominations, when the number of candidates contesting in the constituency will have been ascertained. **No display of EAs will be allowed on any designated spots before the allocation.** [Also see the requirements in para. 8.25 and Part V below.] Any EAs displayed by the candidates on Government land/property other than designated spots are unauthorised and will be removed, save those EAs displayed in connection with electioneering activities

conducted on Government land/property with approval by the authorities concerned. A candidate/a list of candidates will be provided with a list of the designated spots allocated to him/it, together with a set of standardised map or maps to help identify the locations.

Written Permission or Authorisation

8.20 The RO will have already obtained prior approval from the relevant authorities under s 104A(1) of the Public Health and Municipal Services Ordinance (Cap 132) and s 4 of the Land (Miscellaneous Provisions) Ordinance (Cap 28) for candidates to display their EAs at designated spots. Immediately after the allocation of designated spots is made, a copy of the necessary written permission or authorisation under the relevant legislation will be provided to the candidates by the RO of the constituency concerned [see Part III below]. For any display on private premises, written permission or authorisation of the private owner or occupier will have to be obtained by the candidates themselves [s 104A(1) of the Public Health and Municipal Services Ordinance (Cap 132)]. A person displaying an EA without the necessary written permission or authorisation commits an offence punishable by a fine of up to \$10,000 and, where the offence is a continuing offence, by an additional daily penalty of \$300 for each day during which it is proved to the satisfaction of the court that the offence has continued [s 104A of the Public Health and Municipal Services Ordinance (Cap 132)]. The fines so incurred will also be treated as election expenses. A copy of all the permissions or authorisations obtained by a candidate himself, as opposed to those provided to him by the RO, must be provided by him for public inspection in the manner as set out in para. 8.41 below.

No-Display Areas

8.21 No EA may be displayed within the boundaries of a polling station (including the outer walls of the premises) or within any **NCZ** [see

Chapter 14: Prohibition Against Canvassing Activities Outside Polling Stations], except for static displays that are authorised by the RO or the PRO of the relevant polling station. Where there are private premises situated within the NCZ, the ROs should issue a notice in advance to all the candidates in the constituencies concerned asking them to remove all of their EAs, if any, posted up at the private premises within the NCZ which can be seen by electors on their way to the polling stations on the polling day. If the candidates fail to remove the EAs as requested by the ROs, the ROs may issue a warning to them to remove the offending EAs immediately. If the candidate /list of candidates fails to do so, the EAC may issue a censure or reprimand. The RO for the constituency for which a candidate/a list of candidates stands will provide the candidate/the list of candidates with 1 set of sketch maps or plans showing the boundaries of all polling stations in respect of the relevant constituency and all NCZs outside those polling stations.

8.22 EAs on display must not distract motorists or interfere with the sight lines of motorists and pedestrians, obscure any traffic sign or traffic light signal, or obstruct the circulation of pedestrians. Thus, there will be no designated spots on or over flyovers, bridges including footbridges, central dividers of roads, lamp posts, road signs and railings at corners of road junctions or at or near pedestrian crossings, bus stops and bus termini.

[Subject to the enactment of the relevant amendments to the EAC (EP) (LC) Reg and the ECICO, para. 8.20 above will be incorporated in the finalised guidelines.]

PART III : ALLOCATION OF DESIGNATED SPOTS

8.23 A candidate/a list of candidates of a constituency can obtain the following information from the RO for that constituency at the time of submitting the nomination form :

- (a) the general locations of the designated spots, which may include unleased government land and premises managed by the Housing Department and the Hong Kong Housing Society, and private premises available for allocation to the candidates for a particular constituency. The size and number of spots for allocation will be finalised by the RO, taking into account the number of candidates in the constituency, **after** the close of nominations. In order to allow all contested candidates to display their EAs at all locations, particularly popular ones, the size of each spot may vary from location to location; and
- (b) the date and time for conducting the allocation of designated spots, which would normally be held within 3 days following the close of nominations. The RO will invite representatives from the relevant authorities relating to government land/property, save those who have already given a blanket approval, to be present to give the necessary written authorisation for the spots allocated.

8.24 The ROs will need to know the exact number of candidates/lists of candidates in each constituency who wish to display EAs at designated spots within a particular GC area, so that they can finalise the number of designated spots and their size for allocation. Therefore, candidates/lists of candidates concerned **must register their interest in writing by filing a completed form to the relevant RO within the nomination period. Only candidates of contested constituencies will be allocated with designated spots.**

8.25 Designated spots are allocated by agreement of the representatives of all the contested candidates/lists of candidates of a constituency or by the drawing of lots. After allocation of the spots and the necessary authorisations have been obtained from the relevant authorities [s 104A of the Public Health and Municipal Services Ordinance (Cap 132) and s 4 of the Land (Miscellaneous Provisions) Ordinance (Cap 28)] and after complying with the requirements set out under Part V, the candidate/the list of candidates may display EAs at such spots allocated to him/it.

8.26 A copy of all the permissions or authorisations obtained by a candidate himself, as opposed to those provided to him by the RO, must be provided by him in the manner as set out in para. 8.41 below [s 105 of the EAC (EP) (LC) Reg].

8.27 Designated spots allocated are not transferable. Nor are they exchangeable with other spots. Where a candidate of a particular constituency no longer wishes to use one or more designated spots allocated to him, he should inform the RO of that constituency in writing within 1 week after the allocation of those spots. At a contested election, upon request by any other candidate of the same constituency, the RO, if he considers appropriate, will re-allocate by agreement or by the drawing of lots the designated spots amongst all other candidates who are eligible to be allocated with designated spots of the same constituency. In such a case, paras. 8.25 and 8.26 above apply.

NOTE :

In some cases, designated spots allocated in the first round of allocation are left unused for various reasons. The RO may re-allocate such spots to the relevant candidates by mutual consent or the drawing of lots. Candidates may wish to plan accordingly their resources in respect of EAs.

8.28 Authorisation to display will generally not be given to a GC list of a GC in respect of spots outside the constituency in which the GC list stands, save in exceptional circumstances, as directed or decided by the CEO. The CEO may in principle agree to display outside a particular constituency generally or upon application by a GC list of candidate(s). A GC list who wishes to apply for display of EAs outside its constituency should write to the CEO to state the reasons for its application as soon as possible after its nomination form has been handed in, so that (if the CEO agrees in principle) there may be sufficient time for the RO for the constituency to include spots outside the constituency in an allocation exercise.

8.29 An EA advertising 2 or more lists of candidates of different GCs/DC (second) FC jointly publishing it is, however, allowed to be displayed on the designated spots in the respective GCs allocated to such lists. Similarly, an EA advertising 2 or more FC candidates or both FC candidates and GC/DC (second) FC lists jointly publishing it is allowed to be displayed on the designated spots allocated to the candidates/lists concerned. Nevertheless, it is important to ensure that the total number of spots as well as the total area of all the spaces actually occupied for joint advertisements and for advertising each one of the joined candidates/lists of candidates (ie measured by the dimension of EAs) do not exceed the total number of spots as well as the total area of the designated spots allocated to each of the candidates/the lists of candidates, and subject to the size restrictions specified in para. 8.33 below. Through joint advertisement, the candidates concerned promote themselves at the election, and so each of the candidates would benefit from the joint advertisement. The expenses incurred for the joint EAs will therefore have to be borne by the candidates concerned in equal or unequal shares as their respective election expenses, to be calculated by the proportion of the size of the portion advertising each. In this connection, it is important to note that only a candidate himself or his election expense agent may incur election expenses on his behalf [s 23 of the ECICO]. In order to comply with the

requirement stipulated in s 27 of the ECICO, the candidates concerned also have to seek prior written consent of support from each other before publishing the joint EA. [See also paras 7.18 to 7.20 of Chapter 7: Appointment and roles of election agent, election expense agents, polling agents and counting agents and para. 18.10 of Chapter 18: Namedropping.]

[Subject to the enactment of the relevant amendments to the EAC (EP) (LC) Reg and the ECICO, para. 8.26 above will be incorporated in the finalised guidelines.]

PART IV : CONDITIONS AND LIMITATIONS ON DISPLAY

Name of the Constituency

8.30 To avoid possible confusion to electors, EAs of all candidates of the GCs and all the FCs must bear the name of the constituency for which the candidate concerned is standing. Similarly, in respect of joint EAs, the name of the constituency (be it functional or geographical) should be stated clearly in relation to each of the candidates advertised. Either the full name of the constituency or its abbreviated name (to be advised by the RO for the constituency) may be used, dependent on the choice of the candidate for the constituency.

8.31 Likewise, all candidates should make known to the electors the name of their respective constituencies when they conduct joint canvassing activities.

Re-use of Old Publicity Boards

8.32 A candidate may re-use old publicity boards used at a previous election. However, any information in relation to the previous election, eg the candidate number, name of constituency, party affiliation and names of persons who supported the candidate at that election, should be fully obliterated before any old publicity board is re-used. This would not only avoid confusion to electors but would also help the candidate to avoid laying himself open to allegations of false claim of support of persons who might not have consented to support him at the current election. The cost incurred in refurbishing as well as the estimated value of the old publicity boards will be counted towards the candidate's election expenses.

Size

8.33 As a general rule, EAs displayed at designated spots should not exceed 1 metre high and 2.5 metres long. Before displaying EAs, candidates are reminded to ensure that the EAs must not distract motorists or interfere with the sight lines of motorists and pedestrians, obscure any traffic sign or traffic light signal, or obstruct the circulation of pedestrians. For the rules on display of joint advertisement, see para. 8.29 above.

Mounting and Installation

8.34 The mounting and display of EAs must not cause any risk to life or property.

8.35 Permanent fixing devices, such as nails or insoluble glue, should not be used.

8.36 Use “tie-on” posters (rather than “stick-on” posters) to facilitate subsequent removal.

8.37 Do not stick posters on painted or varnished surfaces as their subsequent removal will cause damage or leave irremovable marks.

8.38 Do not erect any structure on pavements, eg nailing boards to the ground.

8.39 Owners or occupiers of a property including a government authority may specify the way in which EAs are to be displayed, and may require an indemnity against any claim or damage arising from the display of such materials.

Dismounting

8.40 All candidates should remove all their EAs displayed on government land/property **within 10 days** following an election. Failure to do so may result in prosecution being brought against the offending candidate and such advertisements removed and seized by the relevant authority. Relevant authorities will issue demand notes for the removal costs to the candidates concerned within 21 days after the election results have been published in the Gazette (normally the Friday after the polling day). The **cost of removal** will be construed as **election expenses** and the candidates must include all these costs in their election returns which must be submitted not later than 60 days after the publication in the Gazette of the election results, or not later than 60 days after the declaration of the termination of the election proceedings under the relevant electoral law, or not later than 60 days after the declaration of the failure of the election under the relevant electoral law [s 37 of the ECICO].

PART V : REQUIREMENTS RELATING TO PUBLICATION OF ELECTION ADVERTISEMENTS

Copies for Public Inspection

8.41 A candidate must make available a copy of each of his EAs, and the relevant information/documents (see **Appendix E**) including publication information, permission or consent in relation to the EAs for public inspection **within 1 working day after publication of the EAs** by the following means:

- (a) posting an electronic copy each of all his EAs and the relevant information/documents onto an open platform⁷ maintained by the CEO or a person authorised by the CEO (“Central Platform”) in accordance with the procedures set out in **Appendix E**;
- (b) posting an electronic copy each of all his EAs and the relevant information/documents onto an open platform maintained by the candidate or a person authorised by the candidate (“Candidate’s Platform”) and provide the **electronic address** of the platform to the CEO **at least 3 working days before publication of the first EA (For details, please see Appendix E)**;
- (c) if it is technically impracticable to comply with (a) or (b) above for EAs published through an open platform on the internet (such as when messages are sent through social networking or communication websites on the Internet like Twitter, Facebook, blogs etc. and the exchanges are of an interactive and spontaneous nature), posting a hyperlink of such open platform

⁷ Open platform means a platform operated through the Internet to which the public has access without having to go through an access control process put in place for that platform.

on the Candidate's Platform or the Central Platform in accordance with the procedures set out in **Appendix E**;

- (d) providing 2 hard copies each of the EAs (or 2 identical postcard sized colour photographs of each EA which cannot be practically or conveniently photocopied) and 1 hardcopy each of the relevant information/documents to the RO; or
- (e) providing 2 identical copies of a CD-ROM or DVD-ROM each containing the EAs and 1 hardcopy each of the relevant information/documents to the RO.

[S 105 of the EAC (EP) (LC) Reg.]

Publication Details

8.42 A candidate should provide information related to the printing/publication of his EAs (including date of printing/publication and number of copies printed) when posting the EAs onto the Candidate's Platform or Central Platform or submit the information in a specified form to the RO **within 1 working day after publication of the EAs** (see **Appendix E**). A candidate must ensure the correctness and accuracy of all the information provided.

8.43 Where the information provided to the RO as set out in para. 8.42 above contains a mistake, the candidate should post such corrective information onto the Candidate's Platform or Central Platform or submit the corrective information in a specified form to the RO for public inspection. All such corrective information must be posted onto the Candidate's Platform or Central Platform or deposited with the relevant RO **2 working days after the polling day, the latest**. The information will be used as one of the basis for checking

the candidate's election return and for the removal of unauthorised or offending EAs.

8.44 All EAs displayed must be posted onto the Candidate's Platform or the Central Platform or deposited with the RO by the candidate for public inspection in the manner specified in this Part V.

8.45 A candidate must not display his EAs other than at the places permitted or authorised.

8.46 Speeches orally delivered by a candidate during election meetings or ad hoc visits will not be treated as EAs but the copies of the speech provided to the audience or media will be regarded as printed EAs. Therefore, the candidates concerned are required to comply with all the requirements in this Chapter as applicable to EAs in the distribution of the copies and for public inspection.

8.47 In the circumstances where candidates contesting different constituencies use identical copies of an EA, each candidate/list of candidates concerned should each post an electronic copy of the EA and the relevant information/documents onto his/its Candidate's Platform or the Central Platform or deposit a copy of the EA and the relevant information/documents with the RO(s) concerned.

8.48 Copies of the EAs and the relevant information/documents must be made available for public inspection till the end of the first anniversary from the date on which the election result is published [s 105 (7) of the EAC (EP) (LC) Reg]. A candidate electing to comply with para. 8.41(b) above must ensure that the Candidate's Platform is maintained till the end of the first anniversary from the date on which the election result is published [s 105(2)(b) of the EAC (EP) (LC) Reg]. The CEO will also publicise the Central Platform and the electronic address of the Candidate's Platform to facilitate

public inspection of the EAs. For a candidate electing to comply with para. 8.41(d) or (e) above, the RO concerned will make available a copy of the EAs and the relevant information/documents for public inspection at a specified address as soon as practicable after copies of such EAs and information/documents have been furnished [s 105(7) of the EAC (EP) (LC) Reg].

[Subject to the enactment of the relevant amendments to the EAC (EP) (LC) Reg, the revised paras. in Part V above will be incorporated in the finalised guidelines.]

PART VI : REQUIREMENTS RELATING TO PRINTED ELECTION MATERIALS

Printing Details

8.49 All printed EAs, with the exception of those printed in a registered local newspaper, should bear printing details in Chinese or English, which includes the name and address of the printer together with the date of printing and the number of copies printed. It applies to all materials reproduced by any method of multiplying copies (eg printing machines, duplicators or photocopiers). The following are some suggested formats:

- (a) Printed by ABC Printing Works,
XX XZY Street, HK
On (date) in (number) copies

or

- (b) Printed by own office machine
 XX XZY Street, HK
 On (date) in (number) copies

[S 105(4) and (6) of the EAC (EP) (LC) Reg.]

Election Advertisements Placed in Print Media

8.50 Where an EA is placed in the print media and takes the form of a news report or any other form which does not clearly show that it is an EA, the words “**Election Advertisement**” or “**選舉廣告**” must be stated in the advertisement, to avoid misunderstanding by readers that it is not an EA.

Inadvertent Omission of Printing Details

8.51 A candidate who has inadvertently omitted the printing details from his printed EAs can make a statutory declaration giving the omitted details, and deposit such declaration with the relevant RO **not later than 7 days after** the publication of the offending EA. Having taken this remedial step, he will not be prosecuted for contravention of s 105(4) of the EAC (EP) (LC) Reg. The statutory declaration will be made available for public inspection by the relevant RO till the end of the first anniversary from the date on which the election result is published [s 105(7) of the EAC (EP) (LC) Reg].

[Subject to the enactment of the relevant amendments to the EAC (EP) (LC) Reg, paras. 8.49 and 8.51 above will be incorporated in the finalised guidelines.]

PART VII : NON-COMPLIANCE AND CONSEQUENCES

Enforcement and Penalties

8.52 A candidate who fails to comply with the requirements set out in Parts V and VI above commits an offence and is liable to a fine at level 2 (i.e \$5,000) and to imprisonment for 6 months [s 105(9) of the EAC (EP) (LC) Reg].

8.53 Each candidate must observe and comply with the conditions imposed by the permissions or authorisations for the display of EAs. Any EAs displayed in contravention of these guidelines may be removed or seized. Candidates and their supporters should report any non-compliance to the RO and should not take removal action themselves.

8.54 Any unauthorised or offending EAs displayed may be seized, disposed of, destroyed, covered or obliterated by the RO or any person authorised by him as he thinks fit [s 107 of the EAC (EP) (LC) Reg]. The candidate or his election agent responsible may also be prosecuted and if convicted, may be liable to a fine or imprisonment [s 105(9) of the EAC (EP) (LC) Reg]. The cost of removal, being a civil debt, will be counted as election expenses. Such civil debt must be reported in the candidate's return and declaration of election expenses. The seized articles may be kept as evidence and will be disposed of or returned upon application, in accordance with the Public Health and Municipal Services Ordinance (Cap 132) or the Housing Ordinance (Cap 283), as the case may be, and the procedures of the relevant authority [s 104C of the Public Health and Municipal Services Ordinance (Cap 132) and s 24 of the Housing Ordinance (Cap 283)].

8.55 Each candidate must observe and comply with the conditions agreed between him and the owner or occupier of private land or property for the display of EAs, and any additional charges or damages that a candidate is liable to pay to the owner or occupier may be construed as election expenses.

8.56 Complaints should be made to the relevant RO. Upon complaints being received, the EAC may also issue public statements in such manner as it deems fit to censure or denounce any non-compliance with these guidelines. Although a censure may be a further detriment to the candidate in addition to his liability for removal expenses and criminal liability, the EAC will not hesitate to publish one in an appropriate case.

[Subject to the enactment of the relevant amendments to the EAC (EP) (LC) Reg., paras. 8.52 and 8.54 above will be incorporated in the finalised guidelines.]

Relief for Election Advertisements

8.57 A person, who publishes an EA without complying with the requirements as set out in paras. 8.41, 8.42, 8.43, and 8.49 above may apply to the CFI for an order allowing the publication of the EAs be excepted from the relevant requirement and relieving him from the penalties. The CFI may make such an order provided that the CFI is satisfied that the non-compliance was due to inadvertence, an accidental miscalculation or any reasonable cause and was not due to bad faith. [S 106 of the EAC (EP) (LC) Reg.]

PART VIII : ADVERTISEMENTS OF POLITICAL, PROFESSIONAL/TRADE BODIES OR OTHER ORGANISATIONS

8.58 Any thing or material published by any organisation, including political organisation, professional or trade organisation, owners' corporation, mutual aid committee, tenants' association, owners' committee, etc (irrespective of whether or not the candidate concerned is its officer-bearer or member) which advertises its platform or services during or **even before the election period with reference to the candidate** by name or photograph or otherwise may be treated as EA put up by, or on behalf of, or on account of the candidate. The expenses for doing so may be construed as election expenses incurred by or on behalf of the candidate. It is therefore a prudent step for the relevant organisations to suspend their advertising activities. However, if the material published by the organisation concerned, as opposed to the candidate himself, advertises only a particular activity, which:

- (a) is organised from time to time either as part of the organisation's normal functions, and/or according to the local tradition;
- (b) is not related to the election; and
- (c) does not explicitly or implicitly promote or prejudice the election of a candidate in the election,

then the appearance in the published material of the name and/or photograph of a candidate who is involved in organising the activity should not be regarded as an EA.

8.59 It is an offence for anyone to incur election expenses unless he is a candidate or an election expense agent of a candidate [s 23 of the ECICO].

8.60 Candidates should protect their own interest by advising their political bodies or their organisations of these guidelines as soon as they have any intention or plan to run for an election.

8.61 To sum up the important points, where any organisation, including a political organisation, publishes an EA promoting a candidate:

- (a) the expenses incurred will be treated as the candidate's own election expenses;
- (b) the officer-in-charge of the organisation needs to be authorised by the candidate to be the candidate's election expense agent, or else it or the responsible person commits an offence under s 23 of the ECICO;
- (c) such advertisement must comply with the requirements of s 34 of the ECICO and s 105 of the EAC (EP) (LC) Reg; and
- (d) such advertisement can only be displayed at the spots authorised to the candidate.

PART IX : FREE POSTAGE FOR ELECTION ADVERTISEMENTS

Conditions for Free Postage

8.62 A list of candidates for a GC/the DC (second) FC or any other FC candidate who is declared to have been validly nominated in the notice of nomination published in the Gazette in accordance with regulations made under the EACO is permitted to post free of postage 1 letter to each elector in the

constituency for which the list/or the candidate is nominated [s 43 of the LCO]. However, before the publication of the notice of nomination, a candidate wishing to exercise his right to free postage may be required to furnish the Postmaster General with a security for the payment of postage in the event that his name is not subsequently shown in the notice [s 6(2)(a) of the Post Office Regulations (Cap 98A)].

8.63 The purpose of the free postage is to enable the candidate or candidates on the list to mail EAs to promote or advertise himself/themselves and in relation to that election to electors in the constituency. The free postage, which is the privilege of the candidate(s), cannot and should not be used for any other purpose or any other election or for promoting or advertising any other person.

8.64 A candidate/a list of candidates, who/which is validity nominated for a GC, the DC (second) FC and the Labour FC, may choose to send joint election mails to electors [s 101A of the EAC (EP) (LC) Reg and s 43 of the LCO] in the manner as described in paras. 8.65 to 8.67 below.

8.65 The letter sent by a list of candidates validly nominated for the GC may contain information on:

- (a) any number of list of candidates which is also validly nominated for that GC;
- (b) 1 single list of candidates which is validly nominated for the DC (second) FC; or
- (c) 1 single list of candidates which is validly nominated for the DC (second) FC and any number of list of candidates which is also validly nominated for that GC.

[S 43(4A) of the LCO.]

8.66 In the case of the DC (second) FC, the letter sent by a list of candidates may contain information on any number of list of candidates which is also validly nominated for 1 single GC. [S 43(4B) of the LCO.]

8.67 In the case of the Labour FC, the letter may contain information on any other candidate who is also validly nominated for that constituency. [S 43(4C) of the LCO.]

8.68 The letter as described in paras. 8.65 to 8.67 above will not be regarded as the letter sent by that other candidates/lists of candidates. This means that other candidates/lists of candidates are still entitled to each send free of postage 1 letter addressed to each elector of the constituency concerned. [S 43(4D) of the LCO.]

8.69 Specifically, the letter must:

- (a) be posted in Hong Kong;
- (b) subject to paras. 8.65 to 8.67 above, contain materials relating only to the candidature of the candidate or candidates on the list, at the election concerned;
(**Note:** For example, candidates are not permitted to use the letter to conducting opinion surveys, appeals for donations and recruitment of volunteers.)
- (c) not exceed 50 grams in weight; and
- (d) be not larger than 175 mm x 245 mm and not smaller than 90 mm x 140 mm in size.

It is important to note that under s 101A(3)(a) of the EAC (EP) (LC) Reg, the candidate or all the candidates on the list sending postage-free mail items to electors in bulk is or are liable for payment of postage for all items in that bulk if any item in the bulk does not meet requirement (a), (b), (c) or (d) above. In the case of joint election mails, candidates concerned should comply with the following requirements regarding (i) prior written authorisation to act as election expense agent; (ii) the sharing of expenditure in respect of the joint election mails among the candidates concerned for the purpose of submission of return and declaration of election expenses and donation; and (iii) the obtaining of written consent of support from each other before sending the joint election mails [see paras. 18.8 and 18.10 of Chapter 18: Namedropping].

[Subject to the enactment of the relevant amendments to the EAC (EP) (LC) Reg and the LCO, paras. 8.65 to 8.69 above will be incorporated in the finalised guidelines.]

Postal Requirements Stipulated by the Post Office

Make-up

8.70 The letter may take the form of envelope, lettergramme, card or folder. Items in roll form or enclosed in plastic wrappers are **not** acceptable.

8.71 Cards and folders must be made of ordinary cardboard or paper not less than 0.25 mm thick, and must be rectangular in shape.

8.72 When a wrapper is used, it must extend over the full length of the item which it encloses. Envelopes must not be fastened with staples or with paper fasteners with sharp edges or points, but they may be closed by means of an adhesive flap or tape.

8.73 Envelopes, folders and lettergrammes having an opening large enough to entrap smaller letters are prohibited. **Unsealed mail item** contained in envelopes with ordinary tuck-in flaps may be used up to the following size limits [s 6.3 of the Post Office Guide]:

Not over 90 mm in depth – opening not over 150 mm in length

Not over 100 mm in depth – opening not over 140 mm in length

Over 100 mm in depth – opening not over 115 mm in length

8.74 Folders of A4 size with openings should be closed by means of adhesive flap or tape so as to avoid entrapping smaller letters. All open edges must not be longer than 90 mm in width. Otherwise, adhesive tapes should be applied to the midpoints of the open edges to reduce the width. For details, please refer to the illustration in **Appendix F**.

8.75 **The characters “選舉郵件” or “選舉廣告” or words “Election Mail”, or “Election Advertisement” must be printed on the address (front) side of the election item, or the address side of the folder (unenvloped mail). The layout of the election items is as follows:**

Address Side of an Election Item**Back Side of an Election Item****Addressing**

8.76 To avoid delay or misdelivery, the full postal address should be typed or legibly written on the front of the envelope in 4 rows as follows:

Name of addressee

Floor and flat number and name of building

Street number, name of street

Name of district

8.77 Addressing slips may be used for the mailing of EAs provided that they are legible and **securely pasted** onto the election items.

8.78 The name(s) of the candidate(s) and other propaganda slogans, including photographs, should appear on the back or the front (address) side of the item. An address zone of at least 80 mm long and 30 mm high, preferably at the right-hand half or at the centre of the front (address) side for the address of an elector, should be reserved exclusively for the address. If an adhesive address label is used, it should not be less than 80 mm long and 30 mm high. The address label should only contain the name and address of elector(s) and be affixed to the address zone. The whole address zone and address label should be free of advertisement and should appear on the front side of the item. The

address zone and address label should be in white background colour while the characters of the postal address should be in black. [Please refer to para. 8.75 for better illustration.]

8.79 No postage-free EA bearing an address outside Hong Kong will be accepted. Specifically, **only 1 address of elector(s) should be shown on the postage-free election mail.**

Posting Arrangements

8.80 In order to allow adequate time for the Post Office to process the election mail during the election period, candidates are advised to make their postage-free EA postings **before the posting deadline as designated by the Post Office.** Candidates and their agents are therefore **reminded** that **postings made after the posting deadline may fail to reach the addressees before the polling day.**

8.81 **Candidates should apply to the Post Office for written approval of their EA specimens for free postage. They should carefully study the requirements governing free postage for EAs before deciding on the contents of their EAs and seek advice from the Post Office relating to postal requirements and the REO on other aspects as appropriate if in doubt. Candidates should make every effort to submit their EA specimens to the Post Office for approval as early as possible before mass production of their EAs so as to allow sufficient time for revising the contents of their EA specimens, if necessary.**

8.82 Candidates should present 3 unsealed specimens of their EAs, together with a Notice of Posting of Election Mail in duplicate (which will be provided by the REO at the time of candidates submitting their nominations) to the Manager(s) of the designated post offices/delivery offices for written approval of their EA specimens. **At least 2 clear working day's notice**

(excluding Saturday) must be given to the Manager(s) of the designated post office/delivery office before the postings are made. Candidates who wish to post joint election mails should indicate their intention in the Notice of Posting of Election Mail which should be signed jointly by all the candidates/election agents concerned. The specimens of joint election mails should be submitted to the Postmaster General for approval as well.

8.83 Candidates should post their postage-free mail at the respective post offices/delivery offices designated by the Post Office for the election concerned.

8.84 The postings should be made up in bundles of 50 or 100 each for easy counting. All election mails should face the same direction. To facilitate handling of huge volume of postings within a tight time schedule, **candidates of GCs and the DC (second) FC** are required to segregate election mail by District Council Constituency Areas when presenting their postings.

8.85 With each posting, the candidate or his representative must present a signed declaration (which will be given to a candidate by the REO upon his submission of nomination) **in duplicate** (original to be kept by the Post Office and the duplicate copy duly signed by the Post Office official and kept by the candidate or his representative as acknowledgement of the posting):

- (a) stating the quantity of packets in the posting and the name of the candidate;
- (b) declaring that the posting is his postage-free mail;
- (c) declaring that in the case of joint election mails at the election concerned each packet contains material relating only to the information as set out in paras. 8.65, 8.66 and 8.67 above, as the

case may be; is identical to the unsealed specimen submitted by the candidate/the list or his/their representative for inspection and retention by the Post Office; and

- (d) declaring that not more than 1 postage-free mail will be sent to any of the electors.

The declaration form will be provided to the candidates by the REO at the time of their submission of nominations. It is important to note that under s 101A(3)(b) of the EAC (EP) (LC) Reg, a candidate sending postage-free mail items to electors in bulk is liable for payment of postage for all the items in that bulk if the declaration made by him or his representative is false in any particular.

8.86 If a candidate makes posting in more than 1 batch, the same declaration form should be presented at the same post office/delivery office on each occasion.

8.87 Government reserves the right to charge a candidate postage where any of the requirements under s 101A(3) of the EAC (EP) (LC) Reg is not met or the free postage arrangements are abused in any way. The charge counts towards the candidate's election expenses and must be included in his return and declaration of election expenses and donations to be sent to the CEO. The EAC may also issue public statements in such manner as it deems fit to denounce any abuse of the free postage arrangements.

8.88 **The postal requirements stated in the above guidelines (paras. 8.70 – 8.86) are quoted for general reference only. Candidates should comply with the latest requirements issued by the Post Office at the time of the election concerned.**

**PART X : ELECTION ADVERTISEMENTS FOR REGISTERED
ELECTORS AND AUTHORISED REPRESENTATIVES
IN THE CUSTODY OF CSD AND OTHER LAW
ENFORCEMENT AGENCIES**

8.90 Candidates may send election advertisements to registered electors and ARs in the custody of the CSD and other law enforcement agencies according to their registered address or correspondence address (if any). For security reasons, the CSD has laid down a set of guidelines for sending election advertisements to registered electors and ARs in its custody at **Appendix Q**. Candidates should adhere to these guidelines.

8.91 Candidates may note that persons imprisoned or held in custody by the law enforcement agencies who are registered electors or ARs may access election-related information through the mass media in accordance with the existing policies of the law enforcement agencies on access to the mass media.

CHAPTER 9

ELECTIONEERING AT THE LIVING OR WORKING PLACES OF ELECTORS, PREMISES OF ORGANISATIONS TO WHICH ELECTORS BELONG AND BUILDINGS WHICH ELECTORS FREQUENT

PART I : GENERAL

9.1 There are occasions when candidates may wish to target their electioneering activities at an individual elector or a group of electors at:

- (a) his/their living/working place(s);
- (b) the premises of the organisation(s) to which the elector(s) belong;
or
- (c) the building(s) which the elector(s) frequent.

These electioneering activities include visits to, personal contact with people, using amplifying devices to advertise in the common parts of the building, display or distribution of EAs and holding of election meetings at, the places mentioned above. **Appendix G** gives some kind of reference as to what activity is to be regarded as an electioneering activity. This chapter explains the general guidelines to be observed by candidates in conducting electioneering activities, the rights of all concerned and appeals to the electors, the management bodies of the organisations to which the electors belong and the management bodies of the buildings which the electors frequent to **provide fair and equal treatment** to all candidates so as to ensure that elections are conducted fairly.

9.2 Candidates are reminded that different organisations may have their own guidelines to allow or disallow the conduct of electioneering activities on the premises under their management. To ensure the smooth conduct of electioneering activities in public or private places, it is always desirable for candidates to consult the relevant authorities or management in advance and to obtain permission from them for the conduct of electioneering activities in the places within their jurisdiction, if required.

9.3 The general guidelines to be observed for conducting electioneering activities at the living and working places of electors, premises of organisations to which electors belong and buildings which electors frequent are set out in Part III below. The specific guidelines to be observed for conducting electioneering activities in the premises managed by the Housing Department and the Hong Kong Housing Society are set out in **Appendix H**.

9.4 For the purpose of ensuring fair treatment and equal opportunity of access to all candidates in conducting electioneering activities and to avoid causing undue disturbance to the public, Part IV below provides the owners/management of premises and organisations with some guidelines in handling applications for conducting electioneering activities in the premises under their control.

PART II : RIGHTS OF TENANTS AND OWNERS

Tenant's Right - His House, Flat, Office or Factory

9.5 The tenant who has exclusive possession of a house, flat, office or factory, and not the owner, has the right to allow or deny access by anyone to the place.

Owners' Right - the Common Parts

9.6 The **common parts** of a building (those parts to which exclusive rights of use or occupation do not belong to a particular owner or tenant) are usually under the control and management of the owners of the various units in the building. Where there is an owners' corporation of the building incorporated under the former Multi-storey Buildings (Owners Incorporation) Ordinance or the present Building Management Ordinance (Cap 344), the control and management of the common parts are exercised by the owners' corporation representing all the owners of the building.

9.7 The carrying out of the powers and duties and the acts of an owners' corporation do not affect the rights of the tenants of the individual flats, offices or factories in the building except in relation to matters concerning the common parts. Candidates and tenants should note that as **a tenant** has exclusive possession of the unit that he occupies, he **has the right to invite anyone to visit his unit for any lawful purpose**, including electioneering, but he has no right to allow the invitee to approach other tenants' units, such as knocking on other people's doors, or to do anything in the common parts of the building, except for accessing and leaving his unit or for the purposes allowed by the owners.

Owners' Committees

9.8 In some buildings, no owners' corporation has been established, but instead an owners' committee is formed. While an owners' committee generally operates in the same manner as an owners' corporation, its powers vis-à-vis the rights of the individual owners are not standardised and may differ from case to case.

Management Companies

9.9 Very often, the management of the common parts of a building has been delegated by the owners or owners' corporation or owners' committee to a management company. Management companies are only managing the common parts on behalf of the owners and unless specifically empowered to do so, have no independent right or power to decide whether electioneering by candidates in the common parts should or should not be allowed.

Tenants' Associations, Residents' Associations, Mutual Aid Committees

9.10 Sometimes there are tenants' associations or residents' associations or mutual aid committees representing tenants' interests in buildings. As against the owners, they have no right to control or manage the common parts. If they are given the authority by the owners, then they are entitled to control and manage the common parts on behalf of the owners.

PART III : GUIDELINES TO BE OBSERVED BY CANDIDATES IN THE CONDUCT OF ELECTIONEERING ACTIVITIES

Visits to Living and Working Places of Electors

9.11 Candidates should note that electors have the right to allow or deny access by anyone, including the candidates, to their own living or working places. In other words, electors are free to invite, or accept the request from, a particular candidate(s), but not the others, to visit them at their living or working places.

9.12 However, access to a private office may require the approval of the management of the office building or the companies which employ the electors, and such management when making a decision should have due regard to the fair and equal treatment principle mentioned in Part IV below. In conducting electioneering activities at the common parts of the living or working places of electors, candidates should observe the general guidelines set out in paras. 9.15 to 9.22 below.

9.13 Any government offices, which are working places of electors, will be treated in the same manner as the premises referred to in this chapter. Government offices may allow or disallow electioneering activities as they wish, but such decision should comply with the fair and equal treatment principle mentioned in Part IV below.

9.14 Due to security reasons, arrangements will not be made to facilitate in-person canvassing activities in a prison or the premises of a law enforcement agency. A visitor, who visits a prison or the premises of a law enforcement agency for a business or official purpose, is not allowed to canvass for votes. This is to ensure that such a visitor will not have an advantage over other persons who cannot make the visit. A person, who canvasses for votes during the aforesaid visit, commits an offence punishable with a fine at level 2 (up to \$5,000) and imprisonment for up to 3 months [s 90A of the EAC (EP) (LC) Reg].

Respect for the Decision and Privacy

9.15 After a candidate/a list of candidates in a GC/DC (second) FC has been notified of the decision relating to electioneering activities, he/they should ensure that he/they and his/their supporters comply with the decision and should not avail himself/themselves of or obtain any unfair advantage over any other candidate/list(s) of candidates.

9.16 If a decision to disallow electioneering in an organisation or a building has been made, the candidate or his followers should conduct no electioneering activity in such places. If the candidate concerned acts against the decision of the organisation or building and electioneers in whatever manner, then he commits trespass and the organisation or building management can simply stop him from doing the contravening act or carry out the decision to exclude the candidates concerned. If the candidate refuses to leave, it would be wise in such circumstances for the organisation or building management, as the case may be, to report the matter to the Police in the first instance and then to the EAC or its Complaints Committee which may publish a reprimand or censure against the candidate concerned.

9.17 A candidate and his supporters should respect the decisions of the organisation or building management, and it is unwise to enter into **arguments** with members of the organisation or the building residents who obstruct the candidate's electioneering inside the premises of the organisation or the building. Such arguments may affect the candidate's reputation or image with members of the organisation or the residents of the building. Any dissatisfaction with the decision or act of the organisation or the building should more properly be made a subject of a complaint as soon as possible to the EAC or its Complaints Committee which will decide whether the decision or act is fair or unfair.

9.18 **Privacy of the electors should be respected.** The guidance notes on personal data privacy in respect of electioneering activities at **Appendix I**, prepared by the Office of the Privacy Commissioner for Personal Data ("OPCPD"), serves as a general reference on compliance with the requirements of the Personal Data (Privacy) Ordinance (Cap 486) ("PD (P) O") in relation to electioneering activities that may involve the collection and use of personal data of an individual. According to the aforesaid guidance notes, the act of canvassing for votes is not in contravention of the PD (P) O provided that handling of personal data is in compliance with the data protection principles in

schedule 1 to the PD (P) O. The aforesaid guidance notes also reminds candidates, inter alia, that:

- (a) individuals should be informed of the purpose of collection of their personal data when collecting the data directly from them for electioneering;
- (b) personal data should not be collected by deceptive means or by misrepresentation (eg collecting personal data in the pretext of opinion poll or assisting citizens to apply for government welfare); and
- (c) before using personal data from sources other than the extract from the Final Register provided by the REO for electioneering purpose, express consent from the data subjects should be obtained unless the original purpose of collection of the data is directly related to the electioneering purpose.

Candidates and their election agents are strongly advised to strictly follow the guidance provided by the OPCPD in the aforesaid notes when conducting electioneering activities.

9.19 Candidates/lists of candidates are supplied by the REO with an extract of the Final Register in respect of their respective constituencies which contains the name and residential address of electors of the relevant constituency, but not their telephone numbers. Some members of the public do not like or detest being called over the **telephone**, the **entrance intercom system** and some do not like their names being called out aloud. Many electors consider canvassing messages sent to them through **short message service (SMS)** annoying. Their disapproval may be reflected in their choice of candidates on the polling day. It is therefore unwise to telephone or send messages by SMS to electors who find such approaches objectionable or to act in any other way that may antagonise them. As a matter of good practice, candidates and their supporters should maintain a list of electors that they know

finding such electioneering telephone calls or messages or visits objectionable and avoid approaching these electors again. On the other hand, electors who receive the objectionable telephone calls or messages can just disconnect them. If the caller or sender does not desist from calling or sending messages and causes a nuisance, the elector should report the matter as soon as possible to the **Police** who may take action against the caller or sender.

9.20 Some candidates or their supporters may use **loud-hailers** to assist their campaign. They should exercise restraint in the use of loud-hailers so as not to create a nuisance to the persons in the vicinity, including those who live in the buildings nearby. They should be mindful that some people working shift hours need to take rest during the daytime and the noise generated from the use of loudspeakers for electioneering activities may affect their daily life. Candidates should **NOT** use loudspeakers in electioneering **between 9 pm and 9 am**. If the EAC comes to know that a candidate/a list of candidates has breached the time restriction, it may make a reprimand or censure against the candidate/a list of candidates. Excessive noise will amount to an offence and the Police may be called. Anyway, it is unwise to create a nuisance through the use of loud-hailers, for the annoyance of the electors will obviously be reflected in their choice of candidate. [See also Chapter 12 on “Use of Sound Amplifying Device and Vehicles”.]

9.21 Canvassing through the use of the **entrance intercom system** in a building is prohibited unless it is expressly allowed by the building management.

Identification of Canvassers

9.22 For security reasons and for prevention of abuse, the EAC advises that each candidate should provide some forms of identification to his canvassers for them to enter the premises of an organisation or a building for electioneering purposes. The EAC suggests that the candidate should devise

an authenticated identification document containing the name and photograph of his canvasser who should produce his identification document together with his identity card for inspection to gain entry into the premises of an organisation or a building. Candidates should note that the production costs of this kind of identification document will be counted as election expenses.

**PART IV: GUIDELINES TO BE OBSERVED BY OWNERS,
MANAGEMENT AND ORGANISATIONS FOR
HANDLING APPLICATIONS FOR CONDUCT OF
ELECTIONEERING ACTIVITIES ON THE
PREMISES WITHIN THEIR JURISDICTION**

**Electioneering at Premises of Organisations to which Electors Belong and
Buildings which Electors Frequent**

9.23 The premises of the organisations to which the electors belong and the buildings which electors frequent usually do not belong to a particular elector or group of electors. They are usually under the control of the management bodies of the organisations or the buildings concerned.

9.24 On the polling day or even quite some time before, candidates and their supporters may wish to carry out canvassing or electioneering activities at the premises mentioned above. Such activities mainly consist of the following:

- (a) distribution of election leaflets or advertisements by delivering them into the flats themselves, or into mail boxes of the flats, or placing them in the common parts of the building for collection, or handing them out to residents or people in the common parts

of the building (but not distribution by post which is not subject to the control of the private premises);

- (b) display of posters, banners, placards, boards and any other EAs, etc at any of the places within the common parts of the building;

NOTE :

Candidates who are allowed to display or distribute EAs at the premises mentioned above must comply with the guidelines set out in Chapter 8 : Election Advertisements.

- (c) personal contact with people or using amplifying devices to advertise in the common parts of the building; and
- (d) household or home visits to occupiers of flats.

9.25 **A tenant's right to invite lawful visitors to his own flat or office or factory cannot be lawfully restrained by any decision made by the owners or owners' corporation.** If he invites a candidate and his supporters into his own place, the owners or owners' corporation have no right to stop or obstruct it.

Decision to be Made at a Meeting with Tenants

9.26 During election time, there may be tenants wishing to entertain the approaches by candidates and their followers, but different tenants may invite different candidates to their units, and there may be arguments as to which candidate should be allowed to electioneer in the building. It is therefore advisable for owners or owners' corporations to make a decision on whether to allow candidates and their followers to conduct electioneering activities in the building, so that arguments relating to who is allowed and who

is not allowed to do so will be resolved for the benefit of all concerned. It is also advisable for owners or owners' corporations to invite all the tenants to attend the meeting held for discussing this matter so that tenants' views will be heard before any decision to allow or deny electioneering activities in the building is taken.

9.27 As a motion on whether or not electioneering should be allowed in a building concerns the rights of tenants and occupiers more than those of owners, it is advisable for owners or owners' corporations to allow occupiers who are not owners to vote on the motion and a secret ballot is always the fairest way of voting on such a controversial subject. If approval or consent has been obtained from the owners having the control of the common parts of the building or the owners' corporation, the building management organisation may conduct a questionnaire survey to collect the views of the occupiers of each flat and act according to the majority view relating to matters covered by and in accordance with this chapter.

9.28 Candidates in an election see electioneering as a form of freedom of expression whereby they express to electors their platforms and the electors have a corresponding right to receive such information. Electors can only make a proper choice when casting their votes if they know the platforms of each of the contesting candidates.

9.29 If a decision is made to allow electioneering by all candidates, the decision can also set out the hours of access and other conditions, such as not causing annoyance to occupiers, and the maximum number of persons allowed for home visits, etc for the candidates to comply [see also **Appendix J**].

Decision Must Provide Fair and Equal Treatment

9.30 The EAC appeals to all management bodies of the organisations or buildings concerned to provide **equal opportunity** to all candidates or lists

of candidates competing in the same constituency for the purposes of electioneering. However, if it is decided **not** to allow a particular candidate/a list of candidates to conduct electioneering activities at the premises of the organisation or in the common parts of the building, no other candidate/list of candidates in the same constituency should be allowed to do so, for **it is important to provide fair and equal treatment for all candidates/lists of candidates** so as to ensure that the election is conducted fairly. Discriminatory treatment of candidates may also lead to unequal treatment of tenants, and have the undesirable effect of giving rise to dissatisfaction and discord amongst neighbours in the same building.

9.31 Whatever organisation it is in such a building, be it an owners' corporation, owners' committee, mutual aid committee, tenants' association, residents' association, management company or managers of the building, the decision that it makes relating to electioneering activities of candidates in the common parts of the building, including the office premises of the organisation and all private streets, etc, **must comply with the fair and equal treatment principle.**

9.32 The organisation concerned should make a decision that applies equally and fairly to all candidates/lists of candidates of each constituency instead of dealing with each application from them separately. This will avoid having to convene a meeting to deal with each application upon its receipt, sometimes incurring delay in dealing with some applications. The EAC may treat such delay as a device to avoid compliance with the fair and equal treatment principle and may issue a reprimand or censure.

9.33 Even though such an organisation or any member of it may have reasons to exclude a particular candidate from the building, it should still adhere to the principle of fair and equal treatment for all candidates/lists of candidates competing in the same constituency without any discrimination.

Notification of Decision

9.34 The management bodies of organisations and buildings are urged to notify the relevant RO in writing as soon as possible of their decision on electioneering by candidates, so as to equip the RO with the correct information to be provided to the candidates who may make inquiries with him. A **form** of notification to the RO can be obtained from the REO. **Where no notification is received by the RO after the expiration of the nomination period, he may assume that there is no objection from the organisation regarding electioneering by candidates in the building.** Enquiries may be made with the District Office or sub-offices of the District in which the building is located. Nevertheless, candidates are advised to note that some buildings may not be able to make a decision on electioneering by candidates before the close of nominations and therefore have not given the notification to the RO as required. When candidates come across these buildings, they should respect the interim decision of these buildings not to allow electioneering.

Display of Election Advertisements

9.35 The management bodies of the organisations or buildings concerned should avoid handling applications by candidates/lists of candidates in a GC/DC (second) FC for display of EA on a first-come-first-served basis as this may create unfairness. For example, if one candidate/list of candidates knows the decision and applies to put up posters and banners on all available spots in the common parts of the building, no space will be left for other candidates/lists of candidates who apply after him. To ensure fairness, management bodies are advised to:

- (a) ascertain all the available spots at the premises for candidates/lists of candidates to display posters and banners;

- (b) decide on the maximum size of posters and banners to be allowed;
- (c) after the close of nominations of candidature, find out from the RO how many candidates/lists of candidates are contesting in the constituency/constituencies concerned;
- (d) divide all the available spaces according to quality and quantity to ensure equality as far as possible into portions equivalent to the number of candidates/lists of candidates in the constituency/constituencies concerned;
- (e) when one of the candidates/the lists of candidates of the constituency concerned applies for display, allow him to draw lots to obtain a portion of the spots still available at the time of his application; and
- (f) where 2 or more candidates/lists of candidates wish to display their joint EAs, they should be allowed to do so but the joint EAs should occupy no more than the total of all the portions of the spots allocated to them by the restriction of size under (b) and the drawing of lots under (e).

9.36 If a building has any spaces in the common area that can be made available through any arrangement including rental for candidates to display EAs or conduct other electioneering activity, the building shall ensure that such spaces are equally available to all the candidates/the lists of candidates contesting the same constituency, and give reasonable notice to all such candidates accordingly. Providing a space to only one of the candidates/the lists of candidates but not the others will be considered to be offering an unfair advantage to the candidate/the list of candidates concerned and operating unfairly towards the other candidates/lists of candidates. Candidates should

not take any such unfair advantage.

9.37 Where a decision has been made, notice of its contents together with the conditions should be posted up at the entrance so that candidates or their agents will be able to know. This openness will help prevent misunderstanding and complaint.

9.38 Whenever a decision has been taken by a building, insofar as the decision does not offend against the fair and equal treatment principle regarding electioneering activities of all candidates/lists of candidates of the same constituency, and such decision is not carried out unfairly towards any of the candidates/the lists of candidates, the EAC will not intervene.

9.39 An owners' corporation or other organisation or person should be very careful not to incur any election expenses for promoting a candidate/a list of candidates, such as putting up a banner to show support for a candidate/a list of candidates, because it is an illegal conduct at an election for a person, other than a candidate or a candidate's election expense agent, to incur election expenses at or in connection with the election [s 23 of the ECICO].

9.40 All persons who put up any publicity materials, including those which do not look election-related, in the nomination period on private premises should declare to the management body concerned in writing whether they are candidates or intend to stand as candidates in the election. This is to prevent prospective candidates to make use of such device to promote themselves. The management body is also advised to exercise its own judgment whether the publicity materials are serving electioneering purposes and then make a decision with due regard to the fair and equal treatment principle.

PART V: CONDUCT OF ELECTIONEERING ACTIVITIES IN PREMISES UNDER THE MANAGEMENT OF HOUSING DEPARTMENT AND HONG KONG HOUSING SOCIETY

9.41 The specific guidelines to be observed by candidates and their agents in the conduct of electioneering activities in premises under the management of the Housing Department and Hong Kong Housing Society are set out in **Appendix H**.

PART VI: SANCTION

9.42 If the EAC receives a complaint of unfair or unequal treatment of candidates by any organisation or building or a person acting or purporting to act on behalf of such organisation or building, and is satisfied that the complaint is justified, it may make a **reprimand** or **censure** in a public statement which will include the names of the candidates/the lists of the candidates favourably and unfavourably treated. Candidates should therefore advise the organisation management or building owners whom they approach of these guidelines. On the other hand, however, if it is proved that a person has made a false, unfounded or unreasonable allegation of unfair treatment by an organisation or a building, the EAC may issue a reprimand or censure in a public statement against that person.

9.43 Candidates should also refrain from accepting any unfair advantage over other candidates in the same constituency even though such may be ready on offer by an organisation or a building. The EAC may publish a public **reprimand** or **censure** against the candidate who contravenes the guidelines in this chapter or whose act or behaviour results in any unfair or unequal treatment by organisation or buildings towards any other candidate.

CHAPTER 10

ELECTION MEETINGS

PART I : GENERAL

10.1 An **election meeting** is a meeting held to promote or prejudice the election of a particular candidate or particular candidates [s 12(5) of the ECICO]. For the avoidance of doubt, election forums organised for all candidates in the same constituency are not treated as election meetings [see Part IV: Election Forums of Chapter 11]. During the election period, a candidate may attend any other meetings as part of his normal activities which are **not election-related**. Insofar as such meetings are **not** held for the purpose of promoting or prejudicing the election of a particular candidate or candidates, they will not be regarded as election meetings.

10.2 Expenses incurred before, during or after the LegCo election on account of an election meeting organised for any of the purposes stated above are **election expenses**. There may be cases where a meeting is not organised for any of the above purposes, but has nevertheless been used for such purposes by a candidate or any other person on his behalf. In that event, it will be for the candidate to assess the expenses which have been incurred for the said purposes. [See s 2 of the ECICO and the guidelines on Election Expenses and Donations in Chapter 16.] The person who uses the meeting for promoting the candidate may also be liable for prosecution for his failure in obtaining the candidate's prior authorisation to appoint him as the candidate's election expense agent for incurring election expenses on behalf of the candidate [see s 23 of the ECICO].

10.3 Candidates should refer to the part on “Treating” in Part IV of Chapter 17, regarding the serving of drinks and meals at or incidental to an election meeting.

10.4 In addition to the election expenses incurred, candidates are responsible for the election meetings or public processions which they organise, including the keeping of order and safety, controlling noise level, cleanliness and other liabilities.

10.5 An election meeting may take place in a public place or at private premises. A public procession for election campaigning purposes is a form of election meeting, as is an exhibition organised with a view to promoting or prejudicing the election of a particular candidate or particular candidates.

10.6 Candidates are reminded that individual government departments and management authorities may have their own guidelines to allow or disallow the conduct of election meetings on the premises under their control. To ensure the smooth conduct of election meetings in public or private places, it is always desirable for the candidates to consult the relevant authorities concerned in advance and to obtain any requisite permission from them for the conduct of election meetings on the premises within their jurisdiction, if necessary.

10.7 The requirements of the Hong Kong Police Force and the Housing Department/Hong Kong Housing Society with regard to the organisation of the election meetings in public places and private premises within their jurisdiction are set out in paras. 10.8 to 10.21 below.

PART II : ELECTION MEETINGS IN PUBLIC PLACES

10.8 Any person who organises an election meeting in a public place must notify the Commissioner of Police in writing **not later than 11 am on the same day (if a general holiday, the first day preceding that day which is not a general holiday) of the week in the preceding week as the day on which the meeting is intended to be held** [s 8(1) of the Public Order Ordinance (Cap 245)]. “Public place” means any place to which for the time being the public or any section of the public are entitled or permitted to have access, whether on payment or otherwise, and, in relation to any meeting, includes any place which is or will be, on the occasion and for the purposes of such meeting, a public place [s 2 of the Public Order Ordinance (Cap 245)].

10.9 The written notification shall be **handed in** to the officer in charge of any police station. It should contain the following particulars:

- (a) the name, address and telephone number of the person organising the meeting, any society or organisation promoting or connected with the holding of the meeting and a person able to act, if necessary, in place of the organiser;
- (b) the purpose and subject matter of the meeting;
- (c) the date, location, time of commencement and duration of the meeting;
- (d) an estimate of the number of people expected to attend the meeting;
- (e) the number and names of persons proposed as platform-speakers for the meeting;

- (f) the sound amplification devices, if any, intended to be used at the meeting; and
- (g) the nature, form and contents of the advertisements, printed matter, posters or banners intended for publication, distribution or display in respect of the meeting.

[S 8(4) of the Public Order Ordinance (Cap 245).]

A **form** of notification for a public meeting or procession together with guidance notes provided by the Police will be given to a candidate upon his submission of nomination. The Police has advised that the use of the form will speed up processing time.

10.10 Notification to the Commissioner of Police of an election meeting is not required if the meeting is to be:

- (a) attended by not more than 50 persons; or
- (b) held at the private premises where the number of persons attending will not exceed 500 persons; or
- (c) held in a school, college, university or other educational establishment with the approval of an accredited society or similar body of such school, college or educational establishment **and** consent of the governing body of the establishment concerned.

[S 7(2) of the Public Order Ordinance (Cap 245).]

Where in doubt, a candidate should seek advice from the Police.

10.11 The Commissioner of Police may prohibit the holding of any public meeting notified (referred to in paras. 10.8 and 10.9 above) where he reasonably considers such prohibition to be necessary in the interests of national security or public safety, public order or the protection of the rights and freedoms of others, and if so, he shall give notice of the prohibition to the person who gave the notification not later than 48 hours prior to the time of commencement of the meeting [s 9 of the Public Order Ordinance (Cap 245)]. On the other hand, the Commissioner of Police may give notice to the organisers and impose conditions for the meeting to take place, and the organisers must comply with such conditions and comply forthwith with any direction given by a police officer for ensuring compliance with or the due performance of the conditions and the requirements referred to in para. 10.12 below [s 11 of the Public Order Ordinance (Cap 245)].

10.12 At every public meeting:

- (a) there shall be present throughout the meeting either the organiser, or if he is not present, a person nominated by him to act in his place;
- (b) good order and public safety shall be maintained throughout the meeting; and
- (c) the control of any amplification device that is used in such a manner that it causes a noise that would not be tolerated by a reasonable person, shall if so required by a police officer, be surrendered to the police officer for the duration of the meeting.

[S 11(1) of the Public Order Ordinance (Cap 245).]

10.13 A guidance note on safe conduct of election-related activities, issued by the Commissioner of Police, is at **Appendix J**. It serves as a general advice to candidates and organisers of election-related activities, to enable them to conduct such activities safely.

Public Processions

10.14 A public procession for election campaigning purposes may be held without notification to the Commissioner of Police:

- (a) where it consists of not more than 30 persons; or
- (b) where it is held at a place other than a public highway, public thoroughfare or public park.

[s 13(2) of the Public Order Ordinance (Cap 245).]

10.15 In all other cases, written notification of a public procession, including a vehicle procession, must be given by the person organising the procession to the Commissioner of Police (which may be handed in to the officer in charge of any police station) **not later than 11 am on the same day (if a general holiday, the first day preceding that day which is not a general holiday) of the week in the preceding week as the day on which the procession is intended to be held** containing the following information

[s 13A(4) of the Public Order Ordinance (Cap 245)]:

- (a) the name, address and telephone number of the person organising the procession, any society or organisation promoting or connected with the holding of the procession and a person able to act, if necessary, in place of the organiser;
- (b) the purpose and subject matter of the procession;

- (c) the date, precise route, time of commencement and duration of the procession;
- (d) in respect of any meeting to be held in conjunction with the procession, the location, time of commencement and duration of the meeting; and
- (e) an estimate of the number of people expected to attend the procession.

A notification **form** mentioned in para. 10.9 should be used.

10.16 The Commissioner of Police shall issue a notice of no objection for the public procession, or alternatively issue a notice of objection to the procession if he reasonably considers that the objection is necessary in the interest of national security or public safety, public order or the protection of the rights and freedoms of others. If the Commissioner of Police so objects to the public procession, he shall issue a notice of objection to the organiser not later than 48 hours before the commencement time of the procession, otherwise he is taken to have issued a notice of no objection for the public procession. The Commissioner of Police may give notice to the organisers and impose conditions for the procession to take place, and the organisers must comply with such conditions and comply forthwith with any direction given by a police officer for ensuring compliance with or the due performance of the conditions and the requirements referred to in para. 10.17 below [ss 14 and 15 of the Public Order Ordinance (Cap 245)].

10.17 At every public procession:

- (a) there shall be present throughout the procession either the organiser of the procession, or if he is not present, a person nominated by him to act in his place;
- (b) good order and public safety shall be maintained throughout the procession; and
- (c) the control of any amplification device that is used in such a manner that it causes a noise that would not be tolerated by a reasonable person, shall if so required by a police officer, be surrendered to the police officer for the duration of the procession.

[S 15(1) of the Public Order Ordinance (Cap 245).]

PART III : ELECTION MEETINGS AT PRIVATE PREMISES

10.18 Any person who organises an election meeting at private premises is advised to consult the owner, occupier, owners' corporation, building management or the mutual aid committee etc concerned in advance and to obtain permission from them, if required. Insofar as the decision regarding election meetings by candidates in the common areas of a building accords fair and equal treatment to all candidates, the EAC will not intervene. Specific guidelines for conducting election meetings in the premises managed by the Housing Department and the Hong Kong Housing Society are set out in **Appendix H**.

10.19 Notification in writing to the Commissioner of Police will need to be given, in accordance with the procedures set out in paras. 10.8 and 10.9 above, if at the proposed meeting the attendance will exceed 500 persons.

PART IV : MOBILE EXHIBITIONS

General

10.20 A candidate may hold an exhibition for election campaigning purposes. If such an exhibition is to be held, the candidate should consult the relevant management authorities of the premises concerned in advance, and to obtain prior permission from the Housing Manager, owner, occupier, owners' corporation, building management or the mutual aid committee, etc concerned, as appropriate, if required. Relevant guidelines in the other parts in this chapter should also be observed, in addition to compliance with regulations and conditions imposed by other relevant authorities.

Premises under the Purview of the Housing Department and the Hong Kong Housing Society

10.21 Where approval has been given by a Housing Manager for such an exhibition in housing estates managed by the Housing Department and the Hong Kong Housing Society, the display of EAs at the venue of the exhibition will normally be subject to the conditions that they are displayed in connection with the activity in question and for a temporary duration of less than a day. The guidelines in Chapter 8: Election Advertisements are applicable to such displays and must be observed by the candidate concerned. The Housing Manager should send a copy of the letter of approval to the relevant RO for record and for public inspection. Please also see **Appendix H** for reference.

PART V: FUND RAISING ACTIVITIES AT ELECTION MEETINGS

10.22 A permit is required for organising, providing equipment for, or participating in any collection of money or sale of badges, tokens or similar articles or exchange the same for donations in a public place [s 4(17) of the Summary Offences Ordinance (Cap 228)]. Any person who wishes to raise funds at an election meeting for non-charitable purposes should apply to the Secretary for Home Affairs. A copy of the administrative guidelines and licensing conditions for the issue of such permits with application form is at **Appendix K** for general information.

CHAPTER 11

ELECTION BROADCASTING, MEDIA REPORTING AND ELECTION FORUMS

PART I : GENERAL

11.1 This chapter deals with election broadcasting through electronic means (which covers all programmes including those on current affairs and news reporting on the radio and television), media reporting on election-related matters and the holding of any election forum.

IMPORTANT :

“Candidate” includes a person who has publicly declared an intention to stand for election at any time before the close of nominations for the election, whether or not he has submitted a nomination form [s 2 of the ECICO]. The reference of “candidate” in this chapter includes a list of candidates in a GC/DC (second) FC to which the list system of proportional representation applies.

PART II : ELECTIONEERING ON TELEVISION AND RADIO

11.2 Operators of television broadcasting services licensed under the Broadcasting Ordinance (Cap 562) are not allowed to broadcast advertisements of a political nature. Operators of radio broadcasting services licensed under the Telecommunications Ordinance (Cap 106) are not allowed to broadcast

advertisements of a political nature except with the prior approval of the Broadcasting Authority. Other service providers which are not licensable under the above Ordinances are allowed to carry EAs territory wide.

11.3 For current affairs or other programmes on TV and radio which are not election-related, candidates/lists of candidates may take part as guests in these programmes insofar as their participation is pertinent. For programmes the entire or partial theme of which is on the election (eg for introducing the candidates/the lists of candidates or reporting/analysing the election platforms and activities of the candidates/the lists of candidates), the **“fair and equal treatment” principle** will apply. Following the “fair and equal treatment” principle, broadcasters should ensure that each of the candidates/the lists of candidates contesting in the same constituency will be introduced and reported in the programme and no favourable or unfavourable treatment will be given to any of the candidates/the lists of candidates.

11.4 **No unfair advantage** should be offered to or obtained by any candidate/list of candidates over others regarding election campaigning.

11.5 To comply with the “fair and equal treatment” principle, when inviting a candidate/a list of candidates to attend a programme the entire or partial theme of which is on the election, broadcasters should include in the invitation a notice to the invitee that a similar invitation has been or will be made to other candidates/lists of candidates of the same constituency, so as to give the invitees an equal opportunity to appear. The EAC also appeals to all candidates/lists of candidates to attend these programmes as far as possible in order to enable electors and the public to be apprised of their election platforms. Some candidates/lists of candidates may choose not to attend due to personal or other reasons. Under such circumstances, the relevant broadcaster may continue with the production of the programme as planned without contravening the “fair and equal treatment” principle. The “fair and equal treatment” principle applies to the entire programme, and, in particular,

requires the broadcaster to give equal time to each of the candidates/the lists of candidates taking part in the programme to present his/its election platform. **A record should be kept by the broadcaster of the date, time and contents of the invitation and the notice until 3 months after the election.** In order to provide the audience of the programmes with clear information on the total number and the names of candidates/the lists of candidates, and to give equal treatment to all candidates/lists of candidates concerned, broadcasters should take heed of the observations made by the Court in an election petition relating to the 2010 Legislative Council By-election as set out in **Appendix L** and, where appropriate, follow the arrangement set out therein when producing multi-episode programmes which are election-related.

11.6 If there is evidence to substantiate that the relevant broadcaster has provided/allowed favourable or unfair treatment to some candidates/lists of candidates in producing the programme the entire or partial theme of which is on the election, such case will be regarded as a breach of “fair and equal treatment” principle.

11.7 The principles stated in paras. 11.3 to 11.6 above apply equally to political parties or political organisations of which the candidate or candidates in a list for a GC or the DC (second) FC is/are member(s) as they apply to the candidates(s) himself/themselves and to a prescribed body the registered name or registered emblem of which has been printed on any ballot papers for the election. However, the aforesaid principles do not apply to programmes which are entirely news reporting and are not related to the candidates’ participation in the election.

11.8 During the election period (ie the period beginning with the commencement of the nomination for the election and ending with the polling day for the election), broadcasters should ensure that the “fair and equal treatment” principle is applied to all political parties or political organisations which have members contesting the LegCo election and the said prescribed

bodies, whether or not contesting the same constituency. If a political party or political organisation whose members contest as candidates in the election is invited to take part in a current affairs or any other programme the entire or partial theme of which is on the election, then all political parties or political organisations which have members contesting the LegCo election or a prescribed body the registered name or registered emblem of which has been printed on any ballot papers for the election, whether or not contesting the same constituency, should also be invited.

11.9 The EAC appeals to broadcasters to treat all candidates/lists of candidates competing in the same constituency fairly and equally when making comment on or reference to the candidates in any of their programmes. Comments made for the purpose of promoting or prejudicing a candidate or candidates are treated as EAs, if reference could be made from the materials to identify the candidate(s) being promoted or prejudiced [see also para. 8.6 of Chapter 8 : Election Advertisements]. Moreover, if such comments are determined as EAs, the EAC will refer the matter to the Broadcasting Authority for appropriate action. If there is fair and equal treatment to all candidates/lists of candidates of the same constituency, the editorial line of the broadcaster or personal opinions of the programme presenter on each of the candidates can be freely expressed, insofar as they are fair comments and based on true facts. The guidelines do not seek to impose any shackle on the expression of such ideas. However, broadcasters should ensure that in the expression of such ideas, no unfair advantage may result towards any candidate over another or any political parties or organisations to which contesting candidates belong.

Candidates Appearing on TV/Radio/Movie as Presenters, Regular Contributors, Actors, Musicians, Singers or Other Entertainers

11.10 A presenter, including a guest presenter, or a regular contributor should not appear in any programme in his normal programme role after he has

publicly declared his intention to stand for the election or during the election period if he becomes a candidate. This is to avoid unfair extra publicity for him at the critical time. A presenter or a regular contributor may, of course, appear as a candidate in election forums referred to in Part IV below.

11.11 A person who has contracted to appear as a presenter, regular contributor, actor, musician, singer or any other form of entertainer in any performance scheduled to be shown before his declaration of intention to stand for the election or before and after the election period may always do so and continue to do so. However, such a person should make his utmost endeavours to request the person(s) responsible not to broadcast his appearance in any media after his declaration of intention to run for the election or during the election period if he becomes a candidate. The EAC appeals to the aforesaid responsible person(s) to accede to such a request as far as practicable in order to avoid giving unfair extra publicity to the person concerned.

Candidates Appearing in Commercial Advertisements

11.12 A person should not participate in the making of an advertisement in which his image, name or voice appear ("the relevant advertisement") and which he knows will be broadcast on TV/radio/cinema after his declaration of intention to stand for the election or during the election period if he becomes a candidate.

11.13 If, after the relevant advertisement has been made, the person then decides to run in the election, and it comes to his attention that the relevant advertisement will appear in TV/radio/cinema after his declaration of intention to stand for the election or after the nomination period has commenced if he becomes a candidate during that period, he should make his utmost endeavours to request the person(s) responsible not to broadcast the relevant advertisement after his declaration of intention to stand for the election or during the election period. The EAC appeals to the aforesaid responsible person(s) to accede to

such a request as far as practicable in order to avoid giving unfair extra publicity to the person concerned.

PART III : ADVERTISING THROUGH THE PRINT MEDIA

11.14 A candidate is at liberty to advertise in the print media to promote his candidature. Where such an advertisement is placed in the print media and takes the form of a news report or any other form which does not clearly show that it is an EA, the words “**Election Advertisement**” or “**選舉廣告**” must be stated in the advertisement, to avoid misunderstanding by readers that it is not an EA [see para. 8.50 of Chapter 8 : Election Advertisements.] The expenses so incurred must be accounted for in the return and declaration of election expenses and donations. EAs printed in a registered local newspaper would be exempted from the requirement of bearing printing details [see also para. 8.49 of Chapter 8 for details].

11.15 No unfair advantage should be offered by any publisher to a candidate. Nor should a candidate obtain from a publisher any unfair advantage regarding election campaigning. Any free publications (eg special newspaper editions or leaflets) which serve to promote or prejudice the election of a particular candidate/candidates may be construed as EAs for the candidate(s) concerned and are subject to the requirements for EAs and election expenses as stipulated in Chapters 8 and 16. A publisher is therefore likely to contravene the relevant legislation if the requirements for publishing and distributing EAs are not complied with prior to distributing such free publication. Candidates and publishers should consult their legal advisors if they have doubt as to whether a free publication should be treated as EAs and counted towards election expenses.

11.16 A regular columnist should not contribute articles to the print

media after he has publicly declared his intention to stand for the election or during the election period if he becomes a candidate. This is to avoid unfair extra publicity for them at the critical time. A person who has contracted to serve as a columnist should make his utmost endeavours to request the person(s) responsible not to publish his commentaries in any media after his declaration of intention to run for the election or during the election period if he becomes a candidate. The EAC appeals to the aforesaid responsible person(s) to accede to such a request as far as practicable in order to avoid giving unfair extra publicity to the person concerned. A regular columnist may, of course, appear as candidate in election forums referred to in Part IV below.

11.17 The EAC appeals to members of the print media to provide **fair and equal treatment** to all candidates/lists of candidates competing in the same constituency in the reporting of them or their electioneering activities. How fair and equal treatment is to be applied in practice is set out in **Appendix M**.

PART IV : ELECTION FORUMS

11.18 During the election period, broadcasters may organise election forums in their programmes. Broadcasters should ensure that the “fair and equal treatment” principle is applied to all candidates/lists of candidates. If a candidate/a list of candidates is invited to take part in the election forum, then all candidates/lists of candidates of the same constituency should also be invited to be present at such forums so as to give the candidates/the lists of candidates an equal opportunity to attend the forum and present their election platforms. The “fair and equal treatment” principle applies to the entire election forum and, in particular, requires the broadcaster to give each candidate/list of candidates taking part in the election forum equal time to present his/its election platform.

11.19 Other organisations, such as professional or trade organisations, academic institutions and schools, etc, may organise election forums for civic education or other purposes. In line with the fair and equal treatment principle, the EAC appeals to all these organisers to invite all candidates/lists of candidates of the same constituency to be present at such forums, so that no unfair advantage will be accorded to or obtained by any candidate/list of candidates over others regarding election campaigning.

11.20 The EAC appeals to all candidates/lists of candidates to use their best endeavours to take part in election forums in order to enable electors and the public to be apprised of their platforms. Some candidates may choose not to attend due to personal or other reasons. Under such circumstances, the relevant forum organiser may continue to organise such activity as planned without contravening the “fair and equal treatment” principle.

PART V : SANCTION

11.21 If the EAC comes to know of unfair or unequal treatment of candidates by any broadcaster, publisher or forum organiser, it may make a **reprimand** or **censure** in a public statement which will include the names of the candidates favourably and unfavourably treated and the broadcaster, publisher or forum organiser concerned. The EAC may also notify the relevant authorities for appropriate action to be taken.

11.22 The candidates as mentioned in paras. 11.10 to 11.13 and 11.16 above should make their best endeavours as advised thereof to avoid taking unfair extra publicity. If the EAC receives a complaint about candidates taking the aforesaid extra publicity and it is subsequently found that the candidates have failed to make such endeavours, the EAC may make a **reprimand** or **censure** in a public statement against the candidates.

CHAPTER 12

USE OF SOUND AMPLIFYING DEVICE AND VEHICLES

PART I : GENERAL

12.1 The law relevant to this chapter can be found in the Public Order Ordinance (Cap 245), the Summary Offences Ordinance (Cap 228), the Noise Control Ordinance (Cap 400) and the Road Traffic Ordinance (Cap 374).

12.2 Candidates are reminded that some members of the public find the sound or noise emitted by loudspeakers annoying and intrusive. When using loudspeakers, candidates should particularly bear in mind possible annoyance caused to people in hospitals, homes for the elderly, kindergartens, nurseries, schools and dwelling houses. Electors' choice of candidate in casting their votes may be affected as a result of any noise nuisance caused by candidates or their followers.

PART II : USE OF LOUDSPEAKERS AND VEHICLES

12.3 With effect from July 1995, the Commissioner of Police ceases issuing loudspeaker permits under s 4(29) of the Summary Offences Ordinance (Cap 228). Candidates are therefore **NOT** required to submit any application for a permit. However, this does not exempt candidates from complying with the requirements of the law and the conditions imposed by the Commissioner of Police when any amplification device is used in an election meeting or

procession. An amplification device includes a loudspeaker and any device which can emit or amplify sound. [Please refer to Chapter 10: Election Meetings for details].

12.4 Although no permit is now required, any person using a loudspeaker should ensure that the noise emitted through the loudspeaker does not cause a nuisance to any other person. Under s 5(1)(b) of the Noise Control Ordinance (Cap 400), making a nuisance by using a loudspeaker, megaphone, or other device or instrument for magnifying sound from which the noise emitted is a source of annoyance either at any domestic premises or public place at any time of the day is an offence, and this includes use of loudspeakers attached to vehicles. Candidates should be mindful that some people working shift hours need to take rest during the daytime and the noise generated from the use of loudspeakers for electioneering activities may affect their daily life. In order to reduce the nuisance caused to members of the public, candidates are required **NOT** to use loudspeakers in electioneering **between 9 pm and 9 am**. If the EAC comes to know that a candidate/a list of candidates has breached the time restriction, it may make a reprimand or censure against the candidates/the list of candidates. Candidates should note that some members of the public may find the noise emitted from loudspeaker on vehicles disturbing. They should therefore seriously consider the public's tolerance over the noise level and try to keep the noise volume at a reasonable level.

12.5 Should any complaint be received by the Police concerning the volume of the loudspeaker, the volume of sound should be reduced on the instructions of any police officer. If verbal warning or instruction by the police officer is ignored, prosecution may be instituted.

12.6 All vehicles used for and in connection with canvassing activities must comply with the provisions and regulations of the Road Traffic Ordinance. Drivers of such vehicles are obliged to obey all directions given by uniformed

police officers and traffic wardens. Additionally, drivers of all vehicles must comply strictly with all the stopping and parking regulations of the Ordinance (Cap 374). Deliberate slow driving may constitute “careless driving” as it could be deemed as driving “without reasonable consideration for other persons using the road”.

12.7 Paraphernalia attached to a vehicle must also comply with the Road Traffic (Construction and Maintenance of Vehicles) Regulations (Cap 374A) of the Road Traffic Ordinance (Cap 374), ie not to interfere with the working or safety of the vehicle. For display of advertisements including EAs on public light buses and taxis, their owners/operators should obtain prior written approval from the Transport Department (“TD”) and ensure that the display of EAs is in compliance with the conditions as stipulated by the TD in the approval letter, including in particular the following conditions:

- (a) no EAs should be displayed on all windows and at areas above the windows and at the exterior roof panel;
- (b) no luminous or reflecting material should be used for the EAs; and
- (c) no EAs should obstruct any statutory lighting/label/markings required to be shown on the vehicle body as specified by the Commissioner for Transport or stipulated in the Road Traffic Ordinance and Regulations.

According to the TD’s performance pledge which is applicable to only public light buses and taxis, it normally takes no more than 7 working days to process an application for display of an EA on public light buses and taxis.

12.8 Candidates and their supporters are reminded that they should observe the statutory requirements of the Road Traffic (Safety Equipment)

Regulations (Cap 374F) and Road Traffic (Traffic Control) Regulations (Cap 374G) under the Road Traffic Ordinance (Cap 374), including those relating to seating requirement, the wearing of seat belts and the permission to carry passengers in a vehicle. Standing up in moving vehicles would be **illegal** for both the drivers and standees except on trams, single-decked public service buses and the lower deck of double-decked buses. Passengers can also stand up on a vehicle used as a float if approved by the Commissioner for Transport. Candidates should apply to the Licensing Office of the TD for exemption of the vehicles from carriage of standing passengers.

12.9 Any vehicle modified to a float configuration for display or canvassing purposes must be approved by the Commissioner for Transport. Application procedures for approval of float design are included at **Appendix N**.

12.10 Candidates should also note that the use of loudspeakers will not be permitted within the NCZ outside the polling station, nor will it be permitted in the vicinity where the sound emitted can be heard within the NCZ. [See also Chapter 14 : Prohibition Against Canvassing Activities outside Polling Stations.]

PART III : SANCTION

12.11 If the EAC comes to know that any candidate is in breach of the guidelines in this chapter, apart from notifying the relevant authorities for actions to be taken, it may make a **reprimand** or **censure** in a public statement which will include the name of the candidate concerned. The censure may be in addition to the criminal liability for offences inside the NCZ, punishable with the maximum penalties of \$5,000 fine and imprisonment for 3 months [s 45 of the EAC (EP) (LC) Reg]. Candidates should also remind their supporters to observe these guidelines when they are campaigning on behalf of the candidates.

CHAPTER 13

ELECTIONEERING ACTIVITIES CONDUCTED IN SCHOOLS OR PARTICIPATED BY SCHOOL PUPILS

PART I : GENERAL

13.1 Candidates, school supervisors, principals and teachers are requested to take note of these guidelines when considering allowing the conduct of electioneering activities in their schools or seeking the assistance of pupils in electioneering activities.

13.2 Involvement of school pupils in electioneering activities has always been a matter of public concern. Anybody in authority must **NOT** use his position to exert undue influence on youths of school age under his charge to recruit them for electioneering activities. If the EAC comes to know that a person has abused his position by involving youths of school age under his charge in electioneering activities, it may make a reprimand or censure against the person. For use of force or duress on a person's voting preference, see s 13 of the ECICO.

PART II : SCHOOL PUPILS

13.3 While it is for the promotion of civic education that school pupils are encouraged to take an interest in community affairs, including elections, it is considered undesirable for them to be involved in electioneering activities at too young an age. Unattended young children can cause control problems and,

particularly where large numbers are involved, or in overcrowded situations, can create a danger to themselves and others. The EAC therefore advises strongly against any pre-primary or primary school pupil taking part in electioneering activities.

13.4 Distribution of EAs is a form of electioneering activity. There may be school supervisors, principals or teachers who may support a particular candidate/list of candidates. While they are free to support any candidate/list of candidates they prefer, they should not distribute or help distribution of EAs of any candidate/list of candidates to the parents of pre-primary, primary or secondary pupils using the pupils as conduits. Moreover, they must not ask such pupils to request their parents to vote for any particular candidate/list of candidates. The same applies to candidates who are themselves school supervisors, principals or teachers. This guideline is based on the same principle stated in para. 13.2 above, and could avoid any semblance of undue influence on young children under the charge of these persons in authority in the school.

13.5 The EAC adopts the advisory circular issued by the Secretary for Education to all schools for general guidance, emphasising the following points:

- (a) participation by pupils in electioneering activities must be **entirely voluntary**;
- (b) the **written consent** of a parent or guardian must be obtained beforehand;
- (c) in no circumstances should pre-primary or primary school pupils be asked to take part in such activities;
- (d) there should be no disruption of the pupils' education, and in no

circumstances should normal lessons be interrupted to enable pupils to take part in such activities; and

- (e) in no circumstances should pupils be asked to take part in activities in areas where they may be subject to various elements of danger, including those created by traffic.

13.6 Pupils who take part in canvassing activities should pay attention to their own school regulations, and in particular those regarding the wearing of school uniform in such activities.

13.7 The EAC recognises that school pupils who are 18 years of age or over are by law old enough to be responsible for their own acts and make election-related decisions for themselves.

PART III : ELECTIONEERING ACTIVITIES IN SCHOOLS

13.8 During the election period, school supervisors, principals or teachers may invite or be approached by candidates to give talks on topical issues to students in their schools. The topic to be covered by such a talk may or may not have direct reference to an election. In any case, the presence of the candidate delivering it and the copies of the speech which may be circulated to students and brought home to their parents may have the effect of promoting or advertising that candidate/list of candidates and should, therefore, be regarded as his electioneering activity. [See also para. 13.4 above.]

13.9 In line with the **fair and equal treatment** principle, the EAC appeals to all school supervisors, principals and teachers to provide equal opportunity to all candidates/lists of candidates of the same constituency for the purpose of electioneering. If a school authority has decided to allow a

particular candidate/list of candidates to conduct electioneering activities in the school, other candidates/lists of candidates of the same constituency should be informed and given the opportunity to do the same, so that no unfair advantage will be accorded to or obtained by any candidate over others regarding election campaigning. Information on the name and address (and contact numbers if the candidate has no objection to releasing the same) of candidates/lists of candidates can be obtained from the REO.

PART IV : SANCTION

13.10 If the EAC comes to know that any candidate or school or a person is in breach of the guidelines in this chapter, it may make a **reprimand** or **censure** in a public statement which will include the name of the candidate, the school and person concerned, and may also refer the case to the Education Bureau. Candidates should therefore apprise the school or person concerned who offers them assistance of these guidelines.

CHAPTER 14

PROHIBITION AGAINST CANVASSING ACTIVITIES OUTSIDE POLLING STATIONS

PART I : GENERAL

14.1 This chapter deals with the ban on canvassing activities **outside** polling stations on the polling day.

14.2 A “No Canvassing Zone Scheme” is employed for the purpose of prohibiting canvassing activities outside polling stations on the polling day in order to maintain free and safe passage for electors, and to ensure that electors are not unduly harassed on their way to a polling station.

PART II : DECLARATION OF A NO CANVASSING ZONE AND NO STAYING ZONE

14.3 The RO for a GC must determine, in respect of each polling station designated for the GC and 29 FCs/SFCs an area outside the polling station to be a NCZ. In so doing, he will take into account the characteristics and special conditions of the polling station. He must also determine an area within the NCZ outside the entrance/exit of the polling station as a NSZ. These 2 zones are to be determined with reference to a map or plan [s 40(1) of the EAC (EP) (LC) Reg].

14.4 For a polling station which is used for more than one constituency,

the determination of the NCZ and NSZ is to be made by the RO specified for the purpose by the CEO [s 40(2) of the EAC (EP) (LC) Reg].

14.5 The RO who made the determination of declaring a NCZ or NSZ in respect of a polling station must, at least **7 days** before the polling day, give notice of the declaration to the candidates of his own constituency and to the ROs of other constituencies for which polling will be held in the polling station; and thereafter each of the ROs of these other relevant constituencies must give notice of the declaration to the candidates of his own constituency as soon as practicable [s 40(3), (4), (6), (7) and (8) of the EAC (EP) (LC) Reg].

14.6 The notice will be given in writing, either by hand or by post or by facsimile transmission, to the candidates/the lists of candidates (or in the case of a multiple candidates list, to the candidate ranking first in priority on the list) or to the election agents or to the polling agents of the candidates/the lists of candidates [s 40(3) and (14) and s 98 of the EAC (EP) (LC) Reg].

14.7 Where the circumstances so warrant, the RO who has made a determination may vary the NCZ or NSZ. Notice of the variation must be given as soon as practicable after the variation in the same manner as a notice referred to in para. 14.6 above. The notice of variation of a NCZ or NSZ on the polling day may be given orally if sending it by hand, by post or by facsimile transmission is not practicable or is not suitable in the circumstances [s 98(3) of the EAC (EP) (LC) Reg]. However, a notice of variation need not be given to the candidates if it is not reasonably practicable to do so before the close of poll [s 40(13) of the EAC (EP) (LC) Reg].

14.8 A notice of the determination or the variation, together with indication of the boundaries of the NCZ or the NSZ, need to be displayed, on the polling day, at or near the relevant polling station, in order to make the determination or variation effective [s 40(10), (11) and (12) of the EAC (EP) (LC) Reg].

14.9 The RO who is empowered to determine NCZ and NSZ may authorise his ARO or the PRO of the relevant polling station to exercise the power to vary the determination and to perform the associated duties on the polling day [ss 40(11A) and 92 of the EAC (EP) (LC) Reg].

PART III : CONDUCT INSIDE THE NO CANVASSING ZONE AND NO STAYING ZONE

14.10 Door-to-door canvassing and for the purpose of such canvassing, the display of propaganda material, eg any badge, emblem, clothing or head-dress which may promote or prejudice the election of a candidate or candidates at the election, or makes direct reference to a body any member of which is standing as a candidate in the election or to a prescribed body the registered name or registered emblem of which has been printed on any ballot paper for the election, will be allowed on the storeys above or below street level in a building within a NCZ other than a building in which there is a polling station provided that permission has been obtained for entry to the building for canvassing votes, and that obstruction is not posed to electors and no sound amplifying device is used (except for the performance of duties by officers of the CSD on the polling day at the dedicated polling stations situated in prisons) [s 40(16) and (19) of the EAC (EP) (LC) Reg]. Apart from this, no other canvassing activities (including suggesting not to vote for any candidate) will be allowed within a NCZ except for static displays of EAs that are authorised by the RO or the PRO of the relevant polling station. Where there are premises situated within the NCZ, the ROs should issue a notice in advance to all the candidates in the constituencies concerned asking them to remove all of their EAs, if any, posted up at the premises within the NCZ which can be seen by the electors on their way to the polling stations on the polling day. If the candidates fail to remove the EAs as requested by the ROs, the ROs may issue a warning to them to remove the offending EAs immediately. If the

candidate/the list of candidates fails to do so, the EAC may issue a censure or reprimand. Canvassing activities may take many different forms. A list of common canvassing activities which are forbidden in a NCZ is at **Appendix G**.

14.11 On the polling day, the PRO will use his best endeavours to ensure that no person carries out any activity other than those permitted activities described in para. 14.10 above in the NCZ in respect of his polling station to persuade or induce any elector to vote or not to vote. Any unauthorised display of EAs in the area will be removed by the RO or other persons authorised by the RO [s 107 of the EAC (EP) (LC) Reg]; and any person found to have conducted canvassing activities prohibited in the area will be asked to leave the area [s 41 of the EAC (EP) (LC) Reg].

14.12 The use of loudspeakers or loud-hailers will not be permitted within the NCZ, nor will any such device or any activity (eg lion dance) be permitted in the vicinity so that the sound emitted can be heard within the NCZ. However, an officer of the CSD may on the polling day use a sound amplifying system or device for the performance of his/her duties in the NCZ of a dedicated polling station situated in a prison [ss 40 and 41 of the EAC (EP) (LC) Reg]. Save for canvassing activities allowed in para. 14.10, candidates and their supporters are not allowed to pass, let alone shout, appeal message to persons while inside the NCZ. [See Part II of Chapter 12 regarding the use of loudspeakers.]

14.13 Within the NCZ but immediately outside the entrance/exit of each polling station (and sometimes the entrance is also the same as the exit), there will be a **NSZ**, in which no person is allowed to stay or loiter, except where a person has been expressly permitted to do so by the PRO [s 41(1)(d) of the EAC (EP) (LC) Reg]. This is for the purpose of securing safe and smooth passage of electors into and out of polling stations.

14.14 A person shall not obtain or attempt to obtain (in any manner) information as to which candidate an elector of the relevant polling station is about to vote for or has voted for, in a NCZ or in a NSZ without the express permission of the PRO who should have regard to exit pollsters who have complied with the requirements set out in Chapter 15 : Exit Poll.

14.15 Any person who misconducts himself or carries out any forbidden activity in a NCZ or NSZ, or fails to obey a lawful order of the RO (who has made the determination in respect of that NCZ or NSZ) or the PRO, commits an offence punishable with a fine and imprisonment and may be ordered by such officer to leave the NCZ or NSZ [ss 41(2) and 45(4) of the EAC (EP) (LC) Reg]. If he fails to leave immediately, he may be removed from the relevant zone by a police officer, an officer of the CSD or any law enforcement agency, or by any other person authorised in writing by the RO or the PRO [s 41(3) of the EAC (EP) (LC) Reg]. The person so removed may not re-enter the NCZ or NSZ on that day except with the permission of the RO or the PRO [s 41(4) of the EAC (EP) (LC) Reg].

14.16 Nevertheless, the RO or the PRO shall not exercise their powers to remove an elector from the NCZ or NSZ so as to prevent him from voting [ss 41(5) and 44(14) of the EAC (EP) (LC) Reg].

PART IV : PENALTY

14.17 Any canvassing within a NCZ except those exempted and any conduct prohibited under paras. 14.13 and 14.15 above will each be an offence under s 45(7) of the EAC (EP) (LC) Reg, punishable by a fine at level 2 (up to \$5,000) and imprisonment up to 3 months. Any attempt to obtain information as described in para. 14.14 above without the necessary permission will be an offence under s 96 of the EAC (EP) (LC) Reg, punishable by a fine at level 2 (up to \$5,000) and imprisonment of up to 6 months.

CHAPTER 15

EXIT POLL

PART I : GENERAL

15.1 This chapter sets out the guidelines for the conduct, publication and broadcast of exit polls to avoid unfair interference with the election process by unduly influencing electors. The aim is to ensure that elections are conducted honestly and fairly and, at the same time, to strike a good balance between the need to maintain order outside polling stations and upholding the freedom of expression, freedom of the press and academic freedom.

15.2 **The EAC appeals to the media and organisations concerned for self-regulation, goodwill and voluntary cooperation in the conduct of exit polls, and the publication and broadcast of the result of exit polls so that electors' behaviour will not be unduly affected.**

PART II : SECRECY OF THE VOTE

15.3 **The ballot is secret.** It is an elector's right to keep his vote secret. An elector does not have to disclose his choice of candidate/list of candidates if he does not want to. **It is a criminal offence for a person, without lawful authority, to require, or purport to require, an elector or authorised representative of a corporate elector to disclose the name of, or any particular relating to, the candidate/the list of candidates for whom the elector/authorised representative of a corporate elector has voted at an**

election [s 60 of the LCO and s 96 of the EAC (EP) (LC) Reg]. **Those who conduct exit polls must respect the electors' right and wish not to be disturbed.** The interviewers should inform the electors being interviewed that their participation in the exit poll is voluntary prior to the conduct of exit poll.

15.4 Any announcement of results of exit polls or predictions, particularly in relation to any individual candidate/list of candidates, during the polling hours may affect electors' behaviour and have an impact on election results. **The EAC, therefore, reminds the media and organisations concerned that they should not announce the results of exit polls or make specific remarks or predictions on the performance of individual candidate/list of candidates before the close of poll.**

15.5 Broadcasters' attention is invited to the provisions of the Television and Radio Code of Practice on Programme Standards which require news and current affairs programmes to be fair, objective and impartial.

PART III : CONDUCT OF EXIT POLLS

15.6 Exit polls may be conducted by any person or organisation in respect of any constituency. However, to forestall public perception of unfairness, approval would normally not be granted for applications made by a person or organisation which has publicly expressed support for any candidate or an organisation which has member(s) contesting in the constituency concerned. For security reasons, no exit poll may be conducted for dedicated polling stations. For the purpose of better control of the conduct of exit poll, persons or organisations intending to conduct exit polls must provide the following to the REO **at latest 10 days before the polling day:**

- (a) the name and address of the person or organisation intending to conduct exit poll on the polling day;
- (b) the identity document number and name of the person responsible together with his telephone number(s) for contact, especially during the polling hours; and
- (c) a list showing the number of persons who will be employed for the conduct of the exit poll at each polling station on the polling day together with the identity document number and name of each of all the persons who will be so employed.

15.7 On the receipt of the application, the REO will consider the application and issue approval to the concerned person or organisation as appropriate. Before the grant of approval, the person or organisation allowed to conduct exit poll will be required to sign an **undertaking** to abide by its terms and the guidelines governing the conduct of exit poll. If a person or an organisation who/which fails to comply with the terms of the undertaking and the guidelines set out in this chapter, the approval to conduct exit poll on the polling day or during the polling hours may be revoked. The EAC may also make a reprimand or censure in a public statement which will include the name of the person or organisation who/which fails to comply with the terms of the undertaking/guidelines. A notice showing the persons or organisations allowed to conduct exit poll together with their contact telephone numbers will be released to the public prior to the polling day for the reference of the public and candidates. Such a notice will also be displayed at the respective polling stations.

15.8 Interviews are not allowed inside polling stations. Interviewers should note that canvassing activity is prohibited under criminal sanction within the NCZ except door-to-door canvassing activities on the storeys above or below street level in a building other than one in which there is a polling

station provided that permission has been obtained for entry to the building for canvassing votes, and that obstruction is not posed to electors and no sound amplifying device is used. Interviewers must therefore be extremely careful in conducting exit poll so as not to give rise to any suspicion that they are canvassing electors inside the NCZ. Interviewers, like any other person, are not allowed to stay or loiter in the areas designated as the NSZ (within the NCZ but immediately outside the entrance/exit to each polling station) [s 41 of the EAC (EP) (LC) Reg]. Interviewers are also not allowed to accost electors in the NSZ. All these measures are for the purpose of securing safe and smooth passage of electors into and out of polling stations. The PRO of a polling station may, if circumstances require, designate an area outside the exit of the polling station so that interviewers may only conduct exit poll within that area.

PART IV : IDENTIFICATION OF INTERVIEWERS

15.9 There had been occasions where exit poll interviewers were mistaken for government officials or polling staff. Such interviewers are therefore required to display prominently an identification device showing the identity of the organisation/person conducting exit poll so that electors will not be misled into thinking that they are appointed by the Government. In addition, the interviewers are required to make known to the electors that any response is entirely voluntary. Arrangements should be made for electors to be aware of the name of the organisation/person conducting the interview and the fact that the exit poll is not commissioned by the Government.

15.10 After receipt of the information referred to in para. 15.6 above, the REO will notify the organisation or person concerned to collect a number of identification devices bearing the name of the organisation/person that is required to be displayed prominently by each of the persons included in the list in para. 15.6(c) above when conducting an exit poll. Any person not

displaying prominently such a device will not be allowed to conduct an exit poll outside any polling station.

PART V : SANCTION

15.11 Apart from the criminal sanction provided in the LCO, if the EAC comes to know that any broadcaster or organisation has failed to heed or comply with the guidelines in this chapter, it may make a **reprimand** or **censure** in a public statement which will include the name of the broadcaster or the organisation concerned.

CHAPTER 16

ELECTION EXPENSES AND ELECTION DONATIONS

PART I : WHAT CONSTITUTES ELECTION EXPENSES

16.1 Provisions relating to election expenses can be found in the ECICO.

16.2 **Election expenses** mean expenses incurred or to be incurred **before, during or after an election**, by a candidate or his election expense agent on his behalf for the purpose of promoting his election, or prejudicing the election of another candidate or other candidates and include the value of election donations consisting of goods and services used for that purpose [s 2 of the ECICO]. The term “candidate” relating to election expenses (and donations) therefore includes a person **who has publicly declared an intention to stand for election** in respect of a constituency at any time before the close of nominations for the election, regardless of whether he has submitted his nomination form, or after submission of the nomination form he has withdrawn his nomination, or his nomination is ruled invalid by the RO [s 2 of the ECICO]. A prescribed person who has applied under PCBP (LC & DC) Reg to have his emblem registered should not, by that act alone, be treated as having publicly declared an intention to stand for election. As the list voting system of proportional representation applies to the election of the GCs and the DC (second) FC, where lists of candidates instead of individual candidates will contest the election, a candidate who is on a list of candidates should pay attention to the special features applicable to the GC and DC (second) FC lists as set out in Part VII, although the law and guidelines in this

chapter referable to candidates apply generally to the GC and DC (second) FC lists.

16.3 A candidate may receive election **donations** for the purpose of meeting the costs of his election expenses. Election donation, in relation to a candidate or candidates at an election, means any of the following donations:

- (a) any money given to or in respect of him for the purpose of meeting or contributing towards meeting his election expenses; or
- (b) any goods given to or in respect of him for the purpose of promoting his election or of prejudicing the election of another candidate or other candidates and includes any goods given incidental to the provision of voluntary service; or
- (c) any service provided to or in respect of him for the purpose of promoting his election or of prejudicing the election of another candidate or other candidates, but does not include voluntary service.

[S 2 of the ECICO.]

An election donation to a candidate on a list of candidates will necessarily be a donation to all the individual candidates on the list jointly [see Part VII of this chapter]. All such donations, whether in cash or in kind, when spent or used, are counted as election expenses. [For details, see Part III of this chapter.]

16.4 It is a question of fact in each case whether expenses incurred will or will not be counted as election expenses. For as long as an expense is incurred for the purpose either of:

- (a) promoting the election of a candidate; or

- (b) prejudicing the election of another candidate or other candidates;

it will be an election expense, irrespective of when it is incurred, either before, during or after the election, and regardless of the source of funding.

16.5 Whether a particular item of expenditure should be regarded as an election expense is a question of fact to be answered in the circumstances of each case. Each case should be determined by reference to the purpose behind the expenses, taking account of the nature, circumstances and context of the expenditure. Personal expenses incurred in the normal course of a candidate's daily life are not election expenses. Use of staff and other resources which are available to a candidate in his official capacity or at work for the purpose of promoting his candidature in the election should be counted as election expenses. A list of common expenditure items which may be counted towards election expenses is at **Appendix O**. The list is only illustrative and should not be considered as having precedence over the legislation. Candidates should consult their legal advisers if they have doubt as to whether an expenditure item should count as an election expense. Any legal fees incurred as a result will not themselves be counted as election expenses.

16.6 A candidate should not use any public resources for the purpose of promoting his election or prejudicing the election of another candidate or other candidates at the election. However, any security, transportation, secretarial and living quarters services to which he is entitled to use for his private purposes by virtue of his post or job are not treated as public resources in this context.

PART II : WHO MAY INCUR ELECTION EXPENSES AND THEIR LIMIT

Maximum Amount of Election Expenses

16.7 The maximum amount of election expenses for elections for the different constituencies is prescribed by the Maximum Amount of Election Expenses (Legislative Council Election) Regulation to limit the maximum amount of expenses a candidate/a list of candidates may incur on account of the election. These expense limits control the extent of election campaigns and serve to prevent candidates with ample financial resources from having an unfair advantage.

16.8 The election expense limits are set out in the following table. For ascertaining the number of registered electors referred to in items (c), (d) and (e), inquiry can be made with the RO for the constituency concerned.

Constituencies	Election Expense Limits
(a) for a GC election:	
(i) for a list in Hong Kong Island GC	\$2,100,000
(ii) for a list in Kowloon East and Kowloon West GCs	\$1,575,000
(iii) for a list in New Territories East and New Territories West GCs	\$2,625,000
(b) for an election for one of the following 4 SFCs, viz, Heung Yee Kuk, Agriculture and Fisheries, Insurance, and Transport FCs	\$105,000

Constituencies	Election Expense Limits
(c) for an election for a FC (other than those in (b) above and the DC (second) FC) with not more than 5,000 registered electors	\$168,000
(d) for an election for a FC (other than the DC (second) FC) with between 5,001 and 10,000 registered electors	\$336,000
(e) for an election for a FC (other than the DC (second) FC) with over 10,000 registered electors	\$504,000
(f) for an election for a list for the DC (second) FC	\$6,000,000

[Ss 3, 3A and 4 of the Maximum Amount of the Election Expenses (Legislative Council Election) Regulation.]

16.9 A candidate must not incur any election expenses in excess of the maximum amount prescribed [s 24 of the ECICO]. Candidates on a GC or DC (second) FC list must not jointly or severally incur any election expenses in excess of the maximum allowed for each list for that GC or DC (second) FC, lest they will commit an illegal conduct.

Persons Authorised to Incur Election Expenses

16.10 Only a candidate or a person (including a fellow candidate on the same list of candidates) who has been duly authorised by a candidate as the candidate's election expense agent may incur election expenses [s 23(1) and (2) of the ECICO]. The authorisation should follow the procedures specified in Part VI: Election Expense Agent of Chapter 7.

16.11 **Negative campaigning (ie canvassing against other candidates).** Before incurring expenses in carrying out any negative campaigning for or for the benefit of a candidate, a person will need the authorisation of the candidate to be the election expense agent of the candidate. Such expenses will be counted towards election expenses of the candidate. If the negative campaign includes EAs, all the requirements of the ECICO and of the EAC (EP) (LC) Reg must also be complied with.

16.12 Candidates should advise the organisations with which they are associated and which may incur expenses to support them of these guidelines as soon as they have any intention or plan to run for an election, to avoid any offences being committed by these organisations out of ignorance.

16.13 A candidate will be responsible for the overall amount of his election expenses. In the event the total amount incurred by him and/or on his behalf exceeds the limit prescribed, he will be liable for contravening the law, unless he can prove that the excess was incurred without his consent, or beyond his authorisation, and not due to any negligence on his part. The election expense agent, on the other hand, should not incur an amount of election expenses which exceed the limit authorised by the candidate, lest the agent will contravene s 23(4) of the ECICO. [Ss 23 and 24 of the ECICO.]

PART III : ELECTION DONATIONS

General Provisions

16.14 A person who has made known his intention to stand as a candidate in an election may receive election donations for the sole purpose of meeting his election expenses.

16.15 Election donations can only be used for meeting, or contributing towards meeting, a candidate's election expenses, or in the case of an election donation consisting of goods or services, for the purpose of promoting the election of the candidate or of prejudicing the election of another candidate or other candidates [s 18 of the ECICO].

16.16 Election donations can be in cash or in kind, and include any money's worth, any valuable security or other equivalent of money and any valuable consideration. All spent or used election donations, whether in cash or in kind, which may be received before, during or after an election, are counted towards the total election expenses which are subject to the maximum amount prescribed.

16.17 Any unspent or unused election donations must be given to charitable institution(s) or trust(s) of a public character chosen by the candidate(s). Any amount of election donations that exceeds the upper limit of election expenses must also be given to such charitable institution(s) or trust(s). It must be done before the time when the return and declaration of election expenses and election donations is lodged in accordance with s 37 of the ECICO. [S 19 of the ECICO.]

16.18 Since election donations can only be lawfully spent for meeting or contributing towards meeting election expenses, donations and expenses are often corresponding to each other. For every item of election expense which is avoided or reduced by obtaining the goods supplied or services rendered free of charge or at a discount, there should normally be a corresponding item of election donation. The only exception is voluntary services obtained that are not treated as election donations (but any goods given incidental to the provision of a voluntary service will however be counted as an election donation). These points are elaborated in paras. 16.20 to 16.22 below.

16.19 On receiving an election donation, of money or in kind, of more than \$1,000 in value, a candidate must issue to the donor a receipt which specifies the name and address of the donor (as supplied by the donor). A standard form of receipt is obtainable from the REO and will be provided to a candidate or a list of candidates at the time of his submitting the nomination form. While it is not uncommon that some donors would like to be anonymous, if a donation, in cash or in kind, is more than \$1,000 in value, then only where the donor's name and address (as supplied by the donor) are shown as required by the standard form of donation receipt can it be used as election donation. Donations exceeding \$1,000 or, in the case of an election donation consisting of goods, of more than \$1,000 in value received from anonymous donors must not be used for election expenses and must be given to a charitable institution or trust of a public character chosen by the candidate(s) [s 19(2) of the ECICO].

Election Donations in Kind

16.20 Election donations in kind include goods and services obtained free of charge or at a discount. Unless the discount is generally available to all customers, the difference between the market/regular price and the price charged is an election donation and must be declared and included as such and correspondingly as an election expense in the form of return. The same principle applies to loans obtained at no interest or at an interest rate lower than usual. Unless the facility is generally available to others, the interest not charged must be declared and included as an election donation and election expense in the form of return. For premises provided free of charge to a candidate for his election campaign, a reasonable amount should be assessed as the deemed rental for the premises and such be included as an election donation and election expense in the form of return.

16.21 For services or goods obtained free of charge, a candidate must include in the return their estimated value as if the expenses had been incurred.

Where the services or goods are furnished by a person who deals in similar services or goods with the public, their estimated value should be assessed at the lowest price at which the person offers his services or goods to the public at the time when they are furnished. Where such services or goods are furnished by persons who do not deal in similar services or goods with the public, their estimated value should be assessed at the lowest market retail price at the time when they are furnished.

16.22 **Voluntary service** is the only service rendered free of charge which may be excluded from being counted as election expenses. In addition to being free of charge, the service must be provided by a natural person, voluntarily and personally, in his own time for the purpose of promoting the election of the candidate or candidates, or of prejudicing the election of another candidate or other candidates [s 2 of the ECICO]. Otherwise, the service provided should be treated as an election donation and counted towards election expenses at a fair estimated value.

PART IV : RETURN AND DECLARATION OF ELECTION EXPENSES AND ELECTION DONATIONS

16.23 A candidate must keep an accurate account of all election expenses incurred and election donations (whether in cash or in kind) received, and submit to **the CEO a return and declaration of election expenses and election donations in a specified form not later than 60 days after the publication in the Gazette of the result of the election, or not later than 60 days after the declaration of the termination of the election proceedings under the relevant electoral law, or not later than 60 days after the declaration of the failure of the election under the relevant electoral law** [s 37 of the ECICO].

16.24 The return must cover all the election expenses incurred by the candidate or the person(s) so authorised by him, services or goods obtained free of charge or at a discount and any outstanding claims. It must be submitted with supporting invoices and receipts issued by recipients of the payments for all payments each of \$100 and above. The copies of receipts issued by the candidate for any election donations of more than \$1,000 and those issued by charitable institutions or trusts of a public character for the collection of any unspent or excessive election donations should also be attached. A declaration verifying the contents of the return should also be submitted together with the return. [S 37 of the ECICO.]

16.25 At the time of his submitting his nomination form, a candidate will be given:

- (a) a set of the specified forms for making return and declaration of election expenses and election donations mentioned in para. 16.23 above, together with a standard form of receipt for election donations mentioned in para. 16.19 above;
- (b) the specified form for advance return of election donations [see paras. 16.32 to 34 below];
- (c) a specimen of the specified form with examples showing how the return and declaration can be completed; and
- (d) explanatory notes on how to complete the returns.

A candidate should read the explanatory notes carefully in completing the return, and make reference to the specimen whenever necessary.

Statutory Relief Mechanism for Errors and False Statements

16.26 If a candidate is unable or fails to send to the CEO the return and declaration of all election expenses and election donations before the end of the permitted period due to his own illness or absence from Hong Kong, or the death, illness, absence from Hong Kong or misconduct of any agent or employee of the candidate, or by reason of inadvertence or accidental miscalculation by the candidate or any other person, or any reasonable cause, and not due to the candidate's bad faith, he can make an application to the CFI for an order to send in the return and declaration within a further period as specified by the CFI [s 40(1) and (2) of the ECICO].

16.27 If a candidate makes an error or a false statement in the return and declaration of election expenses and election donations due to misconduct of any agent or employee of the candidate, or by reason of inadvertence or accidental miscalculation by the candidate or any other person, or any reasonable cause, and not due to the candidate's bad faith, he may apply to the CFI for an order enabling him to correct any error or false statement in the return or in any document accompanying the return [s 40(3) and (4) of the ECICO].

16.28 Notwithstanding the provision set out in para. 16.27 above, if a candidate makes an error and/or a false statement in the election return, the nature of which is either a failure to set out in the election return any election expense of the candidate at the election or any election donation received by or on behalf of the candidate in connection with the election, or incorrectness in the amount of any election expense or any election donation, **and** the aggregate value of the error(s) and/or false statement(s) does **not** exceed, as the case may be:

- (a) \$3,000 for an election to elect a Member or Members of the GC;

- (b) \$5,000 for an election to elect a Member or Members of the DC (second) FC;
- (c) \$500 for an election to elect a Member or Members of any FC other than the DC (second) FC;

he may, subject to the conditions set out in para. 16.29 below, seek to have the error and/or false statement rectified in accordance with a simplified relief arrangement for minor errors or false statements as provided under s 37A of the ECICO. Under the arrangement, the candidate may lodge with the CEO a revised election return which will be a copy of the original election return earlier submitted to the CEO marked with the necessary revision to have the errors or false statements in question corrected. An error or false statement made in an election return also includes an error or false statement in any document accompanying the election return; or a failure to send any document required by s 37(2)(b) of the ECICO in relation to the election return [s 37A(12) of the ECICO].

16.29 A copy of the revised election return lodged by a candidate is of no effect unless it is:

- (a) lodged within 30 days after the date on which the candidate receives a notice from the CEO relating to the error and/or false statement in the election return;
- (b) accompanied by all relevant documents as required under s 37(2)(b) of the ECICO (eg invoice and/or receipt) and, if applicable, an explanation; and
- (c) a declaration to be made by the candidate in a specified form verifying the contents of the revised election return.

In case a candidate has identified an error and/or a false statement in his election return on his own, he should inform the CEO in writing providing all the necessary details and requesting permission for rectification under the simplified relief mechanism. When satisfied that the request is *prima facie* allowable under the relief mechanism, the CEO will issue a notice relating to the error or false statement to the candidate for correction in accordance with the mechanism. A copy of the revised election return made under the relief mechanism cannot be withdrawn or further amended after it has been lodged with the CEO. If the candidate fails to correct the error or false statement within the specified period, the election return will be subject to the normal checking and investigation under the ECICO.

16.30 The relief mechanism will not be applicable if, after including the cumulative amount of errors or false statements, the aggregate amount of election expenses incurred at or in connection with the election, exceeds the maximum amount of election expenses prescribed for a candidate, which is an illegal conduct under s 24 of the ECICO. If the ICAC has received complaints or intelligence indicating that a candidate may have made a statement that he knows or ought to know is materially false or misleading which amounts to corrupt conduct, the ICAC will conduct investigation into this case despite the relief arrangement set out above. The rectifications of the election return under the relief arrangement will not exempt the candidate from being investigated or subsequently prosecuted under the ECICO in such circumstances. Moreover, this relief mechanism will not relieve the candidate from liability under other offence provisions in the ECICO if the election return concerned has contravened any such provisions. [S 37A of the ECICO.]

16.31 When the candidate finds himself in any of the situations set out in paras. 16.26 and 16.27 above, other than the situations where correction of errors or false statements is allowed under the relief arrangement in para. 16.28 above, it would be wise of him to make the application to the CFI and inform

the REO as soon as possible. The legal costs so incurred will not be regarded as his election expenses. It is a corrupt conduct if a candidate who, in an election return lodged under s 37 of the ECICO, or a copy of an election return lodged under s 37A of the ECICO, makes a statement that he knows or ought to know is materially false or misleading [s 20 of the ECICO].

PART V : ADVANCE RETURN OF ELECTION DONATIONS

16.32 Any candidate who is an incumbent public servant under the POBO, eg a serving member of the LegCo or a DC, etc., may give advance disclosure to the CEO of any election donations received. This may enable such an incumbent member to avoid any inadvertent contravention of the provisions of the POBO relating to the acceptance of “advantages”. The donations so disclosed must also be incorporated in the return and declaration of all election expenses and election donations to be submitted to the CEO not later than 60 days after the publication in the Gazette of the result of the election, or not later than 60 days after the declaration of the termination of the relevant proceedings under the relevant electoral law, or not later than 60 days after the declaration of the failure of the election under the relevant electoral law [s 37 of the ECICO]. The general provisions regarding election donations in Part III must be observed.

16.33 Any **advance return of election donations** must be made on the specified form mentioned in para. 16.25 above.

16.34 Depending on the time and the number of election donations received, a candidate may submit any number of advance returns of election donations to the CEO.

PART VI : FINANCIAL ASSISTANCE

16.35 Under the Financial Assistance Scheme for candidates and lists of candidates standing in LegCo elections in respect of election expenses, candidates or lists of candidates who get elected or who have received 5% of valid votes or more and are not disqualified will be eligible for financial assistance as follows:

- (a) in respect of a candidate or a list of candidates in a contested GC or FC, the amount payable is the lowest of the following:
 - (i) the amount obtained by multiplying the total number of valid votes cast for the candidate or list of candidates by the specified rate (now at \$12 per vote);
 - (ii) 50% of the maximum amount of election expenses that may be incurred by or on behalf of the candidate or list of candidates as set out in ss 3, 3A or 4 of the Maximum Amount of Election Expenses (Legislative Council Election) Regulation;
 - (iii) the declared election expenses of the candidate or list of candidates.
- (b) in respect of a candidate or a list of candidates in an uncontested GC or FC, the amount payable is the lowest of the following:
 - (i) the amount obtained by multiplying 50% of the number of registered electors for the constituency by the specified rate (now at \$12 per registered elector);

- (ii) 50% of the maximum amount of election expenses that may be incurred by or on behalf of the candidate or list of candidates as set out in ss 3, 3A or 4 of the Maximum Amount of Election Expenses (Legislative Council Election) Regulation;
- (iii) the declared election expenses of the candidate or list of candidates.

The amount of election donations received by a candidate or a list of candidates will not affect the calculation of the amount of financial assistance payable to the candidate or list of candidates. As election donations will not be netted off in calculating the amount of financial assistance payable to a candidate or a list of candidates, the amount of financial assistance payable to a candidate or a list of candidates in some cases may be greater than the amount of his or their net election expenses⁸. Any such 'surplus' financial assistance may be used by the candidates for their future political or community work, or it may be expended generally as a token recognition of their efforts in elections. The broad procedural and documentary requirements for making a claim, and general conditions for payment to be made are provided in Part VIA of the LCO. The EAC (FA) (APP) Reg sets out the detailed implementation procedures for the Scheme.

16.36 In the claim for financial assistance, a candidate/a list of candidates should deduct the estimated value of the reused publicity materials from calculation of the amount of financial assistance to be made payable to the candidate/the list of candidates.

⁸ This may occur if the candidate or list of candidates secures donations which exceed 50% of his or their total election expenses.

Making Claims and their Submissions

Requirements to be complied with when making claims

16.37 A claim for financial assistance shall be made by a candidate or a list of candidates in a specified form (which will be provided by the REO at the time when candidates submit their nominations). It shall be signed by a candidate, or in respect of a list of candidates by all candidates on the list (or if there is only one candidate on the list, by that candidate). The claim form shall be accompanied by:

- (a) an election return made under s 37 of the ECICO; and
- (b) an auditor's report which confirms that an auditor has audited the account of the declared election expenses by conducting a reasonable assurance engagement in accordance with the Hong Kong Standards on Assurance Engagements, and states the auditor's opinion as to whether the election return complies with s 37(1)(a) and (2)(b)(i) and (v) of the ECICO in all material respects.

[S 3 of the EAC (FA) (APP) Reg.]

16.38 A set of guidance notes will be prepared by the REO with assistance by the Hong Kong Institute of Certified Public Accountants ("HKICPA") for auditors who are engaged by candidates to perform the auditing task. These notes will be issued by the HKICPA to its members prior to the LegCo election.

16.39 Since the auditing fee is not incurred for the purpose of promoting candidature or prejudicing another candidate, it should not be regarded as an election expense. Accordingly, an elected candidate could

accept an advantage to meet the auditing fee incurred and he would not be required to report the acceptance in his election return. S 4 of the POBO does not prohibit the acceptance of such an advantage *per se*, but if an elected candidate decides to accept such an advantage, he should ensure that the acceptance is not in breach of the relevant provisions in s 4 of the POBO.

Submission of claims

16.40 The claim form, together with the accompanying documents, shall be submitted in person at the office of the CEO by the candidate or one of the candidates of a list of candidates (or if there is only one candidate on the list, by that candidate) who has signed the claim form, or his agent, within 60 days after the publication in the Gazette of the result of the election [s 4 of the EAC (FA) (APP) Reg].

Verification of Claims

Verification by CEO

16.41 On receiving a claim, the CEO will check the eligibility for financial assistance of the candidate or the list of candidates. He will also verify that the claim conforms to the requirements set out in the EAC (FA) (APP) Reg.

Requirement for further information

16.42 The CEO may require the claimant, through a written request, to provide further information to verify the claim. The claimant must provide the information within 14 days from the date of receipt of the written request or within the period or extended period provided for in s 37 of the ECICO for lodging an election return, whichever is later. If the claimant fails to provide the information within the period, the CEO may stop processing the claim

without any prior notice. [S 5 of EAC (FA) (APP) Reg.]

Part processing of claims

16.43 If an auditor's report states that only part of the election return complies with the requirements set out in the relevant sections of the ECICO, the CEO may process that part of the return that complies with those requirements and may stop processing the part of the return that does not comply with those requirements [s 6 of the EAC (FA) (APP) Reg].

Withdrawal of Claims

16.44 A claim may be withdrawn before a payment of financial assistance is made by submitting a notice of withdrawal in person at the office of the CEO by the candidate, or by one of the candidates in the case of a claim made by a list of candidates (or if there is only one candidate on the list, by that candidate), or his agent. The notice of withdrawal must be in a specified form and signed by the candidate, or by all the candidates in the case of a claim made by a list of candidates. [S 7 of the EAC (FA) (APP) Reg.]

Payment of Claim after Verification

Payment to be made by the Director of Accounting Services ("DAS")

16.45 After verifying the claim, the CEO will certify the amount of financial assistance payable on the claim and notify the DAS of the amount payable and the person to whom it is to be paid. As soon as practicable after receiving the notification, the DAS must make the payment in accordance with the notification. In the case of a list of more than one candidate, the payment is to be made to the candidate who is nominated in the claim form to receive the payment on behalf of the candidates on the list. [S 8 of the EAC (FA) (APP) Reg.]

Recovery of Payment

16.46 Where a payment of financial assistance is made and the recipient is not entitled to receive the whole or part of the amount paid, the CEO is required to send a written notice under s 60H(1)(a) of the LCO by registered post to the recipient requiring repayment within 3 months after the date of notice. The recipient may make the repayment, in person, at the office of the CEO or send the repayment by post. [S 12 of the EAC (FA) (APP) Reg.]

PART VII : SPECIAL FEATURES APPLICABLE TO THE LIST OF CANDIDATES IN A GEOGRAPHICAL CONSTITUENCY AND THE DISTRICT COUNCIL (SECOND) FUNCTIONAL CONSTITUENCY ELECTION

16.47 The guidelines in this chapter and the provisions of the ECICO apply generally to each and every candidate who is on a list of candidates. This Part draws attention of those candidates and their agents to the special features that are applicable to the list of candidates in a GC/DC (second) FC.

16.48 As stated in item (a) and (f) of para. 16.8 above, a particular ceiling of election expenses applies to each list of candidates in the case of GC/DC (second) FC. The election expenses to be incurred by all the candidates on a list of candidates, or a single candidate on the list, cannot exceed the applicable ceiling, or else all the candidate(s) on the list of candidates will be guilty of an illegal conduct under s 24 of the ECICO.

16.49 Any election expenses incurred by or on behalf of a candidate on

a GC/DC (second) FC list for promoting the election of the candidate or list of candidates, or for prejudicing the election of another candidate or list of candidates, or any one of such candidates [see para.16.2 above] will necessarily be election expenses incurred for the whole list of candidates, because they are not only incurred for a particular candidate, but for promoting or benefiting the election of that list of candidates in its entirety, regardless of the candidate's rank of priority on the that list of candidates. An authorisation to an election expense agent, be he one of the candidates on the GC/DC (second) FC list or otherwise, to incur election expenses for a candidate on the list of candidates, therefore, must necessarily be an **authorisation** to incur election expenses for all the candidates on the list of candidates, and thus it needs to be **signed by all the candidates on the list**, and not just by the candidate alone. By the same reason, each candidate on the same GC/DC (second) FC list must authorise the other fellow candidate(s) to be his election expense agent(s), or otherwise none of the other fellow candidates can lawfully incur election expenses for him, or for the whole list which includes him. The election expenses incurred by any candidate on a GC/DC (second) FC list individually, whether before or after the formation of the list, form part of the election expenses capped by the applicable ceiling and must be counted towards the maximum amount allowed.

16.50 In order to ensure that each of the candidates on a list of candidates will cross-authorise one another as his election expense agent(s), they will be required to complete and jointly sign a **return and declaration of election expenses already incurred and cross-authorisation form** and submit it to the relevant RO or the CEO, as the case may be, for the following purposes:

- (a) to declare the amount of election expenses each of them has already incurred for himself before formation of the list and up to the time when the declaration is made;

- (b) to declare the amount of election expenses each of them and of the election expense agents is authorised to incur for the list for the election campaign which, taking into account the expenses already incurred as referred to in (a) above, should not exceed the election expense ceiling applicable to the GC/DC (second) FC; and
- (c) to cross-authorise each other and the election expense agents to incur election expenses by the amounts as declared in (b) above.

It is important to note that the authorisation is not effective until it has been received by the relevant RO or the CEO, as the case may be. So long as the sum total of the amounts in (a) and (b) above does not exceed the applicable ceiling for the GC/DC (second) FC, the candidates on the list of candidates can decide the exact amount each is to expend for their campaign. However, candidates are advised that it would be wise to reserve a comfortable cushion below the ceiling when making the initial decision. The reason is that if any one of them wishes to expend above the amount to be incurred as declared in (b), this further expenditure could be covered by the cushioned amount. Moreover, since each candidate on a GC/DC (second) FC list is an election expense agent, he cannot by himself delegate to any third party to incur election expenses for the GC/DC (second) FC list. Any election expense agent must receive a written authorisation from **all** the candidates on the GC/DC (second) FC list **before** he can incur such expenses without contravening s 23 of the ECICO.

16.51 If there is any proposed alteration of the amount of election expenses any one of the candidates on a GC/DC (second) FC list has been authorised to incur under the cross-authorisation referred to in para. 16.50(b) above, all candidates of the GC/DC (second) FC list are required to sign another declaration form for the purpose and submit it to the relevant RO or the CEO, as the case may be. If there is any proposed alteration of the amount of

election expenses that any election expense agent has been authorised by all the candidates on a GC/DC (second) FC list to incur, the same procedure applies.

16.52 The reasoning set out in para. 16.49 above applies similarly to election donations.

16.53 **All candidates** on a GC/DC (second) FC list are required to **complete a form of return and declaration of election expenses and election donations and signed individually (Part II) and jointly (Part III)** before a Commissioner for Oaths or other authorised persons after the election. A single candidate on a list is **not** required to complete and sign Part III. In the form, election donations must include the amount of contribution each of the candidates has made and election donations received from other sources for the election campaign for the promotion of the whole GC/DC (second) FC list. Each candidate on a GC/DC (second) FC list is responsible for the amount of election expenses he has incurred and been authorised to incur by the other fellow candidates on the list, which must be stated in the return with supporting invoices and receipts.

16.54 Candidates from the FCs (other than the DC (second) FC) need to complete a different form on return and declaration of election expenses and election donations.

PART VIII : ENFORCEMENT AND PENALTY

Enforcement

16.55 The returns will be made available at the REO for public inspection up to the first anniversary of the date on which the result of an election is published. Copies of the returns will be furnished to any person

upon request subject to payment of copying fee at a fixed rate. [S 41 of the ECICO.]

16.56 Any complaint or report of breach of these guidelines may be made to the relevant RO, the REO or to the EAC or its Complaints Committee direct. The EAC or its Complaint Committee may, after consideration, refer the cases to the relevant authorities for investigation and prosecution.

16.57 The REO will check all returns of election expenses and election donations. Irregularities detected will be reported to the relevant authorities for investigation.

Penalties

16.58 It is an illegal conduct for a candidate to incur election expenses in excess of the maximum amount prescribed. It is also an illegal conduct for a person, other than a candidate or a candidate's election expense agent, to incur election expenses. An election expense agent engages in illegal conduct if he incurs election expenses in excess of the amount authorised. Such an illegal conduct is punishable by a fine of up to \$200,000 and imprisonment of up to 3 years [ss 22, 23 and 24 of the ECICO].

16.59 A candidate who uses any election donation for any purpose other than for meeting his election expenses, or fails to dispose of unspent or excessive election donations in accordance with s 19 of the ECICO commits a corrupt conduct punishable by a fine of up to \$500,000 and imprisonment of up to 7 years. [Ss 6, 18 and 19 of the ECICO.]

16.60 A candidate who fails to submit the return and declaration of election expenses and election donations by the prescribed date or who fails to provide an accurate account of all expenses incurred and all election donations received with the required supporting invoices and receipts issued by recipients

of the payments commits an offence, punishable by a fine of up to \$200,000 and imprisonment of up to 3 years [s 38 of the ECICO].

16.61 A candidate who knowingly makes a materially false or misleading statement in his return and declaration of election expenses and election donations commits a corrupt conduct punishable by a fine of up to \$500,000 and imprisonment of up to 7 years [ss 6 and 20 of the ECICO].

16.62 A candidate, who having been elected to the LegCo, acts in the office or participates in the affairs of the LegCo without filing the return and declaration of election expenses and election donations before the end of the permitted period commits an offence, punishable by a fine of \$5,000 for every day after such expiration on which he so sits or votes in such body [s 39 of the ECICO].

16.63 A person convicted of a **corrupt conduct or illegal conduct** within the meaning of the ECICO will, in addition to the penalties set out in paras. 16.58 to 16.62 above, be disqualified:

- (a) for 5 years from being nominated as a candidate for the election of, or from being elected as, the CE, a member of the LegCo or DC or a VR from the date of conviction [ss 14 and 20 of the CEEQ, s 39 of the LCO, s 21 of the DCO and s 23 of the VREQ]; and
- (b) for 3 years from being nominated as a candidate for the Election Committee (“EC”) Subsector Elections, or from being nominated or elected as, an EC member from the date of conviction [ss 9 and 18 of the Schedule to the CEEQ].

CHAPTER 17

CORRUPT AND ILLEGAL CONDUCT

PART I : GENERAL

17.1 This chapter sets out the guidelines against corrupt and illegal conduct in conducting election-related activities. It is important that candidates are aware of the common pitfalls in election activities, which may involve corrupt and illegal conduct, and take appropriate preventive measures to guard against committing offences out of oversight.

17.2 Provisions relating to corrupt and illegal conduct can be found in the ECICO. To help candidates and their agents to get acquainted with the major provisions of the Ordinance, the ICAC will prepare an Information Booklet on “Clean Legislative Council Election” for distribution to candidates. The content of the Information Booklet will also be uploaded onto the website of the ICAC (www.icac.org.hk/elections).

17.3 The ECICO and the guidelines in this chapter apply generally to the elections in respect of the FCs/SFCs, and the GCs. For the special features applicable to the system of the list of candidates in the GC and DC (second) FC elections, please also see Part VII of Chapter 16.

17.4 A person who engages in:

- (a) a **corrupt conduct** will be liable to a fine of up to \$500,000 and imprisonment for up to 7 years and to pay to the court the amount or value or such part as specified by the court of any valuable

consideration he or his agents received in connection with the conduct [s 6 of the ECICO]; and

- (b) an **illegal conduct** will be liable to a fine of up to \$200,000 and imprisonment for up to 3 years [s 22 of the ECICO].

In addition to these penalties, a convicted person will be disqualified from being nominated as a candidate in elections. For details, please see para. 17.32 below.

PART II : CORRUPT CONDUCT RELATING TO NOMINATION AND WITHDRAWAL OF CANDIDATURE

Offences relating to Candidature

17.5 Any act to affect a person's candidature by bribery, force, duress or deception is prohibited. Candidature includes standing as a candidate, not standing as a candidate, or withdrawal of nomination. It will be a corrupt conduct if a person corruptly:

- (a) offers an advantage to another person as an inducement or reward to affect his candidature or for not using his best endeavours to promote his election;
- (b) offers an advantage to another person as an inducement or reward to affect the candidature of a third person or get the third person not to use his best endeavours to promote his election;

- (c) solicits or accepts an advantage from another person as an inducement or reward to affect the candidature of himself or for not using his best endeavours to promote his election; or
- (d) solicits or accepts an advantage from another person as an inducement or reward to affect the candidature of a third person or get the third person not to use his best endeavours to promote his election.

[S 7 of the ECICO.]

17.6 Similarly, a person engages in corrupt conduct if he uses or threatens to use force or duress against another person to affect the candidature of that person or a third person. The use of deception to induce another person to affect the candidature of that person or a third person is also a corrupt conduct [ss 8 and 9 of the ECICO].

17.7 It will also be a corrupt conduct if a person defaces or destroys a completed or partly completed nomination paper with intent to prevent or obstruct another person from standing for election [s 10 of the ECICO].

PART III : ILLEGAL CONDUCT RELATING TO ELECTIONEERING

False Statement that a Person is or is not a Candidate

17.8 A person must not publish any statement that a candidate is no longer a candidate at an election if he is a candidate, or that another person who has been nominated as a candidate is no longer a candidate at the election, or that he or another person is a candidate at an election, knowing that the

statement is false [s 25 of the ECICO].

False or Misleading Statement about a Candidate

17.9 A person must not publish any materially false or misleading statement of fact about a particular candidate or particular candidates for the purpose of promoting or prejudicing the election of the candidate or candidates. Similarly, a candidate must not publish any materially false or misleading statement of fact about himself or another candidate or other candidates for the purpose of promoting the election of himself or prejudicing the election of another candidate or other candidates. Any such publication will amount to an illegal conduct. It should be noted that materially false or misleading statements about a candidate or candidates include, but are not limited to, statements concerning the character, qualifications or previous conduct of the candidate or candidates to promote or prejudice the election of the candidate, eg a person who makes a materially false or misleading statement of fact, thereby calling into question the integrity and honesty of that candidate, may contravene the above provision [s 26 of the ECICO]. Any person, who wishes to publish a statement about a candidate or candidates, should make every effort to ensure its accuracy before its publication.

False Claim of Support

[Please also see Chapter 18: Namedropping.]

17.10 A candidate engages in illegal conduct if he fails to obtain **prior written consent** from a person or an organisation before using the name or logo of that person or organisation, or a pictorial representation of that person in any of his EAs as an indication of support from that person or organisation unless he has neither requested or directed nor authorised any person to request or direct the inclusion of the aforesaid name, logo or pictorial representation in his EAs. Also, should any content of an EA (where either the candidate has obtained the prior written consent mentioned above or the candidate has neither

requested or directed nor authorised any person to request or direct the inclusion of the name, logo or pictorial representation in his EAs) be provided by a person or an organisation, the candidate engages in illegal conduct if he modifies, or authorises any person to modify, the name, logo, or pictorial representation or the content unless **before** the modification, the person or organisation concerned **consented in writing** to the name, logo, pictorial representation or content as modified. Oral consent is **not** sufficient. [S 27(1), (1A) and (1B) of the ECICO.] The EAC provides a sample consent form for this purpose. Any indication of support in EAs, be it a text, a photograph or any other material, must be covered by a written consent from the person or organisation concerned. A candidate is required to post a copy of the consent form relevant to the EA concerned onto the Candidate's Platform or Central Platform or deposit a copy of the consent form with the relevant RO in the manner as set out in para. 8.41 of Chapter 8 [s 105 of the EAC (EP) (LC) Reg]. It is important to note that it is still an offence even if such an EA contains a statement to the effect that it does not imply support from the person or organisation concerned [s 27(4) of the ECICO]. It is also an offence for a person to give information which he knows or ought to know is materially false or misleading to a candidate or candidates for promoting or prejudicing the election of a candidate or candidates [s 27(6) of the ECICO].

17.11 A person or an organisation may give support to a list of candidates, to one or more of the candidates on a list of candidates, or to a single candidate on a list. Support can be also given to 2 or more candidates or 2 or more lists of candidates, even if they are competing in the same constituency, although that may cause confusion. This should be specified in the written consent. A sample form on seeking “**Consent of Support**” prepared by the EAC will be provided to a candidate upon his submission of a nomination form for the election or can be downloaded from the REO website. Candidates should take care to ensure that their EAs make clear where support is claimed whether it is for the whole list of candidates or for individual candidate(s) on a list of candidates. Candidates are reminded that it is an

offence to make a false claim of support [see Chapter 18 : Namedropping].

17.12 Candidates on a list of candidates must be very careful in their EAs to describe **precisely** the support obtained by them or only one of them from supporters (as evidenced by a completed form of consent of support) to ensure that there is no false claim of support [see also para. 16.12 of Chapter 16].

17.13 Consent given can be revoked. In case of a revocation, in order to avoid dispute, it is advisable for the person or organisation who has revoked the consent to send a notice or copy of the revocation to the candidate concerned and to the relevant RO. In such case, the candidate is required to notify the relevant RO in writing of any revocation of consent or post a notice or copy of the revocation onto the Candidate's Platform or the Central Platform in the manner as set out in para. 8.41 of Chapter 8.

17.14 S 28 of the ECICO provides for an injunction order by the Court to restrain the publication of any materially false or misleading statement or false claim of support. An application for such an injunction order may be made by a candidate in the same constituency, his election agent, an elector in the same constituency and the person or body to whom or which the false information is related.

[Subject to the enactment of the relevant amendments to the EAC (EP) (LC) Reg and the ECICO, the revised paras. 17.10 and 17.13 above will be incorporated in the finalised guidelines.]

PART IV : CORRUPT CONDUCT RELATING TO ELECTIONEERING AND VOTING

Bribery

17.15 Any act to affect a person's voting preference by offering or soliciting or accepting an advantage is prohibited [s 11 of the ECICO]. Voting preference covers voting for a particular candidate or candidates, not voting at an election, or not voting for a particular candidate or candidates.

Treating

17.16 A person must not at any time provide or meet all or part of the cost of providing another person any food, drink or entertainment for the purpose of influencing that person's or a third person's voting preference. Likewise, the corrupt solicitation or acceptance of any such treating is prohibited [s 12 of the ECICO].

17.17 The serving of non-alcoholic drinks at an election meeting will not be deemed corrupt for the above purposes [s 12(5) of the ECICO]. An election meeting is any meeting held to promote or prejudice the election of a particular candidate or particular candidates. [See Chapter 10 : Election Meetings for details.]

17.18 Treating arises in daily situations. If it is used (by a candidate or another person) for affecting a person's voting preference, it is an offence under s 12 of the ECICO. If a person or an organisation hosts a banquet for a non-election-related purpose but, during the occasion, innocently calls on the guests to vote for a particular candidate, the candidate concerned should immediately stop any promotion of his election and disown or dissociate with whatever has been said or done to promote his candidature. Otherwise, the

occasion will be regarded as an election meeting held to promote his candidature and expenses incurred will have to be counted towards his election expenses.

17.19 If a banquet, albeit apparently not related to any election, is used to affect a person's voting preference, then both the host and the candidate will be guilty of a corrupt conduct.

Force and Duress

17.20 The use of or the threat to use force or duress against a person to induce him to vote or not to vote at an election, or to vote or not to vote for a particular candidate or particular candidates or to get a third person to do so is a corrupt conduct [s 13 of the ECICO].

17.21 Persons in position to exert pressure and influence on others should be careful not to breach the provisions under the ECICO, eg employers over employees, school principals or teachers over students, religious advisers over believers and doctors over patients, etc.

Voting Offences

17.22 It is a corrupt conduct for any person:

- (a) to vote at an election knowing that he is not entitled to vote at that election;
- (b) to vote at an election after having knowingly or recklessly given materially false or misleading information to an electoral officer, or to vote at an election after having knowingly omitted to give material information to an electoral officer;

- (c) to vote at an election more than once except as expressly permitted by an electoral law; or
- (d) to invite or induce another person to commit (a), (b) or (c) above.

[S 16 of the ECICO.]

PART V : CORRUPT AND ILLEGAL CONDUCT RELATING TO ELECTION EXPENSES AND ELECTION DONATIONS

17.23 Candidates should be careful when handling election expenses and election donations as non-compliance with the relevant requirements will be a corrupt or illegal conduct. For details of the requirements that have to be observed, please refer to Chapter 16 : Election Expenses and Election Donations.

PART VI : POWER OF COURT TO EXCUSE INNOCENT ACTS

17.24 S 31 of the ECICO provides a mechanism for a candidate to apply for a Court order to relieve himself of criminal responsibility if he contravenes the illegal conduct provisions due to inadvertence, accidental miscalculation or any reasonable cause and was not due to bad faith. No prosecution against him may be instituted or carried on until the application is disposed of by the Court. He will not be liable to be convicted of an offence if the illegal conduct is the subject of a Court order.

17.25 A candidate who is unable or has failed to send to the CEO the return and declaration of all election expenses and donations before the end of the permitted period due to his own illness or absence from Hong Kong, or the death, illness, absence from Hong Kong or misconduct of any agent or employee of the candidate, or by reason of inadvertence or accidental miscalculation by the candidate or any other person, or any reasonable cause, and not due to the candidate's bad faith, can make an application to the CFI for an order to send in the return and declaration within a further period as specified by the CFI [s 40(1) and (2) of the ECICO].

17.26 If a candidate makes an error or a false statement in the return and declaration of election expenses and donations due to misconduct of any agent or employee of the candidate, or by reason of inadvertence or accidental miscalculation by the candidate or any other person, or any reasonable cause, and not due to the candidate's bad faith, he may apply to the CFI for an order enabling him to correct any error or false statement in the return or in any document accompanying the return [s 40(3) and (4) of the ECICO].

17.27 When the candidate finds himself in any of the situations set out in paras. 17.25 and 17.26 above, other than the situations where correction of errors or false statements is allowed under the relief arrangement in para. 16.28 of Chapter 16, it would be wise of him to make the application to the CFI and inform the REO as soon as possible.

PART VII : NON-COMPLIANCE WITH THE LAW AND SANCTION

17.28 Any complaint or report of breach of these guidelines may be made to the relevant RO, the REO or the EAC direct. The EAC may, after

consideration, refer the cases to the relevant authorities for investigation and prosecution.

17.29 The ICAC may, subject to the decision of the Secretary for Justice, prosecute, issue a warning or caution to candidates and any other persons in appropriate cases concerning any breach of the electoral law or regulation, especially the ECICO.

17.30 The Director of Public Prosecutions has informed the EAC that the Department of Justice will not hesitate to prosecute appropriate cases of electoral offences.

17.31 The EAC may also issue public statements in such manner as it deems fit to reprimand or censure any non-compliance with these guidelines.

17.32 A person convicted of a **corrupt conduct or illegal conduct** within the meaning of the ECICO will, in addition to the penalties set out in para. 17.4 above be disqualified:

- (a) for 5 years from being nominated as a candidate for the election of, or from being elected as, the CE, a member of the LegCo or DC or a VR from the date of conviction [ss 14 and 20 of the CEEO, s 39 of the LCO, s 21 of the DCO and s 23 of the VREO]; and
- (b) for 3 years from being nominated as a candidate for the EC Subsector Elections, or from being nominated or elected as, as an EC member from the date of conviction [ss 9 and 18 of the Schedule to the CEEO].

17.33 It is worthy of note that the Courts of Hong Kong view election-related offences and contravention of the ECICO as serious crimes. On 27 November 1997, the Court of Appeal laid down sentencing guidelines that a person found guilty of any serious election-related offence should be punished by an immediate custodial sentence.

CHAPTER 18

NAMEDROPPING

False Claim of Support

[Please also see paras. 17.10 to 17.14 of Chapter 17 especially regarding the GC and the DC (second) FC.]

18.1 A candidate engages in illegal conduct if he fails to obtain **prior written consent** from a person or an organisation before using the name or logo of that person or organisation, or a pictorial representation of that person in any of his EAs as an indication of support from that person or organisation unless he has neither requested or directed nor authorised any person to request or direct the inclusion of the aforesaid name, logo or pictorial representation in his EAs. Also, should any content of an EA (where either the candidate has obtained the prior written consent mentioned above or the candidate has neither requested or directed nor authorised any person to request or direct the inclusion of the name, logo or pictorial representation in his EAs) be provided by a person or an organisation, the candidate engages in illegal conduct if he modifies, or authorises any person to modify, the name, logo, or pictorial representation or the content unless **before** the modification, the person or organisation concerned **consented in writing** to the name, logo, pictorial representation or content as modified. [S 27(1), (1A) and (1B) of the ECICO.]

18.2 Oral consent is **not** sufficient. The EAC provides a sample consent form for this purpose. Any indication of support in EAs, be it a text, a photograph or any other material, must be covered by a written consent from the person or organisation concerned. The written consent is a requirement under the ECICO. It protects the candidates from unnecessary complaints and disputes which may arise if only oral consent is obtained. It also protects the electors from being misinformed as to whether a candidate has the support of a person or an organisation. Prior written consent is required if the inclusion of

the name, logo or pictorial representation of a person or an organisation, as the case may be, implies support of the candidate concerned. What amounts to “support” will depend on the circumstances of each case. The question to consider is whether any reasonable man who has seen the pictorial representation would have the perception that the persons appearing in the EA support the candidate.

18.3 It is important to note that it is still an offence even if such an EA contains a statement to the effect that it does not imply support from the person or organisation concerned [s 27(4) of the ECICO]. It is also an offence for a person to give information which he knows or ought to know is materially false or misleading information to a candidate or candidates for the purpose of promoting or prejudicing the election of a candidate or candidates [s 27(6) of the ECICO].

18.4 To avoid confusion, it is advisable for the written consent to set out clearly whether consent is given:

- (a) by a person in his personal capacity - in which case no mention should be made of any office title which he may have, in the candidate’s EAs and campaign activities;
- (b) by a person in his official capacity - in which case his office title may be used by the candidate concerned for the said purposes (please see para. 18.5 below); and
- (c) by an organisation (which may be signed by an authorised person such as its director, chairman or chief executive, etc.) - in which case the name of the organisation may be used by the candidate concerned for the said purposes.

18.5 Care must also be exercised in the use of the office title of an individual and depending on circumstances, this should be cleared with the person concerned when seeking his written consent. In the case where an office-bearer of an organisation wishes to use his office title to support a candidate, he should be careful not to give the impression that it represents the support of the whole organisation except where a decision has been so taken by the governing body of the organisation or by a resolution of the members of that organisation passed at a general meeting [s 27(5) of the ECICO]. This will prevent dispute and dissatisfaction amongst the members. Depending on circumstances, the approval of an organisation or a committee may or may not be needed if an office-bearer uses his office title to support a candidate. If a supporter being included in an EA bears the title of “the principal of a school” (for example, “Chan Tai Man, the Principal”) or “chairman of an owners corporation” (for example, “Chan Tai Man, Chairman of Owners’ Corporation”), it would not be necessary for the candidate to seek the consent of the school or owners’ corporation concerned since there is no specific mentioning of which school or owners’ corporation. However, it would be desirable for the candidate to seek the organisation’s prior written approval as well if the EA is posted in the school or the building in which he is serving.

18.6 When a candidate has obtained consent of support from a person who holds a certain position in an organisation, he must make sure that in his EAs, he does not misrepresent that he has the support of the organisation. He must ensure that his EAs do not give any misleading information that he has the support of the organisation as opposed to the person who holds the position in the organisation. When he has the support of an organisation, he must ensure that his EAs do not represent or give a misleading impression that he has the support of all the members of that organisation, unless the decision of that organisation in giving him support was made at a meeting of all its members present and voting.

18.7 Consent of support in writing by an organisation must be

approved by the governing body of the organisation or by a resolution of the members of the organisation passed at a general meeting [s 27(5) of the ECICO]. Candidates should note that the Home Affairs Department has its own guidelines for Mutual Aid Committees and their office-bearers in respect of their giving consent of support to candidates. A copy of such guidelines can be found at **Appendix P**.

18.8 Consent can be given to 2 or more candidates or 2 or more lists of candidate(s) of a GC/DC (second) FC, even if they are competing in the same constituency, although that may cause confusion. A consent given can also be revoked. In case of a revocation, in order to avoid dispute, it is advisable for the person or organisation who has revoked the consent to send a notice or copy of the revocation to the candidate concerned and the RO for his constituency.

18.9 Once consent has been revoked, the candidate concerned should be careful to cease immediately using any EA which contains the support of the person or organisation who has made the revocation. The costs incurred for the production of EAs bearing such support which have been used before revocation should still be regarded as the candidate's election expenses and be declared in the return and declaration of election expenses and donations.

18.10 If candidate A's name or photograph appears in the EA of candidate B to indicate support for candidate B, whether expenditure incurred for an EA will need to be borne by candidate A would depend on whether the publicity material in question has explicitly or implicitly promoted the election of candidate A. There may be 2 different scenarios in such cases:

Scenario A

If the appearance of candidate A in candidate B's EA is solely to indicate support for candidate B but not to promote the election

of candidate A, the EA should not be treated as a joint EA. The election expenses incurred should be counted as candidate B's election expenses only, but not as candidate A's. Candidate B has to obtain the prior written consent of support from candidate A before using candidate A's names or photographs in his EAs [s 27 of the ECICO].

Scenario B

If candidate B wishes to publish the EAs for promoting his candidature and that of candidate A as well, he must obtain prior written authorisation from candidate A to act as his election expense agent and the expenses so incurred will have to be borne by the candidates A and B in equal or unequal shares as their respective election expenses, to be calculated by the proportion of the size of the portion advertising each.

It should be noted that the EA mentioned in Scenario B above should be treated as a joint EA. To comply with the requirement stipulated in s 27 of the ECICO, both candidates A and B also have to seek written consent of support from each other before publishing the joint EA.

18.11 It is not uncommon for candidates to put photographs with the appearance of other persons (which may include other candidates in the election) in their EAs to show their past activities. However, it may be possible for electors to believe that those persons appearing in the photograph support a particular candidate when they receive such EAs. To minimise misunderstanding, for instance, if an EA carries a photograph of the candidate attending an activity with other attendees, a caption specifying the particular nature of the event could be added underneath the photograph in such a way that will not imply, or likely to cause electors to believe, that the candidates has the support of those persons appearing in the photograph. If the photograph is likely to cause electors to believe that the candidate has the support of those

persons appearing in the photograph, it is advisable that prior written consent of support should be obtained by the candidate.

18.12 To avoid misleading the electors to believe that a candidate has obtained support from a certain person, organisation, government agency or department, which is not the case, a candidate should not attach any materials published by any such person, organisation, government agency or department together with his own EAs.

18.13 As advised by the Office of the Privacy Commissioner for Personal Data, an image of an identified person will constitute his personal data and its use for a purpose other than the original purpose of collection or a directly related purpose, without the consent of the person concerned, will be an infringement of his personal data. Therefore, candidates when using the aforesaid image should also observe the relevant data protection principle as set out in the guidance notes on personal data privacy in respect of electioneering activities at **Appendix I**.

Form of Consent

18.14 A sample form on seeking “**Consent of Support**” prepared by the EAC will be provided to a candidate upon his submission of a nomination form for the election or can be downloaded from the REO website. It should be noted that the form is designed to cover a specific constituency in a particular election. A candidate who subsequently switches to another constituency should seek afresh the consent from the person or organisation concerned.

18.15 There are occasions (as allegations and complaints were received) requiring confirmation of the compliance of the law by a candidate. Therefore, a candidate is required to post a copy of the consent form relevant to the EA concerned onto the Candidate’s Platform or Central Platform or deposit a copy of the consent form with the relevant RO in the manner as set out in para. 8.41 of Chapter 8 [s 105 of the EAC (EP) (LC) Reg]. A candidate is also **required**

to post onto the Candidate's Platform or Central Platform a written notice of revocation **or notify** the relevant RO of such revocation in the manner as set out in para. 8.41 of Chapter 8. Such consent forms and notices of revocation (with the identity document numbers of the persons involved obliterated) will be made available for public inspection at the office of the relevant RO received by him.

Penalty

18.16 It is an illegal conduct under the ECICO for a person to make false claim of support. For details of penalty and sanction, please refer to para. 17.4(b) and Part VII of Chapter 17.

[Subject to the enactment of the relevant amendments to the EAC (EP) (LC) Reg and the ECICO, the revised paras. 18.1 and 18.15 above will be incorporated in the finalised guidelines.]

CHAPTER 19

PARTICIPATION IN ELECTION-RELATED ACTIVITIES BY GOVERNMENT OFFICIALS AND OFFICIALS UNDER THE POLITICAL APPOINTMENT SYSTEM AND ATTENDANCE OF PUBLIC FUNCTIONS BY BOTH GOVERNMENT OFFICIALS AND CANDIDATES

PART I : GENERAL

19.1 This chapter sets out the general guidelines on the participation in election-related activities of a LegCo election by government officials and officials under the Political Appointment System and the attendance at public functions by government officials which are also attended by candidates.

IMPORTANT :

“Candidate” includes a person who has publicly declared an intention to stand for election at any time before the close of nominations for the election, whether or not he has submitted a nomination form [s 2 of the ECICO]. The reference of “candidate” in this chapter includes a list of candidates in a GC/DC (second) FC to which the list system of proportional representation applies.

PART II : PARTICIPATION IN ELECTIONEERING ACTIVITIES BY GOVERNMENT OFFICIALS

19.2 Civil servants who wish to participate in electioneering activities in a LegCo election should observe the regulations, rules and guidelines issued by the Civil Service Bureau (“CSB”). Under the CSB guidelines currently in force, certain officers at the senior level and those who may be particularly susceptible to accusations of bias because of the nature of their duties, namely directorate officers, Administrative Officers, Police Officers and Information Officers and those officers acting in these grades and ranks with a view to substantive appointment thereto ie other than for temporary relief purpose, should not openly support any candidate or be seen to lend support to a candidate. They should not participate in any form of electioneering, including seeking election donations for any candidate.

19.3 There is no objection in principle to government officials, including individual civil servant, other than those listed in para. 19.2 above, supporting electioneering activities of a candidate provided that it does not give rise to any conflict of interest with their official duties, and that it does not involve the use of public resources or the wearing of any government uniform.

PART III : ATTENDANCE OF PUBLIC FUNCTIONS BY GOVERNMENT OFFICIALS

On the occasion of being invited

19.4 Government officials should exercise care in accepting invitations from persons or organisations to attend any public function that may

also be attended by a candidate(s) (“the function”).

19.5 They should take such care when any person has publicly declared an intention to run for election in respect of a particular constituency or when the nomination commences, whichever is the earlier, up to the end of the polling day.

19.6 Before deciding to attend the function, a government official should satisfy himself that:

- (a) by attending the function, he is performing an official duty normally required of the post he is currently holding; and
- (b) to his best knowledge, the organiser of the function has no intention whatsoever of making use of the function to promote or prejudice any candidate.

When attending

19.7 The EAC appeals to government officials not to have photographs taken with candidates at the function since such photographs, if published, may be seen as their lending support to the candidate. A government official may do so, however, if the photograph taking:

- (a) arises from the need for him to perform his official duty at the function normally required of the post he is currently holding;
- (b) is a natural part of the function which, if he declines to participate, would be seen as breaching the protocol appropriate to that function; or
- (c) is participated by all other candidates of the same constituency.

PART IV : ATTENDANCE OF PUBLIC FUNCTIONS BY CANDIDATES

19.8 Similarly, the EAC appeals to all candidates who attend public functions not to have photographs taken with the government officials, since such photographs, if published, may be seen as an unfair advantage over other candidates. A candidate may do so, however, if the photograph taking:

- (a) arises from the need for him to perform his role at the function as requested by the function organiser;
- (b) is a natural part of the function which, if the candidate declines to participate, would be seen as breaching the protocol appropriate to that function; or
- (c) is participated by all other candidates of the same constituency.

PART V : OFFICIALS UNDER THE POLITICAL APPOINTMENT SYSTEM

19.9 The terms “government officials” and “civil servants” used in the earlier parts of this chapter do not include officials under the Political Appointment System. Officials under the Political Appointment System are political appointees and they may belong to or be affiliated with political organisations. Politically appointed officials have to comply with a “Code for Officials under the Political Appointment System”.

19.10 Politically appointed officials may, subject to the guidelines below, participate in election-related activities.

19.11 Politically appointed officials are disqualified from being nominated as a candidate at an election of the CE, of the LegCo or of a DC.

19.12 As far as the LegCo elections are concerned, politically appointed officials should not use any public resources for any election-related activities. A politically appointed official should ensure that when taking part in such activities, great care should be taken that there is no actual or potential conflict of interest with the business of the Government or his own official duties.

CHAPTER 20

COMPLAINTS PROCEDURE

PART I : GENERAL

20.1 This chapter deals with the procedure for making complaints relating to **any breach or non-compliance of the Guidelines and the provision of the EAC (EP) (LC) Reg or the spirit of them** which are for ensuring that elections are conducted honestly, fairly and openly.

20.2 A complaint against criminal, illegal or corrupt activities may be made direct to the relevant authorities such as the Police or the ICAC. The procedures for making and processing such a complaint will be handled by these authorities, and are not covered by this chapter.

PART II : TO WHOM A COMPLAINT MAY BE MADE

20.3 The EAC is an independent, impartial and apolitical body established by the EACO to deal with all matters concerning the conduct of elections including handling election-related complaints. The EAC may, if necessary, set up a **Complaints Committee** consisting of its 3 members and 1 or more judges of the District Court or High Court for the purpose of dealing with complaints.

20.4 Without limiting the right of a citizen to make a complaint to the Police or the ICAC or other authorities, a complaint for breach of or non-compliance with the Guidelines or the provisions of the EAC (EP) (LC) Reg or relating to election matters can be made to one of the following bodies or persons:

- (a) the RO of the relevant constituency appointed by the EAC to deal with electoral arrangements;
- (b) the REO; or
- (c) the EAC or its Complaints Committee.

20.5 **Caution:** if the complaint is against the conduct, behaviour, or acts of any of the REO officers or the RO personally, it should be addressed to the EAC or its Complaints Committee and marked “CONFIDENTIAL” in order to ensure that only the Complaints Committee will receive it.

PART III : TIME AND PROCEDURE FOR MAKING COMPLAINT

20.6 The Guidelines deal with election-related activities, and any non-compliances, abuses and irregularities that can be redressed should be remedied as soon as practicably possible. It is **imperative** that **all complaints should be made as soon as possible**, for any delay in the making of complaint may result in remedial measures being useless or futile and necessary evidence being lost. No complaint received **later than 45 days** after the date of the relevant election will be entertained.

20.7 No specified or specific form is required for making a complaint. A complaint can be made either orally or in writing. A person who wishes to make an oral complaint can call the REO Complaints Hotline.

20.8 In each case, the complainant is required to identify himself and provide his identity document number, address, telephone number and other means of communication. A written complaint must be signed. Save where it relates to a matter of minor nature or which requires urgent action, an oral complaint received will be recorded in writing and the complainant will be required to sign the written record afterwards. All personal particulars of a complainant will be **treated in strict confidence**.

PART IV : COMPLAINTS INSIDE A POLLING STATION

20.9 If a person has any complaint about whatever happens inside the polling station, he should follow the following procedures:

- (a) he should direct his complaint to the PRO, the Deputy PRO or an Assistant PRO immediately;
- (b) if the matter is not resolved, or if the complainant still feels aggrieved or if his complaint is directed at the PRO, the Deputy PRO or an Assistant PRO, he should as soon as possible report the matter to the RO of the constituency of the polling station by using the telephone number appearing in the guide on procedures for complaint;
- (c) where the matter is still not resolved by the RO, the complainant should without any delay telephone the Complaints Hotline of the REO to report his complaint by giving a gist thereof. He should then try to obtain as much evidence as possible in order to substantiate his complaint. As he is not allowed to talk to or communicate with any elector inside the polling station, he may need to go outside the polling station to obtain necessary evidence; and
- (d) a member of the EAC or its Complaints Committee or an officer of the REO will handle the complaint as soon as practicable.

A copy of the guide on procedures for handling of complaints at the polling station (together with telephone numbers of the relevant RO(s) and the REO Complaints Hotline) will be available for inspection inside each polling station.

20.10 The PRO or his Deputy or Assistant PRO must record any complaint mentioned in para. 20.9(a) and (b) and any other complaints and enquiries concerning an elector's data.

PART V : THE PROCESSING OF COMPLAINT

20.11 The CEO, RO and PRO are obliged under s 101 of the EAC (EP) (LC) Reg to report irregularities to the EAC or its Complaints Committee. By these guidelines, they are also required to report all complaints received by them to the EAC or its Complaints Committee. Except where a complaint is of minor nature or the RO has been delegated with the authority to deal with it, any complaint received by the RO or the REO will be forwarded to the EAC or its Complaints Committee with comments and all the relevant information relating to the complaint. When the EAC or its Complaints Committee receives a complaint, it may seek additional information and comments from the relevant RO or the REO, if necessary.

20.12 The EAC or its Complaints Committee, the RO or the REO (when they are so authorised by the EAC or its Complaints Committee), may seek further information on the complaint from the complainant or may arrange interviews with the complainant in order to seek clarification or evidence. The complainant may be required to make a statutory declaration for the truth and correctness of his complaint or statement. If the further information required is not provided by the complainant or if he refuses to be interviewed or to make the statutory declaration, the EAC or its Complaints Committee, the RO or the REO may or may not take further action on the complaint.

20.13 All bona fide complaints will be processed and considered by the RO who has been delegated with the necessary authority or by the EAC or its Complaints Committee, as soon as reasonably practicable, taking into account the merits of the complaint with all the information and evidence gathered [s 6(3) of the EACO].

20.14 Where a complaint is substantiated, a decision will be made on the appropriate course to be taken, including one or more of the following:

- (a) take remedial measures against the matter complained of, such as the removal of EAs displayed in breach of the guidelines in that regard;

- (b) issue to the relevant person a warning on the matter under complaint after making a reasonable effort to contact the person and giving him a reasonable opportunity to give explanations. Where necessary, immediate rectification action against complaints proven on the spot should be taken without delay;
- (c) publish a public statement of reprimand or censure against the acts or omissions and the person or persons complained of [see various chapters in these Guidelines] after making a reasonable effort to contact the person or persons and giving him or them a reasonable opportunity to make representations [s 6(4) of the EACO];
- (d) with or without comments, refer the matter to the ICAC for investigation and/or further action [s 5(e) of the EACO]; and
- (e) with or without comments, refer the matter to the Secretary for Justice or the Police for further action such as prosecution of the culprit [s 5(e) of the EACO].

20.15 The EAC or its Complaints Committee will also notify the complainant in writing of its decision, and if the decision is that the complaint is not substantiated, it will also give reasons.

PART VI : ELECTORAL AFFAIRS COMMISSION'S REPORT ON COMPLAINTS

20.16 The EAC is required to report to the CE on any complaint made to it in connection with an election within 3 months of the conclusion of the election [s 8(1) and (2) of the EACO].

**PART VII : OBLIGATIONS OF THE RETURNING OFFICER,
THE PRESIDING OFFICER AND THE CHIEF
ELECTORAL OFFICER**

20.17 The RO(s), PRO(s) and the CEO are required to report as soon as practicable to the EAC or its Complaints Committee (in writing or otherwise as circumstances may demand) on any complaints received by them and on any occurrence which they consider to be a material irregularity relating to an election, poll or count.

PART VIII : SANCTION FOR FALSE COMPLAINT

20.18 Any person who knowingly makes or causes to be made to an ICAC officer a false report of the commission of any offence or misleads such an officer by giving false information or by making false statements or accusations is guilty of an offence punishable by \$20,000 and imprisonment for 1 year [s 13B of the ICAC Ordinance (Cap 204)]. A similar offence is committed where a false report is made or false information given to a police officer [s 64 of the Police Force Ordinance (Cap 232)]. If a person knowingly makes a false complaint and gives false information to the EAC or its Complaints Committee knowing that the EAC or its Complaints Committee will refer or direct such complaint and information to the ICAC or the Police, the person concerned will similarly be guilty of the relevant offence. If a person knowingly and wilfully makes to the EAC or its Complaints Committee, the RO or the REO a statement false in a material particular and such a statement is in a statutory declaration, he commits an offence punishable by imprisonment for 2 years and a fine [s 36 of the Crimes Ordinance (Cap 200)].

The Preferential Elimination System of Voting
(applicable to the election of the 4 Special Functional
Constituencies) - How Votes Are Counted
(with Annex showing Working Examples)

1. All valid ballot papers will be sorted with reference to the candidate for whom the first preference vote has been recorded.
2. The result of an election will be ascertained by a count of the first preference votes received by each of the candidates. The candidate who receives an absolute majority (ie over 50%) of all the first preference votes received by the candidates will be declared elected (see Example 1 in the Annex). However, where each of the ballot papers contains only a first preference vote without any other valid preference marked on it, the candidate who obtains the highest number of the first preference votes will be elected.
3. Where no candidate has received an absolute majority of all the first preference votes received by the candidates:
 - (a) If each of the candidates has received an equal number of first preference votes, the result of the election will be determined by the drawing of lots (see paras. 3.2 - 3.4 in the Annex).
 - (b) Otherwise, an elimination process accompanied with a transfer of votes will be carried out, ie the candidate(s) with the least number of votes will be eliminated and his/their votes will be transferred to the other (remaining) candidates according to the next available preference recorded on his/their ballot papers (see Example 2 in the Annex).
4. The process in para. 3(b) above will be repeated until:
 - (a) a candidate obtains an absolute majority of the aggregate of the total number of votes (both preference votes and transferred votes) - that candidate will then be declared elected;
 - (b) only one candidate is remaining - he shall be elected; or
 - (c) each of the remaining candidates has received an equal number of votes (ie the total number of the first preference votes and the transferred votes), in which case the result of the election will be determined by lot.

The Preferential Elimination System of Voting**WORKING EXAMPLES****Example 1** (where an absolute majority is obtained at the first count)

1.1 At the first count, only first preference votes are counted. The results are as follows :-

First Count	Exhausted Ballot Papers	Valid Ballot Papers	A Votes %	B Votes %	C Votes %	D Votes %	E Votes %
Total Number of Votes	-	100	51 51.00	29 29.00	10 10.00	7 7.00	3 3.00
			Elected				

1.2 Candidate A is elected as he has obtained an absolute majority (over 50%) of all the first preference votes.

Example 2 (where an elimination process and a transfer of votes take place)

2.1 In this example, the results of the first count in which only first preference votes are counted are as follows :-

First Count	Exhausted Ballot Papers	Valid Ballot Papers	A Votes %	B Votes %	C Votes %	D Votes %	E Votes %
Total Number of Votes	-	100	3 3.00	2 2.00	44 44.00	44 44.00	7 7.00

2.2 No candidate has obtained an absolute majority of all the first preference votes. Candidate B, who has obtained the least number of first preference votes, is eliminated.

2.3 A second count is then conducted. The 2 ballot papers which show Candidate B as the first preference are transferred to the remaining Candidates (A, C, D and E) according to the next available (second) preference shown on them. For any ballot papers which express no available preference for any of the remaining candidates or where the next available preference is not clear (eg where there is no consecutive preference or where the same preference is marked for 2 or more candidates), they are set aside as "exhausted" and are excluded from any subsequent counting of the total number of valid votes for the purpose of calculating an absolute majority of votes of the winning candidate.

2.4 It is assumed that the next available (second) preferences shown on these 2 ballot papers are as follows :-

<u>Candidates of next available preference</u>	<u>Number of votes</u>
A	0
C	1
D	1
E	0
Nil	0 (exhausted)
	<hr/>
	2

2.5 The results of the second count are as follows :-

Second Count	Exhausted Ballot Papers	Valid Ballot Papers	A Votes %	C Votes %	D Votes %	E Votes %
Own 1st preference votes	-	98	3	44	44	7
Preference votes transferred from Candidate B	0	2	0	1	1	0
Total Number of Votes	0	100	3 3.00	45 45.00	45 45.00	7 7.00

2.6 Still no candidate has obtained an absolute majority of all the valid votes in circulation. Candidate A, who has obtained the least total number of votes at this stage, is eliminated.

2.7 A third count is then conducted. The 3 ballot papers which show Candidate A as the first preference are transferred to the remaining candidates (C, D and E) according to the next available (second) preference marked on them. If any of these ballot papers shows Candidate B who has already been eliminated at the first count as the 2nd preference, it is transferred to one of the remaining candidates according to the next available (third) preference shown on it. It is assumed that the next available preferences for the remaining candidates shown on the 3 ballot papers under Candidate A are as follows :-

<u>Candidates of next available preference</u>	<u>Number of votes</u>
C	2
D	0
E	0
Nil	<u>1</u> (exhausted)
	3

2.8 The results of the third count are as follows :-

Third Count	Exhausted Ballot Papers	Valid Ballot Papers	C		D		E	
			Votes	%	Votes	%	Votes	%
Own 1st preference votes	-	95	44		44		7	
Preference votes transferred from Candidate B	0	2	1		1		0	
Preference votes transferred from Candidate A	1	2	2		0		0	
Total Number of Votes	1	99	47	47.48	45	45.45	7	7.07

2.9 Still no candidate has obtained an absolute majority of all the valid votes in circulation. Candidate E, who has obtained the least total number of votes at this stage, is eliminated.

2.10 A fourth count is then conducted. The 7 ballot papers which show Candidate E as the first preference are transferred to the remaining Candidates C and D according to the next available (second) preference marked on them. If any of these ballot papers shows Candidate B or Candidate A (both have already been eliminated) as the 2nd preference, it is transferred to one of the remaining candidates according to the next available (third) preference shown on it. If any of these ballot papers shows Candidate A and Candidate B as 2nd and 3rd preferences (or vice versa), it is transferred to the remaining candidates according to the next available (fourth) preferences shown on it. It is assumed that the next available preference shown after Candidate E for the remaining candidates on the 7 ballot papers are as follows :-

<u>Candidates of next available preference</u>	<u>Number of votes</u>
C	4
D	2
Nil	<u>1</u> (exhausted)
	7

2.11 The results of the fourth count are as follows :-

Fourth Count	Exhausted Ballot Papers	Valid Ballot Papers	C		D	
			Votes	%	Votes	%
Own 1st preference votes	-	88	44		44	
Preference votes transferred from Candidate B	0	2	1		1	
Preference votes transferred from Candidate A	1	2	2		0	
Preference votes transferred from Candidate E	1	6	4		2	
Total Number of Votes	2	98	51	52.04	47	47.96

2.12 Candidate C has now obtained an absolute majority of all the valid votes in circulation and is declared elected.

2.13 The following table shows the entire counting process :-

	Exhausted Ballot Papers	Valid Ballot Papers	A		B		C		D		E	
			Votes	%	Votes	%	Votes	%	Votes	%	Votes	%
First Count	-	100	3	3.00	2	2.00	44	44.00	44	44.00	7	7.00
Second Count	0	2	0	Eliminated	Eliminated	1		1		0		
Total Number of votes	0	100	3			3.00	45	45.00	45	45.00	7	7.00
Third Count	1	2					2		0		0	
Total Number of votes	1	99					47	47.48	45	45.45	7	7.07
Fourth Count	1	6				4		2				
Total Number of votes	2	98				51	52.04	47	47.96			
							Elected					

The Drawing of Lots

3.1 The result of the election will be determined by the drawing of lots if :-

- (a) in the first count, no candidate has received an absolute majority of all the first preference votes received by the candidates and each of the

- candidates has received an equal number of first preference votes; or
- (b) after the elimination process and the transfer of votes have been carried out, no candidate has received an absolute majority of the aggregate of the total number of votes and each of the remaining candidates has received an equal number of votes (ie the total number of the first preference votes and the transferred votes).

3.2 10 lots will be used, each being allocated a number ranging from "1" to "10". All lots will be placed in an empty opaque bag.

3.3 The candidates concerned will take turn (in the order in which their names are listed on the ballot paper) to draw a lot, which will be put back into the bag before the next candidate makes his draw. The candidate whose lot carries the higher number will emerge as the winner. Number "10" is the highest number.

3.4 This method as to how lots should be drawn allows each candidate to have an equal opportunity to try his luck. A candidate may even by chance (1 in 10) draw the same lot as his opponent. In such an unlikely event, a second draw will be conducted. [For detailed arrangement, please make reference to para. 3.36 (a) and (b) of Chapter 3.]

The Combined Polling Arrangements - Polling Stations for Various Kinds of Electors in the General Election

1. The general election consists of elections of 5 geographical constituencies (“GCs”), the District Council (second) functional constituency (“DC (second) FC”), other 24 ordinary functional constituencies (“FCs”) and 4 special functional constituencies (“SFCs”).
2. Elections of GCs and the DC (second) FC adopt the list system of proportional representation. For the other 24 ordinary FCs, the first past the post voting system is applicable to them. Each of the 4 SFCs has a small electorate and the voting system applicable to them is the preferential elimination system.
3. An elector can simply be an elector of the GC, but any elector of the FCs or SFCs is also an elector of one of the 5 GCs.
4. A person cannot be an elector of more than one of the FCs and SFCs.
5. All electors of the 5 GCs and DC (second) FC are individuals. However, some of the other 24 ordinary FCs and 4 SFCs have corporate electors. A corporate elector can only cast its FC vote by an authorised representative (“AR”) it has appointed. An AR must be a GC elector (see para. 3.12 of Chapter 3). A person who is an AR for one FC/SFC cannot be AR for another FC/SFC, but he can be an elector of another FC/SFC. Therefore, a person can be an FC/SFC elector and also an AR of another FC/SFC.
6. A one-stop service is provided, so that an elector only needs to go to one polling station to cast all the votes which he is entitled to cast. Under the combined polling arrangement, each GC elector is allocated to a polling station according to his residential address in the final register for GCs, save for registered electors imprisoned or held in custody by the law enforcement agencies who will be assigned to vote at the appropriate dedicated polling stations. Each GC elector will be issued at the polling station or the dedicated polling station the number of ballot papers to which he is entitled as the GC elector, elector and/or AR of an FC/SFC, as the case may be. There will be no other polling station designated for any of the FCs or SFCs; and their electors and ARs will have to cast their votes in polling stations designated for GCs.

7. A cardboard to which a chop with a tick “✓” is attached and a pen for marking the SFC ballot papers, where appropriate will be provided to each person at the same time as he is issued with one or more ballot paper, in order to ensure that he must insert the ballot paper(s) issued to him in the ballot boxes before he leaves the polling station. A **green** cardboard will be issued to a person with 1 GC ballot paper only, a **white** cardboard will be issued to a person with 1 GC ballot paper and 1 DC (second) FC ballot paper, a **red** cardboard to a person with 1 GC ballot paper and 1 FC (other than DC (second) FC) ballot paper and a **blue** cardboard to a person with 1 GC ballot paper and 2 FCs (including DC (second) FC) ballot papers. The cardboard with the chop and the pen for marking the SFC ballot papers, where appropriate will have to be handed back by the person to the polling officer manning the ballot boxes after he has inserted his ballot paper(s) into the ballot box(es) before leaving the polling station.
8. There are going to be 3 kinds of ballot boxes in different colour, in any polling station:
 - (a) ballot box for the GCs;
 - (b) ballot box for the DC (second) FC; and
 - (c) ballot box for the other FCs and SFCs (mixed).
9. The polling arrangements, in their entirety, consist of only 5 scenarios. Each of the scenarios is explained below, and a table containing the 5 scenarios is also provided for easy reference.

THE 5 SCENARIOS**At a local GC polling station or a dedicated polling station :**

1. **A GC elector who has only his GC vote** - 1 GC ballot paper for the local GC. [The person shall insert his GC ballot paper into the GC ballot box.]
2. **A DC (second) FC elector** - 1 GC ballot paper for the local GC + 1 DC (second) FC ballot paper. [The person shall insert his GC ballot paper into the GC ballot box and his DC (second) FC ballot paper into the DC (second) FC ballot box.]
3. **A DC (second) FC elector who is also an AR of another FC/SFC** - 1 GC ballot paper for the local GC + 1 DC (second) FC ballot paper + 1 FC/SFC ballot paper. [The person shall insert his GC ballot paper into the GC ballot box, his DC (second) FC ballot paper into the DC (second) FC ballot box and his another FC ballot paper into the FC/SFC ballot box.]
4. **A FC (other than DC (second) FC)/SFC elector/AR** - 1 GC ballot paper for the local GC + 1 FC (other than DC (second) FC)/SFC ballot paper. [The person shall insert his GC ballot paper into the GC ballot box and his FC/SFC ballot paper into the FC/SFC ballot box.]
5. **A FC (other than DC (second) FC)/SFC elector who is also an AR of another FC (other than DC (second) FC)/SFC** - 1 GC ballot paper for the local GC + 1 FC (other than DC (second) FC)/SFC ballot paper + 1 FC (other than DC (second) FC)/SFC ballot paper as an AR. [The person shall insert his GC ballot paper into the GC ballot box, and both his FC/SFC ballot paper and his FC/SFC AR ballot paper into the FC/SFC ballot box.]

The 5 Scenarios of Polling Arrangements

Type of Elector/AR			No. of Ballot Papers Issued	Cardboard Issued
GC	DC (second) FC	Other FC / SFC		
Yes			1	Green
Yes	Elector		2	White
Yes		Elector or AR	2	Red
Yes	Elector	AR	3	Blue

**Submission Method, Formats and Standard on Posting
Electronic Copy of Election Advertisement
and Relevant Documents onto an Open Platform for Public Inspection**

To comply with the public inspection requirement governing election advertisements (EA) under the electronic submission method as stipulated in s 105(2) of EAC (EP) (LC) Reg, a candidate must post the following EA particulars as applicable, **within one working day** after the publication of an EA, onto an **open platform** either maintained by the CEO (“Central Platform”) or himself/a person authorised by him (“Candidate’s Platform”) for public inspection :

- (a) an electronic copy of an EA;
- (b) a hyperlink of the open platform which publishes an EA (where it is technically impracticable to make available an electronic copy of the EA [such as when messages are sent through social networking or communication websites on the Internet like Twitter, Facebook, blogs etc. and the exchanges are of an interactive and spontaneous nature]);
- (c) the relevant printing/publication information pertaining to such EA including:
 - the name and address of the producer/printer;
 - the date of production/printing;
 - the size/dimension;
 - the manner of distribution/display;
 - the date of distribution/display; and
 - the number of copies distributed/displayed
 as applicable;
- (d) an electronic copy each of the relevant permission/authorisation for the distribution/display of such EA, as applicable; and
- (e) an electronic copy each of the documents providing consent of support.

Central Platform

2. If a candidate chooses to post the EA particulars onto the Central Platform, he must comply with the requirements set out in the ensuing paragraphs.

Submission Method

3. A candidate/a list of candidates is required to apply to the CEO in a specified form for creation of an account to access the Central Platform before he/it can post EA particulars onto the platform for public inspection. Only one account will be created for each candidate/list of candidates. For a list of candidates, any candidate on the list can apply on behalf of the list for creation of an account but all candidates on the list can access the platform by using the registered username and password.

4. The CEO will inform the candidate/the list of candidates concerned upon creation of the account and will provide a username and a password (which can subsequently be changed by the relevant candidate) to the candidate/the list of candidates concerned **within 3 working days** upon receiving an application.

5. Uploading of EA particulars onto the platform at any one time by a candidate/a list of candidates will be treated and referred to as one single submission. Subject to the file size limit stipulated in para. 7 below, there is no limit on the number of EA or other documents to be included in a submission. If subsequent correction to any EA particulars in a submission is required, the candidate/the list of candidates is required to post the corrected EA particulars, including the corrected printing/publication information (“corrected information”) of the EA, onto the platform again by selecting the EA particulars concerned. If accepted, both the original and the corrected EA particulars would be displayed alongside for public inspection. Any such corrective information should be posted onto the platform **not later than 2 working days after the polling day**.

6. An acknowledgement of receipt in the form of a summary report of the EA particulars successfully uploaded would be automatically generated for reference by the candidate after each submission.

File Size

7. The total size of each submission **must not exceed 50 MB**. Otherwise, the submission will be rejected.

8. Files included in a submission may be compressed using a file format of either Zip (.zip) or GNU zip (.gz).

9. A submission exceeding the above size limit will not be accepted. In such circumstances, the candidate may upload the EA particulars in separate submissions.

Format

10. Files included in a submission must be given, served or presented in the following file formats –

General Document

- (a) Rich Text Format (RTF);
- (b) Hypertext Mark Up Language (HTML) Format;
- (c) Adobe Portable Document Format (PDF);
- (d) Plain Text (TXT)

Graphics/Images

- (e) Graphics Interchange Format (GIF);
- (f) Joint Photographic Experts Group (JPEG);
- (g) Tag Image File Format (TIFF);
- (h) Portable Network Graphics (PNG)

Audio

- (i) Waveform Audio Format (WAV);
- (j) MPEG-1 Audio Layer 3 (MP3);

Video

- (k) Audio Video Interleave (AVI);
- (l) Moving Picture Experts Group (MPEG).

Computer Instructions

11. The files given, served or presented must not contain any computer viruses or any computer instructions including, but not limited to, macros, scripts and fields which depend on the execution environment and the execution of which will cause changes to the files themselves or the information system displaying the files.

Candidate's Platform

12. If a candidate chooses to maintain a platform of his own for the posting of EA particulars for public inspection, he must provide the electronic address of the platform to the CEO **at least 3 working days before publication of the first EA**. To avoid causing confusion to members of the public, the platform should be dedicated to the sole purpose of posting EA particulars for public inspection. The EA particulars posted on the platform should be virus-free and should be organized in a descending order of the date of

submission. The required printing/publication information should also be posted alongside the relevant EAs to which the information relates. To maintain consistency in design and, also, to facilitate public inspection, the CEO will specify a basic design format for such platform for candidates to follow.

13. If the candidate wishes to correct any EA particulars already posted onto the platform, he should post the corrected EA particulars, together with date of correction alongside with the original EA particulars for public inspection. Any such corrected information should be posted onto the platform **not later than 2 working days after the polling day**.

14. When posting EA particular onto the Candidate's Platform, candidates should also follow the requirements regarding file format and computer instructions as detailed in paras. 10 to 11 above.

15. The CEO will arrange to publicise the electronic address of the platform to facilitate public inspection of the EA particulars.

Important Points to Note

16. EA particulars must conform to the requirements as set out above.

17. A candidate/a list of candidates is solely responsible for (and that the CEO has no responsibility to him or any third party for) the content/information of the EA particulars uploaded and posted onto the Central Platform, including any hyperlinks to external websites. The CEO reserves the right to remove any of the EA particulars posted on the Central Platform containing such content/information which is offensive, indecent, unlawful or not related to any EAs published by the candidate/a list of candidates.

18. Candidates should observe all prevailing legal requirements on personal data privacy when uploading information onto the aforesaid platforms for public inspection. In particular, for the documents containing/conveying the required permission/authorisation and/or consent of support pertaining to an EA, candidates are reminded to obliterate the identity document number(s), if any therein, of the person(s) providing such permission/authorisation and/or consent of support before uploading them onto the platform.

Canvassing Activities which are Forbidden within a No Canvassing Zone

(Note : (1) This list is by no means an exhaustive list of the canvassing activities which are prohibited within a no canvassing zone. It only serves to illustrate some of the common forms of canvassing activities.

(2) Door-to-door canvassing and for the purpose of such canvassing, the display of propaganda material, eg any badge, emblem, clothing or head-dress which may promote or prejudice the election of a candidate or candidates at the election, or makes direct reference to a body any member of which is standing as a candidate in the election or a prescribed body the registered name or registered emblem of which has been printed on ballot paper for the election, will be allowed on storeys above or below street level in a building within a no canvassing zone other than a building in which there is a polling station provided that permission has been obtained for entry to the building for canvassing votes, and that obstruction is not posed to electors and no sound amplifying system or device is used (except for the performance of duties by officers of the CSD on the polling day at dedicated polling stations situated in prisons).

1. Unauthorised static display of election advertisements on walls (including the outer walls of the polling station), windows, railings, fences, etc.
2. Exhibition of portable displays on vehicles (whether in motion or parked within the area), or held or carried by persons.
3. Except for the purpose of door-to-door canvassing referred to in Note (2) above, displaying, without reasonable excuse, propaganda material, eg any badge, emblem, clothing or head-dress which:
 - (a) may promote or prejudice the election of a candidate or candidates at the election; or

- 6. Broadcast of audio or video tape to appeal to or induce electors to vote.
- 7. Using loud-hailers or loudspeakers (whether carried by a person or mounted on a vehicle or installed in any other manner) to broadcast any message which appeals to or induce electors to vote.
- 8. Shaking hands with electors.

**Conduct of Electioneering Activities and Election Meetings in Premises
under the Management of the Housing Department and the
Hong Kong Housing Society**

Candidates must obtain **prior approval** from the Housing Manager before conducting any electioneering activities or election meetings inside a housing estate, in addition to compliance with regulations and conditions imposed by other relevant authorities. An **application** for approval **should be made at least 2 clear working days (excluding Saturday, Sunday or public holiday) before the date of the meeting**, and the applicant will be notified as soon as practicable after a decision is arrived at. To avoid conflict that may arise from allowing 2 or more candidates and their supporters to hold election meetings in a housing estate at the same venue and time, the Housing Department and the Hong Kong Housing Society will process the applications as soon as practicable and will adopt the following arrangements:

- (a) if only 1 application for holding an election meeting at a particular venue and at a particular time is received, that application will be approved;
- (b) if 2 or more applications for the same venue and the same period are received by the Housing Department or the Hong Kong Housing Society 2 clear working days before the activity takes place, the applicants will be advised to negotiate among themselves to reach a compromise on condition that no canvassing from 2 or more groups will be held at the same place and at the same time to avoid any dispute or clash. If no compromise can be reached, allocation of venue or time will be made by the drawing of lots at a time to be decided by the relevant estate Housing Manager;
- (c) for the purpose of (a) and (b) above, an application for several periods will be dealt with as separate applications for each of the periods; and
- (d) the Housing Manager should send a copy of the letter of approval to the respective RO for record and for public inspection.

Guidance on Electioneering Activities

Introduction

This guidance note serves as a general reference on compliance with the requirements under the Personal Data (Privacy) Ordinance ("the Ordinance") in relation to electioneering activities that may involve the collection and use of personal data of individuals. Very often, candidates and/or their election agents make electioneering approaches by telephone to prospective voters. Candidates may also choose to lobby potential voters by other approaches such as fax messages, SMS/MMS or E-mails. In some cases, the individuals have no previous dealings with the caller and/or the candidate and they are concerned that the candidate might have obtained their personal data from sources other than the voter register.

The act of canvassing for votes is not in contravention of the Ordinance provided that handling of personal data is in compliance with the data protection principles in schedule 1 to the Ordinance. Of particular relevance are the requirements under data protection principles 1, 2(2), 3 and 4 ("DPP1", "DPP2(2)", "DPP3" and "DPP4") in Schedule 1 to the Ordinance:

DPP1(1) requires that personal data should not be collected unless the data are collected for a lawful purpose directly related to a function or activity of the data user and the data collected is necessary, adequate but not excessive in relation to that purpose;

DPP1(2) requires that personal data shall be collected by means that are lawful and fair in the circumstances of the case;

DPP1(3) requires that on or before collecting personal data directly from a data subject, the data user shall take all reasonably practicable steps to ensure that the data subject has been informed of whether it is obligatory or voluntary for him to supply the data and the consequences for him if he fails to supply to

the data. The data subject should be explicitly informed of the purpose of data collection and the classes of transferees to whom the data might be transferred as well as the contacts to whom the request of access to and correction of the data subject's personal data might be made;

DPP2(2) requires that personal data shall not be kept longer than is necessary for the fulfillment of the purpose (including any directly related purpose) for which the data are or are to be used;

DPP3 provides that personal data shall not, without the prescribed consent of the data subject, be used for any purpose other than the purpose for which the data were to be used at the time of collection of the data or a directly related purpose; and

DPP4 requires that all reasonably practicable steps be taken to ensure that personal data are protected against unauthorized or accidental access, processing, or other use.

Guidance for Candidates

1. Candidates who seek to collect and use personal data in electioneering should be mindful of the provisions in DPP1, DPP2(2), DPP3 and DPP4.
2. Candidates should assume direct responsibility for briefing and supervising members of their campaign staff to ensure their compliance with the requirements of the DPPs.
3. When collecting personal data directly from an individual or indirectly from a third party (e.g. a trade union or professional body) for the purpose of electioneering, only adequate but not excessive personal data necessary for electioneering purpose shall be collected (e.g. Hong Kong Identity Card number should not be collected).

4. Candidates who solicit personal data directly from an individual for electioneering should ensure that the individual is informed of the purpose of collection of the data.
5. Candidates should not collect personal data for electioneering by deceptive means or by mis-representing the purpose of the collection (e.g. collecting personal data in the pretext of opinion poll or assisting citizens to apply for government welfare).
6. With respect to the use of personal data gathered from the published register of voters, due care should be taken to ensure that they are used only for purposes relating to an election as prescribed by relevant election legislations.
7. Should candidates want to use personal data from sources other than the voter register for electioneering purpose, express consent from the data subject must be obtained beforehand, unless the original purpose of collection of the data is directly related to the electioneering purpose.
8. With respect to the use of personal data gathered by a third party, e.g. a trade union or professional body as a means of accessing members of those bodies for electioneering purpose, the proper course of action would be for these bodies to determine whether this is a permitted purpose for which the personal data were collected, and such electioneering communication should preferably be handled by these bodies. As a matter of good practice, prior notification to members of such use of their data is recommended.
9. When candidates or their election agents contact individual voters for electioneering purpose, they should inform the voters how they obtained the voters' personal data when being asked.
10. As a matter of good practice, when canvassing for votes from individuals directly by the candidates, their agents or indirectly through a third party (e.g. trade

union or professional body), the individuals should be provided an option to decline receipt of any subsequent electioneering communication in relation to the election from the candidate so that they would not receive any unwanted electioneering communication from the candidate.

11. As a matter of good practice, candidates should maintain a list of individuals who, to their knowledge, find electioneering communication such as phone calls, mails, fax messages, E-mails or visits objectionable and avoid approaching them to canvass for votes.
12. When conducting electioneering activities, candidates and their election agents should safeguard the personal data in the list of voters held by them to prevent accidental or unauthorised access by unrelated parties.
13. Candidates should not retain any personal data collected for electioneering purpose after completion of all the electioneering activities.

Guidance Note on Safe Conduct of Election-related Activities

Introduction

1. This guidance note serves to provide general advice to candidates and organisers of election related activities, to enable them to conduct such activities safely.

Election Meetings

2. The Public Order Ordinance (Cap 245) and Chapter 10 Part II of the ‘Guidelines on Election-related Activities in respect of the Legislative Council Elections’ provide direction on when a meeting, to be held in a public place, is to be notified to the Police and the procedures to be followed.

3. In the interests of safety, and to minimise the potential for confrontation and/or the harassment of candidates, irrespective of whether an election meeting is required to be notified to the Police, candidates should be mindful of the sensitivities of their intended audience. In this regard, consideration should be given to making appropriate arrangements with the local management office, if one exists, to facilitate the holding of the meeting. Should a candidate have any concerns over the issue on his safety, consideration should be given to seeking advice from the local police station, prior to the holding of such meeting.

Election Forums

4. In addition to the provisions of Chapter 11 Part IV of the ‘Guidelines on Election-related Activities in respect of the Legislative Council Election’, organisers of election forums should be aware of the potential for possible instances of harassment of candidates.

5. In order to ensure that order, fairness and impartiality are maintained and to avoid any embarrassment, where a forum is to be held at private premises, prior precautions should be made with the owner, occupier, owners’ corporation, building management or the mutual aid committee concerned, to ensure the safety of all participants and the orderly proceeding of

the forum. Where necessary, security guards should be employed at the forum venue.

Electioneering at Living or Working Places

6. Chapter 9 of the ‘Guidelines on Election-related Activities in respect of the Legislative Council Election’ relates to the conduct of electioneering activities at the living and working places of electors, etc.

7. If a decision is made by the owners or owners’ corporations to allow electioneering by candidates, the decision can also set out the hours of access and other conditions. These conditions can also minimise the potential for confrontation and the harassment of candidates.

8. Related to this, candidates should be sensitive to the feelings of tenants, occupiers and owners in planning and carrying out electioneering activities. By doing so, they will ensure that such can be carried out in a safe and orderly manner.

9. In addition to obtaining the formal approval or consent of the owners or the owner’s corporation to conduct electioneering activities in the building, it is advisable for the candidates to notify the management office at the time that the electioneering activities are being carried out.

General

10. Should any safety issues be of particular concern, consideration should be given to seeking advice from the local police station, prior to the conduct of the activity.

Administrative Guidelines and Licensing Conditions
for the issue of Public Fund-raising Permits
for Non-Charitable Purposes

Applications for permission under Section 4(17) of the Summary Offences Ordinance (Cap.228) to raise funds by collection of money or sale or exchange for donations of badges, tokens or similar articles in a public place should, where the funds are to be used for a charitable purpose, be referred to the Director of Social Welfare. Where the funds are to be used for any other purpose, such applications should be referred to the Secretary for Home Affairs.

Non-charitable fund raising activities without permits for fund-raising for non-charitable purposes are subject to prosecution by the Police under S4(17) of Summary Offences Ordinance, Cap.228.

A. Administrative Guidelines for Consideration

When considering an application for a public fund-raising permit under section 4(17) of the Summary Offences Ordinance, the Secretary for Home Affairs will normally wish to be satisfied that : -

- (i) the organisation or group on behalf of which the permit is sought, and the organisation or group to benefit from the collection if different, are, where applicable, properly registered under the laws of Hong Kong;
- (ii) if the applicant is an individual, he should be aged 21 or above, and should either be a permanent resident of Hong Kong within the meaning of the Immigration Ordinance, or have been ordinarily resident in Hong Kong for a minimum of seven years;
- (iii) the funds collected will be used for purposes which would contribute directly or indirectly to the development of representative government in Hong Kong;
- (iv) the fund-raising activity will not cause public order and public safety problems, and will not cause nuisance or harassment to the general public;
- (v) the fund-raising activity should not be held on a morning which is a “flag day” approved by the Director of Social Welfare unless it is to be held in a confined public place;
- (vi) the fund-raising activity should not be held at the same time and in the same venue or its vicinity as a charitable fund-raising activity;

- (vii) there will be no more than one non-charitable fund-raising activity in the same venue or its vicinity on the same day except where the activities are organised by the same applicant;
- (viii) there will be a fair distribution of venues, dates and frequency of fund-raising among all potential applicants; and
- (ix) the permittee who had breached the conditions stipulated in the permit last granted would not be considered for a new permit unless explanations/justifications have been provided to the satisfaction of the Secretary for Home Affairs.

Each application will be considered on its own merits having regard to the above administrative guidelines.

B. Licensing Conditions

The following conditions will normally be imposed if an application is approved : -

- (i) permission must have been obtained or is likely to be forthcoming from the relevant authorities, including the authority responsible for the management of the venue(s), for the fund-raising activity to be held;
- (ii) the funds collected will not be used to finance any profit-making ventures or activities;
- (iii) the funds collected will be used only in Hong Kong;
- (iv) no person will benefit improperly from the collection;
- (v) the permission given for the fund-raising activity is only valid for the details specified in the permit. If there are any changes to such details, the approval of the Secretary for Home Affairs will be required;
- (vi) the permission given for the fund-raising activity will become null and void if the funds collected are used for purposes other than those specified in the permit;
- (vii) within 90 days after the conclusion of the fund-raising activity, the permittee will cause the money received from the public, less any reasonable expenses incurred, to be applied for the purpose for which the permission is given;
- (viii) if after applying the funds collected as described in (vii) above, there is still a balance left, the permittee will donate the unspent funds to a charitable institution which is exempt from tax under section 88 of the Inland Revenue Ordinance (Cap.112) for charitable purpose;

- (ix) the funds collected will be audited by a qualified accountant arranged by the permittee. A copy of the audited accounts will be submitted to the Secretary for Home Affairs within 90 days after the conclusion of the fund-raising activity. The audited accounts will also be made available to members of the public for inspection upon demand;
- (x) all donations are to be purely voluntary, and that the activity shall not create public order problems or cause nuisance, including excessive noise, or harassment to the general public, and that the manner in which the activity is conducted should not be such as to be likely to produce a reaction generally against public fund-raising activities;
- (xi) during the course of the fund-raising activity, the name of the organisation and a copy of the permit/approval letter should be prominently displayed. Every participant of the activity should also wear a clear and legible badge identifying the name of the participant and the name of the organisation; and
- (xii) children under the age of 14 must not be allowed to take part in the activity. Participation by young persons between the age of 14 - 18 must be entirely voluntary and the prior written consent of parents must be obtained.

The Secretary for Home Affairs may, if a particular application so warrants, impose additional conditions such as those required for the protection of the participants in the fund-raising event, for the preservation of law and order, for crowd control, or for public safety purposes. In specific circumstances, he may waive certain conditions where it appears reasonable for him to do so.

**Observations made by the Court in an Election Petition relating to
a TV Programme on 2010 Legislative Council By-election**

A candidate of the 2010 Legislative Council By-election made an election petition relating to a multi-episode TV programme which introduced the election platforms of all candidates of the By-election. Due to the airtime constraint, only four candidates were introduced in each episode and the time allocated to each candidate was more or less the same.

2. There were five candidates in the constituency in which the aforesaid candidate contested and the candidate number allocated to him was 5. According to the candidate number, the broadcaster of the TV programme mentioned above introduced the first four candidates of that constituency in the same episode while the aforesaid candidate was covered in the next episode. However, there was no mention in the episode on the first four candidates that there was a remaining candidate in that constituency who would be introduced in the next episode. The Court considered that it was possible that such arrangement might cause misunderstanding to the audience who only watched the former episode that there were only four candidates in the constituency concerned.

3. The EAC considers that the broadcaster should let the audience know (a) the total number and the names of all candidates in the same constituency in each relevant episode; and (b) the episode which will cover or has covered the candidate(s) who is/are not introduced in the current episode. Such an arrangement will ensure that the audience will be fully aware of the total number of candidates in the same constituency even if they watch only one single episode instead of all episodes and that equal treatment will be given to all candidates concerned.

4. Where appropriate, broadcasters are advised to follow the arrangement set out in para. 3 above when producing multi-episode programmes which are election-related.

Fair and Equal Treatment of Candidates by the Print Media

1. Fairness and equality will in each case be viewed by the Electoral Affairs Commission with reference to the surrounding circumstances.
2. Practical problems that may be experienced by publishers like limitation of column space and staff resources, and situations such as some candidates who have extensive arguments and opinions on issues of public relevance and those who have none, candidates who have made newsworthy statements or speeches as opposed to those who have not uttered a word, and the difference in status and standing of candidates as public figures, etc, are examples of circumstances against which the criteria of fairness and equality are to be judged.
3. What is important is that practical problems, in general terms without specifics, should not be allowed to be used as pretexts for not giving fair and equal treatment and coverage to all candidates/lists of candidates of the same constituency. Merely saying that practical problems gave rise to the selective reporting will be viewed as a lame excuse, but if the other candidates/lists of candidates had been approached and they refused to offer any interview, and this fact is made known in the same article, there can hardly be any suspicion or complaint that the guidelines have been breached.
4. Equal treatment and coverage are not necessarily equal space and equal number of words written on each candidate/list of candidates of the same constituency. It is an idea that has to be examined in all the circumstances of each individual case. Where a candidate says more on a topic and another candidate says less, that can be truthfully and faithfully reported, and no reasonable-minded person will say that that is unequal reporting. Fairness and equality here are in the sense of **equal opportunity** being given to all candidates/lists of candidates of the same constituency alike.
5. If there is fair and equal treatment of all candidates/lists of candidates of the same constituency in a publication, its editorial line or the personal opinions of the writer on each of the candidates can be freely expressed, insofar as they are fair comments and based on true facts. Any newspaper is at full liberty to express its support for or disapproval of a candidate/a list of candidates. The guidelines do not seek to impose any shackle on the expression of such ideas.

Application Procedure for the Approval of Float Design

1. All applications in respect of the design of any float to be used in a procession or parade must be made in writing with information on the make, model and registration mark (or vehicle identification number in the case of a brand new vehicle) of the vehicle to be used as a float.
2. The application should be accompanied by 3 copies of a drawing, certified by qualified electrical or mechanical engineers, in minimum A3 size, showing the following details:
 - the float and vehicle outline, side, plan, front and rear view, with all major dimensions (both proposed and original) shown
 - the means of entry/exit to and from the driver's compartment
 - location of mirrors which will enable the driver to view both sides of the float
 - location of exhaust outlets from any internal combustion engines
 - location of any auxiliary power equipment installed
 - means of communication with the passengers on the float
 - location of passengers and support for passengers (seats, handles, etc) on the float

Applicant's attention is drawn to regulation 53(2) of the Road Traffic (Traffic Control) Regulations (Cap 374G) on requirements for carriage of passengers: No driver of a vehicle on a road shall permit a passenger to travel in any vehicle unless seated in a properly constructed seat secured to the bodywork of the vehicle except –

- (a) where the vehicle is a public service vehicle licensed to carry standing passengers
 - (b) where the vehicle is exempted under regulation 53A from this subregulation.
- detailed artwork is not required

3. All applications must be made at least **1 month** in advance of the date of the event to:

Engineer (Vehicle Approval and Planning)
Vehicle Safety and Standards Division
Transport Department
Room 3402, Immigration Tower
7 Gloucester Road
Hong Kong
(Contact telephone : 2829 5550
Fax : 2802 7533)

4. If the application is approved in principle (subject to the vehicle inspection results), the applicant will be so advised within 14 days upon the receipt of the application, and also informed of further details of the vehicle inspection.
5. In case the design is considered unacceptable, the applicant should resubmit revised drawings within 1 week's time upon notice.

Counted towards Election Expenses**

(Note : This list is by no means an exhaustive list of items of expenditure which may be counted as election expenses. It only serves to illustrate the common items of such expenses.)

1. Fees and allowances, including travelling expenses, paid to agents and assistants engaged in relation to one's election activities.
2. Costs incurred for meals and drinks for agents and assistants before and on polling day.

[Note: Publicity materials to give thanks to electors for their support after the election will not be counted as election expense.]

5. Costs incurred by the relevant authorities for removal of election advertisements displayed without authorisation.
6. Costs incurred for renting space used in connection with the election campaign.
7. Cost of stationery used in connection with the election campaign.

16. Costs incurred in the publication by a candidate during the election period (i.e. from the commencement of the nomination period to the day on which a declaration is made under ss 42C or 46 of Cap 542 or s 22C of Cap 541D; or the close of poll) of a document that gives details of work done by the candidate in the capacity of:
 - (a) the Chief Executive;
 - (b) a member of the Legislative Council, a District Council or the Heung Yee Kuk;
 - (c) the Chairman, Vice-chairman or a member of the Executive Committee of a Rural Committee; or
 - (d) a Village Representative.
17. Costs incurred by the political body or organisation of the candidate in promoting his election. [Note: Costs of meeting where the platform of the political body or organisation is publicised without specific reference to the candidate will not be counted as election expenses. However, for the avoidance of doubt, costs of electioneering activities (eg 造勢大會) participated by an uncontested candidate after declaration of the election result in respect of his/her constituency to promote other contested candidates will not be counted as election expenses of the uncontested candidate.]
18. Costs for obtaining legal advice incurred in respect of the management of an election (eg where a candidate asks his lawyer to vet an election

publicity pamphlet to make sure that statements contained in it do not amount to libel). [Note: Costs for obtaining legal advice on the general interpretation/application of the electoral laws including whether a particular item of expense can be regarded as “election expenses” and “donations” will not be an election expense.]

19. Interest incurred from a loan to finance the campaigning activities of a candidate. [In case of an interest-free loan, the interest waived should be declared as a donation and correspondingly as an election expense. A reasonable amount should be assessed by reference to the market interest rate.]
20. Subsidy of activities organised for promoting one’s candidature is a form of donation which is counted as election expense.
21. Although some people may not charge the candidate for the goods supplied or work, labour and services rendered (except voluntary services), a reasonable sum estimated for such charges, over any allowance or discount usually given to customers, is an election expense (which is correspondingly a donation made by these people).
22. Goods given incidental to the provision of voluntary service.
23. Charities undertaken for the purpose of promoting one’s candidature.
24. Costs for any negative publicity launched against one’s opponent.

Guidelines for Mutual Aid Committees

1. Chapter 18 of the Electoral Affairs Commission's Guidelines on Election-related Activities in respect of the Legislative Council Election provides that a candidate must obtain the prior written consent from a person or an organisation before using the name or logo of that person or organisation, or a pictorial representation of that person in any of his election advertisements or activities as an indication of support from that person or organisation.
2. In this respect, Mutual Aid Committees ("MACs") should comply with the following procedures:
 - (a) If the support is to be given to a candidate or a list of candidates in the name of the MAC, the written consent should be approved at a general meeting convened in accordance with the Model Rules for the MAC, and signed by the incumbent Chairman of the MAC.
 - (b) If the support to a candidate/a list of candidates is to be given in the official capacity of an office-bearer of a MAC, that office bearer should first obtain the approval of the MAC at a general meeting convened in accordance with the Model Rules for the MAC. Otherwise, that office-bearer should be careful not to give any impression or cause misunderstanding that the support in his official capacity represents the support of the MAC.
 - (c) If the support to a candidate/a list of candidates is to be given in the personal capacity of an office-bearer of the MAC and his official title will not be mentioned in the election advertisements of the candidate/the list of candidates, it will not be necessary for that office-bearer to seek approval from the MAC or its executive committee.
