Subject (Responsible Bureau/Office)	Date of meeting	Follow-up actions required	Administration's response
		(b) provide further information about the environmental and ecological impacts of the construction and operation of the proposed disposal facility, including the impact on water quality in terms of dissolved oxygen, etc.	
4. Control of unauthorized buildings works under the Buildings Ordinance (Cap. 123)	Special meeting on 20.6.2011	A member referred to a judicial review case considered by the High Court in 2004/2005 involving the Building Authority ( <i>Applicant</i> ) and the Appeal Tribunal (Building) ( <i>Respondent</i> )/ SIU Kwok-Wah ( <i>Interested Party</i> ) and raised queries about the legality of Buildings Department ("BD")'s new enforcement policy with effect from 1 April 2011 against illegal rooftop structures in multi-storey buildings in the New Territories. According to the member, the case had revealed that amnesty was granted to such rooftop structures which was erected before 27 February 1975, and demolition of the structures would not be required if they posed no danger to the public. Nonetheless, the Administration advised that the 1975 amnesty had been overruled, and BD had been taking enforcement actions against the illegal rooftop	Administration's response awaited
