

**Panel on Environmental Affairs**

**CB(1) 424/11-12(01)**

**List of follow-up actions**  
(position as at 22 November 2011)

<b>Subject</b>	<b>Date of meeting</b>	<b>Follow-up action required</b>	<b>Administration's response</b>
1. <u>Green measures in the Government</u>	20.12.2006	The Administration to provide -  (a) an updated information paper to respond to members' concerns on targets of green measures in the Government; and  (b) a written response to the submission from the Green Council on the green measures in the Government which was tabled at the meeting.	The Administration has advised that a consultancy study was commissioned by the Environmental Protection Department to update the existing "green" specifications and develop "green specifications" for more items commonly used by the Government. The study was extended in mid-2009 to cover more products, in order to promote the green procurement policy. The whole study was completed in the latter half of 2010. Subsequently, the Administration issued circulars on encouraging the use of green materials in public works projects and
