**1. Review of the Employment Ordinance - the requirement of "continuous contract"**

At the meeting on 17 November 2011, the Administration briefed the Panel on the major findings of a survey conducted by the Census and Statistics Department ("C&SD") on employees engaged under employment contracts with short duration or working hours instead of a continuous contract ("SDWH employees"), as revealed in C&SD's Special Topics Report No. 55 released in July 2011.

To be confirmed

Members were informed that with the developments of the labour market and calls for relaxing the continuous contract requirement (the so-called "4-18" requirement) under the Employment Ordinance (Cap. 57) ("EO"), the Administration was undertaking a review of the subject with reference to the findings of the survey on SDWH employees. According to the Administration, the Labour Advisory Board ("LAB") would be consulted on the review in mid-2012. After deliberation by LAB, the Panel would be consulted. The Administration was requested to revert to the Panel on the subject within the 2011-2012 legislative session.

**2. Establishment of a central compensation insurance fund**

Following the "911" terrorist attack in 2001 and the outbreak of SARS in 2003, there were concerns over the potential non-availability of employees' compensation insurance ("ECI") cover for certain risks e.g. infectious diseases.

To be confirmed

On 19 May 2005, the Panel was briefed on the proposed measures to improve the ECI system in Hong Kong. The Administration presented its research findings on the operation of the ECI schemes in some overseas countries and the views received from the insurance industry. As replacing a private market by a central ECI scheme would have significant impact on insurers, LAB agreed to test run a "residual scheme" proposed by the Hong Kong Federation of Insurers. The scheme sought to act as a market of last resort to assist employers who had difficulties finding ECI cover. At the meeting, the Panel urged the Administration that, while introducing the residual scheme, it should also consider pursuing a central ECI scheme in the long run.

At the meeting on 15 March 2007, the Panel was briefed on the structure and mode of operation of the Employees' Compensation Insurance Residual Scheme ("the Scheme") scheduled to be launched by the insurance industry on 1 May 2007. The Panel was advised that a mid-term review of the progress of the Scheme would be conducted one year after implementation and an overall review after operating the Scheme for two years.

The outcome of the review of the Scheme was circulated to members vide LC Paper No. CB(2)2509/08-09 on 22 September 2009.

At the Panel meeting on 19 February 2009, Hon LEE Cheuk-yan proposed that the employee compensation for injury/death caused by accidents en route to work be discussed by the Panel.

### **3. Progress of establishment of a Qualifications Framework**

Hon CHAN Yuen-han, Hon WONG Kwok-hing and Hon KWONG Chi-kin suggested in their letter dated 16 December 2004 that the progress of the establishment of the Qualifications Framework ("QF") proposed by the Administration should be discussed by the Panel.

To be confirmed

The Accreditation of Academic and Vocational Qualifications ("AAVQ") Bill was introduced into the Legislative Council on 6 July 2005. At the House Committee meeting on 8 July 2005, a Bills Committee was formed to scrutinize the Bill. The Bills Committee completed its scrutiny of the Bill on 27 March 2007. The Bill, with amendments, was enacted on 2 May 2007. The AAVQ Ordinance commenced full operation on 5 May 2008.

The Administration reported to the Panel the development of QF at the meetings on 23 October 2008, 16 July 2009, 22 October 2009, 17 June 2010, 21 October 2010, 17 June and 20 October 2011.

**4. Working group's findings on the study on recognition of sick leave certificates issued by registered chiropractors as valid sick leave certificates**

The item was proposed by Hon CHAN Yuen-han, Hon WONG Kwok-hing and Hon KWONG Chi-kin on 8 April 2005. They considered that EO should be amended to recognize sick leave certificates issued by registered chiropractors as valid sick leave certificates.

To be confirmed

Hon WONG Kwok-hing raised the subject again at the meeting on 18 January 2007. According to the Administration, an Inter-bureaux/departmental Working Group ("the Working Group") had been set up to study issues pertinent to the recognition of medical treatment, examination and certification given by registered chiropractors for entitlement of employee benefits under the relevant labour legislation.

In their letter dated 14 October 2008, Hon WONG Kwok-kin, Hon WONG Kwok-hing, Hon IP Wai-ming and Dr Hon PAN Pey-chyou requested that the issue be discussed by the Panel.

At the Panel meeting on 17 June 2011, the Administration briefed members on the findings of the Working Group on

its study of recognition of medical certificates issued by registered chiropractors as valid sick leave certificates under labour-related legislation. While agreeing with the recommendation made by the Working Group not to recognize medical certificates issued by chiropractors under labour-related legislation at this juncture, the Administration informed members that the Labour Department ("LD") would commission C&SD to conduct a comprehensive survey to gain a more updated and thorough understanding of the community's knowledge and utilization of chiropractic treatment and to gauge the prevalence of chiropractic treatment in Hong Kong. While the survey was tentatively scheduled to be conducted in the latter half of 2012, the Administration would continue to communicate with the relevant stakeholders and closely monitor the latest development of chiropractic in Hong Kong and other regions.

## **5. Paternity leave**

On 21 June 2006, Hon WONG Kwok-hing raised a question on paternity leave at the Council meeting. In response to his request, the Administration sought the advice of the Equal Opportunities Commission and the Department of Justice and responded on 11 October 2006 that it was unlikely that any lack of legislation for paternity leave would constitute family status discrimination under the Family Status Discrimination Ordinance (Cap. 527).

of 2012

In their letter dated 14 October 2008, Hon WONG Kwok-kin, Hon WONG Kwok-hing, Hon IP Wai-ming and Dr Hon PAN Pey-chyou requested that the provision of paternity leave be discussed by the Panel.
